GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why did I receive this proxy statement?

Because you are a stockholder of Tandy Leather Factory, Inc. as of the record date and entitled to vote at the 2019 Annual Meeting of Stockholders, our Board of Directors is soliciting your proxy to vote at the Annual Meeting. You are invited to attend our Annual Meeting on June 4, 2019, beginning at 11:00 am, CDT. The Annual Meeting will be held at our corporate headquarters, 1900 Southeast Loop 820, Fort Worth, Texas 76140-1003.

Our Annual Report on Form 10-K for the year ended December 31, 2018, including our financial statements for 2018 as well as this proxy statement, is posted on our website at www.tandyleather.com. Choose the Investor Relations and then the Proxy Online links. These proxy materials are first being made available to stockholders and posted on our website on or about April 25, 2019.

What am I voting on?

You are voting on three items:

1. Election of eight directors for a term of one year;
2. Ratification of appointment of our independent registered public accounting firm; and
3. An advisory vote on Tandy Leather Factory, Inc.'s executive compensation, as disclosed in these materials.

At the date this proxy statement went to print, we did not know of any other matters to be raised at the Annual Meeting.

What are the voting recommendations of the Board of Directors?

The Board of Directors recommends that you vote your shares:

- FOR each of the nominees to the Board of Directors;
- FOR the ratification of appointment of our independent registered public accounting firm; and
- FOR the approval, on an advisory basis, of the compensation of Tandy Leather Factory, Inc.'s named executive officers as disclosed in these materials.

What is the Notice of Internet Availability of Proxy Materials?

In accordance with rules and regulations adopted by the U.S. Securities and Exchange Commission, or the SEC, instead of mailing a printed copy of this proxy statement and our Annual Report on Form 10-K to all of our stockholders entitled to vote at the Annual Meeting, we are furnishing the proxy materials to our stockholders over the Internet. If you received a Notice of Internet Availability of Proxy Materials, or the Notice, by mail, you will not receive a printed copy of the proxy materials. Instead, the Notice will instruct you as to how you may access and review the proxy materials and submit your vote via the Internet or by telephone. If you received a Notice by mail and would like to receive a printed copy of the proxy materials, please follow the instructions for requesting such materials included in the Notice.

You may also choose to receive future proxy materials by e-mail by following instructions provided on the website referred to in the Notice. Choosing to receive your future proxy materials by e-mail will save us the cost of printing and mailing documents to you and will reduce the impact of our Annual Meeting on the environment. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by e-mail will remain in effect until you terminate it.

On the date of the mailing of the Notice, all stockholders will have the ability to access all of our proxy materials on a website referred to in the Notice. These proxy materials will be available free of charge.

Who is entitled to vote?

Holders of record of shares of our common stock as of the close of business on April 5, 2019 (the record date) are entitled to vote at the Annual Meeting. As of that date, a total of 8,934,024 shares of common stock were outstanding and entitled to vote. Each share of common stock is entitled to one vote.

TABLE OF CONTENTS

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Many stockholders hold their shares through a stockbroker, bank, or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, Broadridge Corporate Issuer Solutions, you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by us.

Beneficial Owner. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the *beneficial owner* of shares held in street name, and these proxy materials are being forwarded to you by your broker or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker how to vote and are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting, unless you bring with you a legal proxy from the stockholder of record. Your broker or nominee has enclosed a voting instruction card for you to use in directing the broker or nominee how to vote your shares.

How do I vote?

Your vote is important. Because many stockholders cannot attend the Annual Meeting in person, it is necessary that a large number be presented by proxy.

If you are a stockholder of record, there are four ways to vote:

- By Internet, by visiting the website shown on the Notice or the proxy card and following the instructions;
- By telephone, by calling the toll-free number shown on the Notice or the proxy card and following the instructions;
- By completing and mailing your proxy card; or
- By written ballot at the Annual Meeting.

If you vote by Internet or by telephone, your vote must be received by 11:59 PM Eastern Time on June 3, 2019, the business day before the Annual Meeting. Your shares will be voted as you indicate. If you return your proxy card but you do not indicate your voting preferences, your shares will be voted, as the case may be with respect to the item not marked: FOR the election of each of the nominees to the Board of Directors; FOR the ratification of appointment of our independent registered public accounting firm; and FOR the approval, on an advisory basis, of the compensation of Tandy Leather Factory, Inc.'s named executive officers as disclosed in these materials.

