2006 ANNUAL MEETING OF STOCKHOLDERS

PROXY STATEMENT

This proxy statement is furnished to stockholders of Crocs, Inc., a Delaware corporation, in connection with the solicitation of proxies by our board of directors. The proxies being solicited will be voted at the 2006 Annual Meeting of Stockholders (the "Annual Meeting"), to be held on October 30, 2006 at 9:00 a.m., Mountain time, at the Beaver Creek Lodge, 26 Avondale Lane, Beaver Creek, Colorado, or at any postponement or adjournment thereof, for the purpose of voting on proposals as set forth herein as well as other business matters which may arise. This proxy statement and the accompanying proxy card will first be mailed to stockholders on or about October 6, 2006.

GENERAL INFORMATION REGARDING ANNUAL MEETING

Record Date

Stockholders of record at the close of business on September 27, 2006 are entitled to notice of and to vote at the Annual Meeting. On the record date, there were 38,845,727 shares of our common stock outstanding. Each such share is entitled to one vote on each matter submitted to a vote at the Annual Meeting.

Quorum Requirements

A quorum is required to conduct the Annual Meeting. A majority of the outstanding shares entitled to vote must be present in person or by proxy at the Annual Meeting in order for a quorum to exist. Abstentions and broker non-votes count as present and voting for purposes of determining a quorum. A broker non-vote occurs when a broker returns a proxy card but does not vote on one or more matters because the broker does not have the authority to do so without instructions from the beneficial owner. Shares represented by proxies that are marked WITHHOLD with respect to the election of directors will be counted as present in determining whether there is a quorum.

Vote Requirements

If a quorum is present at the Annual Meeting, the following vote is required for approval of each matter to be voted on:

Election of Directors: A plurality of the shares present in person or by proxy and entitled to vote at the Annual Meeting must be voted FOR a director nominee. "Plurality" means that the nominees

who receive the largest number of votes cast are elected as director up to the maximum number of directors to be elected at the Annual Meeting. Consequently, proxies marked WITHHOLD and broker non-votes will have no impact on the election of directors.

Ratification of Appointment of Deloitte & Touche LLP: A majority of the shares present in person or by proxy and entitled to vote at the Annual Meeting must be voted FOR the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for fiscal year 2006. Proxies marked ABSTAIN will have the practical effect of voting against this proposal. Broker non-votes will have no impact on the proposal.

Your Proxy

Whether or not you are able to personally attend the Annual Meeting, you are encouraged to vote your shares by completing, signing and returning the enclosed proxy card. Shares represented by properly executed proxy cards received by us, and not revoked prior to the Annual Meeting, will be voted at the Annual Meeting as directed in the signed proxy. If no directions are specified, such proxies will be voted FOR each of the proposals and in the best judgment of the proxy holders as to other matters that may properly come before the Annual Meeting.

If your shares are held in the name of a bank or brokerage firm, your bank or broker will send you a separate package describing the procedures and options for voting your shares. You should follow the instructions provided by your bank or brokerage firm. If you do not instruct your broker how to vote, your broker will vote your shares for you at his or her discretion on routine matters such as the election of directors and ratification of the independent registered public accounting firm.

Revocation

Any stockholder giving a proxy has the power to revoke the proxy, or change the proxy, at any time before the proxy is voted at the Annual Meeting by (i) sending another properly executed proxy bearing a later date or a written notice of revocation of the proxy to Corporate Secretary, Crocs, Inc., 6328 Monarch Park Place, Niwot, Colorado 80503 or (ii) voting in person at the Annual Meeting.

Attending the Annual Meeting

You are invited to personally attend the Annual Meeting.

Cost of Proxy Solicitation

We will bear the entire cost of this proxy solicitation. We may reimburse brokers, custodians, nominees and other fiduciaries for normal handling charges incurred for forwarding proxy materials to beneficial owners. Solicitation of proxies may be made personally or by mail or telephone by our directors, officers and other employees, who will receive no additional compensation for such services.

