## SECTION 5. CORPORATE GOVERNANCE AND MANAGEMENT

### ITEM 5.02 DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS

Effective on April 30, 2008, the Board of Directors (the "Board") of Morgan Creek Energy Corp., a Nevada corporation (the "Company"), accepted the resignation of Marcus M. Johnson as the President/Chief Executive Officer. Mr. Marcus remains as a member of the Board of Directors of the Company. On the same date, the Board of Directors accepted the consent of David Urquhart to act as the President/Chief Executive Officer and as a member of the Board of Directors.

#### BIOGRAPHY

DAVID URQUHART, PENG. has thirty-five years of operational, engineering, management and executive experience in all facets of the equipment fabrication and hydrocarbon industries. Mr. Urquhart's experience involves production operations, drilling and completion operations, exploration and exploitation operations, plant and facility design and construction, process equipment fabrication, product marketing, project economics, preparation of operating budgets and acquisitions and divestitures. Mr. Urquhart has designed and applied programmable systems technology for business analysis and reporting outcomes for IMB Systems, Microsoft Word, Microsoft Excel, Visio and Lotus Notes. He has also had extensive national and international exposure in business development, facility construction and project management, including marketing and sales in Eastern Europe, the Middle East, the Orient and Africa.

From 1991 to present, Mr. Urquhart is the founder and principal of Westhampton Ltd., a company specializing in project management and market development. Mr. Urquhart provides contract operations expertise and project management services to various companies and organizations seeking to establish themselves in unfamiliar or offshore environments. These assignments often included the delivery of new technologies directed at solving modern day production and process problems. Some of the projects undertaken were delivered through contracts with Cal-Bow Industries, an offshore associate company focused primarily on the oil and gas industry markets of Russia, North Africa and the Middle East.

From 2007 through 2008, Mr. Urquhart contracted with Geneva Resources Inc. pursuant to which he was responsible for due diligence investigationon the potential associated with two large lease blocks controlled by Allied Minerals Ltd. in Plateau State, Nigeria. From 2005 through 2007, Mr. Urquhart contracted with Mart Resources Inc. to provide design and procurements services on for production facilities and pipelines in the three Nigerian joint venture projects being undertaken by Mart. His responsibilitites also included overseeing the day-to-day operations of the company in Nigeria. He was subsequently appointed chief operating officer and elected to the board of directors of Allied Minerals Ltd. From 2003 through 2005, Mr. Urquhart contracted with KC WELLSITE Services as the engineering director. He provided drilling programs, casing design, well license applications, rig selection recommendations, site construction advice, third party services selection, cement design, well log interpretation and operations management to company clients. Mr. Urquhart also developed a joint design initiative for an Internet site that would provide historical well

drilling graphs and drilling program design formats to the independent oil and gas operators in Western Canada. From 2002 through 2003, Mr. Urquhart contracted with TESCO Corporation to develop a deep-well water drilling joint venture initiative for TESCO in the Sahara Desert Region of Algeria, Tunisia and Libya utilizing the company's unique casing drilling technology. During the same period, he also acted as an advisor to Mohamed Djoua, Director of Drilling for Sanatrac SpA, Algeria's national oil company, in the use of horizontal drilling techniques suited to the optimization of deep sandstone formations.

2

Prior to founding his own company, Mr. Urquhart served as Vice President, Energy Group for Finex Capital Corporation of Calgary, Alberta. Finex was a Calgary based merchant banking entity owned by First City Trust, and charged with the management of an extensive investment portfolio in both energy and commercial real estate assets. He also served as the senior officer in the establishment of all Finex owned and operated oil and gas service companies, as well as being responsible for providing operational management to all Finex oil and gas production related subsidiary operations.

From the 1960s until 1983, Mr. Urquhart was employed in a variety of successive senior management positions, primarily in charge of drilling and production operations for established petroleum development and production companies. The list of firms includes Petroleum Technologies of Wichita, Kansas (1983 - 1987), Hexagon Gas Limited of Calgary, Alberta (1977 - 1983) and Suncor Inc. of Calgary, Alberta (1968 - 1977).

Mr. Urquhart graduated from Dalhousie University in Halifax, Nova Scotia with a Bachelor of Science majoring in mathematics and minoring in engineering. He also earned a Bachelor of Engineering from Nova Scotia Technical College. Mr. Urquhart is affiliated with the Association of Professional Engineers, Geologists and Geophysicists of Alberta, the Canadian Institute of Mining and Metallurgy - Petroleum Society, the American Society of Petroleum Engineers, and the Association of Drilling Engineers. Mr. Urquhart is also a member of the directors of Mainland Resources Inc., a publicly traded company.

### EXECUTIVE SERVICE AGREEMENT

On April 30, 2008, the Company entered into an executive service agreement with Westhampton Ltd., an Alberta corporation ("Westhampton") and David Urquhart (the "Executive Agreement"). In accordance with the terms and provisions of the Executive Agreement, Mr. Urquhart through Westhampton will provide to the Company such services as required relating to his executive position as the President and Chief Executive Officer of the Company. In accordance with the further terms and provisions of the Executive Agreement, the Company shall pay to Westhampton a monthly fee of \$10,000.00 and will grant to Mr. Urquhart 500,000 stock options exercisable at \$1.00 per share for a ten year period. The Executive Agreement may be terminated by either party upon thirty days notice.
