PROXY STATEMENT

General Information

This Proxy Statement is furnished to you and other shareholders of AmTrust Financial Services, Inc. (AmTrust Financial, Company, our, us, or we) in connection with the solicitation of proxies by our Board of Directors (the Board) to be used at the 2009 Annual Meeting of Shareholders (the Annual Meeting) to be held at our headquarters at 59 Maiden Lane, 6th Floor, New York, New York 10038, on May 12, 2009, at 10:00 a.m. (local time) and any adjournment or postponement thereof. All shareholders are entitled and encouraged to attend the Annual Meeting in person. This Proxy Statement, together with the accompanying proxy card, was first mailed to shareholders on or about April 20, 2009.

All Common Stock represented by properly executed proxies received pursuant to this solicitation will be voted in accordance with the shareholder s directions specified on the proxy. If no directions have been specified by marking the appropriate squares on the accompanying proxy card, the shares will be voted FOR the slate of directors described herein, and FOR the ratification of BDO Seidman, LLP as our independent auditors. In connection with any other business that may properly come before the Annual Meeting, all properly executed proxies delivered pursuant to this solicitation and not revoked will be voted in the discretion of the Proxy Committee named in the proxy. A shareholder signing and returning the accompanying proxy has the power to revoke it at any time prior to its exercise by giving written notice of revocation to our Corporate Secretary, by submitting a proxy bearing a later date, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not constitute, in itself, revocation of a proxy.

All expenses in connection with this solicitation of proxies will be paid by us. Proxies will be solicited principally by mail, but directors, officers and certain other individuals authorized by us may personally solicit proxies. AmTrust Financial will reimburse custodians, nominees or other persons for their out-of-pocket expenses in sending proxy material to beneficial owners.

The Board has fixed the close of business on March 31, 2009, as the record date for determining the holders of Common Stock entitled to notice of and to vote at the Annual Meeting. Each such shareholder is entitled to one vote per share. As of the record date, there were 59,330,836 shares of Common Stock outstanding.

In voting by proxy with regard to the election of directors, shareholders may vote in favor of each nominee or withhold their votes as to each nominee. Should any nominee become unable to accept nomination or election, the Proxy Committee will vote for the election of such other person as a director as the present directors may recommend in the place of such nominee. The information set forth below regarding the nominees and the other directors continuing in office is based on information furnished by them. In voting by proxy with regard to the ratification of our independent auditors, shareholders may vote in favor of or against the proposal or may abstain from voting.

A majority of the outstanding Common Stock, represented in person or by proxy, constitutes a quorum for the transaction of business at the Annual Meeting. The seven candidates receiving the greatest number of votes will be elected as our directors. The affirmative vote of the holders of shares entitling them to exercise a majority of the voting power of AmTrust Financial, represented in person or by proxy at the Annual Meeting, is necessary to ratify the selection of BDO Seidman, LLP as our independent auditor.

Shareholder abstentions and broker non-votes will be included in the number of shareholders present at the Annual Meeting for the purpose of determining the presence of a quorum. Brokers who do not receive shareholder instructions are entitled to vote on the election of directors and the ratification of our independent auditors. Broker non-votes and shareholder abstentions will have no effect on the outcome of the proposals.

CORPORATE GOVERNANCE

Board of Directors

Our Certificate of Incorporation provides that our Board shall consist of not less than five directors and not more than thirteen directors, with the exact number to be set by the Board from time to time. Currently, our Board of Directors consists of seven members. Directors elected at the Annual Meeting will each serve for a one-year term until the 2010 Annual Meeting of Shareholders and until the election or appointment and qualification of his successor, or until his earlier death, resignation or removal.

Our Board of Directors met or acted by unanimous written consent on seven occasions during 2008. Each of our directors attended 75% or more of the regular and special Board and Board committee meetings on which such director served. We have adopted a policy requiring that each member of our Board of Directors attend our Annual Meeting.

Independence of Directors

Five of our seven directors, George Karfunkel, Donald T. DeCarlo, Abraham Gulkowitz, Isaac M. Neuberger and Jay J. Miller, are Independent Directors under the NASDAQ Marketplace Rules. The remaining two directors, Barry D. Zyskind and Michael Karfunkel, do not qualify as Independent Directors.

We are a controlled company as defined in Rule 4350(c)(3) of NASDAQ's listing qualification standards because George Karfunkel, Michael Karfunkel and Barry D. Zyskind, directly or indirectly, collectively beneficially own or control approximately 59.7% of our voting power. See Security Ownership Of Certain Beneficial Owners. Therefore, we are exempt from the requirements of Rule 4350(c) with respect to having:

a majority of the members of our Board of Directors be independent;
our Compensation and Nominating and Corporate Governance Committees comprised solely of Independent Directors;
the compensation of our executive officers determined by a majority of our Independent Directors or a Compensation Committee comprised solely of Independent Directors; and
director nominees being selected or recommended for selection by our Board of Directors, either by a majority of our Independent Directors or by a Nominating Committee comprised solely of Independent Directors.

Michael Karfunkel is a member of our Compensation and Nominating and Corporate Governance Committees.

Executive Sessions

As required under NASDAQ's Marketplace Rule 4350(c)(2), our Independent Directors have regularly scheduled meetings at which only Independent Directors are present. Our Independent Directors met in Executive Session four times during 2008.

Board Committees

Our Board has established the following committees: Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee, and Executive Committee. Each committee has its own charter. Our Audit Committee is comprised entirely of Independent Directors. Our Board may, from time to time, establish or maintain additional committees as it deems necessary or appropriate.

