## **Introductory Statement**

This Amendment No. 5 to the Schedule 13D of David W. Mann supplements and amends Items 4 and 7 of Amendment No. 4 to the Schedule 13D to report to the sale by First Preference Mortgage Corp., a wholly owned subsidiary of the Issuer, of substantially all of its furniture, fixtures and equipment and its loan production operations, to an entity ultimately owned and controlled by Mr. Mann and his affiliates.

### **Item 4. Purpose of Transaction.**

Item 4 of the Schedule 13D is hereby amended and supplemented by the following:

On December 1, 2006 Citizens Mortgage Corp. ("CMC") and First Preference Mortgage Corp. ("FPMC"), a wholly owned subsidiary of the Issuer, executed an agreement entitled Memorandum of Asset Purchase (the "Agreement") under which FPMC sold to CMC substantially all of its furniture, fixtures and equipment and its retail and wholesale loan production operations and going concern value for a purchase price of \$333,873, of which \$78,873 was paid in cash on the date of execution and the \$255,000 balance was paid in the form of CMC's promissory note. The promissory note is unsecured, bears interest at 0.75% below the prime rate published in the Wall Street Journal (initially, 7.50%), and is repayable in 12 quarterly installments of principal and accrued interest starting March 15, 2007. The effective date provided in the Agreement was May 1, 2006. Under the Agreement CMC assumed no liabilities, obligations or commitments of FPMC, other than certain equipment lease agreements. In connection with the discontinuance by FPMC of its loan production operations CMC employed certain of FPMC's former employees and took over the processing of loan applications that had been received by FPMC.

CMC is a wholly owned subsidiary of Citizens State Bank of Woodville, Texas, the president and chief executive officer of which is David W. Mann and the parent company of which is majority-owned by Mr. Mann and his affiliates. Mr. Mann is also the chief executive officer and a director of both FPMC and the Issuer. Mr. Mann and his affiliates own a controlling beneficial ownership of the Issuer and the parent company of CMC. The purchase price and terms provided in the Agreement were negotiated on behalf of FPMC by the independent directors of the Issuer and by legal counsel selected by them. The purchase price was based on an evaluation provided by an independent expert.

---

Other than as set forth above, Mr. Mann currently has no intention to proceed with any further plan or proposal that would result in (a) the acquisition or disposition of securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) any change in the present board of directors or management of the Issuer; (e) any material change in the present capitalization or dividend policy of the Issuer; (f) any other material change in the Issuer's business or corporate structure; (g) changes in the Issuer's articles of incorporation, by-laws, or other instruments corresponding thereto or other actions that may impede the acquisition of control of the Issuer by any person; (h) causing any change in the trading market of any class of securities of the Issuer; (i) a class of equity securities of the Issuer becoming eligible for termination of registration under the Securities Exchange Act of 1934; or (j) any action similar to any of the matters enumerated above.

As a person who may be deemed to have beneficial ownership of shares of Common Stock, however, Mr. Mann intends to review continuously his investment, and the investment by entities with which he is affiliated, in the Common Stock; the Issuer's business, board of directors, management, operations, financial results and condition and prospects; conditions in the securities markets generally; and general economic and industry conditions. Mr. Mann may, in light of his continuing review of these factors, change his intention with respect to any or all of the matters referred to in this Item 4 and may formulate a plan or proposal relating to one or more of such matters. In addition, in his capacity as an officer and a director of the Issuer and its subsidiaries, Mr. Mann may discuss one or more of the matters enumerated above with the other officers and directors of the Issuer, and may formulate and effectuate a plan or proposal relating to one or more of the matters enumerated above. Effectuation of most or all such plans or proposals would require action by the Issuer's board of directors.

(i) any and all loss, liability or damage suffered or incurred by Purchaser by reason of any untrue representation, breach of warranty or nonfulfillment of any covenant by Seller contained herein or in any certificate, document or instrument delivered to Purchaser pursuant hereto or in connection herewith;

(ii) the Retained Liabilities; and

(iii) any and all actions, suits, proceedings, claims, demands, assessments, judgments, costs and expenses, including, without limitation, legal fees and expenses, incident to any of the foregoing or incurred in investigating or attempting to avoid the same or to oppose the imposition thereof, or in enforcing this indemnity.

