The following documents are hereby incorporated by reference in this Registration Statement:

1. The Registrant's most recent annual report on Form 10-K for the year ended December 31, 2002.
2. The Registrant's Quarterly Reports on Form 10-Q for the quarters ended March 31, 2003 and June 30, 2003.
3. The Registrant's Current Reports on Form 8-K filed with the Commission on dated May 8, 2003, May 12, 2003, June 9, 2003, and July 30, 2003.

In addition, all documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the 1934 Act, prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference herein and to be a part thereof from the date of filing of such documents. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this registration statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this registration statement.

#### Item 4. DESCRIPTION OF SECURITIES

The securities being registered hereby represent deferred compensation obligations (the "Obligations") of the registrant under the First Tennessee National Corporation Nonqualified Deferred Compensation Plan (the "Plan"). The securities represent contractual obligations of the registrant to pay or distribute to participants in the Plan compensation, the receipt of which the participants have elected to defer, as adjusted for notional investment experience, in accordance with the terms of the Plan. The Obligations may also represent amounts that the registrant has elected to contribute to participants' accounts under the Plan, as adjusted for notional investment experience. All amounts credited to a participant's account are adjusted for earnings or losses based on notional investments in one or more mutual funds selected by the participant from a menu chosen by the plan administrator. The Obligations are payable in cash in a lump-sum distribution or in installments, in accordance with the terms of the Plan, upon participants' termination of employment (or, in the case of Directors, termination of service) for any reason, including but not limited to death, disability or retirement. Participants may also elect to have part or all of the Obligations payable as an in-service distribution on up to three dates occurring prior to any termination of employment (or, in the case of Directors, termination of service), which dates are selected by participants in accordance with the terms of the Plan. The Plan may be amended, modified or terminated at any time, provided that such amendment, modification or termination may not adversely affect benefits already accrued without the

## Edgar Filing: FIRST TENNESSEE NATIONAL CORP - Form S-8

consent of the affected participants. There is no trading market for the Obligations.

The Obligations are unsecured general obligations of the registrant and rank pari passu with other unsecured and unsubordinated indebtedness of the registrant. The Obligations are not subject in any manner, either voluntarily or involuntarily, to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment or garnishment. Any attempt by any person to transfer or assign benefits under the Plan, other than a claim for benefits by a Participant or his or her beneficiary(ies), will be null, void and of no effect.

The Obligations are not convertible into any other security of the registrant. No trustee has been appointed to take action with respect to the Obligations and each participant in the Plan will be responsible for enforcing

2

his or her own rights with respect to the Obligations. The registrant may establish a "rabbi trust" to serve as a source of funds from which it can satisfy the Obligations.

Participants in the Plan will have no rights to any assets held by a rabbi trust, except as general creditors of the registrant. Assets of any rabbi trust will be subject to the claims of the registrant's general creditors in the event of the registrant's insolvency.

### Item 5. INTERESTS OF NAMED EXPERTS AND COUNSEL

Section 11(a) of the Securities Act of 1933, as amended (the "Securities Act"), provides that if any part of a registration statement at the time it becomes effective contains an untrue statement of a material fact or omits a material fact required to be stated therein or necessary to make the statements therein not misleading, any person acquiring a security pursuant to the registration statement may assert a claim against, among others, an accountant who has consented to be named as having certified any part of the registration statement or as having prepared any report for use in connection with the registration statement unless it is proven that at the time such person acquired the security the person knew of such untruth or omission.

The registrant dismissed Arthur Andersen LLP ("Arthur Andersen") as its independent public accountant on May 15, 2002, as described in the registrant's Form 8-K dated May 15, 2002, and filed May 16, 2002. After reasonable efforts, the registrant has not been able to obtain Arthur Andersen's consent to the naming of that firm as an expert or to the incorporation by reference of Arthur Andersen's audit report dated January 15, 2002 in this registration statement as required by Section 7 of the Securities Act.

SEC Rule 437a promulgated pursuant to the Securities Act permits the registrant to file registration statements that contain or incorporate by reference financial statements in which Arthur Andersen had been acting as the independent public accountant without filing the written consent of Arthur Andersen required by Section 7 of the Securities Act. The lack of a consent from Arthur Andersen will generally make unavailable a claim against the accountant relating to securities acquired pursuant to this registration statement under Section 11(a) of the Securities Act for any untrue statement of a material fact contained in the financial statements audited by Arthur Andersen or any omissions to state a material fact required to be stated in those financial statements or necessary to make the statements in those financial statements not misleading.