If your shares are held in a brokerage account in your broker's name, you should follow the voting directions provided by your broker or nominee. You may complete and mail a voting instruction card to your broker or nominee or, in most cases, submit voting instructions via the Internet to your broker or nominee. If you provide specific voting instructions by mail or the Internet, your shares should be voted by your broker or nominee as you have directed.

We will distribute written ballots to anyone who wants to vote at the Annual Meeting. If you hold your shares in street name, you must request a legal proxy from your broker to vote at the Annual Meeting.

Is my vote confidential?

Yes. It is our policy that all proxies, ballots, and vote tabulations that identify the vote of a stockholder will be kept confidential from us and our directors, officers, and employees until after the final vote is tabulated and announced, except in limited circumstances including any contested solicitation of proxies, when required to meet a legal

requirement, to defend a claim against us or to assert a claim by us, and when written comments by a stockholder appear on a proxy card or other voting material.

TABLE OF CONTENTS

Who counts the votes?

We will appoint two persons as inspectors of election for the Annual Meeting who will count the votes cast.

What is the quorum requirement of the meeting?

A majority of the outstanding shares of common stock determined on April 5, 2019, represented in person or by proxy at the Annual Meeting constitutes a quorum for voting on items at the Annual Meeting. If you vote, your shares will be part of the quorum. Abstentions and broker non-votes (discussed below) will be counted in determining the quorum. Neither, however, will be counted as votes cast.

What are broker non-votes?

Broker non-votes occur when nominees, such as banks and brokers holding shares on behalf of beneficial owners, do not receive voting instructions from the beneficial holders at least ten days before the Annual Meeting. In general, the broker or nominee does not have the discretion to vote these shares unless they receive voting instructions from the beneficial owners. If you hold your shares in street name, it is critical that you return the voting instruction card to your broker, bank or nominee if you want your votes to count in the election of directors or with respect to the advisory vote related to the executive compensation described in this proxy statement. In the past, if you held your shares in street name and you did not indicate how you wanted your shares to be voted in the election of directors, your broker, bank or nominee was allowed to vote those shares on your behalf in the election of directors as they felt appropriate. Recent regulatory changes have taken away the ability of your broker, bank or nominee to vote your uninstructed shares in the election of directors on a discretionary basis. **Therefore, if you hold your shares in street name and do not instruct your bank, broker or nominee on how to vote in the election of directors or with respect to each of the advisory votes related to the executive compensation described in this proxy statement, your shares will not be voted for any director nominee or with respect to the advisory votes related to the executive compensation described in this proxy statement or on any other proposal on which your broker does not have discretionary authority (resulting in a broker non-vote).** Broker non-votes will, however, be included in determining whether a quorum exists.

What vote is required to approve the proposals?

The eight nominees for director receiving the highest number of **FOR** votes at the Annual Meeting will be elected to the Board of Directors.

The affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy by stockholders entitled to vote on the matter is required to ratify the appointment of our independent registered public accounting firm and to provide advisory approval of the executive compensation of our named executive officers as described in this proxy statement. Abstentions and broker non-votes are not counted for purposes of the advisory approval of the executive compensation of our named executive officers as described in the proxy statement.

What does it mean if I get more than one proxy card?

It means your shares are in more than one account. You should vote the shares on all of your proxy cards.

How can I consolidate multiple accounts registered in variations of the same name?

If you have multiple accounts, we encourage you to consolidate your accounts by having all your shares registered in exactly the same name and address. You may do this by contacting our transfer agent, Broadridge Corporate Issuer

Solutions, by phone (855/503-5061) or by mail to 1717 Arch Street, Suite 1300, Philadelphia, PA 19103.

What if I want to change my vote?

You can change your vote on a proposal at any time before the Annual Meeting for any reason by revoking your proxy. Proxies may be revoked by:

- Filing a written notice of revocation, bearing a date later than the proxy date, with our Secretary at or before the Annual Meeting;

TABLE OF CONTENTS

- Properly executing a later proxy relating to the same shares;
- Voting at a later time on the Internet or by telephone, if you previously voted on the Internet or by telephone; or
- Attending the Annual Meeting and voting in person; however, attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy.

Any written notice revoking a proxy should be sent to: Secretary, Tandy Leather Factory, Inc., 1900 SE Loop 820, Fort Worth, Texas 76140-1003.

Where can I find the voting results of the Annual Meeting?

We plan to announce preliminary voting results at the Annual Meeting and publish final results in a current report on SEC Form 8-K within four business days after the Annual Meeting.

