**PROXY STATEMENT  
FOR ANNUAL MEETING OF STOCKHOLDERS**

# Edgar Filing: ELECTRIC CITY CORP - Form DEF 14A

**To be held Wednesday, September 24, 2003**

---

This proxy statement and the enclosed proxy card are being furnished to our stockholders in connection with the solicitation of proxies by the Board of Directors of Electric City Corp., a Delaware corporation ("Electric City" or the "Company"), for use at our Annual Meeting of Stockholders to be held at the Best Western, 1600 Oakton Street, Elk Grove Village, Illinois 60007 at 10:00 a.m. local time, on Wednesday, September 24, 2003, and any adjournments thereof. This proxy statement and the accompanying form of proxy are first being mailed to stockholders on or about September 2, 2003.

## **Solicitation**

The cost of this proxy solicitation will be borne by Electric City. We may request banks, brokers, fiduciaries, custodians, nominees and certain other record holders to send proxies, proxy statements and other materials to their principals at our expense. Those banks, brokers, fiduciaries, custodians, nominees and other record holders will be reimbursed by us for their reasonable out-of-pocket expenses of solicitation. We do not anticipate that costs and expenses incurred in connection with this proxy solicitation will exceed an amount normally expended for a proxy solicitation for an election of directors in the absence of a contest. In addition to soliciting proxies by mail, Electric City and its directors, officers and regular employees may also solicit proxies personally, by telephone or by other appropriate means. No additional compensation will be paid to directors, officers or other regular employees for such services.

## **Record Date and Outstanding Shares**

Our Board of Directors fixed the close of business on July 22, 2003 as the record date for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting or any adjournments thereof. As of the close of business on the record date, we had 34,148,022 shares of Common Stock and 2,653,631 shares of Preferred Stock with voting rights as to certain matters outstanding. Each outstanding share of Common Stock on such date will be entitled to one vote on each matter to be voted on at the Annual Meeting, and each outstanding share of Preferred Stock will be entitled to ten votes on each matter, other than the election of directors, to be voted at the Annual Meeting.

## **Required Vote**

The affirmative vote of a plurality of the shares of Common Stock voted in person or by proxy at the Annual Meeting is required to elect the nominees to the Board of Directors. Stockholders will not be allowed to cumulate their votes in the election of directors. The affirmative vote of a majority of the total votes of the outstanding shares of Common Stock and the shares of Preferred Stock voted in person or by proxy at the Annual Meeting is required to ratify the appointment of BDO Seidman, LLP as the independent auditors of our financial statements for the year ending December 31, 2003.

## **Quorum; Abstentions And Broker Non-Votes**

The required quorum for transaction of business at the Annual Meeting will be a majority of the total votes of the shares of Common Stock and Preferred Stock issued and outstanding as of the record date.

---

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the election inspector appointed for the meeting and will be taken into account in determining whether or not a quorum is present. Abstentions and broker non-votes, which occur when a broker has not received customer instructions and indicates that it does not have the discretionary authority to vote on a particular matter on the proxy card, will be included in determining the presence of a quorum at the Annual Meeting. Neither abstentions nor broker non-votes will have any effect on the vote for the election of directors.

We will consider abstentions present and entitled to vote with respect to the proposal to appoint our independent auditors, and, therefore, abstentions will have the same effect as votes "against" this proposal. We will not consider broker non-votes present and entitled to vote with respect to the proposal to appoint our independent auditors, and, therefore, broker non-votes will have no effect on the voting on this proposal.

## **Voting of Proxies; Revocability of Proxies**

Our Board of Directors selected Jeffrey R. Mistarz and Denis Enberg, the persons named as proxies on the proxy card accompanying this proxy statement, to serve as proxy. Mr. Mistarz is our executive vice president, chief financial officer and treasurer and Mr. Enberg is our senior vice president of engineering. The shares of Common Stock represented by each executed and returned proxy will be voted in accordance with the directions indicated thereon, or if no direction is indicated, the proxy will be voted in accordance with the recommendations of the Board of Directors contained in this proxy statement. Members of the Company's management intend to vote their shares in favor of each of the

proposals.

You can revoke a proxy you have given at any time before the shares it represents are voted by giving our secretary either (1) an instrument revoking the proxy or (2) a duly executed proxy bearing a later date. Additionally, you may change or revoke a previously executed proxy by voting in person at the Annual Meeting. However, your attendance at the Annual Meeting will not, by itself, revoke your proxy.

### **Annual Report to Stockholders**

We are simultaneously furnishing to you with this proxy statement our Annual Report to Stockholders for the fiscal year ended December 31, 2002, which contains financial and other information pertaining to us.

