Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(b) Departure of Director

On March 9, 2016, T2 Biosystems, Inc. (the Company) received a written letter of resignation from Thomas J. Carella stating that he resigned, effective immediately, from his position as a Class II director of the Company and all committees of the Board of Directors of the Company (the Board) on which he was serving. Mr. Carella resigned from the Board in connection with his resignation from Goldman, Sachs & Co. and not as a result of any dispute or disagreement with the Company or any member of its management.

Mr. Carella served on the Compensation Committee of the Board prior to his resignation. Following Mr. Carella's resignation from the Board, the Compensation Committee of the Board is now comprised of the following members: Stanley N. Lapidus (Chairman) and John W. Cumming.

(d) Election of Director

On March 9, 2016, the Board elected Adrian Jones to serve as a Class I director of the Company, filling a vacancy created by the resignation of Alan Crane on June 19, 2015. Mr. Jones will hold office as a Class I director of the Company until the Company's annual meeting of stockholders in 2018. In connection with his election, Mr. Jones has not yet been appointed to serve as a member of any committee of the Board.

Mr. Jones is a managing director of Goldman, Sachs & Co. in the Principal Investment Area of the Merchant Banking Division in New York, where he is co-head of the Americas Equity business and a member of the Global Investment Committee. He joined Goldman, Sachs & Co. in 1994 as an associate in the Investment Banking Division and was named partner in 2004.

Mr. Jones received an initial grant of 66,176 stock options pursuant to the Non-Employee Director Compensation Plan (the Plan) immediately upon his election to the Board on March 9, 2016 (the Grant Date). The Plan provides for an initial grant of stock options to each non-employee director of the Company in consideration for services provided to the Company and subject to the terms and conditions of the Company's 2014 Incentive Award Plan. The options granted to Mr. Jones will vest and become exercisable in substantially equal installments on each of the first three anniversaries of the Grant Date, subject to Mr. Jones continuing to serve on the Board through each such vesting. The stock options have an exercise price equal to \$8.93, the fair market value as reflected by the closing price of the Company's stock on the Grant Date. Mr. Jones will also receive compensation for his service as a Board member in accordance with the Plan, which includes an annual retainer of \$35,000 and committee fees as applicable (in each case, pro-rated for the period of his service).

Mr. Jones has also entered into the Company's standard indemnification agreement for directors and officers.

Edgar Filing: T2 Biosystems, Inc. - Form 8-K

Other than as noted herein, there are no related party transactions between the Company and Mr. Jones that are subject to disclosure under Item 404(a) of Regulation S-K.