4

The membership of the existing committees as of March 31, 2009 and the function of each committee are described in the following table.

Audit Committee Financial Expert and Chair

Audit Committee

The Audit Committee oversees our auditing, accounting, financial reporting and internal control functions, appoints our independent public accounting firm and approves its services. One of its functions is to assure that the independent public accountants have the freedom, cooperation and opportunity necessary to accomplish their functions. The Audit

Committee also assures that appropriate action is taken on the recommendations of the independent public accountants. Our Audit Committee Charter, which describes all of the Audit Committee's responsibilities, is posted on our website and is available in print to any shareholder who requests a copy.

The Audit Committee was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended, and currently consists of the following Independent Directors: Mr. Gulkowitz, who is also the Chairman of the Committee, Mr. DeCarlo and Mr. Neuberger. The Board has determined that each member of the Audit Committee meets the independence requirements contained in the NASDAQ listing standards and Rule 10A-3(b)(1) of the Exchange Act. In addition, the Board has determined that Mr. Gulkowitz qualifies as an audit committee financial expert within the meaning of Securities and Exchange Commission (SEC) regulations and applicable NASDAQ listing standards.

During 2008, the Audit Committee met four times.

Executive Committee

The Executive Committee has responsibilities that include exercising the authority of the Board of Directors with respect to matters requiring action between meetings of the Board of Directors; and deciding issues from time to time delegated by the Board of Directors.

The members of our Executive Committee are Mr. Zyskind, who is also the chairman of the committee, George Karfunkel and Michael Karfunkel.

The Executive Committee met on a monthly basis in 2008.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee identifies and nominates members of the Board of Directors; develops and recommends to the Board of Directors a set of corporate governance principles applicable to it; and oversees the evaluation of the Board of Directors and management.

The members of our Nominating and Corporate Governance committee are Mr. Neuberger, who is also the chairman of the committee, Mr. Miller and Michael Karfunkel. The Nominating and Corporate Governance Committee does not have a charter.

5

In carrying out its function to nominate candidates for election to our Board, the Nominating and Corporate Governance Committee considers the mix of skills, experience, character, commitment, and diversity of background, all in the context of the requirements of our Board at that point in time. The Nominating and Corporate Governance Committee believes that each candidate should be an individual who has demonstrated integrity and ethics in such candidate's personal and professional life, has an understanding of elements relevant to the success of a publicly-traded company, and has established a record of professional accomplishment in such candidate's chosen field. Each candidate should be prepared to participate fully in Board activities, including attendance at, and active participation in, meetings of the Board, and not have other personal or professional commitments that would, in the Nominating and Corporate Governance Committee's judgment, interfere with or limit such candidate's ability to do so. Each candidate should also be prepared to represent the best interests of all of our shareholders and not just one particular constituency. Additionally, in determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee also considers the director's past attendance at Board and committee meetings and participation in and contributions to the activities of our Board.

The Nominating and Corporate Governance Committee also would consider recommendations for director candidates submitted by shareholders. A shareholder recommending an individual for consideration by the Committee must provide (i) evidence in accordance with the provisions of Regulation 14a-8 under the Securities Exchange Act of 1934, as amended, of compliance with the shareholder eligibility requirements and (ii) all information regarding the candidate(s) and the security holder that would be required to be disclosed in a proxy statement filed with the SEC if the candidate(s) were nominated for election to the Board including, without limitation, name, age, address, principal occupation or employment, and stock ownership. Shareholders should send the required information to AmTrust Financial Services, Inc., c/o Corporate Secretary, 59 Maiden Lane, 6th Floor, New York, New York 10038.

In order for a recommendation to be considered by the Committee for the 2009 Annual Meeting of Shareholders, the Corporate Secretary must receive the recommendation no later than the close of business, local time, on January 2, 2009. Such recommendations must be sent via registered, certified or express mail (or other means that allows the

shareholder to determine when the recommendation was received by us). The Corporate Secretary will send any shareholder recommendations to the Committee for consideration at a future Committee meeting. Individuals recommended by shareholders in accordance with these procedures will receive the same consideration as other individuals evaluated by the Committee.

The Nominating and Corporate Governance committee met one time in 2008 to nominate the incumbent directors for election to the Board of Directors at the 2008 Annual Meeting.

Compensation Committee

The Compensation Committee reviews and determines, together with the other directors if directed by the Board of Directors, the compensation of our executive officers and reviews and approves employment and severance agreements with our executive officers. The Compensation Committee also administers the grant of stock options and other awards under our 2005 Equity Incentive Plan and establishes and reviews policies relating to the compensation and benefits of our employees and consultants.

The members of the Compensation Committee are Mr. DeCarlo, who is also the chairman of the committee, Mr. Miller and Michael Karfunkel. Michael Karfunkel does not participate in any matters relating to Mr. Zyskind's compensation.

The Compensation Committee sets compensation levels for our executive officers by reviewing the compensation levels of comparable executives at companies of similar size and development operating in our industry. Final compensation decisions are made by our Chief Executive Officer in consultation with the Compensation Committee and the Board of Directors, other than with respect to the Chief Executive Officer's compensation, which is determined by the Compensation Committee and the Board of Directors.

The Compensation Committee met or acted by unanimous written consent two times in 2008.

