Item 2. Acquisition or Disposition of Assets.

As previously reported, on February 6, 2004, Home Solutions of America, Inc., a Delaware corporation (the "Company"), consummated the acquisitions of (i) 100% of Southern Exposure Unlimited of Florida, Inc., a Florida corporation ("Southern Exposure"), (ii) 100% of S.E. Tops of Florida, Inc., a Florida corporation ("S.E. Tops"), and (iii) 50% of SouthernStone Cabinets, Inc., a Florida corporation ("SouthernStone") (collectively, the "SE Companies"). The acquisitions of Southern Exposure and S.E. Tops were structured as separate mergers into wholly owned subsidiaries of the Company, and the 50% interest in SouthernStone was acquired through a stock purchase, all pursuant to a Plan of Merger and Stock Purchase Agreement dated February 6, 2004, effective as of December 31, 2003 (the "Merger Agreement"). The Company's equity holdings in the SE Companies are held by Southern Exposure Holdings, Inc., a Florida corporation and wholly owned subsidiary of the Company ("Holdings"). The SE Companies, which have headquarters in Fort Myers, Florida, are engaged in the businesses of manufacturing and installing custom cabinetry and countertops for resale to homebuilders and residential customers.

On February 9, 2004, the Company filed with the Securities and Exchange Commission a current report on Form 8-K, disclosing the acquisition of the SE companies, but omitted the financial statements required by Item 7 of Form 8-K, as permitted by applicable rules and regulations.

Through this Form 8-K/A, the Company amends its current report filed on February 9, 2004, to include the information required by Item 7 of Form 8-K.

NOTES TO COMBINED FINANCIAL STATEMENTS

For The Years Ended December 31, 2003 and 2002

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

Southern Exposure Unlimited of Florida, Inc. and affiliated companies (the "Company") are incorporated in the state of Florida. The Company is engaged in the business of manufacturing and installing custom cabinetry and counter tops for homebuilders and residential customers in Florida.

Principles of Combination

The combined financial statements include the accounts of Southern Exposure Unlimited of Florida, Inc. ("SE"), S.E. Tops of Florida, Inc. ("ST") and SouthernStone Cabinets, Inc. ("SS"), all of which have common ownership and management. All significant intercompany accounts and transactions have been eliminated in the combination.

Inventories

Inventories are stated at the lower of cost or market with cost determined using the first-in, first-out method. Work in process and finished goods include material, labor and applied overhead. Inventories at December 31, 2003 consist of the following:

Raw materials	\$	132,568
Work in process		17,330
Finished goods		87,647
	\$	237,545

Concentrations

Credit Risk

The Company extends credit to a variety of customers in diverse industries and performs ongoing credit evaluations of such customers. The Company evaluates reserves for potential credit losses based on a job-by-job review and on the Company's historical experience. At December 31, 2003, the Company has recorded an allowance for doubtful accounts of \$10,551.

The Company maintains its cash balances at a financial institution located in Florida. The balances are insured by the Federal Deposit Insurance Corporation up to \$100,000. As of December 31, 2003, the uninsured portion of the balances totaled \$2,432,266.

NOTES TO COMBINED FINANCIAL STATEMENTS

For The Years Ended December 31, 2003 and 2002

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Sales to Customers

During 2003 and 2002, revenues from one customer aggregated to 72% and 61%, respectively, of the Company's total revenue. As of December 31, 2003, accounts receivable from this customer aggregated to 81% of the Company's total accounts receivable.

Use of Estimates in the Preparation of Financial Statements

The preparation of combined financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Significant estimates made by the Company's management include, but are not limited to, allowances for doubtful accounts receivable and the realizability of inventories and property and equipment through future operations. Actual results could materially differ from those estimates.

Property and Equipment

Depreciation and amortization of property and equipment is provided for using the straight-line method over the estimated useful lives of the related assets (3 to 7 years). Amortization of leasehold improvements is provided over the lesser of the useful life of the related asset or the term of the lease.

