**Item 2.02. Results of Operations and Financial Condition**

The information in this Form 8-K, including Exhibit 99.1 attached hereto, shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, and shall not be incorporated by reference into any filing of The Sports Authority, Inc. (formerly known as Gart Sports Company) under the Securities Act of 1933 except as shall be expressly set forth by specific reference in such filing.

On November 23, 2004, The Sports Authority, Inc. issued a news release regarding its financial results for the third quarter and nine months ended October 30, 2004. In addition, the news release contained forecasted pro forma diluted earnings per share for the fourth quarter of fiscal 2004 and for fiscal year 2004. The news release is attached hereto as Exhibit 99.1.

To supplement our condensed consolidated statements of operations presented on a basis in accordance with accounting principles generally accepted in the United States of America ( GAAP ), we have disclosed additional non-GAAP measures of net income and earnings per share adjusted to exclude merger integration costs and certain other non-recurring costs and income we believe appropriate to enhance an overall understanding of our financial performance. These adjustments to our GAAP results are made with the intent of providing a more complete understanding of the underlying operational results. Also, we have disclosed pro forma combined results for the 39 weeks ended November 1, 2003, to provide an additional basis for comparison of our current results for the 39 weeks ended October 30, 2004. These non-GAAP and pro forma measures have been reconciled to the most comparable GAAP measure as required under SEC rules regarding the use of non-GAAP financial measures. The presentation of this additional information is not meant to be considered in isolation or as a substitute for net income or diluted earnings per share prepared in accordance with GAAP.

As disclosed in Exhibit 99.1, none of the forecasted pro forma diluted earnings per share amounts include merger integration costs. We do not expect to incur additional merger integration costs subsequent to the period ended October 30, 2004. Forecasted pro forma diluted earnings per share amounts, for the periods described above, have been reconciled to the most comparable financial measure calculated in accordance with GAAP, diluted earnings per share including tax effected merger integration costs.
