**Item 8.01 Other Events**

Fortress America Acquisition Corporation (“FAAC”) announced on January 12, 2007 that its Board of Directors authorized a stock repurchase program authorizing FAAC to repurchase up to 3,000,000 shares of its common stock in the open market from time to time over the next 12 months after the closing of FAAC’s proposed acquisition of VTC, L.L.C., doing business as “Total Site Solutions,” and Vortech, LLC (together, “TSS/Vortech”). Following the closing, and prior to the initiation of the stock repurchase program, FAAC expects to have approximately 12.7 million shares outstanding and approximately \$30 million in cash.

The timing of the stock repurchases under the program will depend on a variety of factors, but is expected to begin shortly after the closing of FAAC’s proposed acquisition of TSS/Vortech, and may be suspended or discontinued at any time. Common stock acquired through the repurchase program will be held as treasury shares and may be used for general corporate purposes.

A copy of the press release is attached hereto as Exhibit 99.1.
