**ITEM 2.02. RESULTS OF OPERATIONS AND FINANCIAL CONDITION**

On April 25, 2012, Logitech International S.A. ( "Logitech" ) issued a press release regarding its financial results for the quarter and year ended March 31, 2012. A copy of the press release is furnished as Exhibit 99.1 to this Form 8-K.

The information in Item 2.02 and Item 9.01 of this Current Report, including Exhibit 99.1, shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act" ), or incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

**ITEM 2.05. COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES**

On April 23, 2012, the board of directors of Logitech International S.A. ( "Logitech" ) approved a restructuring expected to result in a reduction of approximately \$80 million in annual operating expenses. The restructuring includes the elimination of a layer of executive management, a re-alignment of reporting assignments for the sales regions, product groups and marketing groups, and a workforce reduction. The restructuring is part of Logitech's efforts to simplify its product portfolio, business and organization in pursuit of improved performance.

Logitech expects that it will recognize restructuring charges to its financial results, consisting primarily of severance, other one-time termination benefits, and other restructuring charges. Logitech expects that a significant majority of these charges will be recognized during the first quarter of fiscal year 2013. The remaining balance of the charges is expected to be recognized during fiscal year 2013. Logitech's estimate of the amount or range of amounts of these charges, and the amount or range of amounts of the charges that will result in future cash expenditures, will be disclosed in subsequent filings with the Securities and Exchange Commission within four business days after Logitech makes a determination of such an estimate or range of estimates.

The foregoing contains forward-looking statements, which are subject to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include the timing and elements of the restructuring, the timing and form of related charges, the expected annual operating expense reduction and Logitech's ability to achieve improved performance. Statements regarding future events are based on Logitech's current expectations and are subject to associated risks and uncertainties related to the completion of the restructuring in the manner anticipated by Logitech. These forward-looking statements may differ materially from actual future events or results due to a variety of factors, including: Logitech's ability to implement the workforce reductions in various geographies; possible changes in the size, timing and components of the restructuring or the expected costs and charges associated with the restructuring; and risks associated with Logitech's ability to achieve planned expense reductions and improved performance. Please see the "Risk Factors" section of Logitech's filings with the Securities and Exchange Commission, including its most recent quarterly report on Form 10-Q, for other factors that could cause Logitech's results to vary from expectations. Logitech undertakes no obligation to revise or update publicly any forward-looking statements.
