actual results, performance or achievements to be materially different from future results, performance or achievements expressed or implied by any forward-looking statements. Forward-looking statements, which involve assumptions and describe Marine Jet's future plans, strategies and expectations, are generally identifiable by use of the words "may," "will," "should," "expect," "anticipate," "estimate," "believe," "intend" or "project" or the negative of these words or other variations on these words or comparable terminology. These forward-looking statements are based on assumptions that may be incorrect, and there can be no assurance that these projections included in these forward-looking statements will come to pass. Marine Jet's actual results could differ materially from those expressed or implied by the forward-looking statements as a result of various factors. Except as required by applicable laws, Marine Jet undertakes no obligation to update publicly any forward-looking statements for any reason, even if new information becomes available or other events occur in the future.

### SECTION 1 - REGISTRANT'S BUSINESS AND OPERATIONS

#### ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On January 11, 2005, Mr. Jeff P. Jordan entered into the Securities Purchase Agreement with Keating Reverse Merger Fund, L.L.C., under which Keating agreed to purchase, and Mr. Jordan agreed to sell, an aggregate of 15,306,500 shares of common stock of Marine Jet Technology Corp. owned of record and beneficially by Mr. Jordan for a purchase price of \$440,000, or \$0.029 per share. Mr. Jordan resigned as our President and Treasurer and a director of Marine Jet effective on the date of this report.

On January 20, 2005, we entered into the Assumption Agreement with Mr. Jordan and Intellijet Marine, Inc., a Nevada corporation that was then our wholly-owned subsidiary. Under the Assumption Agreement, we transferred all of our assets, except for 21,822,570 shares of common stock of Intellijet and approximately \$2,500 in cash, to Intellijet. Intellijet agreed to assume all of our liabilities and obligations and to indemnify us for any loss we incur with respect to the assumed liabilities. Mr. Jordan and Intellijet also agreed to release us from any and all obligations and claims whatsoever.

2

On February 4, 2005, we completed the distribution of all 21,822,570 shares of common stock of Intellijet owned of record and beneficially by us pro rata to our stockholders of record as of January 24, 2005. Pursuant to the distribution, each of our stockholders received one share of common stock of Intellijet for each one share of common stock of Marine Jet owned of record or beneficially by the stockholder on the record date. Intellijet will continue to operate its business of developing marine jet propulsion technology; supplying mechanical components under the Quick Jet™ brand name; and licensing boat manufacturers to produce boats incorporating Intellijet's systems.

The transactions under the Assumption Agreement and the distribution had been previously approved and authorized by our board of directors.

Following the completion of the transactions under the Assumption Agreement and the distribution, Mr. Jordan completed the sale of his shares of Marine Jet to Keating on February 9, 2005. As of the date of this report, we have 21,822,570 shares of common stock outstanding. Keating owns 15,306,500 shares, or approximately 70.1% of the outstanding shares, of our common stock. Our remaining shareholders own 6,516,070 shares of common stock, or approximately 29.9% of the outstanding shares.

### SECTION 2 - FINANCIAL INFORMATION

#### ITEM 2.01 COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS.

On January 20, 2005, pursuant to the Assumption Agreement, we transferred all of our assets, except for 21,822,570 shares of common stock of Intellijet and approximately \$2,500 in cash, to Intellijet. Intellijet agreed to assume all of our liabilities and obligations and to indemnify us for any loss we incur with respect to the assumed liabilities.

On February 4, 2005, we completed the distribution of all 21,822,570 shares of common stock of Intellijet owned of record and beneficially by us pro rata to our stockholders of record as of January 24, 2005. Pursuant to the distribution, each of our stockholders received one share of common stock of Intellijet for each one share of common stock of Marine Jet owned of record or beneficially by the stockholder on the record date. The transactions under the Assumption Agreement and the distribution had been previously approved by our board of directors.

Following completion of the transactions under the Assumption Agreement and the distribution, we have no material assets, liabilities or ongoing operations. Nevertheless, management believes that it may be able to recover some value for its shareholders by the adoption and implementation of a plan to seek, investigate and, if the results of the investigation warrant, effectuate a business combination with a suitable privately-held company that has both business history and operating assets. Our potential success will be primarily dependent on the efforts and abilities of our new management team, who will have virtually unlimited discretion in searching for, negotiating and entering into a business combination transaction.

Management believes that the selection of a business opportunity will be complex and extremely risky. Because of general economic conditions, rapid technological advances being made in some industries and shortages of available capital, our new management team believes that there are numerous privately-held companies seeking the perceived benefits of becoming a publicly-held corporation. Such perceived benefits may include facilitating debt financing or improving the terms on which additional equity may be sought, providing liquidity for the principals of the business, creating a means for providing stock incentives or similar benefits to key employees, providing liquidity for all stockholders and other factors.