ADDITIONAL INFORMATION CONCERNING OUR BOARD OF DIRECTORS

Meeting Attendance

During fiscal 2018, the Board of Directors held four regularly scheduled meetings. All current directors who served during 2018 attended 75% or more of the aggregate of the total number of meetings of the Board of Directors and of committees of the Board of Directors of which he or she was a member and which were held during the time that he or she was a director or member of such committee, as applicable. We encourage and expect our directors to attend our Annual Meeting absent extenuating circumstances, but we do not have a formal policy requiring attendance. All of our directors attended our Annual Meeting held in 2018.

Director Independence

The Board of Directors has considered the listing requirements of the Nasdaq for "independence" of directors, and it has determined that our non-employee directors Brent Beshore, Vicki Cantrell, Jefferson Gramm, Sharon Leite, James Pappas and Sejal Patel are independent under these requirements. Our non-employee directors hold executive sessions at least once a year.

TABLE OF CONTENTS

Board of Directors Leadership Structure

Janet Carr has been our Chief Executive Officer since October 2018. Jefferson Gramm, one of our directors, has been Chairman of the Board since 2017. We believe our CEO and our Chairman have an excellent working relationship that has allowed the CEO to focus on the challenges that we face in the current business environment. The separation of the CEO and Chairman positions provides strong leadership for our Board of Directors, while also positioning our CEO as our leader in the eyes of our customers, employees, and other stakeholders.

Our Board of Directors currently has six independent members and two non-independent members. We have three committees of the Board of Directors comprised solely of independent directors, with three different independent directors serving as chairs of the committees. We believe that the number of independent, experienced directors that make up our Board of Directors benefits us and our stockholders.

Risk Oversight

Our Audit Committee is primarily responsible for overseeing our risk management processes on behalf of the full Board of Directors, focusing on the most significant risks facing us and our general risk management strategy, and also ensuring that risks undertaken by us are consistent with the Board of Directors' appetite for risk. Management is responsible for the development, implementation, and maintenance of our risk management processes and provides periodic reports to the Audit Committee on its assessment of strategic, operational, financial, competitive, reputational, and legal risks to us. We believe this division of responsibilities is the most effective approach for addressing the risks we face and that our Board of Directors leadership structure supports this approach.

Director Compensation

Compensation of non-employee directors is determined by the Board. Our non-employee directors are paid an annual retainer of \$16,000; in addition, the Chairman of the Audit Committee is paid an additional annual retainer of \$5,000, and other members of the Audit Committee are paid an additional retainer of \$2,000. All directors are reimbursed for reasonable expenses incurred in connection with their service on our Board of Directors, including the committees thereof.

In each of 2015, 2016 and 2017, we awarded restricted stock units to each non-employee director with a fair value equal to approximately \$14,500 based on a fair market value as of the date of grant, in accordance with our 2013 Restricted Stock Plan. The shares underlying such awards will vest equally over a four year period from the date of grant. Between February 2017 and the end of 2018, we did not award any equity to our non-employee directors, and the Board has determined that this was an oversight. Accordingly, in March 2019, we awarded each non-employee director other than Mr. Gramm (who voluntarily declined this equity grant) and Mr. Warren restricted stock units with a fair value equal to \$30,000 as of the grant date; Mr. Warren received restricted stock units with a fair value equal to \$9,000 as of the grant date, reflecting that he began receiving non-employee director compensation in January 2019 following his resignation as the Company's General Counsel in December 2018. The shares underlying these awards will vest equally over a three-year period from the date of grant.

The goal of our restricted stock unit grants to directors is to attract and retain competent non-employee personnel to serve on our Board of Directors by offering them long-term equity incentives. Each of our non-employee directors is eligible to participate in this plan.

TABLE OF CONTENTS**DIRECTOR COMPENSATION TABLE**

The table below summarizes the compensation paid by us to our non-employee directors for their service on the Board during the year ended December 31, 2018. Nominating Committee

We have a Nominating Committee consisting of six directors, all of whom are "independent" under the listing requirements of Nasdaq. The Nominating Committee met one time during 2018.

