PROXY STATEMENT

Annual Meeting of Stockholders

to be held on May 30, 2007

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

This proxy statement is furnished in connection with the solicitation by the board of directors of Citi Trends, Inc. of proxies to be voted at the annual meeting of stockholders on May 30, 2007. This proxy statement, the accompanying proxy card and the annual report to stockholders are being mailed to stockholders on or about April 30, 2007.

The principal executive offices of Citi Trends, Inc., a Delaware corporation, are located at 102 Fahm Street, Savannah, Georgia 31401, and our telephone number is (912) 236-1561.

The terms Citi Trends or the Company (as well as the words we, us and our) refer to Citi Trends, Inc. References to you or your refer to stockholders.

In this section of the proxy statement, we answer some common questions regarding the annual meeting of stockholders and the voting of shares of common stock at the meeting.

Where and when will the annual meeting be held?

The date, time and place of the meeting are: May 30, 2007 at 10:00 a.m., EDT, at Hilton Garden Inn, 321 West Bay Street, Savannah, Georgia 31401.

Why did you send me this proxy statement?

Edgar Filing: Citi Trends Inc - Form DEF 14A

This proxy statement was prepared under the direction of our board of directors to solicit your proxy for voting at our annual meeting. We sent you this proxy statement and the enclosed proxy card because our board of directors is asking for your proxy to vote your shares at the annual meeting. We have summarized information in this proxy statement that you should consider in deciding how to vote at the meeting. But you do not have to attend in order to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card.

What can I vote on at the meeting?

There are two matters scheduled to be voted on at the meeting:

- (1) The election of one Class II director to our board of directors to hold office until the annual meeting of stockholders in 2010 and until his successor is elected and qualified; and
- (2) Ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending February 2, 2008.

Edgar Filing: Citi Trends Inc - Form DEF 14A

How does the board of directors recommend that I vote?

The board of directors recommends that you vote your shares FOR the nominee to the board of directors, and FOR the ratification of KPMG LLP as our independent registered public accounting firm for the fiscal year ending February 2, 2008.

Who can vote?

You can vote your shares of common stock if our records show that you were the owner of the shares as of the close of business on April 2, 2007, the record date for determining the stockholders who are entitled to vote at the annual meeting. As of the close of business on April 2, 2007, there were a total of 13,866,191 shares of our common stock outstanding and entitled to vote at the annual meeting. You get one vote for each share of common stock that you own. Holders of shares of common stock do not have cumulative voting rights. The enclosed proxy card shows the number of shares you can vote.

How are votes counted?

We will hold the annual meeting if stockholders representing the required quorum of shares of common stock entitled to vote either sign and return their proxy cards or attend the meeting. One third of the shares of common stock entitled to vote at the meeting present in person or by proxy will constitute a quorum. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote as indicated on the proxy card.

Votes withheld from the director nominee, abstentions and broker non-votes will be counted as shares present for the purpose of determining a quorum but will not be counted in determining the number of shares voted for the director nominee or votes cast for or against the proposal to ratify the appointment of KPMG LLP as our independent registered public accounting firm.

What is the required vote for approval?

The election of our nominee for director requires a plurality of the votes cast at the annual meeting; the ratification of the appointment of KPMG LLP as our independent registered public accounting firm requires a majority of the votes cast at the annual meeting on such matter.

How do I vote?

Stockholders of record may vote in person by attending the annual meeting or by completing and returning the proxy by mail. Your vote is very important, so whether you plan to attend the annual meeting or not, we encourage you to vote by proxy as soon as possible.

How do I vote by proxy?

Follow the instructions on the enclosed proxy card to vote on the matters to be considered at the annual meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope. The individuals named and designated as proxies in the proxy card will vote your shares as you instruct. If you do not mark a selection, your proxy will be voted as recommended by the board of directors.

You have the following choices in completing your proxy:

You may vote on each proposal, in which case your shares will be voted in accordance with your choices.

In voting on the nominee for director, you can either vote FOR the nominee or withhold your vote on the nominee.

You may abstain on the proposal to ratify the appointment of KPMG LLP as our independent registered public accounting firm, in which case no vote will be recorded on that matter.

You may return a signed proxy card without indicating your vote on any matter, in which case the designated proxies will vote to elect the nominee as a director and ratify the appointment of KPMG LLP as our independent registered public accounting firm.

What if other matters come up at the annual meeting?

The only matters we now know of that will be voted on at the annual meeting are the proposals we have described in this proxy statement: the election of the Class II director; and the proposal to ratify the appointment of KPMG LLP as our independent registered public accounting firm for 2007. If other matters are properly presented at the meeting, the designated proxies will vote your shares in their discretion.

Can I change my vote after I return my proxy card?

Yes, so long as you are the record holder and not a nominee holder of the shares. At any time before the vote on a proposal, you can change your vote either by giving us a written notice revoking your proxy card or by signing, dating and returning to us a new proxy card or by attending the annual meeting and voting your shares in person. We will honor the proxy card with the latest date.

