PART I**Item 1. Business.****General**

International Multifoods Corporation ("Multifoods"), incorporated in Delaware in 1969 as the successor to a business founded in 1892, operates food manufacturing businesses in the United States and Canada.

We manage our businesses through three operating segments: U.S. Consumer Products, Foodservice Products and Canadian Foods. In September 2002, we completed the sale of our foodservice distribution business. We have classified our foodservice distribution business as a discontinued operation. Financial information for the last three fiscal years for each of our business segments, which is included in Note 17 to our Consolidated Financial Statements on pages 47 and 48 of our Annual Report to Stockholders for the fiscal year ended March 1, 2003 ("2003 Annual Report to Stockholders"), is incorporated herein by reference.

U.S. Consumer Products

Through our U.S. Consumer Products segment, we market and distribute flour and scratch ingredients, dessert and baking mixes, ready-to-spread frostings, potato mixes, dry breakfast mixes and syrups primarily under the *Pillsbury*, *Martha White*, *Jim Dandy*, *Gladiola*, *Robin Hood*, *La Piña*, *Red Band*, *Softasilk*, *Hungry Jack* and *Idaho Spuds* brand names for sale through retail channels in the United States. In addition, we market and sell evaporated milk products under our *Pet* brand name and flavored rice and pasta side-dish products under our *Farmhouse* brand name. Products in our portfolio are strong brands in the packaged foods industry, some having operating histories more than 100 years.

Our *Pillsbury* branded products currently include 124 stock-keeping units ("SKUs") in seven general subcategories: cake mix, ready-to-spread frosting, brownie mix, muffin mix, cookie mix, quickbread mix and flour and scratch ingredients. Our *Martha White* branded products are primarily marketed under three major subcategories of muffin mixes, brownie mixes and scratch ingredients. We also market cornbread mix under the *Gladiola* brand name and grits under the *Jim Dandy* brand name. Presently, we market a total of 79 SKUs under our *Martha White*, *Gladiola* and *Jim Dandy* brands. We currently market 38 SKUs primarily under the *Hungry Jack* brand, including nine pancake mix SKUs, six syrup SKUs and 23 potato mix SKUs. The 23 potato mix SKUs include products across three product lines: core mashed potatoes, specialty potatoes and mashed potatoes with gravy. We market 14 SKUs in the flour and scratch subcategory under our *Robin Hood*, *La Piña*, *Red Band* and *Softasilk* brands. We also market 10 evaporated milk products under our *Pet* brand and 27 pasta and rice side-dish SKUs under our *Farmhouse* brand. Approximately half of the products of the U.S. Consumer Products segment are manufactured at our Toledo, Ohio manufacturing facility, while third party co-packers manufacture and package the remainder of this segment's products.

Edgar Filing: INTERNATIONAL MULTIFOODS CORP - Form 10-K

The Pillsbury Company has licensed to us the exclusive right to use certain *Pillsbury* trademarks, including the *Pillsbury* "barrelhead" and "doughboy" related trademarks, on a royalty-free basis for an initial term of 20 years. After the initial 20-year term, the license is automatically renewable for unlimited additional 20-year terms on a royalty-free basis. This license allows us to use the licensed marks on certain dessert and baking mix and flour products and other baking related products in retail channels in the United States and its territories and commonwealths, including Puerto Rico. We also have the non-exclusive right to sell covered products bearing these trademarks to stores of United States-based retailers in Mexico and Canada.

Our U.S. Consumer Products segment sells its products to supermarket chains, retail wholesalers and other retail channels. Our customers include Wal-Mart Stores, Inc., Kroger Co., SuperValu, Inc. and Fleming Companies, Inc. CROSSMARK, Inc., a privately held, nationwide sales and marketing

1

organization, provides retail sales and marketing services for our U.S. Consumer Products brands. We also employ a direct sales force.