3

Potential business opportunities may occur in many different industries and at various stages of development, all of which will make the task of comparative investigation and analysis extremely difficult and complex. Our new management team believes that we will only be able to participate in one business venture. This lack of diversification should be considered a substantial risk because it will not allow us to offset potential losses from one venture against gains from another.

Management believes that Marine Jet will offer owners of a suitable privately-held company the opportunity to acquire a controlling ownership interest in a public company:

- o In less time than would be required for a traditional initial public offering;
- o For less out-of-pocket cost than would be required for a traditional initial public offering; and

## Edgar Filing: MARINE JET TECHNOLOGY CORP - Form 8-K

- o With a greater degree of certainty that the transaction will ultimately close.

Nevertheless, the owners of any target company that we select will incur significant costs and expenses, including the costs of preparing the required business combination agreements and related documents, the costs of preparing a Current Report on Form 8-K describing the business combination transaction and the costs of preparing the documentation associated with future reporting under the Exchange Act.

While our management team believes that we will be able to enter into a business combination, there can be no assurance as to how much time will elapse before a business combination is effectuated, if ever.

In the event that a business combination is consummated, it is likely that our present shareholders will own only a small minority interest in the combined companies. In addition, as part of the terms of an acquisition transaction, our current officers and directors will ordinarily resign and be replaced by new officers and directors selected by the target company. Management does not intend to obtain shareholder approval prior to consummating any acquisition other than a statutory merger.

### SECTION 5 - CORPORATE GOVERNANCE AND MANAGEMENT

#### ITEM 5.01 CHANGES IN CONTROL OF REGISTRANT.

Pursuant to the terms of the Securities Purchase Agreement and effective as of the closing of the transactions under the Securities Purchase Agreement, Mr. Jeff P. Jordan resigned as the President, the Treasurer and a director of Marine Jet, Mrs. Martha A. Jordan resigned as the Secretary and a director of Marine Jet and Wilbur Sebree, resigned as a director of Marine Jet. Mr. Kevin R. Keating was appointed President, Treasurer, Secretary and sole director of Marine Jet pursuant to the terms of the Securities Purchase Agreement and effective as of the closing of the transactions under the Securities Purchase Agreement. Concurrently, Marine Jet's principal executive office was moved to 936A Beachland Boulevard, Suite 13, Vero Beach, Florida 32963.

4

Mr. Keating is an investment executive and for the past nine years has been the Branch Manager of the Vero Beach, Florida, office of Brookstreet Securities Corporation. Brookstreet is a full-service, national network of independent investment professionals. Mr. Keating services the investment needs of private clients with special emphasis on equities. For more than 35 years, he has been engaged in various aspects of the investment brokerage business. Mr. Keating began his Wall Street career with the First Boston Company in New York in 1965. From 1967 through 1974, he was employed by several institutional research boutiques where he functioned as Vice President Institutional Equity Sales. From 1974 until 1982, Mr. Keating was the President and Chief Executive Officer of Douglas Stewart, Inc., a New York Stock Exchange member firm. Since 1982, he has been associated with a variety of firms as a registered representative servicing the needs of individual investors. Mr. Keating is 64 years of age.

To our knowledge, neither Mr. Keating nor any of his affiliates currently beneficially owns any equity securities or rights to acquire any securities of Marine Jet, and none of these persons has been involved in any transaction with Marine Jet or any of its directors, executive officers or affiliates that is required to be disclosed pursuant to the rules and regulations of the Securities

and Exchange Commission other than with respect to the transactions that have been described in this report. To our knowledge, Mr. Keating is not currently a director of, nor does he hold any position with, Marine Jet, nor does he have a familial relationship with any director or executive officer of Marine Jet.

On January 13, 2005, we filed the Information Statement with the U.S. Securities and Exchange Commission, pursuant to Section 14(f) of the Exchange Act and Rule 14f-1 promulgated under the Exchange Act, announcing the proposed change in control of Marine Jet. The Information Statement was mailed on January 13, 2005, to our stockholders of record as of January 11, 2005.

Other than the agreements and transactions described in this report, we know of no arrangements that may result in a change in control of Marine Jet.

### ITEM 5.02 DEPARTURE OF DIRECTORS OR PRINCIPAL OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF PRINCIPAL OFFICERS.

Effective as of February 9, 2005, Mr. Jeff P. Jordan resigned as the President, the Treasurer and a director of Marine Jet, Mrs. Martha A. Jordan resigned as the Secretary and a director of Marine Jet and Wilbur Sebree,, resigned as a director of Marine Jet. These resignations were not the result of any disagreement between Marine Jet and any of the resigning officers and/or directors.

Effective as of February 9, 2005, Mr. Kevin R. Keating was appointed our President, Secretary, Treasurer and sole director.