Proxy revocation notices or new proxy cards should be sent to Citi Trends, Inc. c/o American Stock Transfer and Trust Company, 6201 15th Avenue, Brooklyn, New York 11219.

Can I vote in person at the annual meeting rather than by completing the proxy card?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the annual meeting and vote your shares in person even if you have submitted a proxy card.

What do I do if my shares are held in street name ?

Edgar Filing: Citi Trends Inc - Form DEF 14A

If your shares are held in the name of your broker, a bank or other nominee, that party will give you instructions for voting your shares.

What do I do if I receive duplicate proxy statements and cards?

You may receive more than one proxy statement, proxy card or annual report. This duplication will occur if you have shares registered in different names or your shares are in more than one type of account maintained by American Stock Transfer and Trust Company, our transfer agent. To have all your shares voted, please sign, date and return all proxy cards.

Who will count the votes?

American Stock Transfer and Trust Company will tabulate the votes. Corporate Communications, Inc. will serve as the inspector of election.

Who will conduct this proxy solicitation and who pays for this proxy solicitation?

We regularly retain the services of Corporate Communications, Inc. to assist with our investor relations and other stockholder communications issues. Corporate Communications, Inc. will assist in the solicitation of proxies and will not receive any additional compensation for these services. Corporate Communications, Inc. may solicit proxies by telephone, facsimile, other forms of electronic transmission and by mail. We will reimburse the firm's expenses in connection with the solicitation. In addition, proxies may be solicited on our behalf by directors, officers or employees in person or by telephone, facsimile, electronic transmission and by mail. None of these persons will receive any extra compensation for doing this.

In addition, we will request that brokerage houses, banks and other custodians or nominees holding shares in their names for others forward proxy materials to their customers or principals who are the beneficial owners of shares and we will reimburse them for their expenses in doing so.

**PROPOSAL 1:
ELECTION OF DIRECTORS**

Our board of directors currently consists of five directors, R. Edward Anderson, Lawrence E. Hyatt, John S. Lupo, Patricia M. Luzier and Tracy L. Noll. Our directors are divided into three classes having staggered three-year terms, so that the term of one class expires at each annual meeting of stockholders. One nominee will be proposed for election as a Class II director at the annual meeting to hold office until the annual meeting in 2010 and until his successor is duly elected and qualified. Our other Class II director, Mr. Noll, has indicated that he has decided not to stand for re-election and his term will end at the annual meeting. Although no candidate has been identified to date, it is intended that the vacancy resulting from Mr. Noll's decision not to stand for re-election will be filled by the remaining directors, in accordance with the Company's bylaws, subsequent to the annual meeting.

It is intended that the persons named in the accompanying proxy will vote to elect the nominee listed below unless authority to vote is withheld. The nominee will serve until the annual meeting of stockholders at which his term expires or until an earlier resignation or retirement or until a successor is elected and qualifies to serve.

The nominee has agreed to stand for election and is available for election. However, if a vacancy in the slate of nominees is caused by death or other unexpected occurrence, it is intended that shares represented by the accompanying proxy will be voted for the election of a substitute nominee selected by the persons named in the proxy.

Nominee for Election as Director for a Term Expiring at the 2010 Annual Meeting of Stockholders

John S. Lupo currently serves as a Class II director whose term expires at the annual meeting. Mr. Lupo has been nominated by our board of directors to stand for re-election at the annual meeting for a three-year term expiring in 2010.

Mr. Lupo's biographical information is set forth on the following page.

Vote Required; Recommendation

The director will be elected by a plurality of the votes cast so long as a quorum is present at the annual meeting. Unless otherwise indicated on the proxy, properly executed proxies will be voted to elect the nominee for director.

The board of directors recommends that stockholders vote FOR the nominee listed above for election as a Class II director.

Recommendations may come from current members of our board of directors, professional search firms, members of management, stockholders or other persons. In assessing the qualifications of potential nominees, the Nominating and Corporate Governance Committee may rely on personal interviews or discussions with the candidate and others familiar with the candidate's professional background, on third-party background and reference checks and on such other due diligence information as reasonably available. The Nominating and Corporate Governance Committee must be satisfied that the candidate possesses the highest professional and personal ethics and values and has broad experience at the policy-making level in business before the Nominating and Corporate Governance Committee would recommend a candidate as a nominee to our board of directors and the nominee must meet the following minimum qualifications:

Edgar Filing: Citi Trends Inc - Form DEF 14A

In connection with our initial public offering, we entered into a nominating agreement with Hampshire Equity Partners II, L.P., our largest stockholder, pursuant to which we, acting through our Nominating and Corporate Governance Committee, agreed, subject to the requirements of our directors' fiduciary duties, that (i) Hampshire Equity Partners II, L.P. is entitled to designate two directors to be nominated for election to the board of directors as long as Hampshire Equity Partners II, L.P. owns in the aggregate at least 40% of the shares of our common stock which it owned immediately prior to the consummation of the initial public offering or (ii) Hampshire Equity Partners II, L.P. is entitled to designate one director to be nominated for election to the board of directors as long as Hampshire Equity Partners II, L.P. owns in the aggregate less than 40% and at least 15% of the shares of our common stock which it owned immediately prior to the consummation of the initial public offering. If at any time Hampshire Equity Partners II, L.P. owns less than 15% of the shares of our common stock which it owned immediately prior to the consummation of the initial public offering, it will not have the right to nominate any directors for election to the board of directors.

