This Amendment also adds Item 7.01 and related disclosure to the Original Report as set forth below.

#### Item 1.01. Entry into a Material Definitive Agreement.

On February 19, 2015, Ball Corporation, an Indiana corporation (Ball), issued an announcement (the Rule 2.7 Announcement) pursuant to Rule 2.7 of the United Kingdom City Code on Takeovers and Mergers disclosing the terms of a recommended offer (the Offer) by Ball to acquire all of the outstanding shares of Rexam PLC, a public limited company registered in England and Wales (Rexam), in a cash and stock transaction (the Acquisition). In connection with the Acquisition, (i) Ball, Ball UK Acquisition Limited, a private limited company registered in England and Wales, and wholly owned subsidiary of Ball (Bidco), and Rexam entered into a Co-operation Agreement (the Co-operation Agreement), (ii) Ball and certain financial institutions party thereto as lenders (the Revolver Lenders) and initial facing agents, and Deutsche Bank AG New York Branch, as lender and administrative agent and collateral agent for the Revolver Lenders, entered into a credit agreement (the Revolving Credit Agreement), pursuant to which, subject to the conditions set forth therein, the Revolver Lenders committed to provide a \$3 billion multicurrency revolving credit facility for the benefit of Ball and certain of its subsidiaries with a maturity date of February 19, 2018 and (iii) Ball, certain financial institutions party thereto as lenders (the Bridge Lenders), and Deutsche Bank AG Cayman Islands Branch, as lender and administrative agent for the Bridge Lenders, entered into a bridge loan agreement (the Bridge Loan Agreement), pursuant to which, subject to the conditions set forth therein, the Bridge Lenders agreed to provide a £3.3 billion bridge term loan facility for the benefit of Ball and certain of its subsidiaries.

#### *Rule 2.7 Announcement*

On February 19, 2015, Ball issued the Rule 2.7 Announcement disclosing the terms of the Offer. For each Rexam share, Rexam holders will receive 407p in cash and 0.04568 new shares of Ball common stock, without par value, by means of a court sanctioned scheme of arrangement (the Scheme) between Rexam and Rexam shareholders under the UK Companies Act of 2006, as amended (the Companies Act). The transaction values each Rexam share at 610p based on Ball's 90-day volume weighted average price as of February 17, 2015, and an exchange rate of US \$1.54: £1 on that date representing an equity value for Rexam of £4.3 billion (\$6.6 billion).

The Acquisition will be conditioned upon, among other things, (i) approval of the issuance of shares of Ball common stock to the shareholders of Rexam in connection with the Offer by the holders of at least a majority of the shares of Ball's common stock present at a shareholder meeting, (ii) approval of the Scheme by the holders of at least a majority in number representing at least 75% of the issued share capital of Rexam present at a shareholder meeting and approval of related resolutions by at least a 75% majority of the issued share capital of Rexam present at a further shareholder meeting (excluding shares held by Ball, if any) and the sanction of the High Court of England and Wales, (iii) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, as well as the expiration or termination of the applicable waiting periods under the antitrust laws of other jurisdictions in which the parties agree that an antitrust filing should be made, including the European Union and Brazil, and associated approvals and clearances and (iv) the absence of a material adverse effect on Rexam and certain other actions related to Rexam as described in the Rule 2.7 Announcement. The conditions to the Acquisition are set out in full in the Rule 2.7 Announcement. It is expected that, subject to the satisfaction or waiver of all relevant conditions, the Acquisition will be completed in 2016.

Ball reserves the right, subject to the prior consent of the U.K. Panel on Takeovers and Mergers (the Panel ) and the Co-operation Agreement, to elect to implement the Acquisition by way of a takeover offer (as such term is defined in the Companies Act).

*Co-operation Agreement*

On February 19, 2015, Rexam, Ball and Bidco entered into the Co-operation Agreement pursuant to which Ball agreed to determine the strategy for obtaining the regulatory and other clearances necessary for, and satisfying the regulatory pre-condition and conditions to, the Acquisition (the Clearances ) and lead the correspondence with regulatory authorities.

Rexam agreed to provide Ball with such information and assistance as Ball may reasonably require for the purposes of obtaining all Clearances and making any submission, filing or notification to any regulatory authority.

Pursuant to the Co-operation Agreement, Ball is required to take all steps necessary in order to satisfy the regulatory pre-condition to the Acquisition and obtain the other Clearances as promptly as practicable, including by making divestments, unless doing so would, in relation to the merger control proceedings in the E.U. and the United States (but not elsewhere in the world), give rise to divestitures (excluding enhancements or reconfigurations) of cans production facilities or, with respect to ends, production assets, which in aggregate generated revenue in excess of US\$1,580,000,000 (based on European Central Bank average exchange rate for the twelve months ended December 31, 2014) during the twelve months ended December 31, 2014. Ball has also undertaken to Rexam that it will not, without prior written consent of Rexam, invoke conditions related to the Brazilian regulatory clearance.