The Board of Directors has adopted a written charter for the Nominating Committee, which is available on our website at www.tandyleather.com. This charter provides that the Nominating Committee is responsible for identifying individuals qualified to become directors consistent with criteria established by the Board of Directors. Although the Board of Directors has not yet established these criteria, the charter also provides that the Nominating Committee shall take into account such additional factors as it deems appropriate in evaluating candidates. These factors may include strength of character, mature judgment, career specialization, relevant technical skills, diversity and the extent to which a candidate would fill a present need on the Board of Directors. In addition, the charter states that the Nominating Committee will consider stockholder recommendations of director nominees, as well as nominations by our senior officers. The

TABLE OF CONTENTS

Nominating Committee evaluates all director nominees in a like manner without regard as to who recommended the nomination. Traditionally, we have not engaged third parties to identify or evaluate potential directors or to assist in that process. In addition, the Nominating Committee makes a review and evaluation periodically of the Board of Directors and the Nominating Committee's own performance. Further, the Nominating Committee recommends persons to serve on the Nominating Committee as members, as well as the possible removal of any incumbent Nominating Committee members.

Stockholders may nominate director nominees for consideration by writing to our Secretary at 1900 Southeast Loop 820, Fort Worth, Texas 76140-1003. Any such nomination must include:

- As to each person whom the stockholder proposes to nominate for election or re-election as a director, all information relating to such person that is required to be disclosed in solicitations of proxies for election of
- directors, or as otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, or any successor regulation thereto (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); and
- The nominating stockholder's name and address, as they appear on our books, and the class and number of our shares beneficially owned by him.

The Nominating Committee recommended to the Board of Directors that all eight director nominees listed in this proxy statement serve as directors for a term ending on the date of the 2020 Annual Meeting of Stockholders.

The Nominating Committee will consider nominees for directors recommended by our stockholders and will evaluate such nominees using the same criteria used to evaluate director candidates as described above. Nominations of persons for election to the Board of Directors may be made by any stockholder entitled to vote for the election of directors at the applicable meeting that complies with the notice procedures set forth in our bylaws. Such nominations shall be made pursuant to timely notice in writing to our Secretary. To be timely, a stockholder's notice shall be delivered to or mailed and received at our principal executive offices not less than 30 days nor more than 60 days prior to the applicable meeting; provided, however, that if less than 40 days' notice or prior public disclosure of the date of the meeting is given or made to stockholders, notice by the stockholders to be timely must be so received not later than the close of business on the 10th day following the date on which such notice of the date of the meeting was mailed or such public disclosure was made. Any adjournment(s) or postponement(s) of the original meeting whereby the meeting will reconvene within 30 days from the original date shall be deemed for purposes of notice to be a continuation of the original meeting and no nominations by a stockholder of persons to be elected directors may be made at any such reconvened meeting other than pursuant to a notice that was timely for the meeting on the date originally scheduled. The stockholder's notice shall set forth: (i) as to each person whom the stockholder proposes to nominate for election or re-election as a director, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or as otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, or any successor regulation thereto (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); and (ii) as to the stockholder giving notice (a) the name and address, as they appear on our books, of such stockholder, and (b) the class and number of our shares that are beneficially owned by such stockholder.

Compensation Committee

The Compensation Committee is responsible for recommending to the Board of Directors the compensation program of the executive officers. The Compensation Committee consists of six directors, all of whom are independent under the listing requirements of Nasdaq. The Compensation Committee submits all issues concerning executive compensation to the full Board of Directors for approval. It may not delegate this authority. The Board of Directors has adopted a written charter for the Compensation Committee, which is available on our website at www.tandy-leather.com. The Compensation Committee met one time during 2018.

TABLE OF CONTENTS*Audit Committee*

The Audit Committee's basic role is to assist the Board of Directors in fulfilling its fiduciary responsibility pertaining to our accounting policies and reporting practices. Among other duties, the Audit Committee is to be the Board of Directors' principal agent in assuring the independence of our outside auditor, the integrity of management, and the adequacy of disclosures to stockholders. The Audit Committee has been structured to comply with the requirements of Section 3(a)(58)(A) of the Exchange Act. The Board of Directors has determined that all members of the Audit Committee are independent under the applicable rules of the Nasdaq and that James Pappas, Chairman of the Audit Committee, qualifies as an audit committee financial expert within the meaning of Item 407(d)(5) of Regulation S-K. The Board of Directors has adopted a written charter for the Audit Committee, which is available on our website at www.tandyleather.com. The Audit Committee met four times during 2018. The Report of the Audit Committee for the fiscal year ended December 31, 2018 appears below.

