REIT. On and after June 27, 2017, the Issuer may, at its option, redeem the Series L Preferred Shares, in whole or from time to time in part, for cash at \$25.00 per share, plus accrued and unpaid dividends, if any, to, but not including, the redemption date.

Special Optional Redemption:

Upon the occurrence of a Change of Control (as defined below), the Issuer may, at its option, redeem the Series L Preferred Shares, in whole or in part and within 120 days after the date on which such Change of Control occurred, by paying \$25.00 per share, plus any accrued and unpaid dividends to, but not including, the date of redemption. If, prior to the Change of Control Conversion Date, the Issuer exercises any of its redemption rights relating to the Series L Preferred Shares (whether its optional redemption right or its special

optional redemption right), the holders of Series L Preferred Shares will not have the conversion right described below. A Change of Control is when, after the original issuance of the Series L Preferred Shares, the following have occurred and are continuing:

- the acquisition by any person, including any syndicate or group deemed to be a person under Section 13(d)(3) of the Exchange Act, of beneficial ownership, directly or indirectly, through a purchase, merger or other acquisition transaction or series of purchases, mergers or other acquisition transactions of the Issuer's shares entitling that person to exercise more than 50% of the total voting power of all of its shares entitled to vote generally in elections of trustees (except that such person will be deemed to have beneficial ownership of all securities that such person has the right to acquire, whether such right is currently exercisable or is exercisable only upon the occurrence of a subsequent condition); and
- following and as a result of the closing of any transaction referred to in the bullet point above, neither the Issuer nor the acquiring or surviving entity has a class of common securities (or ADRs representing such securities) listed on the NYSE, the NYSE Amex or NASDAQ or listed or quoted on an exchange or quotation system that is a successor to the NYSE, the NYSE Amex or NASDAQ.

Conversion Rights:

Upon the occurrence of a Change of Control, each holder of Series L Preferred Shares will have the right (unless, prior to the Change of Control Conversion Date, the Issuer has provided or provides notice of its election to redeem the Series L Preferred Shares) to convert some or all of the Series L Preferred Shares held by such holder on the Change of Control Conversion Date into a number of its common shares per Series L Preferred Share to be converted equal to the lesser of:

- the quotient obtained by dividing (i) the sum of the \$25.00 liquidation preference plus the amount of any accrued and unpaid dividends to, but not including, the Change of Control Conversion Date (unless the Change of Control Conversion Date is after a record date for a Series L Preferred Shares dividend payment and prior to the corresponding Series L Preferred Shares dividend payment date, in which case no additional amount for such accrued and unpaid dividend will be included in this sum) by (ii) the Common Share Price; and
- 2.2302 (the Share Cap), subject to certain adjustments;

subject, in each case, to provisions for the receipt of alternative consideration (such as cash, securities or other property or assets) as described in the prospectus supplement.

If the Issuer has provided or provides a redemption notice, whether pursuant to the Issuer's special optional redemption right in connection with a Change of Control or its optional

redemption right, holders of Series L Preferred Shares will not have any right to convert the Series L Preferred Shares in connection with the Change of Control Conversion Right and any Series L Preferred Shares subsequently selected for redemption that has been tendered for conversion will be redeemed on the related date of redemption instead of converted on the Change of Control Conversion Date.

For definitions of Change of Control Conversion Right, Change of Control Conversion Date and Common Share Price and for a description of the adjustments and provisions for the receipt of alternative consideration that may be applicable to the Change of Control Conversion Right, see the prospectus supplement.

Except as provided above in connection with a Change in Control, the Series L Preferred Shares are not convertible into, or exchangeable for, any of the Issuer's other property or securities.