Ball has the right to terminate the Co-operation Agreement if the Rexam board of directors withdraw or qualify their recommendation of the Scheme (or the Offer as the case may be), a competing proposal is recommended by the Rexam board of directors or implemented or a condition to the Acquisition (other than certain specified conditions set forth in the Co-operation Agreement ) has not been (or becomes incapable of being) satisfied or waived with the permission of the Panel. The Co-operation Agreement can be terminated by either Ball or Rexam if the Scheme (or the Offer as the case may be) is withdrawn or lapses with the permission of the Panel (other than as a result of certain specified conditions set forth in the Co-operation Agreement not being satisfied or waived), August 19, 2016, or such later date as agreed by Ball and Rexam, has passed (the Long Stop Date ) or a Break Payment Event (as defined below) occurs.

By way of compensation for any loss suffered by Rexam in connection with the preparation and negotiation of the Offer, the Co-operation Agreement and any other document relating to the Acquisition, Ball agreed in the Co-operation Agreement that, subject to certain limited circumstances, on the occurrence of a Break Payment Event (as defined below) Ball will pay to Rexam an amount in cash in pounds as follows:

(a) £302 million, in the event that on or prior to the Long Stop Date (i) the pre-conditions or any regulatory condition shall not have been satisfied or waived by Ball or Bidco, (ii) Ball or Bidco invoke and are permitted by the Panel to invoke the pre-conditions or any regulatory condition; or (iii) the Ball board of directors has withdrawn, modified or qualified its recommendation in favor of the Offer citing as a reason any divestitures (or enhancement or reconfigurations) requested by a competent authority in order for the pre-conditions or any regulatory condition to be satisfied;

(b) £129 million, in the event that on or prior to the date falling 180 days after the date of the Rule 2.7 Announcement either (i) the Ball board of directors has withdrawn, modified or qualified its recommendation in favor of the resolutions to approve the issuance of Ball common stock in connection with the Acquisition at a Ball shareholders meeting (citing a reason other than the reason referred to in (a)(iii) above) and such issuance has not been approved; or (ii) the Ball shareholders meeting referred to in (i) has not occurred; or

## Edgar Filing: BALL CORP - Form 425

(c) £43 million, in the event that on or prior to the date falling 180 days after the date of the Announcement both (i) the Ball board of directors has not withdrawn, modified or qualified its recommendation in favor

of the resolutions to approve the issuance of Ball common stock in connection with the Acquisition at a Ball shareholders' meeting and (ii) the Ball shareholders have not approved such issuance;

each a Break Payment Event.

Further information relating to the Co-operation Agreement is contained in the Rule 2.7 Announcement.

*Revolving Credit Agreement and Bridge Loan Agreement*

On February 19, 2015, Ball, the Revolver Lenders, and Deutsche Bank AG New York Branch, as lender and administrative agent and collateral agent for the Revolver Lenders, entered into the Revolving Credit Agreement, pursuant to which, subject to the conditions set forth therein, the Revolver Lenders committed to provide a \$3 billion multicurrency revolving credit facility for the benefit of Ball and certain of its subsidiaries with a maturity date of February 19, 2018.

The Revolving Credit Agreement refinances and replaces that certain amended and restated credit agreement, dated as of June 13, 2013 (the Existing Credit Agreement), among Ball, certain subsidiaries of Ball as borrowers and guarantors, Deutsche Bank AG New York Branch, as administrative agent and collateral agent, and the other financial institutions party thereto as lenders.

Ball will use borrowings under the Revolving Credit Agreement to repay any existing indebtedness under the Existing Credit Agreement, to redeem all \$500 million principal amount of its outstanding 6.75% senior notes due 2020 and all \$500 million principal amount of its outstanding 5.75% senior notes due 2021 and for ongoing working capital needs and other general corporate purposes. Borrowings under the Revolving Credit Agreement will bear interest at a rate per annum equal to, at Ball's option, (i) the 1, 2, 3 or 6 month, or, subject to availability, 12 month LIBOR rate plus a margin or (ii) a base rate plus a margin. The margin added to LIBOR or the base rate will depend on Ball's leverage ratio from time to time.

The Revolving Credit Agreement contains customary representations and warranties, events of default and covenants for a transaction of this type, including, among other things, covenants that restrict the ability of Ball and its subsidiaries to incur certain additional indebtedness, create or prevent certain liens on assets, engage in certain mergers or consolidations, engage in asset dispositions, declare or pay dividends and make equity redemptions or restrict the ability of its subsidiaries to do so, make loans and investments, enter into transactions with affiliates, enter into sale-leaseback transactions or make voluntary payments, amendments or modifications to subordinate or junior indebtedness. The Revolving Credit Agreement also requires Ball to maintain a maximum leverage ratio of 4.00 to 1.00 prior to the Acquisition and 5.50 to 1.00 on and after the Acquisition.

If an event of default under the Revolving Credit Agreement occurs, the commitments under the Revolving Credit Agreement may be terminated and the principal amount outstanding thereunder, together with all accrued unpaid interest and other amounts owed thereunder, may be declared immediately due and payable.

