SCHEDULE 13D/A

SUPPORTING STATEMENT

Corporate Governance

We believe the annual election of all trustees encourages board accountability to its shareholders and when trustees are held accountable for their actions, they perform better. This view is shared by most shareholders and institutional investors, who believe it to be the standard for corporate governance best practices. The vast majority of companies in the S&P 500 and Russell 1000 indexes elect all board members annually.

Currently, the Board is divided into three classes serving staggered three-year terms. It is our belief that the classification of the Board is strong proof that the Board is not acting in the best interests of shareholders. A classified board protects the incumbents, which in turn limits accountability to shareholders.

We are committed to improving the corporate governance of the Trust for the benefit of all shareholders. Declassification of the Board is a positive step which will allow more productive shareholder engagement and will help the Trust achieve its optimal valuation.

Saba Capital has submitted a shareholder proposal to declassify the Board of the Trust, in an attempt to allow the Board to operate freely and in the best interest of shareholders.

For a greater voice in the Trust's corporate governance and to increase the accountability of the Board to shareholders, we urge you to vote **FOR** this proposal.

**END OF PROPOSAL**

As is required by Rule 14a-8 under the Exchange Act, attached is letter from National Financial Services verifying that the Fund continuously and beneficially owned shares having a market value of \$2,000 or more for at least one year prior to the date of the submission of the above Proposal. As of the date hereof, the Fund has continuously held the required number of shares for over a one-year period. The Fund intends to continue to hold the shares referenced through the date of the Meeting.

Saba represents that, as investment advisor to the Fund, Saba holds beneficial interest in all shares held by the Fund, including full economic interest in such shares along with the power to invest, vote, or direct the vote of such shares and has full power and authority to submit the Proposal on the Fund's behalf.

Please notify us as soon as possible if you would like any further information or if you believe this notice is deficient in any way or if additional information is required so that Saba may promptly provide it to you in order to cure any deficiency.
