Item 1.01. Entry into a Material Definitive Agreement

On December 2, 2007, Bruker BioSciences Corporation (the Company) entered into definitive agreements to acquire all of the stock of the companies comprising the privately held Bruker BioSpin group of companies (the Bruker BioSpin Group) for \$388.0 million in cash and 57,544,872 shares of restricted common stock, valued at \$526.0 million at the November 28, 2007 trailing ten day trading average closing price of \$9.14 per share. Consummation of the acquisition is subject to various conditions, including (i) the approval of the transactions contemplated by the U.S. Stock Purchase Agreement, the German Share Purchase Agreement and the Swiss Merger Agreement (each as discussed below) by the majority of the Company's stockholders, including a majority of those stockholders who are not affiliated with the Bruker BioSpin Group stockholders who are present and acting at the Special Meeting of Stockholders, (ii) the absence of certain legal impediments to the consummation of the transactions, (iii) the receipt of financing, and (iv) the receipt of certain regulatory approvals.

The Company's chief executive officer and chairman of the board, Frank H. Laukien, and certain of his family members own stock in both the Company and the companies comprising the Bruker BioSpin Group. Dr. Laukien and his related family members own an aggregate of approximately 52% of the Company's common stock and, directly or indirectly, all of the shares of the companies comprising the Bruker BioSpin Group. Following the closing of the transactions, Dr. Laukien and his related family members are expected to own, in the aggregate, approximately 69% of the outstanding shares of common stock of the Company. In addition, certain of the Company's officers and directors are also officers and directors of various of the companies comprising the Bruker BioSpin Group.

In connection with the proposed acquisitions, the Company will prepare a proxy statement for the stockholders of the Company to be filed with the Securities and Exchange Commission (the SEC). Before making any voting or investment decision, the Company's stockholders are urged to read the proxy statement regarding the acquisitions carefully in its entirety when it becomes available because it will contain important information about the proposed transaction. The proxy statement and other relevant documents filed with the SEC will be available free of charge at the SEC's website, www.sec.gov, and stockholders of the Company will also be able to obtain copies of the proxy statement and other relevant documents free of charge by directing their requests to Bruker BioSciences Corporation, 40 Manning Road Billerica, MA 01821, Attention: Investor Relations.