## Edgar Filing: BALL CORP - Form 425

The multicurrency revolving facility and any interest rate or other hedging arrangements entered into with any of the Revolver Lenders or their affiliates are obligations of Ball and guaranteed, jointly and severally, by all of Ball's present and future material domestic subsidiaries, with certain exceptions in accordance with the terms of the Revolving Credit Agreement. All obligations thereunder are secured, with certain exceptions, by a valid first priority perfected lien or pledge on (i) 100% of the stock of each of Ball's present and future direct and indirect material domestic subsidiaries and (ii) 65% of the stock of each of Ball's present and future material first-tier foreign subsidiaries.

In addition, on February 19, 2015, Ball, the Bridge Lenders, and Deutsche Bank AG Cayman Islands Branch, as lender and administrative agent for the Bridge Lenders, entered into the Bridge Loan Agreement, pursuant to which,

subject to the conditions set forth therein, the Bridge Lenders agreed to provide a £3.3 billion bridge term loan facility for the benefit of Ball and certain of its subsidiaries.

Pursuant to the Bridge Loan Agreement, bridge term loans thereunder mature on the first anniversary of the initial funding under the Bridge Loan Agreement, which will not occur until the closing of the Acquisition. If the bridge term loans are not repaid on the maturity date (the Rollover Date), such bridge term loans will be automatically converted into rollover loans which mature on the seventh anniversary of the Rollover Date. At any time after the Rollover Date, Bridge Lenders may elect to exchange rollover loans for exchange notes of Ball which shall bear interest at 7.0% per annum and will have terms, including guarantees, covenants and events of default, substantially similar to those contained in Ball's outstanding senior notes due 2023.

In addition, at any time following the 60th day after the initial funding under the Bridge Loan Agreement, Bridge Lenders holding a majority of the aggregate principal amount of the bridge term loans then outstanding may issue a securities demand pursuant to which Ball will be required to issue exchange securities in an aggregate amount not to exceed the amount of outstanding bridge term loans under the Bridge Loan Agreement. Such exchange securities shall bear interest at 7.0% per annum and will have terms, including guarantees, covenants and events of default, substantially similar to those contained in Ball's outstanding senior notes due 2023.

Ball will use the proceeds from the Bridge Loan Agreement to pay the cash consideration of the Acquisition and any related transaction fees and expenses in connection with the consummation of the foregoing. The bridge term loans under the Bridge Loan Agreement will bear interest at a rate per annum equal to the greater of (x) 1.00% per annum and (y) at Ball's option, the 1, 2, 3 or 6 month, or, subject to availability, 12 month LIBOR rate, in each case, plus a margin. The margin will initially be 3.5% per annum, and shall increase by 0.50% per annum each 3 months that any bridge term loans are outstanding, provided that the interest rate on bridge term loans shall not exceed 7.0% per annum. The rollover loans under the Bridge Loan Agreement will bear interest at a rate per annum equal to 7.0%.

The Bridge Loan Agreement contains customary representations and warranties, events of default and covenants for a transaction of this type, including, among other things, covenants that restrict the ability of Ball and its subsidiaries to incur certain additional indebtedness, create or prevent certain liens on assets, engage in certain mergers or consolidations, engage in asset dispositions, declare or pay dividends and make equity redemptions or restrict the ability of its subsidiaries to do so, make loans and investments, enter into transactions with affiliates, enter into sale-leaseback transactions or make voluntary payments, amendments or modifications to subordinate or junior indebtedness. Certain of the covenants only apply while any bridge term loans are outstanding. If the bridge term loans are converted to rollover loans, the mandatory prepayment provisions, covenants and events of default under the Bridge Loan Agreement will be amended to reflect substantially the terms of Ball's outstanding senior notes due 2023. If any rollover loans are exchanged for exchange notes, the exchange notes will have a make-whole premium, guarantees, covenants and events of default substantially similar to those contained in Ball's outstanding senior notes due 2023.

Borrowings under the Bridge Loan Agreement will be subject to customary certain funds provisions consistent with the United Kingdom City Code on Takeovers and Mergers. Such provisions apply until the date that is the earlier of (i) August 19, 2016 or (ii) the date on which the scheme or offer under the United Kingdom City Code on Takeovers and Mergers with respect to the Acquisition has lapsed or been terminated or withdrawn (the Certain Funds Period).

During the Certain Funds Period, if certain material events of default under the Bridge Loan Agreement occur, the commitments under the Bridge Loan Agreement may be terminated and the principal amount outstanding thereunder, together with all accrued unpaid interest and other amounts owed thereunder, may be declared immediately due and payable.

## Edgar Filing: BALL CORP - Form 425

The bridge term loans and rollover loans under the Bridge Loan Agreement are guaranteed, jointly and severally by all of Ball's present and future material domestic subsidiaries, with certain exceptions in accordance with the terms of the Bridge Loan Agreement.

Each Revolver Lender and each Bridge Lender and their affiliates have engaged, and may in the future engage, in commercial banking, investment banking or financial advisory transactions with Ball and its affiliates in the ordinary course of business, including as underwriters in connection with certain outstanding debt securities of Ball. Such Revolving Lenders, Bridge Lenders and their affiliates have received customary compensation and expenses for these commercial banking, investment banking or financial advisory transactions.