6

Compensation of Directors

We pay an annual retainer of \$55,000 to each non-employee director of the Company other than George Karfunkel and Michael Karfunkel. In addition, each such director received a fee of \$2,000 for each meeting of the Board of Directors attended in person and \$1,000 for each meeting of the Board of Directors attended via teleconference. Each such non-employee director who chaired a committee also received an annual retainer of \$5,000, as well as \$1,000 for each meeting of such committee of the Board chaired. Each such non-employee director received a fee of \$1,000 for each meeting of a committee of the Board of Directors attended. We also reimbursed our directors for reasonable expenses they incurred in attending Board of Directors or committee meetings.

In 2008, we also paid Mr. Miller an additional \$85,000 in consideration of his serving a director on the boards of our subsidiaries. Additionally, we paid Mr. DeCarlo an additional \$21,000 in consideration of his serving as a director on the boards of certain of our subsidiaries.

Pursuant to our 2005 Equity Incentive Plan, in 2008 we made a grant of options to purchase 6,250 shares of our Common Stock, which will vest over a period of one year to each of our non-employee directors other than George Karfunkel and Michael Karfunkel. We intend to make additional annual grants of options to purchase 6,250 shares of our Common Stock to each of our non-employee directors other than George Karfunkel and Michael Karfunkel. Each such option will fully vest one year after the date of grant. Such options will have an exercise price equal to the fair

market value as of the date of the grant and will expire ten years from the date of the grant. George Karfunkel and Michael Karfunkel will not receive any compensation for serving on our Board of Directors.

The following table sets forth compensation earned by the non-employee members of our Board of Directors during the fiscal year ending December 31, 2008:

Name	Fees Earned or Paid in Cash (\$) ⁽¹⁾	Option Awards (\$) ⁽²⁾	Total (\$)
Michael Karfunkel			
George Karfunkel			
Donald T. DeCarlo	100,000	38,479	138,479
Abraham Gulkowitz	75,000	38,479	113,479
Isaac M. Neuberger	70,000	38,479	108,479
Jay J. Miller	153,000	324,126	477,126

The amounts in this column reflect retainer fees, Board meeting fees and committee fees earned in 2008 for service (1) on our Board of Directors and its committees and, with respect to Mr. DeCarlo and Mr. Miller, for service on the boards of directors of several of our subsidiaries.

The amounts in this column reflect the compensation costs for financial reporting purposes for the year under FAS 123R without regard to forfeiture assumptions. See Note 12 Share Based Compensation, in the Notes to our Consolidated Financial Statements included in Item 8 of our Annual Report on Form 10-K for the year ended December 31, 2008 for our assumptions used to determine the compensation costs associated with stock option awards that we expensed in 2008. At December 31, 2008, the aggregate number of option awards outstanding was: (2) Mr. DeCarlo 25,000 shares; Mr. Gulkowitz 25,000 shares; Mr. Neuberger 25,000 shares; and Mr. Miller 125,000 shares. Unvested options are forfeited upon termination of the director's service; however, if the director's termination of service is due to (i) retirement on or after his sixty-fifth birthday or, with consent of the Company, on or after his fifty-fifth birthday; (ii) disability; or (iii) death, the options become fully vested. Following the named executive officer's termination date, except if terminated for cause, he may exercise vested options for up to three months following the termination, or six months if termination were due to death, or, if sooner, the expiration dates of the options.

Mr. Zyskind's term of employment under his agreement continues until December 31, 2009, at which time the employment agreement automatically renews for successive three year terms, unless Mr. Zyskind or the Company provides 180 days' written notice of an intention not to renew. His salary is subject to review by the

titles, position, authorities or responsibilities, including not serving on the Board of Directors; (v) the assignment of duties incompatible with Mr. Zyskind's position of President; (vi) imposition of a requirement that Mr. Zyskind report other than to the full Board of Directors; or (vii) a material breach of the Agreement by Company that is not cured within 10 business days after written notification by Executive of such breach.

(2) Stock options were granted to our named executive officers under our 2005 Equity Incentive Plan. Twenty-five percent of the stock options vest and become exercisable on the first anniversary of the grant date, with an additional 6.25% of the stock options vesting each quarter thereafter based on continued employment. Each stock option award expires on the tenth anniversary of the grant date. Unvested options are forfeited upon termination of employment; however, if the executive's termination is due to (i) retirement on or after his sixty-fifth birthday or, with consent of the Company, on or after his fifty-fifth birthday; (ii) disability; or (iii) death, the option becomes

fully vested. Following the named executive officer's termination date, except if terminated for cause, he may exercise vested options for up to three months following the termination, or six months if termination was due to death, or, if sooner, the expiration dates of the options. To the extent permissible, the stock options are incentive stock options within the meaning of Section 422 of the Internal Revenue Code.

(3) This amount reflects the grant date fair value in accordance with FAS 123R.

Option Exercises and Stock Vested

In 2008, none of our named executive officers exercised any stock option awards that were granted to them. The following table sets forth the aggregate number of stock options that became vested for our named executive officers during fiscal year 2008. The table also sets forth the value realized on vesting of the stock options (the market price on the date of vesting multiplied by the number of shares). These stock options awards were granted under our 2005 Equity Incentive Plan.

Potential Payments upon Termination or Change-In-Control

The table below sets forth the potential payments to our named executive officers under various termination scenarios including termination without cause, termination for good reason, termination as a result of death or disability and termination as a result of retirement, as per their respective employment agreements. See Compensation Discussion and Analysis Employment Agreements for further discussion of termination events. The potential payments to our named executive officers assume that the termination event occurs as of the last day of our fiscal year (December 31, 2008). Since the Board of Directors has discretion as to whether or not to accelerate the vesting of unvested stock options and restricted share awards granted under the 2005 Equity Incentive Plan upon a change in control of the Company, the financial effect of such an event has not been included in this table. We do not include the financial effect of a termination for cause or gross misconduct (as defined in the named executive officer's employment agreement) because the named executive officers are not entitled to any further compensation or benefits following such a termination.