PROPOSAL 1 ELECTION OF DIRECTORS

Our board of directors currently consists of seven members divided into three classes, with each director elected to a three-year term. Under our amended and restated bylaws, each of our directors holds office until their successors have been elected and qualified or until their earlier death, resignation, disqualification or removal. We have divided the terms of office of the directors into three classes. Class I consists of Messrs. Retzliff and Stoffer, whose terms will expire at the Annual Meeting. Class II consists of Messrs. Proxies cannot be voted for more than two nominees. Each of the director nominees has consented to serve for a three-year term. We do not contemplate that either of the nominees will be unable to stand for election, but should any nominee become unable to serve or will not serve for any reason, all proxies (except proxies marked to the contrary) will be voted for the election of a substitute nominee as our board of directors may recommend.

BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

Board Composition

Our board of directors currently consists of seven members divided into three classes, with each director elected to a three-year term. Under our amended and restated bylaws, each of our directors holds office until their successors have been elected and qualified or until their earlier death, resignation, disqualification or removal. We have divided the terms of office of the directors into three classes. Class I currently consists of Messrs. Retzliff and Stoffer, whose terms will expire at the Annual Meeting. Class II consists of Messrs. Croghan, Marks and Sharp, whose terms will expire at the annual meeting of stockholders to be held in 2007. Class III consists of Messrs. Smach and Snyder, whose terms will expire at the annual meeting of stockholders to be held in 2008.

At each annual meeting of stockholders, the successors to directors whose terms expire at such meetings will be elected and will serve from the time of election and qualification until the third annual meeting following election and until their successors are duly elected and qualified. The current authorized number of directors is seven. The authorized number of directors may be changed by resolution of the board. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. Vacancies on the board can be filled by resolution of the board of directors.

Nasdaq listing standards require that our board of directors have a majority of independent directors. The board of directors has determined that all of the current members of our board of directors except Messrs. Snyder and Retzliff are independent directors as defined by Rule 4200(a)(15) of the Nasdaq listing standards. The board makes a determination regarding the independence of each director annually based on the relevant facts and circumstances. Applying these standards and the independence criteria defined by the Nasdaq listing standards, the board has made a subjective determination as to each independent director that no relationships exist that in the opinion of the board would interfere with the exercise of his or her independent judgment in carrying out the responsibilities of a director. In making these determinations, the directors reviewed and discussed information provided by the directors and us with regard to each director's business and personal activities as they may relate to our company and management.

During 2005, the board of directors met three times and acted by written consent on various other occasions. All directors attended 75% or more of the meetings of the board of directors or the committees of the board on which they serve. We encourage, but do not require, our directors to attend the Annual Meeting.

Stockholders who wish to communicate with the board of directors or with specified individual directors may do so by mailing such written communication to: Corporate Secretary, Crocs, Inc., 6328 Monarch Park Place, Niwot, Colorado 80503. The Corporate Secretary will review all correspondence, and will forward the board or an individual director a summary of the correspondence received and copies of correspondence that the Corporate Secretary determines requires the attention of the board or an individual director. The board or an individual director may at any time request copies and

review all correspondence received by the Corporate Secretary that is intended for the board or such individual director.

Board Committees

Our board of directors has the authority to appoint committees to perform certain management and administrative functions. Our board of directors has established the following committees:

Audit Committee. Messrs. Smach (Chairman) and Croghan are the current members of our audit committee. We intend to appoint a third independent director to the audit committee within the time period prescribed by the SEC and Nasdaq. The audit committee met three times in 2005. The functions of the audit committee include oversight of the integrity of our financial statements, our compliance with legal and regulatory requirements, the performance, qualifications and independence of our independent auditors and the performance of our internal audit function. Our audit committee is directly responsible, subject to stockholder ratification, for the appointment, retention, compensation, evaluation, termination and oversight of the work of any independent auditor engaged for the purpose of preparing or issuing an audit report or related work. The purpose and responsibilities of our audit committee are set forth in the Audit Committee Charter approved by our board of directors on June 30, 2005 and was amended and restated by our board of directors on September 20, 2006. The amended Audit Committee Charter is attached hereto as Appendix A.

