Item 1.01 Entry into a Material Definitive Agreement

On December 4th, 2008, we entered into a contribution agreement with National Research Council of Canada Industrial Research Assistance Program with the mutual goal of bringing our catalytic muffler technology to the level of commercialization through a two phase research and development project.

Under the terms of the agreement, National Research Council has agreed to contribute up to \$235,447 for completion of the lawn care catalyst project, with our company contributing \$246,393.

The contribution agreement becomes effective on April 1, 2009 and terminates on November 30, 2010.

Item 7.01 Regulation FD Disclosure

On February 4, 2009, we issued a news release announcing that we have entered into a contribution agreement with National Research Council of Canada Industrial Research Assistance Program with the mutual goal of bringing our catalytic muffler technology to the level of commercialization through a two phase research and development project.

Item 9.01. Financial Statements and Exhibits

10.1 Contribution Agreement with National Research Council of Canada Industrial Research Assistance Program.

99.1 News release dated February 4, 2009.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