PROPOSAL TWO: RATIFICATION OF APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**The Board of Directors Recommends a Vote FOR the ratification of appointment of our independent registered public accounting firm for fiscal year 2019.**

The Audit Committee has appointed Weaver and Tidwell LLP (Weaver) to serve as our independent registered public accounting firm for fiscal year 2019. We are asking stockholders to ratify the appointment of Weaver as our independent registered public accounting firm at the 2019 annual meeting of stockholders. Representatives of Weaver are expected to be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

Our bylaws do not require that the stockholders ratify the appointment of Weaver as our independent auditors. However, we are submitting the appointment of Weaver to the stockholders for ratification as a matter of good corporate practice. If the stockholders do not ratify the appointment, the Board of Directors and the Audit Committee will consider this fact when it appoints the independent auditors for the fiscal year ending December 31, 2020 (fiscal year 2020). Even if the appointment of Weaver is ratified, the Audit Committee retains the discretion to appoint a different independent auditor at any time if it determines that such a change is in the best interests of the Company and our stockholders. At this time, the Board and the Audit Committee believe that the continued retention of Weaver to serve as our independent auditors is in the best interest of the Company and our stockholders.

Audit Fees

Weaver performed the audits of our 2018 and 2017 financial statements, as well as the reviews of the financial statements included in our Forms 10-Q for the same periods. The amounts shown below are the aggregate amounts paid to Weaver during 2018 and 2017 for services in the categories indicated.

<u>Types of Fees</u>	2018	2017
Audit fees	\$ 105,000	\$ 104,250
Audit-related fees	—	—
Tax fees	—	—
All other fees	—	—
Total	\$ 105,000	\$ 104,250

In accordance with the charter of our Audit Committee as in effect at the relevant times and the rules of the SEC, the Audit Committee approved all of the fees indicated above before the services were provided. The Audit Committee considered the services listed above to be compatible with maintaining Weaver's independence.

Report of the Audit Committee

of our financial statements, accounting and financial reporting principles, internal controls, and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations.

During 2018 we recommended, and the Board of Directors approved, the appointment of Weaver as independent auditors for the year ended December 31, 2018. Our auditors are responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States.

The Audit Committee has reviewed and discussed our audited financial statements for the year ended December 31, 2018 with our management and has discussed with Weaver all communications required by generally accepted auditing standards, including those required to be discussed by standards as currently in effect adopted by the Public Company Accounting Oversight Board (PCAOB). In addition, the Audit Committee has received from Weaver the written disclosures and the letter required by the applicable requirements of the PCAOB regarding Weaver's communications with the Audit Committee concerning independence and the Audit Committee has discussed with Weaver their independence from us and our management.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2018, for filing with the SEC.

The foregoing report was submitted by the Audit Committee and shall not be deemed to be soliciting material or to be filed with the SEC or subject to Regulation 14A promulgated by the SEC or Section 18 of the Exchange Act.

COMPENSATION DISCUSSION AND ANALYSIS

The primary focus of our executive compensation programs is to improve our performance year over year and over a longer-term period. The compensation programs were designed to provide the tools necessary to hire executives with the skills needed to manage Tandy Leather Factory, Inc. to meet these goals and to retain them over the long-term. In developing the programs, a key consideration was to have plans that were easy to understand and administer, while being competitive with companies of similar size and philosophy. Over the past several years, management and the Compensation Committee have worked to refine the compensation programs used to ensure that they support these goals and our ongoing business objectives. Our philosophy has been to reward team performance, measured by our overall results. Each executive officer's compensation is linked to their individual contribution toward increases in the size of our operations, our income, and increases in stockholder value. At the 2018 Annual Meeting, stockholders were asked to approve Tandy Leather Factory, Inc.'s 2017 executive compensation programs. Approximately 98% of the shares voted approved the program. In consideration of these results and other factors the the Compensation Committee evaluates on a regular basis, the Compensation Committee concluded that Tandy Leather Factory, Inc.'s existing executive compensation programs continue to be appropriate to support Tandy Leather Factory, Inc.'s compensation philosophy and objectives described in this discussion.

Compensation for our executive officers consists of the following components:

- Base salary;
- Annual incentive bonus;

- Restricted stock unit grants;
- Retirement and other benefits, and
- Employment Agreements.

Each of these elements of pay is described below.

TABLE OF CONTENTS

Company Performance. Tandy Leather Factory, Inc. completed another profitable year in 2018, with net income of \$2.0 million, or \$0.21 per diluted share. Although consolidated sales increased .09% over 2017, gross profit declined 2.9% in part due to a significant write down of our inventory. Operating expenses increased 4.2% primarily due to new-store costs, one-time costs related to our change in management and higher labor costs related to increased store associate pay and extended store opening hours.