### Item 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

## Edgar Filing: FIRST TENNESSEE NATIONAL CORP - Form S-8

Tennessee Code Annotated Sections 48-18-501 through 48-18-509 authorize a corporation to provide for the indemnification of officers, directors, employees and agents in terms sufficiently broad to permit indemnification under certain circumstances for liabilities (including reimbursement for expenses incurred) arising under the Securities Act. The registrant has adopted the provisions of the Tennessee statute pursuant to Article Six of its Bylaws. Also the registrant has a "Directors' and Officers' Liability Insurance Policy" which provides coverage sufficiently broad to permit indemnification under certain circumstances for liabilities (including reimbursement for expenses incurred) arising under the Securities Act.

Tennessee Code Annotated, Section 48-12-102, permits the inclusion in the charter of a Tennessee corporation of a provision, with certain exceptions, eliminating the personal monetary liability of directors to the corporation or its shareholders for breach of the duty of care. The registrant has adopted the provisions of the statute as Article 13 of its Charter.

The shareholders of the registrant have approved an amendment to Article Six of the Bylaws pursuant to which the registrant is required to indemnify each director and any officers designated by the Board of Directors, and advance expenses, to the maximum extent not prohibited by law. In accordance with the foregoing, the Board of Directors is authorized to enter into individual indemnity agreements with the directors and such officers. Such indemnity agreements have been approved for all of the directors and certain officers.

### Item 9. UNDERTAKINGS

## Edgar Filing: FIRST TENNESSEE NATIONAL CORP - Form S-8

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the 1933 Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for the purposes of determining any liability under the 1933 Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the 1934 Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the 1934 Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the 1933 Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.

FIRST TENNESSEE NATIONAL CORPORATION  
NONQUALIFIED DEFERRED COMPENSATION PLAN

ARTICLE I  
ESTABLISHMENT AND PURPOSE  
-----

First Tennessee National Corporation hereby sponsors the First Tennessee National Corporation Nonqualified Deferred Compensation Plan. The purpose of the Plan is to provide selected eligible employees of the Company and the Bank, members of the Company's Board of Directors, and such of the divisions or affiliates of the Company or the Bank that have adopted the Plan for their Eligible Employees with an opportunity to defer receipt of a portion of their base salary, bonus, commission and, in the case of Directors, Directors' Fees, and such other specified cash compensation (if any) as is permitted from time to time by the Committee. The Plan is not intended to meet the qualification requirements of Section 401(a) of the Internal Revenue Code, but is intended to be an unfunded arrangement providing deferred compensation to eligible employees who are part of a select group of management or highly compensated employees of the Company and selected subsidiaries within the meaning of Sections 201, 301 and 401 of ERISA. The Plan is intended to be exempt from the requirements of Parts 2, 3 and 4 of Title I of ERISA as a "top hat" plan, and to be eligible for the alternative method of compliance for reporting and disclosure available for unfunded "top hat" plans.

ARTICLE IV  
DEFERRAL ELECTIONS, COMPANY DISCRETIONARY CONTRIBUTIONS, AND PARTICIPANT

-----  
ACCOUNT VALUATION  
-----

4.1 Deferral Elections, generally  
-----

- (a) A Participant shall make deferral elections under the Plan by completing and submitting to the Plan Administrator a written Compensation Deferral Agreement provided by the Plan Administrator (or completing and electronically submitting the deferral election screen on the Participant web site, when made available by the Plan Administrator). Deferral elections become effective upon the first day of the Plan Year following the date of the election or, in the case of a newly Eligible Employee, upon the first pay day which follows the date of the election. Deferral elections are made during an annual enrollment period which ends no later than September 30, with respect to deferrals of annual bonus, and December 31, with respect to base salary and all other forms of Compensation, preceding the Plan Year to which the deferral election relates unless the enrollment period is extended by the Plan Administrator because of extraordinary circumstances. In no event may an enrollment period be extended

8

FIRST TENNESSEE NATIONAL CORPORATION  
NONQUALIFIED DEFERRED COMPENSATION PLAN

beyond the last day of the month prior to the beginning of the Plan Year to which the deferral elections refer. Other cash Compensation deferral elections shall be made prior to the time such amounts have been earned, during special enrollment periods announced by the Plan Administrator.