All of the members of the audit committee are, or will be when appointed, independent as determined in accordance with Nasdaq rules and relevant federal securities laws and regulations. Our board of directors has determined that Mr. Smach qualifies as an "audit committee financial expert" as defined by the applicable regulations of the SEC.

Compensation Committee. Our compensation committee consists of Messrs. Marks (Chairman) and Croghan. The compensation committee met three times in 2005 and acted by written consent on various other occasions. The compensation committee has overall responsibility for evaluating and approving our executive officer incentive compensation, benefit, severance, equity-based or other compensation plans, policies and programs. The compensation committee is also responsible for producing an annual report on executive compensation for inclusion in our proxy statement. The purpose and responsibilities of our compensation committee are set forth in the Compensation Committee Charter approved by our board of directors on June 30, 2005. All of the members of the compensation committee are, or will be when appointed, independent as determined in accordance with Nasdaq listing standards and relevant federal securities laws and regulations.

Governance and Nominating Committee. Our governance and nominating committee consists of Messrs. Sharp (Chairman) and Stoffer. The governance and nominating committee did not meet in 2005. The governance and nominating committee assists our board of directors in promoting our best interests and the best interests of our stockholders through the implementation of sound corporate governance principles and practices. In furtherance of this purpose, the governance and nominating committee identifies individuals qualified to become board members and recommends to our board of directors the director nominees for the next annual meeting of stockholders. It also reviews the qualifications and independence of the members of our board of directors and its various committees on a regular basis and makes any recommendations the committee members may deem appropriate from time to time concerning any recommended changes in the composition of our board of directors and its committees. The governance and nominating committee also recommends to our board of directors the corporate governance guidelines and standards regarding the independence of outside directors applicable to us and reviews such guidelines and standards and the provisions of the governance and nominating committee charter on a regular basis to confirm that such guidelines, standards and charter remain consistent with sound corporate governance practices and with any legal or regulatory requirements of Nasdaq. The governance and nominating committee also monitors our board of directors and leads our board of directors in its annual review of our board of directors' performance.

The purpose and responsibilities of our governance and nominating committee are set forth in the Governance and Nominating Committee Charter approved by our board of directors on June 30, 2005. All of the members of the governance and nominating committee are, or will be when appointed, independent as determined in accordance with the Nasdaq listing standards.

Director Nomination Process

In identifying potential director candidates, the governance and nominating committee relies on recommendations from a number of sources, including current directors and officers. The governance and nominating committee may also hire outside consultants or search firms or other advisors to assist in identifying director candidates. The governance and nominating committee will consider director candidates recommended by stockholders on the same basis as it considers other candidates. Any stockholder wishing to recommend a candidate for consideration by the governance and nominating committee may do so by submitting a written recommendation to the committee in accordance with the procedures as set forth under "Stockholder Proposals and Nominations for 2007 Annual Meeting."

In evaluating a candidate for director, the governance and nominating committee considers, among other things, the candidate's judgment, knowledge, integrity, business and industry experience, and expertise which are likely to enhance our board of director's ability to manage and direct our affairs and business. The governance and nominating committee also takes into account independence requirements imposed by law or regulations (including the Nasdaq listing standards). In the case of director candidates recommended by stockholders, the governance and nominating committee may also consider the number of shares held by the recommending stockholder, the length of time that such shares have been held and the relationship, if any, between the recommending stockholder and the recommended director nominee.

