Item 5.02(e) - Compensatory Arrangements of Certain Officers.

On December 17, 2008, Southern First Bank, N.A. (the "Bank"), the wholly-owned operating subsidiary of Southern First Bancshares, Inc., entered into the Southern First Bank, N.A. Salary Continuation Agreement with executive officers F. Justin Strickland, Michael M. Strickland, Robert E. Reeves, Jr., W. David Keller, and Blake G. Taylor. Unless a separation from service or a change in control (as defined in the salary continuation agreements) occurs before normal retirement age, the salary continuation agreements provide for an annual supplemental retirement benefit to be paid to each of the executives in 12 equal monthly installments payable on the first day of each month, beginning with the month immediately after the month in which the executive attains the normal retirement age and for the executive's lifetime with a 15 year term certain

period. The following table sets forth the payment terms for each executive.

<u>Name</u>	<u>Normal Retirement Age</u>	<u>Normal Retirement Annual Benefit</u>
F. Justin Strickland	65	\$ 200,000
Michael M. Strickland	65	\$ 75,000
Robert E. Reeves, Jr.	65	\$ 75,000
W. David Keller	65	\$ 75,000
Blake G. Taylor	65	\$ 75,000

Provided the executive has been continuously employed by the Bank for five consecutive years from October 1, 2008, the effective date of the salary continuation agreement, if an early termination occurs (defined as separation from service before normal retirement age for reasons other than death, disability, termination for cause, or after a change in control), the executive's early termination benefit is calculated by taking the accrual balance (as defined in the salary continuation agreement) existing at the end of the month immediately before the month in which separation from service occurs, compounding this accrual balance forward to the executive's normal retirement age taking into account interest at the discount rate or rates established by the plan administrator, and amortizing this resulting amount for the executive's lifetime with a 15 year term certain period, beginning with the executive's normal retirement age. The Bank will pay this annual early termination benefit as calculated to the executive in 12 equal monthly installments payable on the first day of each month, beginning with the later of (x) the seventh month after the executive's separation from service, or (y) the month immediately after the month in which the executive attains the normal retirement age and for the executive's lifetime with a 15 year term certain period. However, all of the executive's early termination benefits will be forfeited if at any time from the date of the executive's early termination and for a period of one year thereafter, the executive (without the prior written consent of the Bank) competes with the Bank or Southern First Bancshares, Inc. or any of its subsidiaries, directly or indirectly, by engaging in forming, by serving as an organizer, director, officer of, employee or agent, or consultant to, or by acquiring or maintaining more than a one percent passive investment in, a depository financial institution or holding company thereof if such depository financial institution or holding company has or establishes one or more offices or branches which are located within 30 miles of any office or branch of the Bank in existence at the date of the executive's early termination.

2

Upon the executive's separation from service because of disability (as defined in the salary continuation agreement) before normal retirement age, the executive's disability benefit is calculated by taking the accrual balance existing at the end of the month immediately before the month in which separation from service occurs, compounding this accrual balance forward to the executive's normal retirement age taking into account interest at the discount rate or rates established by the plan administrator, and amortizing this resulting amount over the executive's lifetime with a 15 year term certain period, beginning with the executive's normal retirement age. Beginning with the later of (x) the seventh month after the executive's separation from service, or (y) the month immediately after the month in which the executive attains the normal retirement age, the Bank will pay the disability benefit to the executive in 12 equal monthly installments on the first day of each month and for the executive's lifetime with a 15 year term certain period.

Upon a change in control, the Bank will pay to the executives a change in control benefit equal to the greater of: (i) their respective normal retirement annual benefit or (ii) their respective accrual balance at the time of the change in control. In either case, the Bank will pay the change in control benefit to the executive in one lump-sum within three days after the change in control. If a change in control occurs at any time during the salary continuation benefit payment period and if when the change in control occurs the executive is receiving the normal retirement benefit, the early termination benefit, or the disability benefit, the Bank will pay the present value, calculated at the discount rate or rates established by the plan administrator, of the remaining salary continuation benefits to the executive in a single lump-sum within three days after the change in

control.

If the executive dies in active service to the Bank before normal retirement age, the executive's beneficiary will be entitled to an amount equal to the executive's accrual balance at the time of the executive's death, payable within 60 days of the executive's death.

If the executive dies before any separation from service and the executive is receiving the executive's normal retirement benefit, but the executive has not received the executive's normal retirement benefit for the full 15 year term certain period, the executive's beneficiary will be entitled to, at the Bank's sole discretion upon the executive's death, either: (i) the present value, calculated at the discount rate or rates established by the plan administrator, at the executive's death of the executive's remaining salary continuation benefits, paid to the executive's beneficiary in a lump-sum within 60 days of the executive's death; or (ii) the executive's remaining salary continuation benefits, paid to the executive's beneficiary in 12 equal monthly installments payable on the first day of each month for the 15 year term certain period.