- (b) An Eligible Employee or Director who becomes eligible to be a Participant during any Plan Year may, in the initial year of eligibility only, make deferral elections with respect to Compensation which will be earned during the balance of such Plan Year but after such elections in such Plan Year, within 30 days of the date of notification of eligibility as required in Section 3.4 of the Plan.
- (c) Deferral elections shall be effective for one Plan Year and shall expire at the end of the Plan Year to which they refer and may not be modified during the Plan Year except in the event of a financial emergency determined in the sole discretion of the Plan Administrator.
- (d) A deferral election shall designate the amount of Compensation to be deferred in dollar amount or in whole percentages. An Eligible Employee Participant may defer into this Plan up to 75% of his or her Compensation, minus the amount (if any) of deferrals made by the Participant into the First Tennessee National Corporation Deferred Compensation Stock Option Program for the same Plan

## Edgar Filing: FIRST TENNESSEE NATIONAL CORP - Form S-8

Year. A Director Participant may defer into this Plan up to 100% of his or her Compensation. The minimum deferral amount into this Plan for any Participant must be at least \$5,000 for each Plan Year. A Participant may elect different percentages for different types of Compensation as permitted by the Plan Administrator.

- (e) The foregoing notwithstanding, in the event a Participant's deferral election results in insufficient non-deferred Compensation from which to withhold taxes in accordance with applicable law, the deferral election shall be reduced as necessary to allow the Employer to satisfy tax withholding requirements.
- (f) Deferrals pertaining to base salary shall be deducted by the Employer on a pro rata basis from a Participant's base salary for each pay period during the Plan Year, and the amount deferred shall be credited to the Participant's elected Sub-Account and a Deemed Investment shall be made in the investment(s) represented by the Investment Option(s) elected by the Participant as of the close of business on the date it would otherwise have been paid as Compensation to the Participant. Deferrals pertaining to other forms of Compensation shall be deducted by the Employer from the Participant's Compensation payment on the date of payment of such Compensation and the amount deferred shall be credited to the Participant's elected Sub-Account and a Deemed Investment shall be made in the investment(s) represented by the Investment

Option(s) elected by the Participant as of the close of business on the date it would otherwise have been paid as Compensation to the Participant.

- (g) The Compensation Deferral Agreement shall indicate the Participant's election of a payment schedule for his or her Retirement/Termination Account. A Participant shall elect to have such Retirement/Termination Account distributed: (a) a portion, or all, in a single lump sum payable as soon as administratively practicable following the Termination Valuation Date; and/or (b) the balance in up to five (5) annual installment payments payable in accordance with Section 5.3 of the Plan. An election of a payment schedule for a Participant's Retirement/Termination Account shall pertain to the entire Retirement/Termination Account balance (e.g. new payment schedule elections override previously elected payment schedules). A Participant shall be permitted to change (override) his or her Retirement/Termination Account payment schedule election at any time by filing a new Compensation Deferral Agreement (or by following such procedures as are set by the Plan Administrator regarding using the Participant website, when available), provided such election is made at least thirteen (13) months prior to the Participant's date of Retirement. Any payment schedule election made within thirteen months of Retirement shall be null and void, and the most recent payment schedule election which is dated at least thirteen months prior to Retirement will be in effect.

### 4.2 In-Service Distribution Date Election

-----

- (a) The Compensation Deferral Agreement shall also indicate the Participant's election of In-Service Distribution Date(s) (if any). An In-Service Distribution election shall pertain to such portion of deferred Compensation for the Plan Year as elected by the Participant and shall cause an In-Service Account to be established (unless such Account already exists), to which such portion of deferred Compensation shall be credited. In the event an In-Service Account has already been established for the In-Service Distribution Date referred to in the deferral election, such portion of deferred Compensation shall be credited to the existing In-Service Account.
- (b) A Participant may maintain up to three (3) In-Service Accounts.
- (c) A newly established In-Service Distribution Date must be at least two (2) years from the end of the Plan Year to which the election which creates it refers. Participants may allocate deferred compensation to existing In-Service Accounts so long as the In-Service Distribution Date for the In-Service Account occurs after the end of the Plan Year to which the election refers.
- (d) A Participant may change or cancel an In-Service Distribution Date once only, as follows:

10

#### FIRST TENNESSEE NATIONAL CORPORATION NONQUALIFIED DEFERRED COMPENSATION PLAN

- (i) An In-Service Distribution Date change (including a cancellation) may be made by submitting a new Compensation Deferral Agreement or such other form as may be provided for In-Service Distribution Date changes by the Plan Administrator (or completing and electronically submitting the appropriate screen on the Participant website, when available) at any time, so long as the date that such form is submitted to the Plan Administrator is at least thirteen (13) months prior to the In-Service Distribution Date being changed; and
- (ii) The In-Service Distribution Date may be extended to a subsequent year (and must be extended by at least one year), but it may not be made to occur sooner than the original date.
- (iii) The In-Service Distribution Date may be cancelled, even after a change. A cancellation of an In-Service Distribution Date shall cause the In-Service Sub-Account associated with it to be merged into the Retirement/Termination Sub-Account.
- (iv) Making an In-Service Distribution Date change or cancellation in accordance with the Plan is specific to the In-Service Distribution to which it refers, and shall not affect other In-Service Distributions or the ability of the Participant to make new In-Service Distribution elections with respect to new deferral contributions.

