(d)-(e) None of Motorola, Motorola SMR, Motorola Canada or, to the best of Motorola's, Motorola SMR's and Motorola Canada's knowledge, any of the directors or executive officers listed on Appendices 1 through 3 has been, during the last five years, (a) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (b) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 4. Purpose of Transaction.

Item 4 is amended to add the following paragraphs as the fourth and fifth paragraphs of Item 4:

On March 4, 2003 Motorola sold 25,000,000 shares of Nextel Class A Common at a price of \$13.42 per share in a block trade to Salomon Smith Barney Inc. for resale into the open market (the "Block Sale").

As more fully described in Item 6 below, on March 3, 2003 and March 4, 2003 Motorola entered into variable forward share contracts with each of Goldman Sachs Capital Markets, L.P. and Citibank N.A., New York, respectively, (collectively, the "Contracts") to sell an aggregate of up to 25,000,000 shares of Nextel Class A Common Stock.

The former fourth paragraph of Item 4 is amended and restated to read as follows:

Edgar Filing: NEXTEL COMMUNICATIONS INC - Form SC 13D/A

Except in connection with the transactions contemplated by the Contribution and Merger Agreement, the Motorola Stock Purchase Agreement, the Sale Plan, the Block Sale and the Contracts as described above and in Item 6 hereof, none of Motorola, Motorola SMR or Motorola Canada has current plans or proposals which relate to or would result in any of the events described in Items (a) through (j) of Item 4 of the Schedule 13D. Each of Motorola, Motorola SMR and Motorola Canada does, however, expect to evaluate on an ongoing basis its intentions with respect to Nextel and may determine to pursue one or more of the actions specified in Items (a) through (j).

Item 5. Interest in Securities of the Company.

Item 5 is amended and restated to read as follows:

(a)-(c) Motorola is the beneficial owner (as defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act")) of 83,190,768 shares of Nextel Class A Common Stock(1) (constituting 8.6% of the total outstanding shares of Nextel's Class A Common Stock). As to such shares, Motorola may be deemed to exercise sole voting and sole dispositive power with respect to 76,167,768 shares and shared voting and dispositive power as to 7,023,000 shares (including 35,053,780 and 606,220 shares of Class B Non-Voting Common Stock, respectively, which are convertible in certain circumstances into Class A Common Stock).

(1)

Motorola's beneficial ownership of Nextel Class A Common Stock consists of (i) 47,530,768 shares of Nextel Class A Common Stock and (ii) 35,660,000 shares of Nextel Class A Common Stock deemed to be outstanding under Rule 13D-3(d).

Motorola SMR is the beneficial owner (as defined in Rule 13d-3 under the Exchange Act) of 2,023,000 shares of Nextel Class A Common Stock (constituting 0.21% of the total outstanding shares of Nextel's Class A Common Stock). Page 7 of 14 Pages

None of Motorola, Motorola SMR, Motorola Canada, or any of the individuals in Appendices 1 through 3 has had any transactions in Nextel Class A Common Stock during the past 60 days except that (i) on March 4, 2003 Motorola sold 25,000,000 shares of Nextel Class A Common Stock pursuant to the Block Sale described in Item 4 hereof and (ii) on March 3, 2003 and March 4, 2003 Motorola entered into the transactions contemplated by the Contracts described in Item 6 hereof.

(d) Not applicable.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

The ninth paragraph of Item 6 is amended and restated to read as follows:

In addition, as long as Motorola owns 5% of the outstanding shares of Nextel Common Stock, Motorola will have the right to nominate two members for election to the Nextel Board. Keith Bane, Motorola's former Executive Vice President and President, Global Strategy and Corporate Development, was first elected to the Nextel Board on July 31, 1995 and continues to serve on the Nextel Board as Motorola's designated nominee. In the event of a transfer of shares of Nextel Common Stock by Motorola, one transferee of at least 5% of the outstanding shares of Nextel Common Stock, designated by Motorola and approved by Nextel (whose consent will not be unreasonably withheld), will have the right (so long as such transferee owns at least 5% of the outstanding shares of Nextel Common Stock) to nominate one person to the Nextel Board.

The twelfth paragraph of Item 6 is amended and restated to read as follows:

Also in connection with the Securities Purchase Agreement, Motorola granted Investor an option to purchase up to an additional 18,000,000 shares of Nextel Common Stock (adjusted to reflect Nextel's 2:1 stock split effective June 7, 2000) in three tranches over a six-year period. The

Edgar Filing: NEXTEL COMMUNICATIONS INC - Form SC 13D/A

Investor exercised its option to purchase the first tranche in full on August 25, 1997 and its option to purchase the second tranche in full on August 25, 1999. The remaining tranche was exercisable for up to 10,000,000 shares at \$10.75 per share (adjusted to reflect Nextel's 2:1 stock split effective June 7, 2000) during the 30-day period following July 28, 2001. Such option was not exercised and expired by its terms. In addition, subject to certain limitations, Motorola has granted Investor a right of first refusal to purchase shares of Nextel Common Stock owned by Motorola. However, Investor waived its right of first refusal under the Securities Purchase Agreement to purchase shares of Nextel Common Stock owned by Motorola in connection with the sale of up to 60,000,000 shares of Nextel Common Stock by Motorola, either in one or more brokers' transactions, in one or more negotiated sales, in one or more deferred sale transactions with a broker-dealer firm pursuant to variable rate forward sale contracts or similar arrangements, in a combination thereof or otherwise through the end of 2003. Investor has acknowledged that a sale or sales made pursuant to a deferred sale transaction such as a forward sale contract or similar arrangement shall be deemed consummated upon entering the deferred sale agreement and that the future settlement of such arrangement shall be covered by the waiver previously described.

Item 6 is amended to add the following paragraphs after the fifteenth paragraph of Item 6:

On March 3, 2003 and March 4, 2003 Motorola entered into the Contracts pursuant to which Motorola may elect to receive a notional amount of cash at any time during the term of the Contracts as advances against a future sale of up to 25,000,000 shares, in the aggregate, of Nextel Class A Common Stock as set forth below (the "Contract Shares").

13D

Page 8 of 14 Pages

Each of the Contracts provide Motorola with a modified put option and the counterparty with a modified call option with respect to the Contract Shares subject to such Contract. Pursuant to each Contract, Motorola will deliver, in ten components of nearly equal size with adjustments to eliminate fractional shares (each a "Component"), a number of shares of Nextel Class A Common Stock (or, at the option of Motorola, the cash equivalent of such shares) equal to the product of (1) the number of Contract Shares subject to such Component and (2) the Exchange Ratio, which will be determined as described below.
