On February 29, 2012, the Board of Directors authorized the Company to repurchase up to \$20 million of the Company's common stock. This repurchase authorization follows, and is in addition to, similar repurchase authorizations of \$25 million announced on February 14, 2012. After taking into account all shares repurchased through February 29, 2012 (including pending repurchase orders subject to settlement), the Company has approximately \$21.6 million in aggregate remaining repurchase capacity under all of the Company's outstanding repurchase authorizations. The timing and actual number of shares repurchased will depend on a variety of factors, including the stock price, corporate and regulatory requirements and other market and economic conditions. The Company's stock repurchase program may be suspended or discontinued at any time.