If the executive dies after separation from service and the executive is entitled to the early termination benefit or the disability benefit, but has not started receiving such benefits because the executive has not reached the normal retirement age, the executive's beneficiary will be entitled to a lump-sum benefit equaling the present value, calculated at the discount rate or rates established by the plan administrator, at the executive's death of the accrual balance which existed at the end of the month immediately before the month in which separation from service occurred, after compounding this accrual balance forward to the executive's normal retirement age taking into account interest at the discount rate or rates established by the plan administrator. Assuming the two discount rates referred to in the previous sentence are the same, the resulting lump-sum benefit would be the executive's accrual balance which existed at the end of the month immediately before the month in which separation from service occurred. The Bank will pay this lump-sum benefit to the executive's beneficiary within 60 days of the executive's death.

If the executive dies after separation from service and the executive is receiving the normal retirement benefit, the early termination benefit, or the disability benefit, the executive's beneficiary will be entitled to, at the Bank's sole discretion upon the executive's death, either: (i) the present value, calculated at the discount rate or rates established by the plan administrator, at the executive's death of the executive's remaining salary continuation benefits as determined under the applicable section of the salary continuation agreement, paid to the executive's beneficiary in a lump-sum within 60 days of the executive's death; or (ii) the executive's remaining salary continuation benefits as determined under the applicable section of the salary continuation agreement, in the amounts specified in the applicable section, paid to the executive's beneficiary at the times specified in the applicable section.

3

The Bank will not pay any benefits under the salary continuation agreements and the agreements will terminate if separation from service is the result of termination for cause (as defined in the executive's employment agreement or if the executive is not a party to an employment agreement containing a definition of termination for cause, as defined in the salary continuation agreement).

To offset the annual expense accruals for the benefits payable to the executives under the salary continuation agreements, the Bank acquired bank-owned life insurance ("BOLI"). It is anticipated that the BOLI will provide full cost recovery of the benefits paid to the executives under the salary continuation agreements upon their deaths.

Edgar Filing: SOUTHERN FIRST BANCSHARES INC - Form 8-K

Notwithstanding anything in the agreements to the contrary, any payments to the executives shall be limited to the extent required under the United States Treasury Capital Purchase Program and related regulations in the event that the Bank or its holding company participates in the program. The executives agree to such amendments, agreements, or waivers that may be required by the United States Treasury or requested by the Bank or its holding company to comply with the terms of the program.

The foregoing summary of the material features of the salary continuation agreements are qualified in its entirety by reference to the provisions of the agreements, the form of which is attached as Exhibit 10.1 to this report, and incorporated herein by reference.

Additionally, on December 17, 2008, the Bank entered into the First Amendment to Southern First Bank, N.A. Salary Continuation Agreement with executive officers James M. Austin, III and R. Arthur Seaver, Jr., which amends Section 2.1.1 and Schedule A of the Agreement to increase in the amount of the executive's annual benefit. The original Salary Continuation Agreements for Messrs. Austin and Seaver were described in the Bank's Form 8-K that was filed on October 31, 2006, the form of which was attached as Exhibit 10.1 to such report.

Mr. Austin's annual benefit was increased from One Hundred Thousand & No/100 (\$100,000.00) Dollars to One Hundred Seventy-Five Thousand & No/100 (\$175,000.00) Dollars. Mr. Seaver's annual benefit was increased from One Hundred Fifty Thousand & No/100 (\$150,000.00) Dollars to Two Hundred Fifty Thousand & No/100 (\$250,000.00) Dollars.

The foregoing summary of the material feature of the first amendment to the salary continuation agreements is qualified in its entirety by reference to the provisions of the amendment, the form of which is attached as Exhibit 10.2 to this report, and incorporated herein by reference.

Also on December 17, 2008, the Bank entered into employment agreements with R. Arthur Seaver, Jr., F. Justin Strickland, James M. Austin, III, Frederick Gilmer, III, and J. Edward Terrell. The agreements replace existing agreements with these executives that were described in the Southern First Bancshares, Inc. Definitive Proxy Statement filed with the SEC on April 7, 2008 (with respect to Messrs. Seaver, Strickland and Gilmer) and the Definitive Proxy Statement filed with the SEC on April 11, 2007 (with respect to Messrs. Austin and Terrell). These agreements were amended to comply with the provisions of Section 409A of the Internal Revenue Code and such amendments included revisions to certain definitions and revisions to cause payments thereunder to be exempt from, or to be made in compliance with, the provisions of Section 409A. These agreements were also amended to comply with the executive compensation restrictions under the United States Treasury Capital Purchase Program and related regulations in the event that the Bank or its holding company participates in the program. The agreement with Mr. Strickland was also amended to conform to the agreements with the remaining executives.

4

The foregoing summary of the material features of these employment agreements is qualified in its entirety by reference to the provisions of the agreements, the form of which are attached as Exhibits 10.3-10.7 to this report, and incorporated herein by reference.