(b) Purchaser hereby indemnifies and agrees to hold Seller harmless from, against and in respect of (and shall on demand reimburse Seller for):

(i) any and all loss, liability or damage suffered or incurred by Seller by reason of any untrue representation, breach of warranty or nonfulfillment of any covenant by Purchaser contained herein or in any certificate, document or instrument delivered to Seller pursuant hereto or in connection herewith;

(ii) any and all debts, liabilities or obligations of Purchaser (other than Retained Liabilities), direct or indirect, fixed, contingent or otherwise, which arise after the Effective Date and which are based upon or arise from any act, transaction, circumstance, state of facts or other condition which arise after the Effective Date; and

(iii) any and all actions, suits, proceedings, claims, demands, assessments, judgments, costs and expenses, including, without limitation, legal fees and expenses, incident to any of the foregoing or incurred in investigating or attempting to avoid the same or to oppose the imposition thereof, or in enforcing this indemnity.

- (c) The following procedures shall be used in connection with a claim for indemnification with respect to third party claims:
- (i) Promptly after receipt by an indemnified party of notice of the commencement of any action covered under subsections (a) or (b) above, such indemnified party shall give notice to the indemnifying party of the commencement of such action. However, the failure to so notify the indemnifying party shall not relieve it of any liability that it may have to any indemnified party, except to the extent the indemnifying party demonstrates that the defense of such action is prejudiced by any delay or failure to give such notice.
- (ii) The indemnifying party shall be entitled to participate in any action for which indemnity is sought and may assume the defense of the action with counsel satisfactory to such indemnified party. If the indemnifying party elects to assume the defense of such action, the indemnified party shall have the right to employ separate counsel at its own expense and to participate in the defense thereof.
- (iii) If the indemnifying party elects not to assume (or fails to assume) the defense of such action, the indemnified party shall be entitled to assume the defense of such action with counsel of its own choice, at the expense of the indemnifying party.
- (iv) If the action is asserted against both the indemnifying party and the indemnified party and there is a conflict of interest which renders it inappropriate for the same counsel to represent both the indemnifying party and indemnified party, the indemnifying party shall be responsible for paying for separate counsel for the indemnified party. However, if there is more than one indemnified party, the indemnifying party shall not be responsible for paying for more than one separate firm of attorneys to represent the indemnified parties, regardless of the number of indemnified parties.
- (v) If the indemnifying party elects to assume the defense of such action, (a) no compromise or settlement thereof may be effected by the indemnifying party without the indemnified party's written consent (which shall not be unreasonably withheld) unless the sole relief provided is monetary damages that are paid in full by the indemnifying party, and (b) the indemnifying party shall have no liability with respect to any compromise or settlement thereof effected without its written consent (which shall not be unreasonably withheld).
- (d) No claim for indemnification under this **Section 9** may be made after four (4) years from the Effective Date, except that claims for indemnification from the Seller may be made by the Purchaser at any time after the Effective Date and prior to the expiration of the applicable statute of limitations for breach of any of the representations and warranties of the Sellers (and indemnification therefor) contained in **Section 5(d)** and **Section 5(f)**.

**Section 10. Miscellaneous.**

- (a) **Amendment.** This Agreement may be amended, modified or supplemented only by an instrument in writing executed by the party against which enforcement of the amendment, modification or supplement is sought.

(b) **Assignment.** Neither this Agreement nor any right created hereby shall be assignable by either party hereto without the prior written consent of the other party; provided however, Purchaser may assign this Agreement in whole or in part to a wholly owned subsidiary without any consent from Seller.

(c) **Notice.** Any and all notices, requests, instructions and other communications required or permitted to be given under this Agreement after the date hereof by any party hereto to any other party may be delivered personally or by nationally recognized overnight courier service or sent by mail or by telex or facsimile transmission, at the respective addresses or transmission numbers set forth below and shall be effective (a) in the case of personal delivery, telex or facsimile transmission, when received; (b) in the case of mail, upon the earlier of actual receipt or three (3) business days after deposit in the United States Postal Service, first class certified or registered mail, postage prepaid, return receipt requested; and (c) in the case of nationally-recognized overnight courier service, one (1) business day after delivery to such courier service together with all appropriate fees or charges and instructions for such overnight delivery. **PROMISSORY NOTE**

\$255,000.00 December 1, 2006

For value received, the undersigned **Citizens Mortgage Corp.**, a Texas corporation (the "Maker") whose address is 102 W. Bluff, P.O. Box 109, Woodville, Texas, 75979, hereby promises to pay to the order of **First Preference Mortgage Corp.**, a Texas corporation (together with his successors and assignees and any subsequent holders of this Promissory Note, the "Lender"), at 800 Washington, Waco, Texas, 76701, the principal sum of TWO HUNDRED FIFTY FIVE THOUSAND AND 00/100 (\$255,000.00), together with interest thereon at the rate herein set out.