Maintenance and repairs are charged to expense as incurred. Renewals and improvements of a major nature are capitalized. At the time of retirement or other disposition of property and equipment, the cost and accumulated depreciation are removed from the accounts and any resulting gains or losses are reflected in income.

NOTES TO COMBINED FINANCIAL STATEMENTS

For The Years Ended December 31, 2003 and 2002

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Long-Lived Assets

The Company regularly reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable. Based on its analysis, the Company believes that no impairment of the carrying value of its long-lived assets existed at December 31, 2003. There can be no assurance, however, that economic market conditions or demand for the Company's products will not change which could result in impairment of long-lived assets in the future.

Revenue Recognition and Deferred Revenue

SS and ST recognize revenue for product sales at the time the related products are shipped to the customer.

SE recognizes revenue upon complete installation of the cabinets and inspection by the customer.

The deferred revenue represents amounts billed to customers prior to completion of installation of the cabinets and inspection by the customer.

Income Taxes

Each entity of the Company has elected to be taxed as an "S" corporation under a section of the Internal Revenue Code whereby the income and expense items are included in the personal return of the stockholders and the Company does not pay federal corporate taxes. The Florida tax treatment is substantially the same as federal and the Company does not pay state corporate taxes. Accordingly, a provision for income taxes has not been reflected in the combined statements of operations.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

New Accounting Pronouncements

In November 2002, the Financial Accounting Standards Board ("FASB") issued Interpretation No. 45 ("FIN 45"), *"Guarantor's Accounting and Disclosure Requirements for Guarantees, Including Indirect Guarantees of Indebtedness of Others."* FIN 45 elaborates on the disclosures to be made by a guarantor in its financial statements about its obligations under certain guarantees that it has issued. It also clarifies that a guarantor is required to recognize, at the inception of a guarantee, a liability for the fair value of the obligation undertaken in issuing the guarantee. The initial recognition and initial measurement provisions of FIN 45 are applicable on a prospective basis to guarantees issued or modified after December 31, 2002. The disclosure requirements in FIN 45 are effective for financial statements of interim or annual periods ending after December 15, 2002. The Company's adoption of FIN 45 did not have a material impact on its financial position or results of operations (see Note 4).

In January 2003, the FASB issued Interpretation No. 46 ("FIN 46"), *"Consolidation of Variable Interest Entities,"* an interpretation of Accounting Research Bulletin 51, *"Consolidated Financial Statements,"* to improve financial reporting of special purpose and other entities. In accordance with the interpretation, business enterprises that represent the primary beneficiary of another entity by retaining a controlling financial interest in that entity's assets, liabilities, and results of operations must consolidate the entity in their financial statements. Prior to the issuance of FIN 46, consolidation generally occurred when an enterprise controlled another entity through voting interests. Application by small business issuers to entities other than special-purpose entities and by nonpublic entities to all types of entities is required at various dates in 2004 and 2005. The Company does not expect FIN 46 to have a material impact on its financial statements as it has no variable interest entities.

Indemnities and Guarantees

The Company has entered into certain indemnities and guarantees under which it may be required to make payments in relation to certain transactions. The Company indemnifies its directors, officers, employees and agents to the maximum extent permitted under the laws of the State of Florida. In connection with its facility leases, the Company has indemnified its lessors for certain claims arising from the use of the facilities. The duration of these indemnities and guarantees varies and, in certain cases, is indefinite. These indemnities and guarantees do not provide for any limitation of the maximum potential future payments the Company could be obligated to make. Historically, the Company has not been obligated to make significant payments for these obligations and no liabilities have been recorded for these indemnities and guarantees in the accompanying combined balance sheet.

NOTE 8 - SUBSEQUENT EVENT

Commensurate with the announcement in August 2002 of Home Solutions of America Inc.'s ("HSOA") strategy of acquiring companies in the specialty residential services industry, pursuant to a merger and stock purchase agreement, HSOA acquired 100% of SE, 100% of ST and 50% of SS. The acquisition was closed on February 6, 2004, and was effective December 31, 2003. It has been accounted for as a purchase.