Base Salary

Base salaries are intended to reward our executive officers based upon their roles within Tandy Leather Factory, Inc. and for their performance in those roles. Base salaries are established when an executive officer is hired, based on prior experience and compared to salaries for comparable positions in other companies. Base salaries are generally increased annually, if market factors dictate such increases and assuming our financial performance is satisfactory.

Bonuses

We award discretionary bonuses to our executive officers, up to a maximum of 5% of Tandy Leather Factory's pretax income as determined by the Compensation Committee. We determine these bonuses on a subjective basis, considering business prospects for the upcoming year and the improvement in our net income and financial position for the year in question. These discretionary bonuses are awarded annually and paid in the first quarter of the following year.

Restricted Stock Unit Grants

We award restricted stock unit grants to promote long-term retention of executive officers and permit them to accumulate equity ownership in Tandy Leather Factory, Inc., so that the interests of our management team are directly aligned with the interest of our stockholders. We believe it is important to have an element of compensation that is focused directly on retaining talent so that we can minimize potential loss of company and industry knowledge and the disruption inherent in unplanned turnovers. Restricted stock unit grants also align our executive officers with our stockholders by making them stockholders themselves. Retaining talent and aligning interests encourages our executive officers to take actions to enhance the value of our business and increase stockholder value. Time-based restricted stock unit awards generally vest equally over four years.

Retirement and Other Benefits

Our benefits program includes a retirement plan and a group insurance program. The objective of the program is to provide executive officers with reasonable and competitive levels of protection against the four contingencies (retirement, death, disability and ill health) that could interrupt the executive officer's employment and/or income received as an active employee. Our retirement plans are designed to provide a competitive level of retirement income to our executive officers and to reward them for continued service with Tandy Leather Factory, Inc. The retirement program for executive officers consists of a tax-qualified 401(k) Plan that covers all full-time employees with at least one year of service. The group insurance program consists of life and health insurance benefits plans that cover all full-time employees.

Employment Agreement

We have entered into an employment agreement with Janet Carr, CEO, dated as of October 2, 2018. Under this agreement, Ms. Carr is entitled to receive an annual base salary of \$500,000 and is eligible to receive an annual discretionary bonus, as determined by the Board. Also under this agreement, On October 2, 2018, Ms. Carr received: (i) a time-based equity grant of 460,000 restricted stock units (RSUs) that vest over five years from the date of the

grant; (ii) a performance-based equity grant of 92,000 RSUs that will vest if/when the Company's operating income exceeds \$12 million dollars two fiscal years in a row; and (iii) a performance-based equity grant of 92,000 RSUs that will vest if/when the Company's operating income exceeds \$14 million dollars in one fiscal year. Ms. Carr will also be reimbursed for reasonable costs and expenses in connection with her commute and relocation from New York to Texas. If, prior to October 2, 2020, Ms. Carr's employment is terminated by the Company without Cause or by Ms. Carr for Good Reason (each as defined in her employment agreement), Ms. Carr would receive twenty-four months of base salary and an annual reimbursement of COBRA payments and vest in a pro-rata portion of the time-based RSUs, based on the number of days that Ms. Carr is employed. Any unvested performance-based RSUs would be forfeited.

TABLE OF CONTENTS

In the event that Ms. Carr's employment is terminated by the Company without Cause or by Ms. Carr for Good Reason within six months prior to or one year after a Change in Control (as defined in her employment agreement), Ms. Carr would receive thirty-six months of base salary and an annual reimbursement of COBRA payments and vest in a pro-rata portion of the time-based RSUs, based on the number of days that Ms. Carr had been employed. Any unvested performance-based RSUs would be forfeited. Under this agreement, a Change in Control is a defined term that includes a merger, a sale of all or substantially all of our assets or a similar transaction involving us, a third party acquiring more than 50% of our shares which includes, in general, a person or entity becoming a 50% or greater stockholder of us, a covered removal of directors on our board of directors, or our liquidation or dissolution.

Change in Control Effect on other Restricted Stock Units

Our 2013 Restricted Stock Plan (which does not include the grants to Ms. Carr described above) also provides accelerated vesting in the event of a change of control, whose meaning is materially the same as a Change in Control described above for Ms. Carr's employment agreement. Except to the extent that the Compensation Committee provides a result more favorable to holders of awards, in the event of a change of control, restricted stock that is not vested before a change of control will vest on the date of the change of control.