## Edgar Filing: FIRST TENNESSEE NATIONAL CORP - Form S-8

- (e) Any portion of a deferral not credited to an In-Service Distribution Account will be credited to the Retirement/Termination Account.
- (f) The Compensation Deferral Agreement shall also indicate the Participant's election of payment schedule for each In-Service Distribution Date. Permitted payment schedules for In-Service Distributions are a single lump sum or from two (2) to five (5) annual installment payments. An election of a payment schedule for a Participant's In-Service Account shall pertain to the entire In-Service Account balance (e.g. new payment schedules override previously elected payment schedules). A Participant shall be permitted to change (override) his or her payment schedule election for an In-Service Distribution at any time by filing a new Compensation Deferral Agreement (or by following such procedures as are set by the Plan Administrator regarding using the Participant website, when available), provided such election is made at least thirteen (13) months prior to the In-Service Distribution Date. Any payment schedule election made within thirteen months of an In-Service Distribution Date shall be null and void, and the most recent payment schedule election which is dated at least thirteen months prior to the In-Service Distribution Date will be in effect.

### 4.3 Company Discretionary Contributions and Vesting

-----

- (a) The Committee may, in its sole and absolute discretion, make Company Discretionary Contributions to any or all Participant(s) by crediting to said Participants' Retirement/Termination

11

### FIRST TENNESSEE NATIONAL CORPORATION NONQUALIFIED DEFERRED COMPENSATION PLAN

Accounts an amount determined in the sole and absolute discretion of the Committee. The Committee shall be under no obligation to make Company Discretionary Contributions unless the Company so obligates itself under an employment agreement or other agreement.

- (b) Company Discretionary Contributions and Deemed Investment earnings thereon shall be subject to a vesting schedule established by the Committee for each Company Discretionary Contribution. Such vesting schedule shall be communicated in writing to the Participant receiving a Company Discretionary Contribution at the time of crediting to the Participant's Account, and a copy shall be retained by the Plan Administrator. If no vesting schedule is communicated in accordance herewith, the Company Discretionary Contribution shall be 100% vested from the date of crediting.
- (c) Deemed Investments shall be made in the same manner as for deferrals (Section 4.1 of the Plan) on the date the Company Matching Contribution is credited to the Participant's Retirement/Termination Account.

### 4.4 Plan Balance Transfers

- 
- (a) The Plan Administrator, in its sole discretion, may determine that a portion (or all) of an account balance maintained for all Participants in another Company sponsored nonqualified deferred compensation plan may upon such determination (and if the Participant so elects) be "transferred" to this Plan (the unfunded obligation of the Company to the Participant under the other plan is decreased and the obligation of the Company to the Participant in this Plan is increased in an identical amount).
  - (b) The Plan Balance Transfer amount shall be credited to the Participant's Retirement/Termination Account on the date established by the Plan Administrator, in its sole discretion (the "Plan Balance Transfer Effective Date").

4.5 Allocation Elections and Valuation of Accounts

-----

- (a) A Participant shall elect Investment Options from a menu provided by the Plan Administrator. The initial election shall be made on the Allocation Election form approved by the Plan Administrator (or Allocation Election Screen on the Participant website approved by the Plan Administrator) and shall specify the allocations among the Investment Options elected. A Participant may make different Allocation Elections for each Account. A Participant's Accounts shall be valued as the sum of the value of all Deemed Investments minus any withdrawals or distributions from said Account. Investment Options shall be utilized to determine the earnings attributable to the Account. Elections of Investment Options do not represent actual ownership of, or any ownership rights in or to, the securities or other investments to

12

FIRST TENNESSEE NATIONAL CORPORATION  
NONQUALIFIED DEFERRED COMPENSATION PLAN

which the Investment Options refer, nor is the Company in any way bound or directed to make actual investments corresponding to Deemed Investments.

- (b) The Plan Administrator, in its sole discretion, shall be permitted to add or remove Investment Options provided that any such additions or removals of Investment Options shall not be effective with respect to any period prior to the effective date of such change. Any unallocated portion of an Account or any unallocated portion of new deferrals shall be Deemed Invested in an Investment Option referring to a money market based fund or sub-account.
- (c) A Participant may make a new Allocation Election with respect to future deferrals or Plan Balance Transfers, and may Rebalance or Transfer funds in any of his or her Accounts, provided that such new allocations, Rebalances or Transfers shall be in increments of one percent (1%), and Rebalances and Transfers apply to the entire Account Balance. New Allocation Elections, Rebalances, and Transfers may be made on any business day, and will become effective on the same business day or, in the case of Allocation

Edgar Filing: FIRST TENNESSEE NATIONAL CORP - Form S-8

Elections received after a cut-off time established by the Plan Administrator, the following business day.

