complete product list appears on our web site located at www.eurooffline.com. We plan to change our name to "Euro Offline, Inc." and change the OTCBB symbol under which our common stock trades on the Over-The-Counter Bulletin Board as soon as practicable following the filing of this report. Our common stock now trades on the Over-The-Counter Bulletin Board under the OTCBB symbol "ACST."

As a result of the Agreement and Reorganization, we issued and sold a total of 31,000,000 newly-issued, restricted shares of common stock to six persons, including Messrs. Randall L. Middleton and Thomas Rowan, executive officers, directors and shareholders of Euro Offline. Messrs. Middleton and Rowan each received 13,750,000 newly-issued, restricted shares of common stock of AccessTel. The aggregate 27,500,000 shares of common stock of AccessTel owned of record and beneficially by Messrs. Middleton and Rowan as a result of the Agreement and Reorganization represents approximately 88% of the voting securities of AccessTel. As part of the Agreement and Reorganization, we issued 1,000,000 newly-issued, restricted shares of common stock to Global Guarantee Corporation ("Global") and Global agreed to forgive certain of our indebtedness to it in consideration for cash. We also effected a 1:89 reverse split in the shares of common stock of AccessTel owned by shareholders of record on December 12, 2003, which is described in more detail under Item 5. below. We had 25,002,309 shares of common stock outstanding immediately prior to the reverse stock split and 280,925 shares of common stock outstanding immediately following the reverse split.

Mr. David C. Merrell resigned as the sole executive officer and director of AccessTel on December 16, 2003, in connection with the Agreement and Reorganization. Prior to his resignation, Mr. Merrell appointed Messrs. Middleton and Rowan as directors of Euro Offline to fill the vacancies in the Board of Directors created by his resignation. In addition, Mr. Middleton serves as the President, and Mr. Rowan serves as the Secretary/Treasurer, of AccessTel.

Item 5. Other Events and Regulation FD Disclosure.

On December 3, 2003, we declared a reverse split in the issued and outstanding shares of common stock, \$.001 par value per share (CUSIP Number 00433C 10 0), of AccessTel held by shareholders of record on December 12, 2003, on the basis of one share of common stock for each 89 shares of common stock then outstanding. The effective date of the reverse stock split was December 12, 2003. As a result of the reverse split, each shareholder of AccessTel common stock on December 12, 2003, received one share of common stock for each 89 shares of common stock held of record on that date. Immediately prior to the effective date of the reverse stock split, we had 25,002,309 shares of common stock outstanding and, immediately following the effective date of the reverse split, we had 280,925 shares of common stock outstanding.