## **PROPOSAL 1**

### **ELECTION OF DIRECTORS**

At the Annual Meeting, six nominees to the Board of Directors will be elected to hold office for a one year term ending at our 2004 Annual Meeting of stockholders or until their respective successors are duly elected and qualified. All nominees listed below are currently members of our Board of Directors and have consented to being named in this proxy statement and to serve as directors, if elected. If, at the time of the Annual Meeting, any nominee becomes unavailable or declines to serve as a director for any reason, the persons named in the proxy will vote for the substitute nominee(s) as the Board of Directors recommends, or vote to allow the vacancy created by the nominee who is unable or declines to serve to remain open until filled by the Board of Directors, as the Board of Directors recommends. The Board of Directors has no reason to believe that any nominee will be unable or decline to serve if elected to office.

The number of directors has been set at 12 by resolution of the Board. On September 7, 2001, we closed on an issuance of our Series A Convertible Preferred Stock ("Series A Preferred Stock") with five investors that included Newcourt Capital USA, Inc., Duke Capital Partners, LLC, Morgan Stanley Dean Witter Equity Funding, Inc., Originators Investment Plan, L.P. and EP Power Finance, L.L.C. (the "Investors"). With respect to this issuance, we entered into a Stockholders Agreement with the Investors that provided (among other things) the Investors the right to elect up to (i) four directors for so long as at least 800,000 shares of Series A Preferred Stock remained issued and outstanding, (ii) three directors for so long as at least 600,000 but less than 800,000 shares of Series A Preferred Stock remained issued and outstanding, (iii) two directors for so long as at least 400,000 but less than 600,000 shares of Series A Preferred Stock remained issued and outstanding and (iv) one director for so long as at least 200,000 but less than 400,000 shares of Series A Preferred Stock remained issued and outstanding.

On November 29, 2001, we closed on an additional issuance of Series A Preferred Stock with Leaf Mountain Company, LLC ("Leaf Mountain") and amended the Stockholders Agreement to include Leaf Mountain's participation in the Stockholders Agreement. Leaf Mountain does not have a right to designate a director for election, but its shares of Series A Preferred Stock are included in the calculation of outstanding shares of Series A Preferred Stock in determining the number of directors the Investors can elect.

On June 4, 2002, we closed on an issuance of Series C Convertible Preferred Stock with Mr. Richard Kiphart, an individual, and amended the Stockholders Agreement to include Mr. Kiphart's participation in the Stockholders Agreement. Mr. Kiphart does not have a right to designate a director for election, but his shares of Series C Preferred Stock are included with the Series A Preferred Stock in determining the number of directors the Investors can elect.

On June 27, 2003, we closed on an issuance of our Series D Convertible Preferred Stock with a group of investors that included Cinergy Ventures II, LLC, Mr. Richard Kiphart, SF Capital Partners, John Thomas Hurvis Revocable Trust and Mr. David Asplund, one of our directors (collectively, the "Series D Investors"), and amended the Stockholders Agreement to include the participation of the Series D Investors in the Stockholders Agreement. These holders do not have a right to designate a director for election, but their shares of Series D Preferred Stock are included with the Series A Preferred Stock and Series C Preferred Stock in determining the number of directors the Investors can elect.

Also on June 27, 2003, two of the holders of our Series A Preferred Stock, Duke Capital Partners, LLC and EP Power Finance, L.L.C., sold their shares of Series A Preferred Stock to a group of investors that included Cinergy Ventures II, LLC, Mr. Richard Kiphart, SF Capital Partners, John Thomas Hurvis Revocable Trust and Mr. David Asplund (collectively, and along with Newcourt Capital USA, Inc., Morgan Stanley Dean Witter Equity Funding, Inc., and Originators Investment Plan, L.P., the "Investors"). This group of investors also acquired the rights of the holders of the Series A Preferred Stock and, accordingly,

are entitled to participate with the other holders of our Series A Preferred Stock in the election of up to four directors pursuant to the Stockholders Agreement.

On July 22, 2003, the Investors and Leaf Mountain held 2,281,108 shares of Series A Preferred Stock, Mr. Kiphart held 222,356 shares of Series C Preferred Stock and the Series D Investors held 150,167 shares of Series D Preferred Stock. Accordingly, the Investors are entitled to elect up to four directors (out of 12) to our board. Except for the election of directors nominated by our board of directors for election, the Investors, Leaf Mountain, Mr. Kiphart and the Series D Investors are entitled to vote with the holders of our common stock on an as-converted basis on all matters which our holders of common stock are entitled to vote.