Compensation of Directors

Until September 2006, we granted our non-employee directors options to purchase 116,810 shares of our common stock upon their initial election to our board of directors and options to purchase an additional 29,203 shares of our common stock for each year of service. The Chairman of the board of directors also received options to purchase an additional 58,405 shares of our common stock upon his initial election as Chairman. The Chairman of the audit committee received options to purchase an additional 29,203 shares of common stock for each year of service. The options were granted at the fair market value of our common stock on the date of grant and have terms of seven years. Each option grant vests annually over four years, so long as such person remains a director.

In September 2006, our board of directors approved a new compensation arrangement for non-employee directors to be effective September 1, 2006. Under the new arrangement, directors who are not our employees receive annual cash compensation of \$40,000, payable quarterly. Additional annual cash compensation is paid to the chairperson of each committee of the board of directors as follows: \$10,000 for the Chair of the audit committee and \$5,000 for each of the compensation committee Chair and the governance and nominating committee Chair. In addition, all directors are reimbursed for their reasonable out-of-pocket expenses incurred in attending meetings of the board of directors and its committees.

In addition, each new non-employee director will now be awarded options to purchase 40,000 shares of our common stock upon their initial election to our board of directors and continuing directors will be awarded options to purchase an additional 10,000 shares of our common stock for each year of service. The Chairman of the board of directors will now receive options to purchase an additional 10,000 shares of our common stock upon his initial election as Chairman. The options are granted at the fair market value of our common stock on the date of grant and have a term of seven years. Each option grant will vest annually over four years, so long as such person remains a director.

Compensation Committee Interlocks and Insider Participation

The board of directors formed our compensation committee on April 16, 2005 and Messrs. Croghan and Marks served as the members of our compensation committee for the remainder of our fiscal year ended December 31, 2005. No executive officer currently serves, or in the past has served, on the compensation committee or the board of directors of any other company of which any of the members of our compensation committee or any of our directors is an executive officer.

Prior to April 16, 2005, we did not have a compensation committee and Mr. Snyder was a member of our board of directors and was concurrently our Chief Executive Officer. As a member of the board, Mr. Snyder participated in deliberations of our board of directors concerning executive officer compensation.

The following table sets forth certain information concerning option grants to the named executive officers during 2005.

Option Grants in 2005

Name	Individual Grants					Potential Realizable Value at Assumed Rates of Stock Price Appreciation for Option Term	
	Number of Securities Underlying Options Granted	Percent of Total Options Granted to Employees in Fiscal Year	Exercise Price	Expiration Date		5%	10%
Michael C. Margolis	280,345	22%	\$ 5.69	8/1/15	\$	7,994,539	\$ 13,674,834
Lyndon V. "Duke" Hanson, III	58,405	5%	\$ 1.70	1/1/15	\$	1,898,559	\$ 3,081,950

The options granted to Mr. Margolis were granted under our 2005 Equity Incentive Plan. The options have a term of 10 years and 25% of the options vested on January 1, 2006. The remaining 75% will vest in 36 equal monthly installments thereafter.

The options granted to Mr. Hanson were granted outside of our 2005 Equity Incentive Plan. The options have a term of 10 years and 25% of the options vested on January 1, 2006. The remaining 75% will vest in 36 equal monthly installments thereafter. The options are subject to termination prior to the expiration date in the event of the optionee's death, disability or termination of employment, as set forth in the option agreement.

All of the options were granted at an exercise price equal to the fair market value of our common stock on the date of grant, as determined in good faith by our board of directors. Because there was no public market for our stock prior to our initial public offering, our board of directors determined the fair market value of our common stock by considering a number of factors, including, but not limited to, our financial performance and prospects for our future growth and profitability.