COMPENSATION DISCUSSION AND ANALYSIS

This compensation discussion and analysis explains the material elements of the compensation awarded to, earned by, or paid to each of our named executive officers during the last completed fiscal year.

Overview

The objectives of our executive compensation policy have been to retain the executives who have been integral to our growth, to attract other talented and dedicated executives and to motivate each of our executives to increase our overall profitability. To achieve these goals, we have strived to offer each executive an overall compensation package, which is simple, but competitive and retentive and a meaningful portion of which is tied to the achievement of specific objectives.

Our overall strategy is to compensate our named executive officers with a mix of cash compensation, in the form of base salary and bonus, and equity compensation, in the form of stock options.

Our policy for setting compensation levels has focused on compensating our named executive officers at levels competitive for executives at companies of similar size and development operating in the industry based on size of performance. Compensation decisions have been made by our Chief Executive Officer in consultation with the Compensation Committee and the Board of Directors, other than with respect to the Chief Executive Officer's compensation, which has been determined by the Compensation Committee and the Board of Directors. In addition to frequent discussions between the Chief Executive Officer and the Board of Directors, we also gather market compensation data through negotiations related to newly hired executives. We believe that the compensation levels for our named executive officers are competitive. We expect that as we continue to progress our compensation policies will evolve to reflect our achievements and to remain competitive. In March 2009, the Company retained a compensation consultant to advise our compensation strategy for executive management with the Board of Directors.

Executive Compensation

Our executive compensation policy includes the following elements:

Base Salary. The base salaries we provide to our named executive officers are designed to provide an annual salary at a level consistent with individual experience, skill and contribution to our business. When setting base salary, we take into account the compensation paid to similarly situated executives employed at our competitors and cost of living considerations. The salaries of the named executive officers are reviewed on an annual basis.

Bonus. We believe that bonuses should be dependent on and tied to the Company's performance, and should only be paid in the event of superior performance. Our bonus policy is designed to reward each named executive officer for

his contributions to our profitability for the fiscal year. Except for Mr. Pipoly, the employment agreements for our named executive officers specify the annual bonus targets for each executive. In March 2009, the Compensation Committee proposed the bonus payments for our named executive officers for the 2008 fiscal year and such recommendations were adopted by the Board of Directors.

Annual profit bonuses paid to each named executive officer, other than Mr. Pipoly, are equal to a pre-determined percentage of profits, as set forth in their respective employment agreements. Each such named executive officer's bonus is subject to an annual cap, based on a percentage of the officer's base salary for the respective fiscal year, as set forth in their respective employment agreements. The maximum annual profit bonuses for these named executive officers are as follows: 250% of base salary for Mr. Zyskind; 150% of base salary for Mr. Caviet; 100% of base salary for Mr. Saxon; and 150% of base salary for Mr. Longo. Mr. Pipoly's bonus, which is not subject to an annual cap, is determined in a different manner (as described below). We believe it would not be appropriate for the Chief Financial Officer's bonus to be directly based on the Company's results.

In addition to the annual profit bonus, under the terms of their respective employment agreements, each named executive officer is also eligible for a discretionary bonus, as determined each fiscal year by the Board of Directors. The actual amount of any discretionary bonus will be determined following a review of each named executive officer's individual performance and contribution to our strategic goals during the fiscal year. The named executive officers did not receive discretionary bonuses in 2008.

21

Mr. Zyskind's employment agreement provides an annual profit bonus equal to two percent (2%) of our pre-tax profits for the fiscal year, provided that our pretax profit equals or exceeds a given threshold, subject to the annual cap discussed above. Profit is defined in Mr. Zyskind's employment agreement as our revenues less expenses, determined in accordance with generally accepted accounting principles on a consistent basis. The threshold profit for fiscal year 2008 was \$26.6 million.

The employment agreements for Mr. Saxon and Mr. Longo provide that the annual profit bonus will equal one percent (1%) of our profits for the fiscal year, subject to the annual caps discussed above. Profit is defined in Mr. Saxon's and Mr. Longo's employment agreement as our after tax net income, excluding extraordinary income.

Mr. Pipoly's employment agreement provides that the annual bonus will equal an amount comparable to our other senior executives, provided that we have met the targets set forth in our business plan for the subject annual period, and Mr. Pipoly's annual bonus will be no less than thirty percent (30%) of his base salary.

Mr. Caviet's annual bonus is equal to ten percent (10%) of our pre-tax net operating income, exclusive of extraordinary items and investment income or loss, arising from special risk and extended warranty business written by us and our affiliates under the direct or indirect supervision of Mr. Caviet, subject to the annual cap discussed above. The bonuses awarded to each named executive officer for 2008 are shown below in the Summary Compensation Table for Fiscal Year 2008.

Stock and Stock-Based Grants

Stock Options. Stock-based awards are a critical component of our executive compensation policy as equity ownership helps closely align our named executive officers' interests to those of our shareholders. Our 2005 Equity Incentive Plan (the 2005 Plan) has provided the principal method for our named executive officers to acquire equity interests in the Company. The 2005 Plan was established to award our employees and named executive officers with proprietary interests in the Company and to provide an additional incentive to promote our success and to remain in

our service. The 2005 Plan authorizes us to grant incentive stock options, non-qualified stock options and restricted stock awards to our employees, officers, directors and consultants. There are currently approximately 535 people who are eligible to participate in the plan at the discretion of our Board of Directors, which oversees the administration of the Plan.