Notwithstanding the foregoing, as of the date of this proxy statement, Hampshire Equity Partners II, L.P. does not have a designee on our board of directors.

Additionally, stockholders may recommend nominees for consideration at the annual meeting by submitting the names and the following supporting information to the Secretary of the Company at: Secretary, Stockholder Nominations, Citi Trends, Inc., 102 Fahm Street, Savannah, Georgia 31401. Such submissions must be received by the Secretary not less than ninety (90) calendar days and not more than one hundred twenty (120) calendar days prior to the first anniversary of the previous year's annual meeting. The submissions should include a current resume and curriculum vitae of the candidate and a statement describing the candidate's qualifications and contact information for personal and professional references. The submission should also include the name and address of the stockholder who is submitting the nominee, the number of shares which are owned of record or beneficially by the submitting stockholder and a description of all arrangements or understanding between the submitting stockholder and the candidate and should otherwise comply with the requirements of our bylaws.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

In the paragraphs that follow, we will give an overview and analysis of our compensation program and policies, the material compensation decisions we have made under those programs and policies with respect to our top executive officers, and the material factors that we considered in making those decisions. Later in this proxy statement you will find a series of tables containing specific information about the compensation earned or paid in fiscal 2006 to the following individuals, whom we refer to as our named executive officers:

R. Edward Anderson, our Chief Executive Officer,

George A. Bellino, our President and Chief Merchandising Officer,

Thomas W. Stoltz, our former Chief Financial Officer and Senior Vice President of Finance,

James A. Dunn, our Senior Vice President of Store Operations; and

Chris Bergen, our prior interim Principal Financial and Accounting Officer and current Director of Financial Reporting.

On November 8, 2006, Mr. Stoltz resigned as Chief Financial Officer and Senior Vice President of Finance, effective November 30, 2006. Mr. Bergen was named as interim Principal Financial and Accounting Officer on November 9, 2006 and served in such role until the appointment of Bruce D. Smith as Senior Vice President and Chief Financial Officer on April 2, 2007. The discussion below is intended to help you understand the detailed information provided in those tables and put that information into context within our overall compensation program.

Objective of Our Compensation Program

In order to maintain a critical advantage in our competitive marketplace, we believe our compensation program should be designed to provide market-competitive compensation and benefits that will enable us to attract and retain a talented, diverse workforce. In furtherance of those goals, our compensation program is designed to:

enable the Company to retain and motivate a team of high quality executives who will create long-term stockholder value;

create opportunities to participate in the ownership of the Company and to share in the value they help create; and

provide rewards that are proportional to each executive's contribution to our success.

Our compensation philosophy emphasizes each individual's responsibility for high achievement and provides a strong link between pay and performance on both an individual and company level. As noted above, the compensation decisions that are discussed below relate primarily to fiscal 2006, our first full fiscal year following our initial public offering in May 2005. As a newly public company, our

compensation philosophy is a work-in-progress, and, as such, we continually evaluate our compensation program to identify its strengths and weaknesses. To further this evaluation, we plan to continue to review and analyze market data and other resources available to us through the Compensation Consultant, as discussed later in this report. Also, to assist in the design and management of our compensation program, among other things, we added Ms. Ivy Council to our management team. Ms. Council joins our Company with a very strong background in human resources. Together, our management team and Compensation Committee will develop and refine our compensation philosophy, program and practices over time, with the goal of maximizing stockholder value.

How We Determine and Assess Executive Compensation

Role of the Compensation Committee and Executive Officers

The Compensation Committee plays an integral role in the strategic direction and administration of the compensation structure of the Company. The Compensation Committee and our Chief Executive Officer work together to ensure that the compensation paid to our named executive officers is in line with our compensation philosophy and furthers our long-term goals.

After forming qualitative judgments regarding individual performance and discussions with the Compensation Committee and other members of management regarding appropriate levels of compensation, our Chief Executive Officer recommends to the Compensation Committee base salary, target annual cash incentive amounts and annual cash incentive program formulas, and long-term equity incentive grants for our executive officers (other than himself). The Compensation Committee reviews such recommendations and determines whether, in light of our compensation philosophy, the recommended compensation levels are appropriate. Upon such determination, the Compensation Committee formally approves the compensation levels. Our Chief Executive Officer is not involved with any aspect of determining his own compensation. The Compensation Committee independently sets the Chief Executive Officer's total compensation package, taking into account the same factors as for the other executive officers.