Separation Agreements with former CEO and President

On November 6, 2018, the Company entered into a Separation Agreement and Release with each of Shannon Greene, former CEO of the Company, and Mark Angus, former President of the Company. Pursuant to these agreements, Ms. Greene and Mr. Angus each receive continued base salary for a period of seven months following October 2, 2018 (the date of their termination of employment with the Company), as well as vesting, as of that date, of 8,219 restricted stock units granted to each of them by the Company in 2015 and 2016. Each of them also received up to 12 months reimbursement for health insurance, a payment of \$10,000 in lieu of unused vacation time, and the Company agreed to pay their out-of-pocket costs for outplacement services for up to 12 months following October 2, 2018, up to a maximum of \$12,500 for each of them.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the foregoing Compensation Discussion and Analysis (CD&A) with management and, based on such review and discussion, recommended to the Board of Directors that the CD&A be included in Tandy Leather Factory, Inc.'s Form 10-K and proxy statement.

The foregoing report was submitted by the Compensation Committee and shall not be deemed to be soliciting material or to be filed with the SEC or subject to Regulation 14A promulgated by the SEC, other than as provided in Item 407 of Regulation S-K, or to the liabilities of Section 18 of the Exchange Act.

PROPOSAL THREE: ADVISORY VOTE ON EXECUTIVE COMPENSATION (SAY-ON-PAY VOTE)

The Board of Directors recommends a vote FOR the advisory approval of the executive compensation of our named executive officers as disclosed in this proxy statement.

Based upon a vote of stockholders at our 2011 Annual Meeting, following the Board of Directors' recommendation for an annual advisory vote to approve the compensation of our named executive officers, we are providing stockholders with an advisory vote on executive compensation. The Dodd-Frank Wall Street Reform and Consumer Protection Act (the Dodd-Frank Act), which was signed into law July 21, 2010, added Section 14A to the Securities Exchange Act of 1934, as amended, and requires that we provide our stockholders with an opportunity to cast an advisory vote on the compensation of our named executive officers as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC. This proposal, commonly known as a Say-on-Pay vote, gives stockholders the opportunity to approve, reject or abstain from voting with respect to our fiscal 2018 executive compensation programs and policies and the compensation paid to our named executive officers.

As discussed in this proxy statement under the heading Compensation Discussion and Analysis, our executive compensation program is designed to serve us and our stockholders by aligning executive compensation with stockholder interests and by encouraging and rewarding management initiatives that will benefit us and our stockholders, customers, and employees over the long-term.

At last year's annual meeting, approximately 98% of the votes cast on the advisory vote on executive compensation were in favor of our named executive officer compensation for 2017. We are asking our stockholders to again indicate their support for our named executive officer compensation as described in this proxy statement. This is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we are asking our stockholders to approve, on an advisory basis, the following resolution:

RESOLVED, that the stockholders of Tandy Leather Factory, Inc. approve, on an advisory basis, the compensation paid to the named executive officers of Tandy Leather Factory, Inc., as disclosed in the 2019 proxy statement pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the compensation tables, and the related narrative disclosures.

Approval of this proposal requires the affirmative vote of the holders of a majority of the shares entitled to vote on, and who vote for and against, this proposal. Although your vote on this matter is advisory in nature and therefore will not be binding upon Tandy Leather Factory, Inc., the Compensation Committee or the Board of Directors, your advisory vote will serve as an additional tool to guide the Board of Directors and the Compensation Committee in continuing to improve the alignment of our executive compensation programs with the interests of us and our stockholders. The vote on this resolution is not intended to address any specific element of compensation but rather relates to overall compensation of our named executive officers, as described in this proxy statement in accordance with the compensation disclosure rules of the SEC.

RELATIONSHIPS AND TRANSACTIONS WITH RELATED PERSONS

For our last two fiscal years, there have been no transactions, and there is no currently proposed transaction, in which we were or are to be a participant and the amount involved exceeds the lesser of \$120,000 or one percent (1%) of the average of our total assets at year-end for our last two most recently completed fiscal years, and in which any related person, as defined under Item 404(a) of Regulation S-K, had or will have a direct or indirect material interest. Such related persons include our directors, executive officers, nominees for director, any beneficial owner of more than five percent (5%) of our common stock, and their immediate family members.

