Item 2.02. Results of Operations and Financial Condition.

Management of Worthington Industries, Inc. (the “Registrant”) conducted a conference call on September 24, 2015, beginning at approximately 10:30 a.m., Eastern Daylight Time, to discuss the Registrant’s unaudited financial results for the first quarter of fiscal 2016 (the fiscal quarter ended August 31, 2015). Additionally, the Registrant’s management addressed certain issues related to the outlook for the Registrant and its subsidiaries and their respective markets for the coming months. A copy of the transcript of the conference call is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The information contained in this Item 2.02 and Exhibit 99.1 furnished with this Current Report on Form 8-K, is being furnished pursuant to Item 2.02 and shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that Section, unless the Registrant specifically states that the information is to be considered “filed” under the Exchange Act or incorporates the information by reference into a filing under the Securities Act of 1933, as amended (the “Securities Act”), or the Exchange Act.

In the conference call, management referred to quarterly earnings per share adjusted for restructuring. This represents a non-GAAP financial measure and is used by management as a measure of operating performance. Earnings per share adjusted for restructuring is calculated by adding impairment of long-lived assets and restructuring and other expense (in each case, after-tax) to net earnings attributable to controlling interest, and dividing the result by the average diluted common shares for the period. The difference between the GAAP-based financial measure of diluted earnings per share attributable to controlling interest of \$0.48 and the non-GAAP financial measure of diluted earnings per share adjusted for restructuring of \$0.54 for the fiscal quarter ended August 31, 2015, as mentioned in the conference call, is outlined below.

Diluted earnings per share attributable to controlling interest	\$0.48
Impairment of long-lived assets	0.03
Restructuring and other expense	0.03
Adjusted diluted EPS attributable to controlling interest	\$0.54

In the conference call, management referred to operating income excluding restructuring for the Company’s Pressure Cylinders operating segment. This represents a non-GAAP financial measure and is used by management as a measure of operating performance. Pressure Cylinders operating income excluding restructuring is calculated by adding restructuring and other expense to operating income. The difference between the GAAP-based measure of \$16.8 million and the non-GAAP financial measure of \$17.6 million for the fiscal quarter ended August 31, 2015, as mentioned in the conference call, is outlined below (in thousands).

Operating income	\$16,819
Restructuring and other expense	731
Operating income excluding restructuring	\$17,550

In the conference call, management referred to operating income excluding restructuring for the Company's Steel Processing operating segment. This represents a non-GAAP financial measure and is used by management as a measure of operating performance. Steel Processing operating income excluding restructuring is calculated by subtracting restructuring and other income from operating income. The difference between the GAAP-based measure of \$23.6 million and the non-GAAP financial measure of \$24.0 million for the fiscal quarter ended August 31, 2015, as mentioned in the conference call, is outlined below (in thousands).

Operating income	\$23,638
Restructuring and other expense	462
Operating income excluding restructuring	\$24,100

In the conference call, management referred to operating loss excluding restructuring for the Company's Engineered Cabs operating segment. This represents a non-GAAP financial measure and is used by management as a measure of operating performance. Engineered Cabs operating loss excluding restructuring is calculated by adding impairment of long-lived assets and restructuring and other expense to operating loss. The difference between the GAAP-based measure of \$9.3 million and the non-GAAP financial measure of \$4.4 million for the fiscal quarter ended August 31, 2015, as mentioned in the conference call, is outlined below (in thousands).

Operating loss	\$(9,291)
Impairment of long-lived assets	3,000
Restructuring and other expense	1,878
Operating loss excluding restructuring	\$(4,413)