Compensation Consultant

From time to time, the Compensation Committee selects and engages outside compensation consultants and other experts for survey data and other information as it deems appropriate. In 2004, the Compensation Committee retained and continues to retain the executive compensation consulting services of the Compensation Consultant. As further described below, the Compensation Consultant evaluated our compensation practices based on prior years' compensation and provided their advice and counsel to the board of directors. The Compensation Consultant developed information from the peer group surveyed and recommended to us a range for each component of executive compensation with the goal of presenting recommended compensation levels that would be aligned with the Company's compensation philosophy for each of the named executive officers.

Market Data

Periodically, for the purposes of benchmarking executive compensation, the Compensation Committee reviews the compensation practices of a group of public companies selected from an industry peer group comprised primarily of discount apparel retailers. Prior to our initial public offering, the Compensation Consultant conducted a competitive market analysis based on (i) the public disclosures of a competitor peer group

Edgar Filing: Citi Trends Inc - Form DEF 14A

developed by the Compensation Consultant and approved by the Company, and (ii) data from various sources, including primary retail and wholesale industry compensation surveys. While a number of the companies in the peer group have higher revenues than the Company, given the Company's recent growth, the Compensation Committee believes this is an appropriate group for benchmarking purposes.

Edgar Filing: Citi Trends Inc - Form DEF 14A

The following specialty apparel retailers were included in our peer group:

The Buckle, Inc.	Jos. A. Bank Clothiers, Inc.
Cache, Inc.	The Men's Wearhouse, Inc.
Casual Male Retail Group, Inc.	Ross Stores, Inc.
The Cato Corporation	Stein Mart, Inc.
Chico's FAS, Inc.	Syms Corp
Deb Shops, Inc.	Urban Outfitters, Inc.
The Dress Barn, Inc.	The Wet Seal, Inc.
Hot Topic, Inc.	

The Compensation Consultant's analysis focused on the following areas of compensation:

base salary,

annual cash incentives,

total cash compensation (the sum of base salary and annual cash incentives),

long-term incentives (a variable incentive vesting over a multi-year period), and

total direct compensation (the sum of total cash compensation and long-term incentive awards).

Based on this review, the Compensation Consultant advised us that our executive officers' compensation falls below median peer company practice for all elements of pay. Each of our named executive officers is below the peer group median for total cash compensation (the sum of base salary and annual cash incentives) and below the peer group median for total direct compensation (the sum of total cash compensation and long-term incentive awards). Because total compensation opportunities provided to our executive officers are below average for our peer group, and in light of the positive financial performance of the Company, we have set a goal of gradually approaching the median level of compensation within our peer group over a period of several years.

Company Performance

We measure our overall financial performance based on the following long-term strategic goals: earnings per share, annual growth in selling square footage, and comparable store sales increase, each as further described below as they relate to our annual cash incentive program. The Company's performance in these three areas allows us to evaluate the Company's success in any given year. The Company's success and performance impacts our compensation decisions with respect to our executive officers. However, only our executive officers' annual cash incentives are formally tied to these financial metrics.

Elements of our Compensation Program

Edgar Filing: Citi Trends Inc - Form DEF 14A

Our executive officer compensation program consists of the following elements: base salary, annual cash incentives, long-term equity incentives, and certain other benefits.

Base Salary

Base salaries fulfill the fixed portion of our compensation program. Base salaries are set based on a variety of factors, including peer group information and a qualitative review of the executive's performance and contributions to the Company. We do not target salaries to be at any specific level within our peer group. The Compensation Committee approved increases to our executive officers' base salaries for 2006 in amounts ranging from 4.1% to 9.4%. As we discussed above, our goal is to position compensation to approach the median of the peer group over time.

Annual Cash Incentives

Our annual cash incentive program provides our executive officers with an opportunity to earn cash awards based on the achievement of certain financial metrics and individual performance metrics. Each of our named executive officers, except Mr. Stoltz who left the Company in November 2006, received an annual cash incentive pursuant to this award program.

We develop an annual budget based on the three performance metrics that guide the growth and success of our company. These performance metrics, and relative goals, are as follows:

20% annual growth in store selling square footage (measured in terms of aggregate selling square footage of retail space);

positive annual growth in comparable store sales; and

25% annual growth in earnings per share.