Our Code of Business Conduct, which applies to all employees, including our executive officers and our directors, provides that our employees and officers and members of our Board of Directors are expected to use sound judgment to help us maintain appropriate compliance procedures and to carry out our business with honesty and in compliance with law and high ethical standards. In addition, our directors and officers are

expected to report any potential related party transactions to the Board of Directors. Our Audit Committee, on behalf of the Board of Directors, reviews the material facts of all reported matters, by taking into account, among other factors it deems appropriate, whether a transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related person's interest in the transaction to determine whether an actual conflict of interest exists. No director may participate in any discussion or approval of a matter for which he or she is a related party. An annual review and assessment of any ongoing relationship with a related party is performed by the Audit Committee and reported to the Board of Directors.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Sections 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, executive officers and holders of more than 10% of our common stock to file reports regarding their ownership and changes in ownership of our securities with the SEC. Based solely on a review of the copies of such reports and amendments thereto furnished to us with respect to fiscal 2018 and written representations from our directors and executive officers, we believe that, during fiscal 2018, our directors, executive officers and 10% stockholders complied with all Section 16(a) filing requirements, except that one Form 4 for Janet Carr was filed late.

Stockholder Proposals for 2020

If you wish to present a proposal for consideration at an annual meeting, you must send written notice of the proposal to our Secretary not less than ten days before such annual meeting. We have not received notice of any stockholder proposals to be presented at this year's Annual Meeting. Pursuant to our bylaws, we must receive written notice of a stockholder proposal on or before May 25, 2019 for such proposal to be considered at this year's Annual Meeting.

TABLE OF CONTENTS

If you would like your proposal to be included in next year's proxy statement, you must submit the proposal to our Secretary by no later than December 27, 2019, or, if we hold our next annual meeting on a date that is more than 30 days from the anniversary of our 2019 Annual Meeting, a reasonable time before we begin to print and send our proxy materials. We will include your proposal in our next annual proxy statement if it is a proposal that we would be required to include pursuant to the rules of the SEC. You may write to our Secretary at 1900 Southeast Loop 820, Fort Worth, Texas 76140-1003 to present a proposal for consideration.

See Nominating Committee under Committees of the Board of Directors for the process for stockholders to follow to suggest a director candidate to the Nominating Committee for nomination by the Board of Directors or to nominate persons for election to our Board of Directors at an applicable meeting of our stockholders.

If a stockholder raises a matter at the Annual Meeting that requires a stockholder vote, the person to whom you have given your proxy will use his or her discretion to vote on the matter on your behalf. According to our by-laws, any proposal properly raised at the Annual Meeting by a stockholder will require the affirmative vote of a majority of the shares deemed present at the Annual Meeting, whether in person or by proxy unless a higher approval threshold is required by applicable law.

Stockholder Communications with Board of Directors

Stockholders who wish to communicate with the Chairman or with the directors as a group may do so by writing to our Secretary at Tandy Leather Factory, Inc., 1900 Southeast Loop 820, Fort Worth, Texas 76140-1003. Our Secretary will forward your communication to the directors or Chairman of the Board as requested by the stockholder. All appropriate communications addressed to directors will be reviewed by our Secretary. Because other appropriate avenues of communication exist for matters that are not of stockholder interest, such as general business complaints or employee grievances, communications that do not relate to matters of stockholder interest will not be forwarded to the Board of Directors. Our Secretary has the option, but not the obligation, to forward these other communications to appropriate channels within Tandy Leather Factory, Inc.

Householding of Annual Meeting Materials

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for the proxy statements and annual reports or Notices of Internet Availability of Proxy Materials, as applicable, with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report or the Notice of Internet Availability of Proxy Materials, as applicable, addressed to those stockholders. This process, which is commonly referred to as "householding", potentially provides extra convenience for stockholders and cost savings for companies. We and some brokers household proxy materials, delivering a single proxy statement and annual report or the Notice of Internet Availability of Proxy Materials, as applicable, to multiple stockholders sharing an address unless contrary instructions have been received from one or more of the affected stockholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, or the Notice of Internet Availability of Proxy Materials, as applicable, or if you are receiving multiples copies of the proxy statement and annual report or the Notice of Internet Availability of Proxy Materials, as applicable, and wish to receive only one, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request addressed to Investor Relations Department, Tandy Leather Factory, Inc., 1900 Southeast Loop 820, Fort Worth, Texas 76140-1003, by calling Investor Relations at 817-872-3200, or by sending an e-mail to Investor Relations at tcastillo@tandyleather.com. We will deliver promptly, upon written or oral request, a separate copy of the proxy statement and annual report or the Notice of Internet Availability of Proxy Materials, as applicable, to a registered stockholder at a shared address to which a single copy of

the applicable document(s) was delivered.
