**Item 8.01. Other Events.**

On September 22, 2010, Force Protection, Inc. (the Company) issued a press release announcing that Force Protection Europe Ltd ( FPE ), an indirectly wholly owned subsidiary of the Company, has been selected by the United Kingdom Ministry of Defence as the preferred bidder in the Light Protected Patrol Vehicle program. The initial Ocelot vehicles are expected to be available for the training of United Kingdom forces in 2011. Formal contract negotiations (including final determination of vehicle quantities and price) between FPE and the United Kingdom Ministry of Defence will begin shortly.

A copy of the press release issued on September 22, 2010 is attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by reference.

This Current Report on Form 8-K contains forward looking statements that are not historical facts, including statements about the Company's beliefs and expectations. These statements are based on beliefs and assumptions of the Company's management, and on information currently available to management. These forward looking statements include, among other things: the growth, demand and interest for the Company's services and vehicles, including the Ocelot; expectations for future contracts for the Ocelot; the benefits and suitability of the Ocelot, including its survivability; the ability to meet current and future requirements, including expected work commencement and completion dates; and, the expectation that there could be significant demand for the Ocelot in the future. Forward-looking statements speak only as of the date they are made, and the Company undertakes no obligation to update any of them publicly in light of new information or future events. A number of important factors could cause actual results to differ materially from those contained in any forward-looking statements. Examples of these factors include, but are not limited to, ability to effectively manage the risks in the Company's business; the ability to develop new technologies and products and the acceptance of these technologies and products; and, the other risk factors and cautionary statements listed in the Company's periodic reports filed with the Securities and Exchange Commission, including the risks set forth in the Company's Annual Report on Form 10-K for the year ended December 31, 2009 and as updated in the Quarterly Report on Form 10-Q for the quarter ended June 30, 2010.