Our U.S. Consumer Products segment competes in the United States retail food manufacturing industry. Our *Pillsbury* and *Martha White* brands compete primarily within the dessert and baking mixes, or DBM, market. This market has remained relatively constant over the past three years at approximately \$1.8 billion of sales and includes mixes for cakes, cookies, brownies, muffins and quickbread, as well as ready-to-spread frosting and ingredients used in scratch baking such as flour. Within the DBM category, we compete primarily with *Betty Crocker*, which is produced by General Mills, and *Duncan Hines*, which is produced by Aurora Foods. Our *Hungry Jack* brand competes in three primary market categories: pancake mix, dehydrated potatoes and table syrup. We compete primarily with *Aunt Jemima*, which is produced by PepsiCo's Quaker Foods segment, in pancake mix and *Betty Crocker* in dehydrated potatoes. We compete on the basis of product quality, product convenience, the ability to identify and satisfy emerging consumer preferences, brand loyalty, timely delivery and customer service, as well as price.

Foodservice Products.

Our Foodservice Products segment produces approximately 1,400 products for retail, wholesale and in-store bakeries and foodservice customers primarily in the United States. Through this segment, we produce baking mix products, including mixes for breads, rolls, bagels, donuts, muffins, Danishes, cakes, cookies, brownies, bars and pizza crusts, as well as fillings, icings and frostings. Baking mix products are marketed under our *Multifoods*, *Pillsbury* and *Jamco* brands. In addition, we manufacture and market frozen batters, doughs and desserts under our *Multifoods*, *Gourmet Baker* and *Fantasia* brands. Our products are marketed through our own direct sales force of sales and technical support personnel, as well as through a network of brokers and bakery distributors, which in turn sell our products to retail bakers and other customers. Our customers include Ahold USA, Inc., Costco Wholesale Corporation, Dunkin' Donuts, Pizza Hut, Inc., Sysco Corporation, U.S. Foodservice, Inc. and Wal-Mart Stores, Inc.

Under a foodservice trademark license agreement with The Pillsbury Company, we have the exclusive right to use certain *Pillsbury* trademarks, including the *Pillsbury* "barrelhead" and "doughboy" related trademarks, on a royalty-free basis until November 2008 on certain non-custom dry mix products in packages of seven pounds or less and non-custom frosting products in packages of 11 pounds or less in foodservice channels in the United States and its territories and commonwealths, including Puerto Rico, and in certain limited instances and on a non-exclusive basis, Mexico and Canada. This license is non-renewable.

Our Foodservice Products segment encounters significant competition in the bakery products market. We are a leading supplier of baking mixes to foodservice operators and retail and in-store bakeries in the United States and we compete with several large corporations and regional producers of baking mixes. With respect to frozen bakery products, we compete primarily in the foodservice and in-store bakery markets with several large corporations and numerous regional suppliers that have select product offerings. Our largest competitor in both of the baking mixes and frozen bakery products categories is General Mills, Inc. We compete on the basis of product quality and uniqueness, product convenience, brand loyalty, timely delivery and customer service, as well as price.

Canadian Foods. Our Canadian Foods segment consists of our retail and commercial foods businesses in Canada. Canadian Foods manufactures flour and baking mixes, primarily under the *Robin Hood* brand, and pickles and relish condiments, primarily under the *Bick's* brand for sale through retail and commercial channels in the United States and Canada. More than 40 retail baking mixes are sold in Canada under our *Robin Hood* brand, while retail flour is sold in Canada under the *Robin Hood*, *Golden Temple*, *Brodie*, *Cream of the West*, and *Monarch* brands. In the United States, we sell retail flour under our *Golden Temple* brand. We also sell hot cereals in Canada under our *Robin Hood*, *Old*

Mill, *Red River* and *Purity* brands. In addition, we manufacture and market pickles and relish condiments to consumers in Canada, where our *Bick's* brand is the market leader. We also sell condiments in Canada under the *Habitant*, *Gattuso*, *Woodman's* and *McLaren's* labels.