The annual cash incentive program is directly linked to our budget and financial goals, such that if the Company achieves 100% of the goals mentioned above, it is expected that the executive officers would receive approximately 100% of their target award. Our Chief Executive Officer recommends a target award for each executive officer and, together with the Compensation Committee, determines the appropriate award criteria for each executive. Each award criterion is an integral component of one or more of the overall performance metrics listed above, and each reflects the executive's direct area of responsibility. For fiscal 2006, each executive officer's target award was based on the following performance criteria:

Name	Target Award	Components
Mr. Anderson	75%	Operating cash flow (100%)
Mr. Bellino	50%	Operating cash flow (50%); sales and gross margin operating targets (50%)
Mr. Stoltz	35%	Operating cash flow (50%); individual performance metrics (50%)
Mr. Dunn	35%	Operating cash flow (50%); store contribution profit (50%)
Mr. Bergen	20%	Individual performance metrics (100%)

The actual amount of awards to be earned by the named executive officers is determined after a review of the financial performance metrics and, with respect to Messrs. Stoltz and Bergen, our Chief Executive Officer's qualitative review of such officer. The Compensation Committee does not exercise any discretion to adjust awards. Actual awards earned in 2006 by our named executive officers are shown in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table on page 20 of this proxy statement.

Long-Term Equity Incentives

Edgar Filing: Citi Trends Inc - Form DEF 14A

The long-term equity incentive compensation awards are designed to encourage the creation of long-term value for our stockholders by increasing the retention of qualified key employees and aligning the interests of executive officers with the achievement of specific performance targets set by the Company.

We do not target a particular percentage of total compensation to be provided to executive officers in the form of equity based awards. The dollar value of each equity grant is within the discretion of the Compensation Committee and is based on recommendations made by our Chief Executive Officer, the executive's past performance, and an evaluation of other elements of compensation provided to the executive officer. In fiscal 2006, the Committee also relied on the compensation study performed by the Compensation Consultant to determine the appropriate size of the option awards. The Compensation Committee recommended a dollar value for the equity grants based on the executive's position within the Company.

Historically, the Company has used stock options as the primary form of long-term equity incentive for its executive officers. Consistent with its historical practice, in fiscal 2006, the Compensation Committee granted time-vesting stock options to the named executive officers under the 2005 Long-Term Incentive Plan. For more information regarding these long-term incentives granted to our named executive officers in fiscal 2006, please see the 2006 Grants of Plan-Based Awards and Outstanding Equity Awards at 2006 Fiscal Year-End tables and the related footnotes. For fiscal 2007, the Company has reevaluated its equity grant practices, and intends to utilize restricted stock or restricted stock units, rather than stock options, for equity awards to executive officers in 2007 and going forward. We believe the shift to full-value restricted stock or restricted stock units will provide stronger incentives for the creation of long-term stockholder value, provide greater retention value for the executives, and results in less stockholder dilution.

Other Benefits

Retirement. We maintain the Citi Trends, Inc. 401(k) Profit Sharing Plan, a tax-qualified, defined contribution employee benefit plan in which a substantial majority of our employees, including the named executive officers, are eligible to participate. We match 50% of employee contributions to the plan, up to a maximum of 4% of an employee's total calendar year compensation (subject to IRS limits).

Perquisites. During fiscal 2006, the Company provided Messrs. Anderson, Bellino and Dunn with the use of a company car, but we did not provide any other special benefits or perquisites to our executive officers. We believe this perquisite is reasonable in light of peer group practices. We provide health and welfare benefits to our executive officers on the same basis as we provide to all of our salaried employees.

Severance Agreements. We maintain severance agreements with Messrs. Anderson and Bellino, which provide severance benefits in the event their employment is terminated by the Company without cause. We believe that these severance agreements serve an important retention element of the compensation package provided to our top two executive officers. The potential severance benefits payable to our current executive officers are described in Potential Payments upon Termination or Change of Control on page 23 of this proxy statement.

Equity Grant Practices

The Company has a practice of generally making equity awards on pre-established dates. Annual equity awards are presented to the Compensation Committee for approval at a regularly scheduled compensation committee meeting usually held in March. Equity awards are also given to employees throughout the year, as they are hired or promoted into positions eligible for those awards.

Tax and Accounting Considerations

Edgar Filing: Citi Trends Inc - Form DEF 14A

The accounting treatment of compensation has been a factor in determining the type of equity awards to grant to our executive officers. Prior to fiscal 2006, the favorable accounting treatment of stock options played an important role in the Company's decision to use this form of equity award. Following the adoption of FAS 123R, however, the Company has reevaluated its equity grant practices for fiscal 2007 (as discussed above) and intends to shift to restricted stock or restricted stock units as its primary form of equity awards for 2007 and going forward.

Generally, the Compensation Committee considers the net cost to the Company, and its ability to effectively administer executive compensation in the long-term interests of stockholders. Accordingly, the Compensation Committee intends for annual incentive compensation awards and long-term incentive compensation awards to be fully deductible under Section 162(m) of the Code.

2006 Option Exercises

The following table sets forth information concerning each exercise of stock options during the last completed fiscal year for each of the named executive officers on an aggregated basis.

Name	Option Awards	
	Number of Shares Acquired on Exercise (#)	Value Realized on Exercise (\$)(1)
Mr. Anderson	143,750	\$ 6,557,214
Mr. Bellino	358,875	\$ 14,073,226
Mr. Stoltz	70,417	\$ 3,122,448
Mr. Dunn	23,000	\$ 1,049,154
Mr. Bergen		

(1) Reflects the excess of the fair market value of the underlying shares at the time of exercise over the exercise price of the options.

