\$15.0 million (the "Revolving Credit Facility") which expires on May 15, 2004. The Revolving Credit Facility is collateralized by substantially all assets of the Loan Parties. The Revolving Credit Facility requires the Loan Parties to meet certain financial objectives and maintain certain financial covenants with respect to, among other things, cash flow coverage ratio, funded debt to consolidated earnings before interest, taxes, depreciation and amortization ("EBITDA") ratio, consolidated net income and consolidated EBITDA.

The Revolving Credit Facility provides for advances of up to 85% of the eligible accounts receivable of the Loan Parties. Advances under the Revolving Credit Facility are to be used to fund operating expenses, for general corporate purposes, and to finance future acquisitions that comply with certain guidelines established within the Revolving Credit Facility. Borrowings shall bear interest, at the Company's option, at the prime rate or LIBOR plus 2.25% and can be adjusted up or down during the term based on the Company's performance relative to certain financial covenants.