The interest rate on this Note is subject to change from time to time based on changes in an independent index which is the PRIME RATE as published in the MONEY RATES SECTION of the WALL STREET JOURNAL (the "Index"). The Index is not necessarily the lowest rate charged by Lender on its loans. If the Index becomes unavailable during the term of this loan, Lender may designate a substitute index after notice to Borrower. Lender will tell Borrower the current Index rate upon Borrower's request. The interest rate change will not occur more often than each DAY. Borrower understands that Lender may make loans based on other rates as well. **The Index currently is 8.25% per annum. The Interest rate to be applied prior to maturity to the unpaid principal balance of this Note will be at a rate equal to the Index, less 0.75%, resulting in an initial rate of 7.50% per annum.** NOTICE: Under no circumstances will the interest rate on this Note be more than the maximum rate allowed by applicable law. For purposes of this Note, the "maximum rate allowed by applicable law" means the greater of (A) the maximum rate of interest permitted under federal or other law applicable to the indebtedness evidenced by this Note, or (B) the "Weekly Ceiling" as referred to in Sections 303.002 and 303.003 of the Texas Finance Code.

The principal and interest hereon shall be due and payable as follows:

(a) One (1) installment of principal in the amount of \$35,000, plus accrued and unpaid interest, to be due and payable on March 15, 2007; and thereafter

(b) Eleven (11) quarterly installments of principal in the amount of \$20,000 each, plus accrued and unpaid interest, the first such payment to be due and payable on June 15, 2007, with like successive quarterly installments due on the 15th day of each September, December, March and June thereafter until and including a final installment on December 15, 2009.

Unless otherwise agreed or required by applicable law, payments will be applied first to any accrued unpaid interest, then to unpaid principal and then to unpaid collection costs. Interest on this Note is computed on a 365/365 simple interest basis; that is, by applying the ratio of the annual interest rate over the number of days in a year, multiplied by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding.

Notwithstanding any other provision of this note, in the event of a default, before exercising any of Lender's remedies under this note or any deed of trust securing it, Lender will first give Borrower written notice of default and Borrower will have twenty days after notice is given in which to cure the default. If the default is not cured twenty days after notice, Borrower and each surety, endorser, and guarantor waive all demand for payment, presentation for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, protest, and notice of protest, to the extent permitted by law.

All payments under this Note made to Lender shall be made in immediately available funds at 800 Washington, Waco, Texas, 76701 (or at such other place as Lender, in Lender's sole discretion, may have established by delivery of written notice thereof to Maker from time to time), in lawful money of the United States of America. Payments by check or draft shall not constitute payment in immediately available funds until the required amount is actually received by Lender in full.

Borrower will pay interest on all sums due after final maturity, whether by acceleration or otherwise, at the lesser of maximum rate allowed by law or 10% per annum.

Maker reserves the right to prepay this Note in any amount at any time, without penalty. Early payments will not, unless agreed to by Lender in writing, relieve Maker of Maker's obligation to continue to make payments under the payment schedule. Rather, early payments will reduce the principal balance due. Interest shall immediately cease upon any amounts of principal so prepaid.

If Maker fails or refuses to pay any part of the principal or interest on this Note when the same becomes due or upon the occurrence of a default under the terms hereof or of any of the documents, instruments or any other deeds of trust, security agreements, guaranty agreements, or other collateral documents securing indebtedness represented by this Note, then in such event Lender may, at its option, declare the entire unpaid balance of principal of, and accrued interest on, this Note to be immediately due and payable, foreclose all security interests and liens securing payment hereof or any part hereof, and set off against this Note any and all of Maker's other liabilities to Lender all money or property in Lender's possession held for or owed to Maker.

If this Note is placed in the hands of an attorney for collection, or if it is collected through any legal proceedings, Maker agrees to pay an additional reasonable amount as attorney's fees and other costs of collection, including, but not limited to, court costs of Lender.

Edgar Filing: FIRST FINANCIAL CORP /TX/ - Form SC 13D/A

Except as specifically set forth herein, Maker and each surety, endorser, and guarantor, waive presentment for payment, notice of intent to accelerate, notice of acceleration, protest, and notice of protest and nonpayment, and agree that Maker's liability on this Note shall not be affected by any renewal or extension of the time of payment hereof or by any indulgences, and hereby consent to any and all renewals, extensions, indulgences, or changes, regardless of the number thereof, either before or after maturity.

The laws of the State of Texas shall govern this Note and it shall be enforceable, payable and collectible in Fort Worth, Tarrant County, Texas.