In 2008, our named executive officers, other than Mr. Zyskind who holds a significant equity interest in the Company, were awarded stock options in the amounts indicated below in the Grants of Plan-Based Awards for Fiscal Year 2008 table. The stock options are intended to be treated as incentive stock options within the meaning of Section 422 of the Internal Revenue Code to the extent possible. The stock options were granted at an exercise price equal to the fair market value of our Common Stock on the date of grant. Under the 2005 Equity Incentive Plan, unless otherwise determined by the Board of Directors and provided in the award agreement, 25% of the stock options become exercisable on the first anniversary of the grant date, with an additional 6.25% of the stock options vesting each quarter thereafter based on continued employment, and expire ten years after the date of grant. Incentive stock options also include certain other terms necessary to assure compliance with the Internal Revenue Code.

Restricted Stock. The Board of Directors has made, and may in the future elect to make, grants of restricted stock to our named executive officers. Under the 2005 Equity Incentive Plan, unless otherwise determined by the Board of Directors and provided in the award agreement, 25% of the restricted stock vests on the first anniversary of the grant date, with 6.25% of the restricted stock vesting each quarter thereafter and based upon continued employment.

Retirement Plan. We do not provide a qualified or non-qualified pension plan for our named executive officers. All of our employees, however, participate in a defined contribution plan under Section 401(k) of the Internal Revenue Code. The plan allows eligible employees to defer up to 75% of their compensation to the plan on a pre-tax basis, subject to the applicable dollar limit set by the Internal Revenue Service. We make a Company contribution of up to 50% of an employee's contribution to the plan, up to 6% of eligible compensation. We may also make discretionary profit sharing contributions to the Plan. No profit sharing contributions were made in 2008.

22

Change of Control and Severance Arrangements. The employment agreements for each of our named executive officers do not contain change of control provisions, nor do we maintain change of control agreements with any of our named executive officers. Mr. Zyskind's and Mr. Caviet's employment agreements, which are as discussed in more detail above, provide certain severance benefits should they be terminated without cause and, with respect to Mr. Zyskind, should he terminate his employment agreement for good reason. Mr. Caviet's severance benefits are tied to non-solicitation provisions. We do not provide any other severance benefits.

Perquisites and Other Benefits. As a general matter, we limit the use of perquisites in compensating our senior management. We do, however, cover the full cost of health insurance premiums for Mr. Zyskind and Mr. Caviet and their families and provide Mr. Zyskind with an individual permanent life insurance policy. We also make the lease payments on an automobile leased by Mr. Zyskind and reimburse Mr. Caviet for the lease payments that he makes on an automobile. The amount of Mr. Zyskind's and Mr. Caviet's health and automobile benefits are shown below in the Summary Compensation Table for Fiscal Year 2008.

We also maintain a number of health and welfare programs to provide life, health and disability benefits to our employees. Other than with respect to the benefits we provide to Mr. Zyskind discussed above, our named executive officers in the U.S. participate in these plans on the same terms as other U.S. employees. In addition to the benefits discussed above, Mr. Caviet participates in the employee benefits offered for employees of our U.K. affiliates.

Other Compensation. The employment agreements entered into with our named executive officers will remain in their current form until such time as the Board of Directors determines, in its discretion, that revisions are appropriate.

In addition, we intend to continue to maintain our current benefits and perquisites for our named executive officers; however, the Board of Directors, in its discretion, may modify, amend or add to a named executive officer's executive benefits or perquisites if it deems it advisable.

Tax Deductibility of Executive Compensation

Limitations on deductibility of compensation may occur under Section 162(m) of the Internal Revenue Code, which generally limits to \$1 million the tax deductibility of compensation paid by a public company to its chief executive officer and to any of the other four most highly compensated executive officers. Section 162(m) provides an exception to this deduction limit for performance based compensation that meets certain requirements. Two types of compensation can qualify as performance based compensation under section 162(m): (i) annual bonuses and other incentive awards, if they are payable or vest based on achievement of objective performance goals under a plan that meets the 162(m) requirements, and (ii) stock options and stock appreciation rights, if they are granted under a shareholder approved plan that meets certain criteria.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Other than as stated below, no director, executive officer or security holder who is known to us to own of record or beneficially more than five percent of our common securities, or any member of the immediate family of such director, executive officer or security holder, had or will have a direct or indirect material interest in a transaction or series of transactions in which we are, or one of our subsidiaries is, a party and the amount involved exceeds \$120,000. We have adopted a policy that requires that all related party transactions be approved by our Audit Committee.

Leap Tide Transactions

Leap Tide Capital Management, Inc. (LTCM), our wholly owned subsidiary, currently manages approximately \$27 million dollars of our assets. These assets are held in a Bermuda managed account.

LTCM also serves as the Investment Manager of Leap Tide Partners, L.P., a domestic partnership, and Leap Tide Offshore, Ltd., a Cayman exempted company, both of which were formed for the purpose of providing qualified third-party investors the opportunity to invest funds in a vehicle managed by LTCM (the Hedge Funds). As of December 31, 2008, approximately \$2.5 million dollars have been invested in the Hedge Funds. Approximately 88% of these funds were contributed by Michael Karfunkel, George Karfunkel and Barry D. Zyskind. Our Audit Committee has reviewed the Leap Tide transactions and determined that

23

they were entered into at arms length and did not violate our Code of Business Conduct and Ethics. As of December 31, 2008, Michael Karfunkel and George Karfunkel withdrew all their funds from the Hedge Funds.