Potential Payments upon Termination or Change in Control

As discussed in the narrative following the 2006 Grants of Plan-Based Awards table, the Company has entered into employment agreements with Mr. Anderson and Mr. Bellino. The employment agreements provide that in the event that Mr. Anderson or Mr. Bellino is terminated for any reason other than for cause, he will be entitled to severance pay of six months base salary to be paid in equal amounts over a six month period, in addition to any accrued and vested benefits. We do not provide severance benefits to Messrs. Dunn or Bergen. Pursuant to the terms of our 2005 Long-Term Incentive Plan and our 1999 Stock Option Plan, all outstanding options will become 100% vested upon the occurrence of a change in control.

Summary of Termination and Change in Control Payments and Benefits. The following table summarizes the approximate value of the payments and benefits that each of our named executive officers would receive if he or she had terminated employment at the close of business on February 2, 2007 or if a change of control of the Company had occurred as of such date. The amounts shown in the table exclude distributions under our 401(k) retirement plan that is generally available to all of our salaried employees.

	Mr. Anderson	Mr. Bellino	Mr. Dunn	Mr. Bergen
<u>Termination By Company Without Cause</u>				
Cash Severance (1)	\$ 177,500	\$ 127,500		
<u>Change in Control of the Company</u>				
Value of Accelerated Stock Option (2)	\$ 533,610	\$ 69,878	\$ 31,763	\$ 169,857

- (1) Reflects cash severance equal to six months of the executive's then annual salary.
- (2) Reflects the excess of the fair market value of shares underlying unvested options as of February 2, 2007 over the exercise price of the options. Pursuant to the terms of both the 2005 Long-Term Incentive Plan and the 1999 Stock Option Plan, all stock options vest upon the occurrence of a change in control.

2006 Director Compensation

The following table sets forth the cash and other compensation paid by the Company to the members of the board of directors of the Company for all services in all capacities during fiscal 2006, except for Mr. Anderson who is not compensated for his services as a director and Gregory P. Flynn, who resigned from his position as a director and Chairman of the board of directors on May 1, 2006 and was not compensated for his role as a director because of his position with our largest stockholder, Hampshire Equity Partners II, L.P.

Name	Fees Earned or Paid in Cash (\$)	Option Awards (\$)(1)	Total (\$)
Lawrence E. Hyatt	\$ 13,000	\$ 1,168	\$ 14,168
John S. Lupo	\$ 49,000	\$ 15,135 (2)	\$ 64,135
Patricia M. Luzier	\$ 49,000	\$ 19,323	\$ 68,323
Tracy L. Noll	\$ 55,000	\$ 15,890	\$ 70,890

(1) Reflects the amount recognized by the Company in fiscal 2006 for financial accounting purposes relating to stock option awards. The fair values of these awards and the amounts expensed in fiscal 2006 were determined in accordance with FAS 123R. The assumptions used in determining the grant date fair values of the option awards are set forth in Note 8 to the Company's consolidated financial statements, which are included in our Annual Report on Form 10-K for the fiscal year ended February 3, 2007.

The following table shows the stock options awarded to each director during fiscal 2006:

Name	Grant Date	Number of Securities Underlying Options (#)	Exercise Price of Options (\$/sh)	Grant Date Fair Value of Option Award (\$)
Mr. Hyatt	12/14/2006	500 \$	41.79 \$	10,705
Mr. Lupo	03/17/2006	1,500 \$	41.35 \$	33,756
Ms. Luzier	02/10/2006	1,250 \$	42.51 \$	28,425
	03/17/2006	1,500 \$	41.35 \$	33,756
Mr. Noll	03/17/2006	1,500 \$	41.35 \$	33,756

The aggregate number of stock options held by each director as of February 3, 2007 is as follows: Mr. Hyatt, 500; Mr. Lupo, 1,500; Ms. Luzier, 2,750; Mr. Noll, 25,564.

(2) On June 6, 2006, Mr. Lupo exercised options to purchase 2,500 shares of the Company's common stock at the offering price for the shares in the Company's initial public offering. These options vested and were expensed over a one-year vesting period ended May 17, 2006 (in accordance with his option agreement, although the 2005 Long-Term Incentive Plan provided for three-year vesting). On December 14, 2006, corresponding options to purchase 2,500 shares which had previously been granted to each of Ms. Luzier and Mr. Noll at the initial public offering price were amended to provide a three-year vesting schedule for such options.

Director Compensation

Annual Retainer. During fiscal 2006, each non-employee director received an annual retainer fee of \$24,000. We also provide the following additional annual retainers: Chairman of the Audit Committee, \$8,000; Chairman of the Nominating and Corporate Governance Committee, \$2,000; and the Chair of the Compensation Committee, \$2,000.