- (d) Notwithstanding anything in this Section to the contrary, the Company shall have the sole and exclusive authority to invest any or all amounts deferred in any manner, regardless of any Allocation Elections by any Participant. A Participant's Allocation Election shall be used solely for purposes of determining the value of such Participant's Accounts and the amount of the corresponding liability of the Company in accordance with this Plan.

4.6 Prohibition Against Modifications to deferral elections.  
-----

A Participant may not modify or revoke a deferral election during a Plan Year by changing the amount of the Compensation deferral except that, in the case of unforeseen financial hardship, the Plan Administrator in its sole discretion may grant a request by a Participant to revoke such Participant's deferral election for the balance of the Plan Year.

ARTICLE V  
DISTRIBUTIONS AND WITHDRAWALS  
-----

5.1 In-Service Distributions.  
-----

- (a) Subject to Section 5.5 of the Plan, an In-Service Distribution shall be paid in accordance with the payment schedule election made with respect thereto, beginning as soon as administratively practicable following the In-Service Distribution Valuation Date.

13

FIRST TENNESSEE NATIONAL CORPORATION  
NONQUALIFIED DEFERRED COMPENSATION PLAN

In the event a Participant has elected installment payments for an In-Service Distribution, the installment payments shall be determined and paid in accordance with Section 5.4 of the Plan.

- (b) Notwithstanding a Participant's election to receive an In-Service Distribution, all remaining undistributed In-Service Distribution Account balances shall be combined with the Retirement/Termination Account in the event of Retirement, Termination of Employment, Death, or Disability if the Retirement, Termination of Employment, Death, or Disability occurs prior to any In-Service Distribution Date or prior to the completion of payment(s) elected in connection with any In-Service Distribution Date.

5.2 Retirement Distribution. Subject to Section 5.5 of the Plan, in the event of Retirement of a Participant or in the event of the termination of services of a Director, the vested portion of the Participant's Retirement/Termination Account balance (including In-Service Accounts as aforementioned) will be paid (or the first

## Edgar Filing: FIRST TENNESSEE NATIONAL CORP - Form S-8

payment will be made) in accordance with the Participant's payment schedule election for the Retirement/Termination Account beginning as soon as administratively practicable following the Termination Valuation Date.

- 5.3 Termination of Employment Distribution. In the event of a Participant's Termination of Employment, the vested portion of the Participant's Retirement/Termination Account (including In-Service Accounts as aforementioned) will be paid in a single lump sum as soon as administratively practicable following the Termination Valuation Date.
- 5.4 Installment Payments. If the Participant has elected installment payments for the Retirement/Termination or In-Service Account and is eligible under the Plan to receive installment payments, annual cash payments will be made beginning as soon as administratively practicable following the applicable Valuation Date (Termination or In-Service) or, in the event of a partial lump sum election, following the first anniversary of the partial lump sum payment made following Retirement. Such payments shall continue annually on or about the anniversary of the previous installment payment until the number of installment payments elected has been paid. The installment payment amount shall be determined annually as the result of a calculation, performed on the Annual Valuation Date, where (i) is divided by (ii):
- (i) equals the value of the applicable Sub-Account on the Annual Valuation Date; and
  - (ii) equals the remaining number of installment payments.
- 5.5 Small Account Balance Lump Sum Payment. The foregoing notwithstanding, in the event that a Participant's Retirement/Termination Account Balance is less than \$25,000 or a Participant's In-Service Distribution Sub-Account Balance is less than \$10,000 on the initial Termination or In-Service Distribution Valuation Date, the In-Service or Retirement/Termination Account balance, as applicable, shall be paid in a single lump sum as soon as administratively practicable

14

FIRST TENNESSEE NATIONAL CORPORATION  
NONQUALIFIED DEFERRED COMPENSATION PLAN

following the Valuation Date, and any payment election to the contrary shall be null and void.