The following table presents the names of the nominees for the office of director, as well as certain information about them. As of the date of this filing, the board of directors has not nominated any individuals for the two vacant director positions.

**THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE  
ELECTION OF ALL OF THE NOMINEES FOR THE OFFICE OF DIRECTOR.**

**Meetings and Committees of the Board of Directors**

The Board of Directors has an Audit Committee and Compensation Committee but does not currently have a Nominating Committee. Functions typically performed by a nominating committee are performed by the Compensation Committee.

The Audit Committee, which is composed of Robert Manning, Gerald Pientka and Robert Wagner, met seven times during 2002. The Company believes that Messrs. Manning, Pientka and Wagner are independent as defined by Section 121(A) of The American Stock Exchange listing standards. However, none is regarded as a "financial expert", as defined in SEC Regulation S-B. We are attempting to find an individual who would meet the requirements for a financial expert and is willing to serve as a director and as a member of our Audit Committee. The Board of Directors adopted an Audit Committee Charter effective April 19, 2000, which was amended effective January 31, 2001 to combine the Conflicts Committee with the Audit Committee. The Audit Committee's responsibilities are to: (1) review and recommend to the Board of Directors the independent auditors to be selected to audit the financial statements of the Company and to review the auditor's fees to determine whether they are appropriate for the services rendered; (2) meet with the independent auditors and management of the Company to review the scope of the proposed audit for the current year and the audit procedures to be performed and, at the conclusion of the audit, review the results of the audit, including any comments or recommendations of the auditors; (3) confirm the independence of the auditors; (4) review with the auditors, together with the Company's financial and accounting personnel, the adequacy and effectiveness of the Company's internal controls and recommendations for improving internal controls; (5) review legal and regulatory matters that may have a material effect on the financial statements; (6) inquire of the qualitative judgments of the auditors regarding the appropriateness and acceptability of accounting principles used and the clarity of financial disclosures made; (7) review with the auditors, together with management of the Company, the financial statements contained in the annual report to shareholders; (8) discuss with the Company's management and general counsel any legal matters that may have a material impact on the Company's financial statements, and any material reports or inquiries from regulatory or governmental agencies; (9) review any management consulting services provided by the auditors; and (10) review transactions involving the Company and its officers, directors, affiliates and significant shareholders.

The Compensation Committee, which is composed of Robert Manning, Gerald Pientka and Robert Wagner, was formed on January 31, 2001 upon the Board of Directors' adoption of a Compensation Committee Charter. The Compensation Committee held four meetings during 2002. The Compensation Committee's responsibilities are to: (1) review and recommend to the Board of Directors the annual salary, bonus, stock options and other benefits of the senior executives; (2) review executive compensation programs and the administration thereof; (3) plan for executive development and succession; (4) review expense accounts and fringe benefits of executive management; (5) administer the Company's stock option and stock incentive programs; and (6) review and recommend to the Board of Directors, the nomination of members to the Board of Directors and (7) review and recommend to the Board of Directors, the compensation of members of the Board of Directors.

During the fiscal year ended December 31, 2002, the Board of Directors held eight formal meetings. In addition, there were seven meetings of the Audit Committee and four meetings of the Compensation Committee. During 2002, all members of the Board of Directors attended at least 75% of the total of all board meetings and applicable committee meetings except Mr. Brace, who attended 63% of such meetings.

**AUDIT COMMITTEE REPORT**

The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and their reporting process, including the systems of internal controls. In fulfilling their oversight responsibilities, the Committee has reviewed and discussed the Company's audited consolidated financial statements in the Annual Report with management, including a discussion of the quality (not just the acceptability) of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

## Edgar Filing: ELECTRIC CITY CORP - Form DEF 14A

Management is responsible for the Company's internal controls and the financial reporting process. BDO Seidman, LLP, the Company's independent auditor, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee reviewed and discussed the audited financial statements with both management and BDO Seidman, LLP. Specifically, the Audit Committee has discussed with BDO Seidman, LLP matters required to be discussed by Statements on Auditing Standards (SAS) 61 (Codification of Statements on Auditing Standards, AU Section 380), as modified by SAS 91.

The Audit Committee received from BDO Seidman, LLP the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with BDO Seidman, LLP the issue of its independence from the Company.

