**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

During 2018, Allied Motion Technologies Inc. (the Company) engaged the Burke Group to provide input on trends in executive compensation and to obtain an outside perspective on the Company's executive compensation practices and assist the Compensation Committee (the Committee) with peer group benchmarking analysis for 2019. The compensation consultant reports directly to the Committee and carries out responsibilities as assigned by the Committee.

The Committee, with the assistance of the Burke Group, identified an appropriate peer group to use for purposes of a benchmarking analysis. The Committee reviewed the compensation practices of the peer group members and integrated this information into their recommendations for 2019.

Target incentive awards for certain executive officers were identified as being below market. At meetings on March 12, 2019, the Committee and the Board of Directors revised the cash and equity incentive awards for 2019 as follows:

Name and Principal Position	Cash Incentive Awards	Equity Incentive Awards
Richard S. Warzala President and Chief Executive Officer	Target cash incentive increased from 70% of base salary to 75% of base salary	Target equity incentive unchanged as a percentage of base salary
Michael R. Leach Chief Financial Officer	Target cash incentive increased from 40% of base salary to 50% of base salary	Target equity incentive increased from 40% of base salary to 45% of base salary
Robert P. Maida Vice President of Operational Excellence	Target cash incentive increased from 40% of base salary to 50% of base salary	Target equity incentive increased from 40% of base salary to 45% of base salary

The performance goals for the incentive plans were also reviewed and the Committee eliminated the change in sales performance metric from the annual equity incentive awards since such performance metric was already used for the long-term equity incentive awards. No other significant changes were made as existing goals align the executive compensation program with the Company's strategic business goals. At the March 12, 2019 meetings, Committee and the Board of Directors also implemented the following increases in base salary effective March 1, 2019: Mr. Warzala increased by \$32,500 to \$550,000, Mr. Leach increased by \$30,000 to \$315,000 and Mr. Maida increased by \$30,000 to \$275,000.

Further details regarding the 2019 compensation program will be provided in the Company's 2020 proxy statement.