- 5.6 Disability Distribution. In the event of Disability, the Participant shall receive the Retirement/Termination Account balance (including In-Service Accounts as aforementioned) in a single lump sum as soon as administratively practicable following the end of the month in which Disability occurred. The Valuation Date for purposes of determining the Disability distribution shall be the last day of the month in which the Participant's Disability occurs.
- 5.7 Death Distribution. In the event of death, a Participant's beneficiary shall receive the Retirement/Termination Account balance (including In-Service Accounts as aforementioned) in a single lump sum as soon as administratively practicable following the end of the month in which death occurred. The Valuation Date for purposes of determining the

## Edgar Filing: FIRST TENNESSEE NATIONAL CORP - Form S-8

death distribution shall be the last day of the month in which the Participant's death occurs.

5.8 Hardship Distribution. In the event a Participant experiences an Unforeseeable Emergency, said Participant may request, in writing to the Plan Administrator, a distribution under the Plan to meet the financial burden caused by the Unforeseeable Emergency. An "Unforeseeable Emergency" is a severe financial hardship to the Participant resulting from a sudden and unexpected illness or accident of the Participant or of a dependent (as defined in Code section 152(a)) of the Participant, loss of the Participant's property due to casualty, or some other similar extraordinary and unforeseeable circumstance arising as a result of events beyond the control of the Participant. The circumstances that will constitute an unforeseeable emergency will depend upon the facts of each case, but, in any case, payment may not be made to the extent that such hardship is or may be relieved--(i) through reimbursement or compensation by insurance or otherwise; (ii) by liquidation of the Participant's assets, to the extent the liquidation of such assets would not itself cause severe financial hardship; or (iii) by cessation of deferrals under the Plan. Examples of what are not considered to be Unforeseeable Emergencies include the need to send a Participant's child to college or the desire to purchase a home. Distributions in the event of an Unforeseeable Emergency shall only be made in an amount calculated by the Participant, and approved by the Plan Administrator, to be necessary to reasonably satisfy the emergency need.

5.9 Voluntary Distribution. A Participant who is an active employee or Director may request, in writing to the Plan Administrator, to have up to 100% of the Participant's Deferred Compensation Account distributed in a single lump sum to the Participant at any time and for any reason, subject to a penalty of 10% of the amount distributed. The penalty shall be forfeited to the Company. There is a minimum distribution request amount of \$10,000. A requesting Participant's deferral elections shall be revoked for the balance of the Plan Year in which the voluntary distribution request is granted and deferrals shall not be permitted for the following Plan Year. The amount of the

15

### FIRST TENNESSEE NATIONAL CORPORATION NONQUALIFIED DEFERRED COMPENSATION PLAN

distribution shall be subtracted first from the vested portion of the Participant's Retirement/Termination Account until depleted and then from the In-Service Accounts (if any) beginning with the most distant. Values for purposes of administering this Section shall be determined on the date the Plan Administrator approves the amount of the distribution, or such other date determined by the Plan Administrator.

5.10 Court Order. In the event of a final, non-appealable valid order of a Court of competent jurisdiction in a domestic relations matter which requires a distribution of a Participant's Account or portion thereof, the Plan Administrator may, in its sole discretion, treat such request as though it were a request for a Hardship withdrawal which satisfied the requirements of an unforeseen severe financial hardship and make a distribution to the Participant, or court ordered recipient as the case may be in the amount necessary to satisfy the Court order.

5.11 Pro-rata subtraction from Investment Options. In the event a

Edgar Filing: FIRST TENNESSEE NATIONAL CORP - Form S-8

distribution under this Article V (e.g. an installment payment, hardship or voluntary distribution, etc.) is less than the entire Account Balance and the Account is allocated over more than one Investment Option, the distribution shall be subtracted from each Investment Option in a pro-rata manner determined in the sole discretion of the Plan Administrator.

ARTICLE VI  
ADMINISTRATION  
-----

- 6.1 Plan Administration. This Plan shall be administered by the Plan Administrator, which shall have sole discretionary authority to make, amend, interpret and enforce all appropriate rules and regulations for the administration of this Plan and to utilize its discretion to decide or resolve any and all questions, including but not limited to eligibility for benefits and interpretations of this Plan and its terms, as may arise in connection with the Plan. Claims for benefits shall be filed with the Plan Administrator and resolved in accordance with the claims procedures in Article IX.
- 6.2 Withholding. The Employer shall have the right to withhold from any payment made under the Plan (or any amount deferred into the Plan) any taxes required by law to be withheld in respect of such payment (or deferral).
- 6.3 Indemnification. The Company shall indemnify and hold harmless each employee, officer, director, agent or organization, to whom or to which is delegated duties, responsibilities, and authority with respect to administration of the Plan, against all claims, liabilities, fines and penalties, and all expenses reasonably incurred by or imposed upon him or it (including but not limited to reasonable attorney fees) which arise as a result of his or its actions or failure to act in connection with the operation and administration of

16

FIRST TENNESSEE NATIONAL CORPORATION  
NONQUALIFIED DEFERRED COMPENSATION PLAN

the Plan to the extent lawfully allowable and to the extent that such claim, liability, fine, penalty, or expense is not paid for by liability insurance purchased or paid for by the Company. Notwithstanding the foregoing, the Company shall not indemnify any person or organization if his or its actions or failure to act are due to gross negligence or willful misconduct or for any such amount incurred through any settlement or compromise of any action unless the Company consents in writing to such settlement or compromise.