The amounts shown on this table as the "Potential Realizable Value at Assumed Rates of Stock Price Appreciation for Option Term" represent hypothetical gains that could be achieved for the respective options if exercised at the end of the option term. These gains are based on assumed rates of stock price appreciation of 5% and 10%, compounded annually, which are required to be presented by SEC rules, and do not reflect our estimates or projections of the future price of our common stock. The gains are based on the assumed rates of appreciation presented, beginning on the grant date of the options, in the value of our common stock from the initial public offering price of \$21.00 per share. The gains shown are net of the option exercise price, but do not include deductions for taxes or other expenses associated with the exercise. Actual gains, if any, on stock option exercises will depend on the future performance of our common stock, the option holder's continued employment through the option period, and the date on which the options are exercised.

The following table sets forth information concerning the number and value of exercisable and unexercisable options held by the named executive officers who held options as of December 31, 2005. The value of unexercised in-the-money options at December 31, 2005 represents an amount equal to the difference between the initial public offering price of \$21.00 per share and the option exercise

price, multiplied by the number of unexercised in-the-money options. An option is in-the-money if the fair market value of the underlying shares exceeds the exercise price of the option.

Aggregated Option Exercises in 2005 and Year-End Option Values

Name	Number of Shares Acquired on Exercise	Value Realized	Number of Securities Underlying Unexercised Options at Fiscal Year-End		Value of Unexercised In-The-Money Options at Fiscal Year-End ⁽¹⁾	
			Exercisable	Unexercisable	Exercisable	Unexercisable
Ronald R. Snyder		\$	146,013	321,227	\$ 2,917,341	\$ 6,418,116
Michael C. Margolis			280,345 ⁽²⁾		4,292,083	
Caryn D. Ellison						
John P. McCarvel						
Lyndon V. "Duke" Hanson, III				58,405		1,127,218

(1) The value of unexercised in-the-money options is based on our initial public offering price of \$21.00 per share, minus the actual exercise price.

(2) The options held by Mr. Margolis are immediately exercisable but are subject to vesting restrictions providing that, in the event any of the options are exercised prior to the time they are vested, the shares received upon such exercise will be subject to repurchase until the applicable vesting period has been satisfied. The vesting provisions are described above under "Option Grants in 2005."

Employment Agreements

Agreement with Peter Case

On February 2, 2005, we entered into an at-will employment arrangement with Peter Case, our Chief Financial Officer, Senior Vice President Finance, and Treasurer, pursuant to which we will pay Mr. Case a monthly salary of \$22,916.66, as well as a potential maximum performance based bonus of \$41,249.99 per quarter. Under the terms of the arrangement, on February 7, 2006, we granted Mr. Case options to purchase 120,000 shares of our common stock at \$21.00 per share, which was the initial public offering price of our common stock and the fair market value of our common stock at the time of grant.

Agreement with Caryn Ellison

On October 18, 2004, we entered into an at-will employment arrangement with Caryn Ellison, our Vice President Finance and former Chief Financial Officer. The arrangement calls for Ms. Ellison to be compensated at a rate of \$16,000 per month and provides that we will pay six months severance in the event Ms. Ellison's employment is terminated by us. The arrangement also provides for Ms. Ellison to receive annual equity awards of 116,810 shares of our common stock on each of October 1, 2006 and October 1, 2007.

REPORT OF THE COMPENSATION COMMITTEE

Compensation Philosophy

Our compensation philosophy is pay for performance. The compensation committee has designed compensation to establish a relationship between executive pay and the performance of the company and the individual executive. Executive performance will be defined and measured against the

company's business, strategic and financial goals, and individual performance objectives where appropriate.

Compensation Elements

Executives are compensated through a combination of base salary, incentive cash bonus and long-term share based incentive awards.

Base Salary

In determining base salary levels, the compensation committee considers the difficulty and scope of the job, the competitive market in which the company competes for talent, and the executive's performance. To determine the competitive market pay levels, the committee considers several factors, including executive and company performance, individual experience and pay levels at peer companies.

