Item 1.01 Entry into a Material Definitive Agreement

On June 14, 2005, Hovnagian Enterprises, Inc. entered into an amended and restated unsecured Revolving Credit Agreement (Agreement) with a group of lenders. The Agreement replaced the Company's prior Revolving Credit Agreement and increased the revolving credit line from \$900 million to \$1.2 billion and extended the maturity through July 2009. The facility contains an accordion feature under which the aggregate commitment can be increased to \$1.3 billion subject to the availability of additional commitments. Loans under the Agreement will bear interest at a rate per annum equal to an applicable margin ranging from 1.00% to 1.95% depending on the Company's Leverage Ratio, as defined in the Agreement, plus, at the Company's option, either (1) a base rate determined by reference to the higher of (a) PNC Bank, National Association's prime rate and (b) the federal funds rate plus ½% or (2) a LIBOR-based rate for a one, two, three or six month interest period as selected by the Company. In addition, the Company pays a fee ranging from 0.20% to 0.40% per annum on the unused portion of the revolving credit line, depending on its Leverage Ratio and the average percentage unused portion of the revolving credit line.

The Agreement has terms that are substantially similar to the terms of the facility it replaced, including customary covenants that restrict the Company and certain of its subsidiaries' ability to incur additional indebtedness, pay dividends on and redeem capital stock, make other restricted payments, make investments, and enter into consolidations, mergers and transfers of all or substantially all of its assets. The Agreement also requires the Company to stay within specified financial ratios. The Company is currently in compliance and intends to maintain compliance with these covenants and financial ratios. The Agreement contains customary events of default which would permit the lenders to accelerate the loans if not cured within applicable grace periods, including the failure to make timely payments under the Agreement or other material indebtedness, the failure to satisfy covenants and specified events of bankruptcy and insolvency.

Each of the Company's significant subsidiaries, except for its financial services subsidiaries, joint ventures and certain other subsidiaries, is a guarantor under the Agreement. Borrowings under the Agreement may be used for general corporate purposes.

The new facility is led by PNC Capital Markets, LLC, Wachovia Securities, Inc., and Banc of America Securities LLC, as Joint Lead Arrangers and Joint Book Runners. PNC Bank, National Association is Administrative Agent, Bank of America, N.A. and Wachovia Bank, National Association are Syndication Agents, and JPMorgan Chase Bank, N.A., The Royal Bank of Scotland plc and KeyBank National Association are Documentation Agents.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth above under Item 1.01 is hereby incorporated by reference into this Item 2.03.