Meeting Fees. Each of our non-employee directors received \$2,500 for each board meeting attended. All non-employee directors also received \$500 for attendance at each committee meeting in the first quarter of

2006 and \$1,000 for each committee meeting thereafter in fiscal 2006. All non-employee directors also received \$500 for telephonic meetings attended. We reimburse all of our non-employee directors for out-of-pocket expenses in connection with their attendance at the meetings of the board of directors and committees.

Equity Awards. In addition, each non-employee director received stock options to purchase 1,500 shares of the Company's common stock (except for Mr. Hyatt, who received 500 stock options in connection with his appointment to the board on November 16, 2006 and Ms. Luzier who received an additional grant of 1,250 options). These options were granted under the 2005 Long-Term Incentive Plan, and vest in three equal installments on the first, second and third anniversaries of the grant date.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Policy and Procedures

The Company has adopted a Code of Business Conduct and Ethics which sets forth the Company's policy of prohibiting participation by an employee, officer or director (or his/her family members) in any transaction that could create an actual or apparent conflict of interest with the Company. Transactions prohibited by the Code of Business Conduct and Ethics, among other things, include: conducting business or engaging in a transaction on behalf of the Company with a family member or significant other or with a company in which the person or one of their family members is a significant owner or is associated or employed in a significant role or position; an employee accepting simultaneous employment with a client, credit source supplier, or competitor, or taking part in any activity that enhances or supports a competitor's position; a director of the Company serving as a director of any other company that competes with the Company; and transactions in which an employee, officer or director invests in a client, credit source, supplier or competitor that compromises his or her responsibilities to the Company.

The Company's Code of Business Conduct and Ethics requires that the Audit Committee must review and approve in advance all material related party transactions or business or professional relationships that could present a conflict of interest. All instances involving potential related party transactions or such business or professional relationships must be reported to the Chief Executive Officer who will assess the materiality of the transaction or relationship and elevate the matter to the Audit Committee as appropriate. The Company will report all material related party transactions and such business or professional relationships under applicable accounting rules and the SEC's rules and regulations. Any dealings with a related party will be conducted in such a way as to avoid preferential treatment and assure that the terms obtained by the Company are no less favorable than could be obtained from unrelated parties on an arm's-length basis.

In addition, the charter of the Audit Committee requires the Audit Committee to review and approve all related party transactions as defined by Item 404 of the SEC's Regulation S-K in accordance with NASDAQ listing standards. It is also one of the responsibilities of the Nominating and Corporate Governance Committee to consider possible conflicts of interests of directors and any related party transactions in connection with the determination of director independence.

The following relationships were approved by our board of directors in connection with our initial public offering.

Registration Rights Agreement

In connection with our initial public offering, we entered into a Registration Rights Agreement, dated as of May 23, 2005, with Hampshire Equity Partners II, L.P. Pursuant to the terms and provisions of the registration rights agreement, Hampshire Equity Partners II, L.P. will have the right, from time to time, subject to certain restrictions, to cause us to register our shares of common stock for sale under the Securities Act, on Form S-1 or, if available, on Form S-3 or any similar short-form registration statement. In addition, if at any time we register additional shares of common stock, Hampshire Equity Partners II,

L.P. will be entitled to include its shares of common stock in the registration statement relating to that offering. The registration rights agreement includes provisions for, among other things, underwritten offerings of shares of our common stock held by Hampshire Equity Partners pursuant to an underwriting agreement. We recently filed a shelf registration statement pursuant to the registration rights agreement.

Nominating Agreement

In connection with our initial public offering, we entered into a Nominating Agreement, dated as of May 23, 2005, with Hampshire Equity Partners II, L.P. pursuant to which we, acting through our Nominating and Corporate Governance Committee, agreed, subject to the requirements of our director's fiduciary duties, that (i) Hampshire Equity Partners II, L.P. is entitled to designate up to two directors to be nominated for election to our board of directors as long as Hampshire Equity Partners II, L.P. (together with its respective successors and permitted assigns) owns in the aggregate at least 40% of the shares of our common stock which it owned immediately prior to the consummation of our initial public offering or (ii) Hampshire Equity Partners II, L.P. is entitled to designate one director to be nominated for election to the board of directors as long as Hampshire Equity Partners II, L.P. (together with its respective successors and permitted assigns) owns in the aggregate less than 40% and at least 15% of the shares of our common stock which it owned immediately prior to the consummation of our initial public offering. If at any time Hampshire Equity Partners II, L.P. (together with its respective successors and permitted assigns) owns less than 15%, it will not have the right to nominate any directors for election to our board of directors. Notwithstanding the foregoing, as of the date of this proxy statement, Hampshire Equity Partners II, L.P. does not have a designee on our board of directors.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and persons who own, or are part of a group that owns, more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten percent stockholders are required by regulation of the SEC to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of reports furnished to us, all reports required by Section 16(a) of the Exchange Act to be filed by the directors and executive officers and all beneficial owners of more than ten percent of the common stock outstanding to report transactions in securities were timely filed, with the exception of a report for the cashless exercise of option grants by each of James A. Dunn, and Tracy L. Noll in January 2006 in connection with our secondary offering that were inadvertently filed late.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information known to us with respect to the beneficial ownership of our common stock as of April 2, 2007, for the following persons:

- each stockholder known by us to own beneficially more than 5% of our common stock;
- each of our directors and named executive officers; and
- all directors and executive officers as a group.

