Joint Insured Bond Agreement

THIS AGREEMENT, dated this 5th day of February, 2015, between Boulder Total Return Fund Inc. (“BTF”), Boulder Growth & Income Fund, Inc. (“BIF”), First Opportunity Fund, Inc. (“FOFI”), and The Denali Fund Inc. (“DNY”) (each a “Fund”).

Recitals

- A. The parties hereto are registered managed investment companies under the Investment Company Act of 1940, as amended (the “1940 Act”).
- B. By the terms of Rule 17g-1 (the “Rule”) promulgated by the Securities and Exchange Commission under the 1940 Act, each of the parties hereto is required to provide and to maintain in effect a bond against larceny and embezzlement by officers and employees having direct or indirect access to its funds and securities.
- C. The parties (i) desire to use a joint insured bond because the premium for such a bond is less than the total premiums which would be applicable if each party obtained an individual bond, and (ii) intend to establish their relative rights and obligations with respect to the premiums, claims and other matters set forth herein.
- D. A majority of those members of the board of directors of each of the parties hereto who are not "interested persons" of such party as defined by section 2(a)(19) of the 1940 Act (collectively, the “Non-Interested Directors”), have approved the portion of the premium payable by each party, after giving due consideration to all relevant factors, as required by the Rule.
- E. The parties have determined that the allocation of the proceeds payable under the joint insured bond as set forth herein (which takes into account the amount of bond required for each party by the Rule if it maintained a single insured bond) is equitable.

NOW THEREFORE, the parties hereto, in consideration of the mutual covenants and promises contained herein, agree as follows:

1. Existing Bond. The parties presently have a bond in the face amount of \$2,775,000 issued by The Travelers Insurance Company ("Travelers") insuring it against larceny and embezzlement of its securities and funds by persons who may, singly or jointly with others, have access, directly or indirectly, to such securities or funds that satisfied the requirements of the Rule (the "Bond"). The expiration date of the Bond is February 19, 2015 (the "Expiration Date") and the premium for same has been fully paid by each party, pro rata as set forth in Paragraph 4 below.
2. Intention to Extend Bond. Travelers has the ability to extend the term of the Bond for a period of up to but not exceeding four (4) months, i.e., until June 1, 2015 (the "Extension Period"). Travelers has further indicated that, based on the aggregate current assets of parties, the premium for the Extension Period, beginning on February 19, 2015 and ending on June 1, 2015, will be \$3,124, which premium shall be paid by each party pro rata. Upon payment of the premium, the Bond shall continue to be the "Joint Bond". The Joint Bond shall name each Fund as an insured, and shall comply with the requirements for such bonds established by the Rule.
3. Amount. The Joint Bond shall be in the amount of \$2,925,000, which represents, as of the date of this agreement, the amount of coverage required by the Rule based upon the assets of BTF, BIF, FOFI and DNY as set forth below. The amount of the Joint Bond and the coverage of each Fund shall be adjusted from time to time to reflect changes in the amount of coverage required by the Rule and the addition of other jointly managed registered investment companies as insureds under the Joint Bond.
4. Ratable Allocation of Premiums. The premium for the Joint Bond shall be allocated to each Fund based on the proportion of the coverage provided for such Fund to the coverage provided for all Funds under the Joint Bond, as follows:
 - a. BTF shall be allocated and shall pay a premium of \$937.20 and the BTF allocation percentage shall be 30%;
 - b. BIF shall be allocated and shall pay a premium of \$812.24 and the BIF allocation percentage shall be 26%;
 - c. FOFI shall be allocated and shall pay a premium of \$812.24 and the FOFI allocation percentage shall be 26%;
 - d. DNY shall be allocated and shall pay a premium of \$562.32 and the DNY allocation percentage shall be 18%.

5. Ratable Allocation of Proceeds.

- (a) If only one party is damaged in a single loss for which recovery is received under the Bond, the full amount of the Joint Bond may be used by such party, if doing so would not materially prejudice the remaining parties.

(b)

If more than one party is damaged in a single loss for which recovery is received under the Joint Bond, each party shall receive that portion of the recovery which represents the loss sustained by that party, unless the recovery is inadequate fully to indemnify all parties, in which case:

(i) Each party sustaining a loss shall first be allocated an amount equal to the lesser of its actual loss or the pro rata coverage of such party required under the Rule, based upon the same formula used to allocate premiums among the parties;

(ii) Any remaining proceeds shall then be allocated to the party sustaining a loss not fully covered by the allocation under subparagraph (i); provided, however, if more than one party has sustained a loss not fully covered by the allocation under subparagraph (i), any remaining proceeds shall be allocated to each party based upon the same formula used to allocate premiums among the parties.

6. Claims and Settlements. Each party shall, within five days after the making of any claim under the Joint Bond, provide the other parties with written notice of the amount and nature of such claim. Each party effecting a settlement of any claim shall, within five days after the settlement, provide the other parties with written notice of the terms of settlement of any claim made under the Joint Bond by such party. If more than one party shall agree to a settlement of a claim made under the Joint Bond with respect to a single loss affecting them, notice of the settlement shall also include calculation of the amounts to be received under paragraph 5 hereof. The officers of each party designated as responsible for filing notices required by paragraph (g) of the Rule, as such Rule may be amended from time to time, shall give and receive any notice required hereby.

7. Termination. Any party may terminate this Agreement (except with respect to losses occurring prior to such withdrawal) by giving at least ten days written notice to the other parties. The party terminating the Agreement shall be removed as a named insured under the Joint Bond and shall be entitled to receive any portion of the premium specified under the Joint Bond that is refunded by the insurance company as a result of such party's election to terminate its participation under this Agreement. However, if all parties to this Agreement elect to terminate the Joint Bond, any premiums refunded by the insurance company issuing the Joint Bond shall be divided among the parties in proportion to the share of the total premium actually paid by the respective party.

8. No Assignment. This agreement is not assignable.

9. Miscellaneous. The obligations of the each Fund are not personally binding upon, nor shall resort be had to the private property of, any of the directors, shareholders, officers, employees or agents of the Funds, but only the relevant Fund's property shall be bound. No Fund shall be liable for the obligations of any other Fund.

In Witness Whereof, each of the parties hereto has duly executed this agreement as of the day and year first above written.