The purchase price was comprised of the following:

Acquisition payable (paid in February 2004)	\$ 2,000,000
Notes payable	5,968,189
Common stock committed to be issued (issued in February 2004)	2,500,000
Commissions, legal, accounting and other costs (including \$931,000 of stock and warrants committed to be issued and issued in February 2004)	1,682,833
	\$ 12,151,022

A note payable issued in connection with the acquisition for \$4,500,000 bears interest at 2% in excess of one-month LIBOR rate (adjusted on the first day of each calendar quarter beginning January 1, 2004 - 1.12% at December 31, 2003). Principal and interest payments are due quarterly beginning July 1, 2004. The payments shall be the greater of (i) the amount of principal and interest that would be payable under a 10-year amortization or (ii) 60% of free cash flow (as defined) of the calendar quarter that precedes the payment date by two calendar quarters, commencing with the calendar quarter ended March 31, 2004, which shall be measured against the calculation set forth above for the payment date of July 1, 2004. The note is secured by the common stock and assets of the Company and is subordinated to certain notes of HSOA.

A note payable issued in connection with the acquisition for \$1,468,189 bears no interest. Principal payments are due as accounts receivable securing the note are collected until the note is paid in full. The note is secured by the common stock and assets of the Company and is guaranteed by HSOA and subordinated to certain notes of HSOA.

NOTES TO UNAUDITED PRO FORMA COMBINED FINANCIAL STATEMENTS

Note 1 - Basis of Presentation

The unaudited pro forma combined statement of operations gives effect to the acquisitions of (i) 100% of Southern Exposure Unlimited of Florida, Inc., a Florida corporation, (ii) 100% of S.E. Tops of Florida, Inc., a Florida corporation, and (iii) 50% of SouthernStone Cabinets, Inc., a Florida corporation ("SouthernStone") (collectively, the "SE Companies"), as if the acquisitions occurred on January 1, 2003. There is no presentation of the unaudited pro forma combined balance sheet since the acquisitions were effective as of December 31, 2003 and the effect of the transaction was already reflected in the audited consolidated balance sheet of Home Solutions of America, Inc. ("HSOA") as of December 31, 2003 as filed in HSOA's annual report on Form 10-KSB on March 30, 2004. The actual acquisitions of the SE Companies closed on February 6, 2004, effective December 31, 2003.

The pro forma information has been prepared for comparative purposes only, and does not purport to be indicative of HSOA's results of operations that would have actually occurred had the transaction been in effect for the period presented, or of results that may occur in the future. The unaudited pro forma combined financial statements should be read in conjunction with HSOA's historical financial statements and related notes.

Note 2 - Pro Forma Adjustments

The pro forma adjustments are based on HSOA management's preliminary estimates of the value of the tangible and intangible assets acquired. For purposes of this pro forma presentation, management has assumed that all intangible assets will be considered non-amortizable goodwill, rather than other identifiable intangibles with amortization. Management will conduct a valuation of the net assets acquired, with the assistance of a third-party appraisal firm. As a result, the actual adjustments may differ materially from those presented in these unaudited pro forma combined financial statements.

Description of pro forma adjustments:

- (a) To record interest expense on acquisition debt as if the debt was outstanding for all of 2003. Computed based on \$4.5 million of interest-bearing debt at a rate of 3.12% (the LIBOR-based rate at December 31, 2003).
- (b) To reflect the 50% share of the 2003 income of SouthernStone not acquired by HSOA.
- (c) To adjust the consolidated tax provision at 35% of the pro forma combined pre-tax net income.
- (d) To record the additional shares issued in the acquisition - 1,337 shares issued to the seller and 420 shares issued to various third parties.
- (e) To reflect the additional dilutive shares outstanding at HSOA as of December 31, 2003, as well as dilutive options and warrants issued to third parties in connection with the acquisition.
- (f) To reflect the per share adjustments as a result of adjustments (d) and (e) above.