The commercial foods business of our Canadian Foods segment produces pickles and relish condiments, baking mix products, wheat flour and oat products for retail, in-store and wholesale bakeries and foodservice customers in Canada and the United States. Such products are sold primarily under our *Robin Hood* and *Bick's* brands.

The products of our Canadian Foods segment are marketed primarily through our own sales organization, supported by advertising and other promotional activities. Our customers include Loblaw Companies Limited, The TDL Group Limited and Sobeys Inc. Our competitors in Canada include both large corporations and regional producers. We compete on the basis of product quality, product convenience, the ability to identify and satisfy emerging consumer preferences, brand loyalty, timely delivery and customer service, as well as price.

Discontinued Operations

In September 2002, we completed the sale of our foodservice distribution business. The foodservice distribution business is treated as discontinued operations in our consolidated financial statements.

Other Information Relating to the Business of Multifoods

Sources of Supply and Raw Materials. With respect to each of our U.S. Consumer Products, Foodservice Products and Canadian Foods segments, raw materials generally are available from numerous sources and we believe that we will continue to be able to obtain adequate supplies. In Canada, we minimize risks associated with wheat market price fluctuations by hedging our wheat and flour inventories, open wheat purchase contracts and open flour sales contracts with wheat futures contracts. In the United States, we also enter into futures contracts to reduce the risk of price fluctuations on certain anticipated raw material purchases. See Note 9 to the Consolidated Financial Statements which are incorporated by reference in Part II, Item 8, hereof.

Trademarks and Other Intellectual Property. We own numerous trademarks, service marks and product formulae which are important to our businesses. In addition, we use certain *Pillsbury* trademarks, including the *Pillsbury* "barrelhead" and "doughboy" related trademarks, on a royalty-free basis, under the terms of the retail trademark license agreement and the foodservice trademark license agreement described above. The most significant trademarks and service marks are identified by appearing in all italicized letters above. Most of our trademarks and service marks are registered.

Seasonality. Each of our U.S. Consumer Products, Foodservice Products and Canadian Foods segments experience some seasonality of their businesses due to increased demand for their products during the fall and holiday baking seasons. As a result, sales volumes of each of the U.S. Consumer Products, Foodservice Products and Canadian Foods segments are generally higher during our fiscal third quarter.

Research and Development. Our expenses for research and development for fiscal years 2003, 2002 and 2001 were \$6.4 million, \$3.7 million and \$3.4 million, respectively.

Environmental Regulation. Our facilities in the United States and Canada are subject to federal, state, provincial and local environmental laws and regulations. Compliance with these provisions has not had, and we do not expect such compliance to have, any material adverse effect upon our capital expenditures, net earnings or competitive position.

Employees. As of March 1, 2003, we and our subsidiaries had 2,377 employees.

Available Information. Multifoods' internet website is <http://www.multifoods.com>. (a) Evaluation of disclosure controls and procedures. The term "disclosure controls and procedures" is defined in Rules 13a-14(c) and 15d-14(c) of the Securities and Exchange Act of 1934 ("Exchange Act"). These rules refer to the controls and other procedures of a company that are designed to ensure that information required to be disclosed by a company in the reports that it files under the Exchange Act is recorded, processed, summarized and reported within required time periods. Our chief executive officer and our chief financial officer have evaluated the effectiveness of Multifoods' disclosure controls and procedures as of a date within 90 days before the filing of this annual report (the "Evaluation Date"), and, they have concluded that, as of the Evaluation Date, such controls and procedures were effective at ensuring that required information will be disclosed on a timely basis in our reports filed under the Exchange Act.

(b) Changes in internal controls. For the fiscal year ended March 1, 2003, there were no significant changes to our internal controls or in other factors that could significantly affect our internal controls, and we have not identified any significant deficiencies or material weaknesses in our internal controls.
