

ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

Issuance of Senior Notes due 2024

On February 19, 2016 (the “Closing Date”), CCO Holdings, LLC (“CCO Holdings”) and CCO Holdings Capital Corp. (together with CCO Holdings, the “Issuers”), subsidiaries of Charter Communications, Inc. (the “Company”), issued \$1.7 billion aggregate principal amount of 5.875% Senior Notes due 2024 (the “Notes”). The Notes were sold to qualified institutional buyers in reliance on Rule 144A and outside the United States to non-U.S. persons in reliance on Regulation S. The Notes have not been registered under the Securities Act of 1933, as amended (the “Securities Act”), or any state securities laws and, unless so registered, may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. The payment obligations under the Notes are guaranteed on a senior unsecured basis by the Company, which guarantee will be released upon the merger of the Company into CCO Holdings, which is expected to occur upon consummation of the previously announced transaction (the “Bright House Transaction”) with Advance/Newhouse Partnership as contemplated by the definitive Contribution Agreement, dated as of March 31, 2015, among the Company, Advance/Newhouse Partnership, A/NPC Holdings LLC, CCH I, LLC and Charter Communications Holdings, LLC (the “Contribution Agreement”).

The offering and sale of the Notes resulted in net proceeds of approximately \$1.69 billion, after deducting initial purchaser discounts and commissions. The Company intends to initially hold the net proceeds as cash and cash equivalents and to pay down revolver borrowings and thereafter intends to use the net proceeds for one or more of the following: (i) to repurchase or redeem certain of the Issuers’ outstanding 7.000% Senior Notes due 2019 and 7.375% Senior Notes due 2020 and pay related fees and expenses and (ii) for general corporate purposes including, for example, to fund a portion of the incremental cash proceeds to Time Warner Cable Inc. (“TWC”) stockholders if they were to elect \$115 per share in cash rather than \$100 per share as consideration in the previously announced transaction with TWC (the “TWC Transaction” and, together with the Bright House Transaction, the “Transactions”) pursuant to the Agreement and Plan of Mergers, dated as of May 23, 2015, by and among the Company, CCH I, LLC (“New Charter”), Nina Corporation I, Inc., Nina Company II, LLC, Nina Company III, LLC and TWC, as it may be amended. Any redemption or repurchase of notes would not take place until after such cash elections were determined.

In connection therewith, the Issuers and the Company entered into the following agreements:

Indenture

On the Closing Date, the Issuers and the Company, as guarantor, entered into a Sixth Supplemental Indenture with The Bank of New York Mellon Trust Company, N. A., as trustee (the “Trustee”), providing for the issuance of the Notes and the terms thereof (the “Supplemental Indenture”). The Supplemental Indenture supplements a base indenture entered into on November 5, 2014, among CCOH Safari, LLC, the Issuers, the Company, as guarantor, and the Trustee (the “Base Indenture” and, together with the Supplemental Indenture, the “Indenture”) providing for the issuance of the Notes generally. The Indenture provides, among other things, that the Notes are general unsecured obligations initially of the Issuers. Interest is payable on the Notes on each April 1 and October 1, commencing October 1, 2016. At any time prior to April 1, 2019, the Issuers may redeem some or all of the outstanding Notes at a redemption price equal to 100% of the principal amount thereof plus accrued and unpaid interest, if any, on such Notes to the redemption date, plus a make-whole premium. On or after April 1, 2019, the Issuers may redeem some or all of the outstanding Notes at redemption prices set forth in the Supplemental Indenture. In addition, at any time prior to April 1, 2019, the Issuers may redeem up to 40% of the aggregate principal amount of the Notes using net proceeds from certain equity offerings at a redemption price, as determined by the Issuers, equal to 105.875% of the principal amount thereof, plus accrued and unpaid interest and special interest, if any, to the redemption date, provided that certain conditions are met.

The payment obligations under the Notes are guaranteed on a senior unsecured basis by the Company, which guarantee will be released upon the merger of the Company into CCO Holdings, which is expected to occur upon consummation of the Bright House Transaction.

The terms of the Indenture, among other things, limit the ability of the Issuers to incur additional debt and issue preferred stock; pay dividends or make other restricted payments; make certain investments; grant liens; allow

restrictions on the ability of certain of its subsidiaries to pay dividends or make other payments; sell assets; merge or consolidate with other entities; and enter into transactions with affiliates.

Subject to certain limitations, in the event of a Change of Control (as defined in the Supplemental Indenture), the Issuers will be required to make an offer to purchase all of the Notes at a price equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest and special interest, if any, to the date of repurchase thereof.

The Indenture provides for customary events of default which include (subject in certain cases to customary grace and cure periods), among others, nonpayment of principal or interest; breach of other covenants or agreements in the Indenture; failure to pay certain other indebtedness; failure to pay certain final judgments; failure of certain guarantees to be enforceable; and certain events of bankruptcy or insolvency. Generally, if an event of default occurs, the Trustee or the holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately.

Registration Rights Agreement

In connection with the sale of the Notes, the Issuers and the Company, as guarantor, entered into an Exchange and Registration Rights Agreement with respect to the Notes, dated as of February 19, 2016 (the “Registration Rights Agreement”), with Deutsche Bank Securities Inc., Credit Suisse Securities (USA) LLC, Goldman, Sachs & Co., Merrill Lynch, Pierce, Fenner & Smith Incorporated, UBS Securities LLC, Citigroup Global Markets Inc. and Wells Fargo Securities, LLC, as representatives of the several Purchasers (as defined in the Registration Rights Agreement). Under the Registration Rights Agreement, the Issuers and the Company, as guarantor, have agreed to file a registration statement with respect to an offer to exchange the Notes for a new issue of substantially identical notes registered under the Securities Act, to cause the exchange offer registration statement to be declared effective and to consummate the exchange offer no later than 365 days following the date of consummation of the Bright House Transaction in accordance with the terms of the Contribution Agreement (as may be amended) and the Amended and Restated Stockholders Agreement, dated as of May 23, 2015, among the Company, Liberty Broadband Corporation, Advance/Newhouse Partnership and New Charter, as may be further amended. The Issuers and the Company, as guarantor, may be required to provide a shelf registration statement to cover resales of the Notes under certain circumstances. If the foregoing obligations are not satisfied, the Issuers may be required to pay holders of the Notes additional interest at a rate of 0.25% per annum of the principal amount thereof for 90 days immediately following the occurrence of any registration default. Thereafter, the amount of additional interest will increase by an additional 0.25% per annum of the principal amount thereof to 0.50% per annum of the principal amount thereof until all registration defaults have been cured.

Copies of the Supplemental Indenture, the form of the Notes, and the Registration Rights Agreement are filed herewith as Exhibits 4.1, 4.2 and 10.1, respectively, and are each incorporated herein by reference. The foregoing descriptions of the Indenture, the Notes and the Registration Rights Agreement do not purport to be complete and are qualified in their entirety by reference to the full text of those documents.