Corporate Office Lease Agreement

In June 2002, we entered into a lease for approximately 9,000 square feet of office space at 59 Maiden Lane in downtown Manhattan from 59 Maiden Lane Associates, LLC, an entity which is wholly owned by Michael Karfunkel

and George Karfunkel. We paid annual rent of approximately \$348,000 for this space in fiscal 2007. At the time we entered into the lease we were privately held and did not have an Audit Committee. Effective January 1, 2008, we entered into an amended lease whereby we increased our leased space to 14,807 square feet and extended the lease through December 31, 2017; the rent increased to \$621,894 for the period from January 1, 2008 to December 31, 2012, and then \$666,315 for the period from January 1, 2013, to December 31, 2017. The Audit Committee reviewed and approved this most recent extension of the lease.

In 2008, we entered into a lease for approximately 5,000 square feet of office space in Chicago, Illinois from 33 West Monroe Associates, LLC, an entity which is wholly owned by Michael Karfunkel and George Karfunkel. The Audit Committee reviewed and approved the lease agreement. We paid approximately \$123,000 for the year ended 2008.

Barry Karfunkel Employment Relationship

Barry Karfunkel, an analyst with LTCM until January 31, 2009, earned \$280,000 in salary in 2008. Barry Karfunkel is the son of Michael Karfunkel and the brother-in-law of Barry D. Zyskind. Our Audit Committee has reviewed Barry Karfunkel's employment relationship and has determined that it is an arm's length relationship and that it does not violate our Code of Business Conduct and Ethics.

American Stock Transfer & Trust Company

Our transfer agent, American Stock Transfer & Trust Company, was formerly controlled by Michael Karfunkel and George Karfunkel, both of whom remain officers of American Stock Transfer & Trust Company.

Maiden Agreements

Reinsurance Agreement

Maiden is a Bermuda insurance holding company formed by Michael Karfunkel, George Karfunkel and Barry Zyskind. Messrs. Karfunkel and Mr. Zyskind invested \$50 million in Maiden and had an initial 18.6% ownership interest in Maiden, assuming the exercise of all common stock purchase warrants. Maiden Insurance Company, Ltd. (Maiden Insurance), a wholly-owned subsidiary of Maiden, is a class 3 Bermuda insurance company.

On January 20, 2009, Messrs. Karfunkel participated in a private placement of 260,000 units (the Units), each Unit consisting of \$1,000 principal amount of capital securities of Maiden Capital Financing Trust, a trust established by Maiden Holdings North America, Ltd., and 45 common shares, \$.01 par value, of Maiden for a purchase price of \$1,000.45 per Unit (the TRUPS Offering). Approximately 62% of the securities in the TRUPS Offering were placed privately with Messrs. Karfunkel and the remainder with several existing institutional Maiden investors. After the completion of the TRUPS Offering, Messrs. Karfunkel and Mr. Zyskind and their respective charitable foundations and grantor retained annuity trusts have a combined 30.1% ownership interest, inclusive of full exercise of common stock purchase warrants, in Maiden.

During the third quarter of 2007, the Company and Maiden entered into master agreement, as amended, by which our Bermuda affiliate, AmTrust International Insurance, Ltd. (AII), and Maiden Insurance, entered into a quota share reinsurance agreement (the Reinsurance Agreement) by which (a) AII retrocedes to Maiden Insurance an amount equal to 40% of certain premium written by our U.S., Irish and U.K. insurance companies (the AmTrust Ceding Insurers), net of the cost of unaffiliated inuring reinsurance (and in the case of our U.K. insurance subsidiary IGI, net of commissions) and 40% of related losses and (b) AII transferred to Maiden Insurance 40% of the AmTrust Ceding Insurers' unearned premium reserves, effective as of July 1, 2007, with respect to current lines of business, excluding risks for which the AmTrust Ceding Insurers

net retention exceeds \$5,000 (Covered Business). We also agreed to cause AII, subject to regulatory requirements, to reinsure any insurance company which writes Covered Business in which we acquire a majority interest to the extent required to enable AII to cede to Maiden Insurance 40% of the premiums and losses related to such Covered Business.

The Agreement further provides that AII receives a ceding commission of 31% of ceded written premiums for Covered Business. The Reinsurance Agreement has an initial term of three years and will automatically renew for successive three year terms thereafter, unless either AII or Maiden Insurance notifies the other of its election not to renew not less than nine months prior to the end of any such three year term. In addition, either party is entitled to terminate on thirty day s notice or less upon the occurrence of certain early termination events, which include a default in payment, insolvency, change in control of AII or Maiden Insurance, run-off, or a reduction of 50% or more of the shareholders equity of Maiden Insurance or the combined shareholders equity of AII and the AmTrust Ceding Insurers.

Effective June 1, 2008, the master agreement was amended that AII agreed to cede and Maiden Insurance agreed to accept and reinsure Retail Commercial Package Business, which the Company, through Affiliates, commenced writing effective June 1, 2008, in connection with our acquisition of Unitrin Business Insurance. AII ceded 100% of the unearned premium related to in-force Retail Commercial Package Business and losses related thereto at the acquisition date and 40% the Company s net written premium and losses on Retail Commercial Package Business written or renewed on or after the effective date. The \$2.0 million maximum liability for a single loss provided in the Reinsurance Agreement is not applicable to Retail Commercial Package Business. We received a ceding commission of 34.375% for Retail Commercial Package Business. We recorded approximately \$114.7 million and approximately \$59.1 million of ceding commission income during the years ended December 31, 2008 and 2007, respectively, as a result of this agreement.