This table lists applicable percentage ownership based on 13,866,191 shares of common stock outstanding as of April 2, 2007. We have determined beneficial ownership in the table in accordance with the rules of the SEC. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, we have deemed shares of common stock subject to options held by that person that are currently exercisable or will become exercisable within 60 days of April 2, 2007 to be outstanding, but we have not deemed these shares to be outstanding for computing the percentage ownership of any other person. To our knowledge, except as set forth in the footnotes below, each stockholder identified in the table possesses sole voting and investment power with respect to all shares of common stock shown as beneficially owned by that stockholder.

**PROPOSAL 2:
RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Our Audit Committee has appointed KPMG LLP as our independent registered public accounting firm for the fiscal year ending February 2, 2008, and further directed that the appointment of KPMG LLP be submitted for ratification by the stockholders at the annual meeting. KPMG LLP has served as our independent registered public accounting firm since fiscal 2002. We understand that a representative from KPMG LLP will be present at the annual meeting, will have the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

Stockholder ratification of the appointment of KPMG LLP as our independent registered public accounting firm is not required. However, the appointment is being submitted for ratification at the annual meeting with a view toward soliciting the stockholders' opinions, which the Audit Committee will take into consideration in future deliberations. If the appointment of KPMG LLP is not ratified at the annual meeting, the Audit Committee will consider the engagement of another independent registered public accounting firm. The Audit Committee may terminate the engagement of KPMG LLP as our independent registered public accounting firm without the approval of our stockholders whenever the Audit Committee deems termination necessary or appropriate.

Principal Accounting Fee Information

The following table sets forth the aggregate fees paid or payable to KPMG LLP relating to the audit of our fiscal 2005 and 2006 consolidated financial statements and the fees billed to us in 2005 and 2006 by KPMG LLP for other professional services:

	Fiscal 2005	Fiscal 2006
Audit Fees(1)	\$ 1,078,622	\$ 1,161,694
Audit-Related Fees		
Tax Fees		
All Other Fees		

(1) Audit fees include amounts billed to us related to the annual audit of our financial statements and interim reviews of the quarterly financial statements filed for fiscal 2005 and fiscal 2006. For fiscal 2005 this category includes services associated with the initial public offering and the secondary public offering, including the related registration statements.

Audit Committee Pre-Approval Policy

In accordance with our Audit Committee pre-approval policy, all audit services performed for us by our independent registered public accounting firm were pre-approved by our Audit Committee.

Our Audit Committee's pre-approval policy provides that our independent registered public accounting firm shall not provide services that have the potential to impair or appear to impair the independence of the audit role. The pre-approval policy requires our independent registered public

Edgar Filing: Citi Trends Inc - Form DEF 14A

accounting firm to provide an annual engagement letter to our Audit Committee outlining the scope of the audit services proposed to be performed during the fiscal year. Upon the Audit Committee's acceptance of and agreement with such engagement letter, the services within the scope of the proposed audit services shall be deemed pre-approved pursuant to the policy.

The pre-approval policy provides for categorical pre-approval of specified audit and permissible non-audit services and requires the specific pre-approval by the Audit Committee, prior to engagement, of such services, other than audit services covered by the annual engagement letter. In addition, services to be

provided by our independent registered public accounting firm that are not within the category of pre-approved services must be approved by the Audit Committee prior to engagement, regardless of the service being requested or the dollar amount involved.

Requests or applications for services that require specific separate approval by the Audit Committee are required to be submitted to the Audit Committee by both management and the independent registered public accounting firm, and must include a detailed description of the services to be provided.

Our policies prohibit us from engaging the independent registered public accounting firm to provide any services relating to bookkeeping or other services related to accounting records or financial statements, financial information systems design and implementation, appraisal or valuation services, or contribution-in-kind reports, actuarial services, any management function, legal services or expert services not related to the audit, broker-dealer, investment adviser, or investment banking services or human resource consulting. In addition, we evaluate whether our use of the independent registered public accounting firm for permitted non-audit services is compatible with maintaining the independence of the independent registered public accounting firm.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee is prohibited from delegating to management its responsibilities to pre-approve services to be performed by our independent registered public accounting firm.

Vote Required; Recommendation

The affirmative vote of a majority of the votes cast at the annual meeting is required to ratify the appointment of KPMG LLP as our independent registered public accounting firm. **The board of directors recommends that stockholders vote FOR ratification of the appointment of KPMG LLP as the independent registered public accounting firm of the Company for the fiscal year ending February 2, 2008.**