- 6.4 Expenses. The expenses of administering the Plan shall be paid by the Participating Employer(s).
- 6.5 Delegation of Authority. In the administration of this Plan, the Plan Administrator may, from time to time, employ agents and delegate to them such administrative duties as it sees fit, and may from time to time consult with legal counsel who may be legal counsel to the Company.

Edgar Filing: FIRST TENNESSEE NATIONAL CORP - Form S-8

6.6 Binding Decisions or Actions. The decision or action of the Plan Administrator in respect of any question arising out of or in connection with the administration, interpretation and application of the Plan and the rules and regulations thereunder shall be final and conclusive and binding upon all persons having any interest in the Plan.

ARTICLE VII  
AMENDMENT AND PLAN TERMINATION  
-----

7.1 Amendment and Plan Termination. The Plan is intended to be permanent, but the Committee may at any time modify, amend, or terminate the Plan, provided that such modification, amendment or termination shall not cancel, reduce, or otherwise adversely affect the amount of benefits of any Participant accrued (and, except as provided in this Section 7.1 any form of payment elected) as of the date of any such modification, amendment, or termination, without the consent of the Participant. The Committee shall be permitted, upon total Plan termination, to instruct the Plan Administrator to pay each Participant (without such Participant's consent) a lump sum in the amount of such Participant's Account Balance as of the date of such Plan termination.

7.2 Adverse Income Tax Determination. Notwithstanding anything to the contrary in the Plan, if any Participant receives a deficiency notice from the United States Internal Revenue Service asserting constructive receipt of amounts payable under the Plan, or if legislation is passed or IRS regulations or other guidance is issued which causes current income taxation of deferred amounts, Company Discretionary Contributions, and/or the investment earnings attributed thereto due to any Participant distribution, right to such distribution, or other Plan provision, the Committee, in its sole discretion, may terminate the Plan or such Participant's participation in the Plan, and/or may declare null and void any Plan provision with respect to affected Participants. In addition, it is intended that this Plan comply with

17

FIRST TENNESSEE NATIONAL CORPORATION  
NONQUALIFIED DEFERRED COMPENSATION PLAN

all provisions of the Code and regulations and rulings in effect from time to time regarding the permissible deferral of compensation and taxes thereon, and it is understood that this Plan does so comply. If the laws of the United States or of any relevant state are amended or construed in such a way as to make this Plan (or its intended deferral of compensation and taxes) in whole or in part void, then the Committee, in its sole discretion, may choose to terminate the Plan or it may (to the extent it deems practicable) give effect to the Plan in such a manner as it deems will best carry out the purposes and intentions of this Plan.

ARTICLE VIII  
INFORMAL FUNDING  
-----

## Edgar Filing: FIRST TENNESSEE NATIONAL CORP - Form S-8

- 8.1 General Assets. All benefits in respect of a Participant under this Plan shall be paid directly from the general funds of the Company, or a rabbi trust created by the Company for the purpose of informally funding the Plan, and other than such rabbi trust, if created, no special or separate fund shall be established and no other segregation of assets shall be made to assure payment. No Participant, spouse or Beneficiary shall have any right, title or interest whatever in or to any investments which the Company, or any of its subsidiaries or affiliated companies, may make to aid the Company in meeting its obligation hereunder, including any assets held by a rabbi trust. Nothing contained in this Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship, between the Company, or any of its subsidiaries or affiliated companies, and any Employee, spouse, or Beneficiary. To the extent that any person acquires a right to receive payments from the Company hereunder, such rights are no greater than the right of an unsecured general creditor of the Company.
- 8.2 Rabbi Trust. The Company may, at its sole discretion, establish a grantor trust, commonly known as a rabbi trust, as a vehicle for accumulating the assets needed to pay the promised benefit, and the Company and/or the Employer may contribute from time to time to such rabbi trust, if established, but the Company shall be under no obligation to establish any such trust or any other informal funding vehicle.