Effective July 1, 2007, AmTrust, through a subsidiary, entered into a reinsurance brokerage agreement with Maiden. Pursuant to the brokerage agreement, AmTrust provides brokerage services relating to the Reinsurance Agreement for a fee equal to 1.25% of reinsured premium. The brokerage fee is payable in consideration of AII Reinsurance Broker Ltd. s brokerage services. We recorded approximately \$5.5 million and approximately \$3.1 million of brokerage commission during the years ended December 31, 2008 and 2007, respectively.

In February 2009, AII and Maiden Insurance amended the Reinsurance Agreement to clarify that (i) AII would offer Maiden Insurance the opportunity to reinsure Excess Retention Business, which is defined as a policy issued by an insurance subsidiary with respect to which the insurance subsidiary s retention is greater than \$5 million and (ii) the deduction for the cost of inuring reinsurance from Affiliate Subject Premium ceded to Maiden Insurance is net of ceding commission. In addition, the Reinsurance Agreement has been amended by deleting the limitation on Maiden Insurance s maximum liability in respect of a single loss, which, under certain circumstances, was \$2.0 million. Pursuant to the Reinsurance Agreement, as amended, AII and Maiden share, proportionally, in all premium and losses ceded thereunder.

Asset Management Agreement

Effective July 1, 2007, AmTrust, through a subsidiary, entered into an asset management agreement with Maiden, pursuant to which we provide investment management services to Maiden. Pursuant to the asset management agreement, we earn an annual fee equal to 0.35% per annum of average invested assets plus all costs incurred. Effective April 1, 2008, the investment management services fee has been reduced to 0.20% per annum and is further reduced to 0.15% per annum if the average invested assets exceed \$1 billion. As a result of this agreement, the Company recorded approximately \$1.4 million and approximately \$0.9 million of investment management fees for the years ended December 31, 2008 and 2007, respectfully.

Services Agreement

AmTrust, through its subsidiaries, entered into services agreements in 2008, pursuant to which it provides certain marketing and back office services to Maiden. Pursuant to the services agreements, we earn a fee equal to reimburse the Company for its costs plus 8%. We recorded approximately \$1.2 million for the year ended 2008 as a result of this agreement.

25

Note Payable Collateral for Proportionate Share of Reinsurance Obligation

In conjunction with the Reinsurance Agreement, AII entered into a loan agreement with Maiden Insurance during the fourth quarter of 2007, whereby, Maiden Insurance will lend to AII from time to time the amount of obligation of the AmTrust Ceding Insurers that AII is obligated to secure, not to exceed an amount equal to Maiden Insurance's proportionate share of such obligations to such AmTrust Ceding Insurers in accordance with the reinsurance agreement. We are required to deposit all proceeds from the advances into a sub-account of each trust account that has been established for each AmTrust Ceding Insurer. To the extent of the loan, Maiden Insurance shall be discharged from providing security for its proportionate share of the obligations as contemplated by the reinsurance agreement. If an AmTrust Ceding Insurer withdraws loan proceeds from the trust account for the purpose of reimbursing such AmTrust Ceding Insurer, for an ultimate net loss, the outstanding principal balance of the loan shall be reduced by the amount of such withdrawal. The loan agreement was amended in February 2008 to provide for interest at a rate of LIBOR plus 90 basis points and is payable on a quarterly basis. Each advance under the loan is secured by a promissory note. Advances totaled approximately \$168 million as of December 31, 2008. The Company recorded approximately \$0.7 million of interest expense during 2008.

Other Reinsurance Agreement

Effective January 1, 2008, Maiden became a participating reinsurer in the first layer of our workers' compensation excess of loss program, which provides coverage in the amount of \$9 million per occurrence in excess of \$1 million, subject to an annual aggregate deductible of \$1.25 million. Maiden, which is one of two participating reinsurers in the layer, has a 45% participation. Maiden participates in the first layer of the excess of loss program on the same market terms and conditions as the other participant.

Principal Shareholders Consolidation

AmTrust Financial Group, Inc. (AFG) was the principal shareholder of the Company, owning approximately 24,089,286 shares of common stock of the Company (the Common Stock). Messrs. Michael Karfunkel, George Karfunkel and Barry Zyskind directly or indirectly held approximately 37.5%, 37.5% and 25.0%, respectively, of AFG. To simplify the stock ownership of AmTrust, two mergers were consummated, in 2007, whereby AFG and G/MK Acquisition Corp. were merged with and into a wholly owned subsidiary of AmTrust. AFG and G/MK Acquisition Corp. were primarily shell holding companies with no other assets, except for common stock. As a result, we issued and delivered 24,088,000 shares of Common Stock in exchange for 24,089,286 shares of Common Stock held by AFG, which shares were then issued in proportion to their respective AFG holdings: Michael Karfunkel received 9,033,000 shares, George Karfunkel received 9,033,000 shares, Barry Zyskind received 6,022,000, and the remaining 1,286 shares were returned to the treasury of the Company. The mergers had no impact on our financial position, results of operations or cash flows for the year ended 2007.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee's role includes the oversight of our financial, accounting and reporting processes; our system of internal accounting and financial controls; and our compliance with related legal and regulatory requirements. The Audit Committee oversees the appointment, engagement, termination and oversight of our independent auditors, including conducting a review of their independence; reviewing and approving the planned scope of our annual audit; overseeing our independent auditors' audit work; reviewing and pre-approving any audit and non-audit services that may be performed by our independent auditors; reviewing with management and our independent auditors the adequacy of our internal financial and disclosure controls; reviewing our critical accounting policies and the application of accounting principles; and monitoring the rotation of partners of our independent auditors on our audit engagement team as required by law. The Audit Committee establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters. The Audit Committee's role also includes meeting to review our annual audited financial statements and quarterly financial statements with management and our independent auditors.

