Torch Offshore Common Stock to be Delisted from NASDAQ

New Orleans, Louisiana USA, March 24, 2005

Torch Offshore, Inc. (NASDAQ: TORCQ) (the "Company") announced today that it received a notice from the staff of The NASDAQ Stock Market ("NASDAQ" or the "Staff") that the NASDAQ Listing Qualifications Panel (the "Panel") has denied

Edgar Filing: TORCH OFFSHORE INC - Form 8-K

the Company's request for continued listing of its common stock on the NASDAQ National Market. Accordingly, the Company's common stock will be delisted from the NASDAQ National Market effective with the open of business on Monday, March 28, 2005.

The Company plans to apply for its shares of common stock to be quoted on the Pink Sheets, however no assurances can be made that any broker or market maker will make a market in the Company's common stock. The "Pink Sheets" is a centralized quotation service that collects and publishes market maker quotes in real time, primarily through its Web site, <http://pinksheets.com/>.

Established in 1978, Torch Offshore, Inc. is involved in offshore pipeline installation and subsea construction for the oil and natural gas industry. The Company filed for reorganization under Chapter 11 of the U.S. Bankruptcy Code on January 7, 2005.

Any statements made in this news release, other than those of historical fact, about an action, event or development, which the Company hopes, expects, believes or anticipates may or will occur in the future, are forward-looking statements under the Private Securities Litigation Reform Act of 1995. The forward-looking statements in this news release include statements about the delisting of the Company's stock from the NASDAQ and the potential trading of the Company's shares on the Pink Sheets. Such statements are subject to various assumptions, risks and uncertainties, which are specifically described in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003 filed with the Securities and Exchange Commission, as well as other factors that may not be within the Company's control, including, specifically, oil and natural gas commodity prices, weather conditions and offshore construction activity levels. Although the Company believes its expectations are based on reasonable assumptions, it gives no assurance that the Company's assumptions and projections will prove to be correct. Actual results may differ materially from those projected.