Incentive Bonus

The incentive cash bonus is intended to reward behavior and results that assist in meeting the company's business, strategic and financial goals. Performance criteria are set annually and may include company business objectives, company earnings or other financial criteria applicable to the executive, the company or both. Bonuses may exceed 100% of the executive's base salary and are payable at the full discretion of the board of directors. On August 3, 2006, the compensation committee approved an incentive bonus plan for certain officers of the company. As explained below, with respect to Ronald Snyder, the bonus plan ties incentive bonus payments to the company's earnings per share. Additional details of the bonus plan are set forth in our Current Report on Form 8-K filed with the SEC on August 3, 2006.

Long-Term Incentives

Long-term incentive compensation is intended to align the interests of the company's executives with the interests of the stockholders. It also allows the company to attract able individuals and to provide a means whereby those individuals, upon whom the responsibilities of the successful administration and management of the company are of importance, can acquire and maintain stock ownership, reinforcing their concern for the welfare of the company. Equity grants are made at the discretion of the compensation committee pursuant to the 2005 Equity Incentive Plan.

CEO Compensation

Mr. Snyder's compensation is determined in accordance with the executive compensation philosophy established by the compensation committee. The compensation committee considers the company's overall performance (measured by business, strategic and financial goals), Mr. Snyder's individual performance, and peer company CEO compensation when determining Mr. Snyder's compensation. The compensation committee also looks at the relative fairness of the compensation of Mr. Snyder in relation to our other executives. Mr. Snyder's base salary in 2005 was \$295,000. In 2005, Mr. Snyder also received a \$345,000 cash bonus and restricted stock awards valued at \$616,182. The bonus and restricted stock awards were granted to reward Mr. Snyder's significant role in the company's tremendous revenue and sales growth in 2005. The large restricted stock award also served to further align Mr. Snyder's financial interests with the interests of the stockholders.

As noted above, the compensation committee recently approved an incentive bonus plan for certain officers of the company, including Mr. Snyder. The first level of bonus ("Level 1 Bonus") is contingent on the company achieving earnings per share of \$0.78, excluding share-based compensation expense, for the year ending December 31, 2006, which would represent an increase of approximately 34.5% from the earnings per share recorded for the year ended December 31, 2005. The second level

of bonus ("Level 2 Bonus") is contingent on the company achieving earnings per share of \$0.98, excluding share-based compensation expense, for the year ending December 31, 2006, which would represent an increase of approximately 69.0% from the earnings per share recorded for the year ended December 31, 2005. The bonus plan provides that Mr. Snyder will receive a cash bonus equal to 100% of his base salary if the Level 1 Bonus is achieved and will receive an additional 100% of his base salary if the Level 2 Bonus is achieved. Complete details of the bonus plan are set forth in our Current Report on Form 8-K filed with the SEC on August 3, 2006.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Ronald Snyder's spouse, Kimberly Snyder, was employed during 2005 as our Director of Apparel and Accessories, and received \$81,250 in salary and \$27,000 in bonus compensation in 2005. Director and Officer Indemnification

We have entered into agreements to indemnify our directors and executive officers, in addition to the indemnification provided for in our certificate of incorporation and bylaws. These agreements, among other things, provide for indemnification of our directors and executive officers for certain expenses (including attorneys' fees), judgments, fines and settlement amounts incurred by any such person in any action or proceeding, including any action by us or in our right, arising out of such person's services as a director or executive officer of ours, any subsidiary of ours or any other company or enterprise to which the person provided services at our request.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Prior to our initial public offering in February 2006, our directors, executive officers and persons beneficially holding more than 10% of our common stock were not subject to the reporting requirements of Section 16 of the Securities Exchange Act of 1934.

Any stockholder of record who shares an address with another stockholder of record and who has received only one set of proxy solicitation materials may receive a separate copy of those materials, without charge and/or request future delivery of separate materials upon writing the Corporate Secretary, Crocs, Inc., 6328 Monarch Park Place, Niwot, Colorado 80503 or calling 303-848-7000.