Each member of the Audit Committee meets the independence criteria prescribed by applicable law and the rules of the SEC and NASDAQ for audit committee membership and is an independent director within the meaning of applicable NASDAQ listing standards. Each Audit Committee member meets the NASDAQ's financial literacy requirements, and the Board has further determined that Mr. Gulkowitz is an Audit Committee financial expert, as defined in 401(h) of Regulation S-K promulgated by the SEC and also meets the NASDAQ's professional experience requirements. The Audit Committee acts pursuant to a written charter, which complies with the applicable provisions of the Sarbanes-Oxley Act of 2002 and related rules of the SEC and NASDAQ, which can be found on our website at www.amtrustgroup.com.

We have reviewed and discussed the audited financial statements with management and with our independent auditors. We met with our independent auditors, with and without management present, to discuss results of their examinations, their evaluation of our internal controls, and the overall quality of our financial reporting.

We have discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees. In addition, we received the written disclosures from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees and discussed with the independent auditors their independence, including a review of both audit and non-audit fees.

Based upon the review and discussions described in the preceding paragraph, we recommended to our Board that the audited financial statements of the Company be included in the Annual Report on Form 10-K for the year ended December 31, 2008 filed with the SEC.

PROPOSAL 2: RATIFICATION OF INDEPENDENT AUDITORS

The Audit Committee has appointed the firm of BDO Seidman, LLP, independent accountants, to be our independent auditors for the fiscal year ending December 31, 2009. Although not required by our bylaws or otherwise, the Board believes it is appropriate to seek shareholder ratification of this appointment. If ratification is not obtained, the Audit Committee intends to continue the employment of BDO Seidman, LLP at least through the end of the fiscal year ending December 31, 2009, but will consider shareholder input for future appointments.

A representative of BDO Seidman, LLP will be present at the Annual Meeting and will have the opportunity to make a statement if he or she desires to do so and to respond to appropriate questions from shareholders.

Before making its recommendation to the Board for appointment of BDO Seidman, LLP, the Audit Committee carefully considered that firm's qualifications as independent auditors for us, which included a review of BDO Seidman, LLP's performance last year, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee expressed satisfaction with BDO Seidman, LLP in these respects.

Audit and Non-Audit Fees

Our Audit Committee approves the fees and other significant compensation to be paid to our independent auditors for the purpose of preparing or issuing an audit report or related work. Our Audit Committee also preapproves all auditing services and permitted non-audit services, including the fees and terms thereof, to be performed for us by our independent auditors, subject to the de minimis exceptions for non-audit services described in the Exchange Act. Our Audit Committee delegates to our Audit Committee Chair preapproval authority for non-audit services up to \$25,000 subject to subsequent approval by the full Audit Committee at its next scheduled meeting. Our Audit Committee reviewed and discussed with BDO Seidman, LLP the following fees for services rendered for the 2008 fiscal year and considered the compatibility of non-audit services with BDO Seidman, LLP's independence. The following table presents the aggregate fees billed for professional services rendered to us by BDO Seidman, LLP, our principal auditors, and BDO International affiliate firms, for 2008 and 2007. Other than as set forth below, no professional services were rendered or fees billed by BDO Seidman, LLP or its international affiliates during 2008 and 2007.

BDO Seidman, LLP	2008	2007
Audit Fees ⁽¹⁾	\$ 2,175,270	\$ 1,665,000
Audit-Related Fees ⁽²⁾		
Tax Fees ⁽³⁾	6,330	
All Other Fees ⁽⁴⁾		
Total	\$ 2,181,600	\$ 1,665,000

Audit fees relate to professional services rendered for: (i) the audit of our annual financial statements and the reviews of our quarterly financial statements for the fiscal years ended December 31, 2008 and 2007, (ii) the reviews of our consolidated financial statements included in our Form 10-Q quarterly reports and (iii) services performed in connection with filings of registration statements and securities offerings.

(1) Audit-related fees relate to services rendered to us primarily related to benefit plan audits.

(2) Tax fees relate to services rendered to us for tax compliance, tax planning and advice.

(3) Other services performed include certain advisory services in connection with accounting research and do not include any fees for financial information systems design and implementation.

Pre-Approval Policies and Procedures of the Audit Committee

Pursuant to its charter, the Audit Committee pre-approves all audit and permitted non-audit services, including engagement fees and terms thereof, to be performed for us by the independent auditors, subject to the exceptions for certain non-audit services approved by the Audit Committee prior to the completion of the audit in accordance with Section 10A of the Securities Exchange Act of 1934, as amended. The Audit Committee must also pre-approve all internal control-related services to be provided by the independent auditors. The Audit Committee will generally pre-approve a list of specific services and categories of services, including audit, audit-related and other services, for the upcoming or current fiscal year, subject to a specified cost level. Any material service not included in the approved list of services must be separately pre-approved by the Audit Committee. In addition, all audit and permissible non-audit services in excess of the pre-approved cost level, whether or not such services are included on the pre-approved list of services, must be separately pre-approved by the Audit Committee.

The Audit Committee may form and delegate to a subcommittee consisting of one or more members (provided that such person(s) are Independent Directors) its authority to grant pre-approvals of audit, permitted non-audit services and internal control-related services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR RATIFICATION OF BDO SEIDMAN, LLP AS OUR AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2009.