BDO Seidman, LLP billed the Company for services performed for fiscal years 2002 and 2001 as follows:

	2002	2001
Audit Fees	\$ 105,265	\$ 121,960
Audit Related Fees		
Tax Fees	5,650	6,303
All Other Fees		

During 2001, the Company incurred \$61,080 related to the audit of the fiscal 2001 financial statements. The balance of \$60,880 was attributable to \$22,570 incurred for reviews conducted by BDO of the Company's 2001 quarterly financial statements, \$22,025 for reviews of a registration statement, along with related amendments filed during 2001 and \$10,480 for reviews conducted pursuant to the Company's issuance of its Series A Convertible Preferred Stock. The balance was attributable to discussions and reviews of various miscellaneous matters, including a review of the Company's proxy statement filed during 2001. Tax fees of \$6,303 incurred during 2001 were attributable to services related to the preparation of the Company's 2001 federal and state income tax returns.

During 2002, the Company incurred \$105,265 of audit fees, of which \$66,125 related to the audit of the fiscal 2002 financial statements, \$22,580 related to reviews conducted by BDO of the Company's 2002 quarterly financial statements, \$5,790 related to reviews of amendments filed to the Company's registration statement, \$6,500 related to meetings and discussions involving BDO and our Audit Committee, and the balance attributable to miscellaneous services, including a review of the Company's proxy statement and a review of the Company's goodwill appraisal. Tax fees totaling \$5,650 were attributable to the preparation of the Company's federal and state tax returns for 2002.

Based on the Audit Committee's review of the audited financial statements and its discussions with management and BDO Seidman, LLP noted above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2002. The Committee and the Board recommended, subject to shareholder ratification, the selection of BDO Seidman, LLP, as the Company's independent auditor.

### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On May 24, 1999, we purchased from Mr. Marino most of the assets of Marino Electric for a purchase price of \$3,888,000, consisting of \$1,792,000 in cash and 1,600,000 shares of our common stock. The purchase price of \$3,880,000 exceeded the fair value of the assets acquired by approximately \$3,363,000. Under the terms of the purchase agreement, we were obligated to pay the cash portion of the purchase price upon the closing of our private issuances of common stock that commenced in July 1999. In May 2000, Mr. Marino waived this requirement and instead received a payment of \$820,000 in cash and a subordinated secured term note for the principal amount of \$972,000 at an interest rate of 10% per annum, payable in equal installments over 24 months and requiring principal and interest payments of \$44,928 per month. The note was paid off in May 2002. Our board, including the members not affiliated with Marino Electric, negotiated and approved the terms of this transaction on our behalf and believed that they were as favorable to us as if negotiated with an unaffiliated third party.

On January 5, 2000, we entered into a distributor agreement with Electric City of Southern California L.L.C., of which Mr. Marino is a member, which provides for an initial term of 10 years. The agreement granted to Electric City of Southern California a distribution territory that extends from Monterrey to Fresno to the northern edge of Death Valley, south to the southern border of California. Effective December 4, 2000, we entered into an agreement with Mr. Marino in which we agreed to grant to Mr. Marino distributorship rights of our EnergySaver product in Northern California, Nevada and Arizona and to enter into distributor agreements with Mr. Marino with respect to each of these distribution territories for an initial term of 10 years and on terms substantially similar to those of our other distributor and state representative agreements. With respect to the Southern California distribution territory, we agreed to permit Electric City of Southern California to transfer to Mr. Marino its current distributor agreement described above. Both agreements provide for terms that are substantially similar to those of our other distributor agreements and as favorable to us as it negotiated with an unaffiliated third party. Our sales to Electric City of Southern California were \$84,000 and \$590,000 for 2002 and 2001, respectively.

On April 1, 2000, we entered into a state representative agreement with Electric City of Illinois and on June 1, 2000, we entered into a state representative agreement with Electric City of Indiana. James Stumpe, one of our directors until his resignation in August 2001, is a member of Electric City of Illinois and, until October 15, 2001, was a member of Electric City of Indiana. The agreements grant to Electric City of Illinois and Electric City of Indiana distribution territories within the States of Illinois and Indiana, respectively. The members of our board other than Mr. Stumpe approved the terms of the transactions and believed the terms to be substantially similar to those of our other distributor or state representative agreements and as favorable to us as if negotiated with an unaffiliated third party.

In October 2000, we entered into an agreement with KMC Telecom (for which Roscoe Young, one of our former directors, is President and Chief Operating Officer) to sell and install our TP3 switchgear product at three KMC Telecom facilities. The sale and installation amount for the three sites totaled \$773,802, of which \$435,551 was recognized in 2000 and \$338,951 was recognized in 2001. The aggregate amount was reflective of prices that would be charged to an unrelated third party. Installation of the TP3 switchgear began in November 2000 and was completed in June 2001.