### ARTICLE IX CLAIMS

-----

- 9.1 Filing a Claim. Any controversy or claim arising out of or relating to the Plan shall be filed with the Plan Administrator which shall make all determinations concerning such claim. Any decision by the Plan Administrator denying such claim shall be in writing and shall be delivered to the Participant or Beneficiary filing the claim ("Claimant"). Such decision shall set forth the reasons for denial in plain language. Pertinent provisions of the Plan document shall be cited and, where appropriate, an explanation as to how the Claimant can perfect the claim will be provided, including a description of any additional material or information necessary to complete the claim,

18

FIRST TENNESSEE NATIONAL CORPORATION  
NONQUALIFIED DEFERRED COMPENSATION PLAN

and an explanation of why such material or information is necessary. The claim denial also shall include an explanation of the claims review procedures and the time limits applicable to such procedures, including a statement of the Claimant's right to bring a civil action under Section 502(a) of ERISA following an adverse decision on review. This notice of denial of benefits will be provided within 90 days of the Plan Administrator's receipt of the Claimant's claim for benefits. If the Plan Administrator fails to notify the Claimant of its decision regarding the Claimant's claim, the claim shall be considered denied, and the Claimant shall then be permitted to proceed with an appeal as provided in this Article. If the Plan Administrator determines that it needs additional time to review the claim, the Plan Administrator will

## Edgar Filing: FIRST TENNESSEE NATIONAL CORP - Form S-8

provide the Claimant with a notice of the extension before the end of the initial 90-day period. The extension will not be more than 90 days from the end of the initial 90-day period and the notice of extension will explain the special circumstances that require the extension and the date by which the Plan Administrator expects to make a decision.

9.3 Appeal. A Claimant who has been completely or partially denied a benefit shall be entitled to appeal this denial of his claim by filing a written appeal with the Plan Administrator no later than sixty (60) days after: (a) receipt of the written notification of such claim denial, or (b) the lapse of ninety (90) days without an announced decision notice of extension. A Claimant who timely requests a review of his or her denied claim (or his or her authorized representative) may review, upon request and free of charge, copies of all documents, records and other information relevant to the denial and may submit written comments, documents, records and other information relevant to the claim to the Plan Administrator. The Plan Administrator may, in its sole discretion and if it deems appropriate or necessary, decide to hold a hearing with respect to the claim appeal. Following its review of any additional information submitted by the Claimant, the Plan Administrator shall render a decision on its review of the denied claim in the following manner:

- (a) The Plan Administrator shall make its decision regarding the merits of the denied claim within 60 days following His receipt of the appeal (or within 120 days after such receipt, in a case where there are special circumstances requiring extension of time for reviewing the appealed claim). It shall deliver the decision to the Claimant in writing. If an extension of time for reviewing the appeal is required because of special circumstances, written notice of the extension shall be furnished to the Claimant prior to the commencement of the extension. The notice will indicate the special circumstances requiring the extension of time and the date by which the Plan Administrator expects to render the determination on review.
- (b) The review will take into account comments, documents, records and other information submitted by the Claimant relating to the claim without regard to whether such information was submitted or considered in the initial benefit determination.

19

FIRST TENNESSEE NATIONAL CORPORATION  
NONQUALIFIED DEFERRED COMPENSATION PLAN

- (c) The decision on review shall set forth a specific reason for the decision, and shall cite specific references to the pertinent Plan provisions on which the decision is based.
- (d) The decision on review will include a statement that the Claimant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, or other information relevant to the Claimant's claim for benefits.
- (e) The decision on review will include a statement describing any voluntary appeal procedures offered by the plan and a statement of the Claimant's right to bring an action under Section 502(a) of ERISA.

Edgar Filing: FIRST TENNESSEE NATIONAL CORP - Form S-8

- (f) A Claimant may not bring any legal action relating to a claim for benefits under the Plan unless and until the Claimant has followed the claims procedures under the Plan and exhausted his or her administrative remedies under such claims procedures.

ARTICLE X  
GENERAL CONDITIONS  
-----

- 10.1 Anti-assignment Rule. No interest of any Participant, spouse or Beneficiary under this Plan and no benefit payable hereunder shall be assigned as security for a loan, and any such purported assignment shall be null, void and of no effect, nor shall any such interest or any such benefit be subject in any manner, either voluntarily or involuntarily, to anticipation, sale, transfer, assignment or encumbrance by or through any Participant, spouse or Beneficiary.
- 10.2 No Legal or Equitable Rights or Interest. No Participant or other person shall have any legal or equitable rights or interest in this Plan that are not expressly granted in this Plan. Participation in this Plan does not give any person any right to be retained in the service of the Company or any of its subsidiaries or affiliated companies. The right and power of the Company (or any of its subsidiaries or affiliated companies that is the Employee's employer) to dismiss or discharge an Employee is expressly reserved.