Our former subsidiary, Switchboard Apparatus, Inc. paid \$152,870 and \$328,323 during 2002 and 2001, respectively, to Harbrook Tool and Manufacturing Company ("Harbrook") for manufacturing and installing safety devices to distribution panels made by various manufacturers. A minority owner of Harbrook is Mr. Terry Hoppensteadt, who is a brother of Dale Hoppensteadt, the president of

Switchboard Apparatus. We believe the amounts paid for such work is consistent with that which would be paid to an unrelated third party. Effective May 31, 2003, we divested the operations of Switchboard Apparatus, Inc.

In addition, Switchboard Apparatus, Inc. leased its manufacturing facilities in Broadview, Illinois from owners that included Dale Hoppensteadt, the president of Switchboard Apparatus. We paid \$120,000 and \$117,000 during 2002 and 2001, respectively, in lease payments.

Each of Augustine Fund, L.P., which converted all of its outstanding shares of our Series B Convertible Preferred Stock during June 2001 into shares of our common stock, and Messrs. Conant, Marino, McEneely and Stelter (each, a "Restricted Stockholder") has entered into separate trading agreements with us that are effective for a term of three years beginning on October 17, 2000. The trading agreements restrict each Restricted Stockholder's transfer of our common stock as follows:

sales in any one trading day by such Restricted Stockholder shall not exceed the greater of 10,000 shares or 10% of the average trading volume of our stock during the 10 prior trading days;

public trades by such restricted stockholders in an opening transaction, during the last half hour of any trading day and at any time outside of regular trading hours shall be prohibited; and

up to four times within any 12-month period, we may prohibit any Restricted Stockholder from trading the common stock for an entire trading day.

We have agreed to give each Restricted Stockholder a right of first refusal to sell his common stock to any third party that contacts us with a desire to purchase 100,000 or more shares of our common stock. This right will be allocated equally among each of the Restricted Stockholders who elect to participate in the sale. However, this right of first refusal will not preclude us from raising additional capital should such need arise.

During August 2001, Messrs. Conant, Marino, McEneely and Stelter agreed to amendments of the terms of their trading agreements to provide that sales in any one trading day cannot exceed 5% of the average trading volume of our Common Stock on such day and such sales will not exceed 15% of such individual's holdings in any three-month period. In addition, if the Company and a managing underwriter request a market stand-off pursuant to a qualified public offering, each individual agrees not to sell, make any short sale of, grant any option for the purchase of, or otherwise dispose of any of their holdings (other than those included in the registration) without the consent of the underwriter. The market stand-off period will not exceed 180 days.

Our wholly-owned subsidiary, Great Lakes Controlled Energy Corp. ("Great Lakes"), leases its office and warehouse facility in Elk Grove Village, Illinois from Eugene Borucki and Denis Enberg, the former owners of Great Lakes who are currently officers of our Company. We paid \$120,000 and \$70,000 during 2002 and 2001, respectively, in lease payments. The lease commenced with the purchase of Great Lakes in June 2001 and expires in June 2004.

On May 1, 2002, we entered into an agreement with Delano Group Securities, LLC ("Delano"), the president of which is Mr. David Asplund, who was nominated to our board of directors during June 2002 and is standing for election at our Annual Meeting. The agreement provided that Delano would receive a placement fee equal to 4% of the gross proceeds for any equity private placement in which Delano acted as placement agent. On June 4, 2002, we closed on a private placement issuance of Series C Convertible Preferred Stock with Mr. Richard Kiphart for which we received \$2,000,000 of gross proceeds. The placement agent fee paid to Delano was \$80,000.

On June 28, 2003, we received \$1,500,000 of gross proceeds through the issuance of 150,000 shares of our Series D Convertible Preferred Stock ("Series D Preferred Stock"), along with one-year warrants to purchase 37,500 shares of our Series D Preferred Stock at an initial price per share of \$10, 182,996 shares of our Common Stock and four-year warrants to purchase 1,710,938 shares of our Common Stock at

a price per share of \$1.00, all to a group of purchasers that included Mr. David Asplund, one of our directors. (See, "Note 11 - Security Ownership of Principal Stockholders and Management"). Of this issuance, Mr. Asplund received 3,750 shares of our Series D Preferred Stock, warrants to purchase 937 shares of our Series D Preferred Stock, 4,574 shares of our Common Stock and warrants to purchase 42,773 shares of our Common Stock. In consideration for these securities, Mr. Asplund contributed \$37,500 of the \$1,500,000 gross proceeds that we received for this transaction. Delano Group Securities, of which Mr. Asplund serves as president, acted as placement agent on this transaction, for which it received a fee of \$120,000.
