Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On November 12, 2010, the Company's Board approved amended and restated bylaws for the Company (the "By-Laws") to be effective immediately. The full text of the By-Laws is filed as Exhibit 3.1 to this Form 8-K.

The By-Laws amend the prior bylaws of the Company in the following principal respects:

1. Amend and restate Section 3 (Annual Meetings) to provide that the annual meeting of stockholders shall be held on the second Thursday of February in each year (or if a legal holiday, the next business day) unless otherwise provided by resolution of the Board.
2. Amend and restate Section 4 (Business Conducted at Annual Meeting) to:
 - . Specify that complying with the notice provisions of Section 4 shall be the exclusive means for a stockholder to submit business (other than nominations of directors and other than business properly brought under Rule 14a-8 under the Securities Exchange Act of 1934) before an Annual Meeting of Stockholders.
 - . Revise the notice period to bring such business from receipt at the Company's General Offices not less than 60 days or more than 90 days prior to the anniversary of the mailing of the preceding year's proxy materials for the preceding year's annual meeting of stockholders to receipt not less than 90 days or more than 120 days prior to the anniversary of the preceding annual meeting of stockholders.
 - . Make the same adjustment to the notice period if the meeting is advanced more than 30 days or delayed more than 60 days from the anniversary of the prior year's annual meeting.
 - . Require the notice to include the text of any resolution proposed for adoption and if the business includes amendment of the By-Laws, the text of the amendment.

Expand and add specificity to the information that the stockholder proponent must provide about his/her beneficial ownership of Company securities, including direct or indirect ownership of derivative instruments, proxies held, short interest and performance-related fees, and such other information that would be required to be disclosed in proxy statement related to a contested election of director; require a description of arrangements between the stockholder proponent and any other person in connection with the proposal; and require the stockholder proponent to make certain representations.

Effect several additional minor clarifications and revisions to Section 4.

3. Amend and restate Section 8 (Nomination of Directors) to:

Require any prospective nominee to complete a questionnaire that includes such background and qualifications as would be required to be disclosed to stockholders pursuant to applicable law or stock exchange rules.

Require any prospective nominee to represent that he/she will not enter into an agreement with any person as to how the nominee will vote if elected a director that has not been disclosed to the Company or any agreement that would limit or interfere with the prospective nominee's ability to comply with his/her fiduciary duties, that he/she will not enter into an agreement with any person for compensation for serving as a director that has not been disclosed and that he/she will comply with all corporate governance, conflict of interest, confidentiality and stock ownership and trading policies.

Revise the notice period for a stockholder to make such a nomination at an annual meeting from receipt at the Company's General Offices not less than 60 days or more than 90 days prior to the anniversary of the mailing of the preceding year's proxy materials for the preceding year's annual meeting of stockholders to receipt not less than 90 days or more than 120 days prior to the anniversary of the preceding annual meeting of stockholders.

Make the same adjustment to the notice period if the annual meeting is advanced more than 30 days or delayed more than 60 days from the anniversary of the prior year's annual meeting.

Revise the notice period for a stockholder to make such a nomination at a special meeting from receipt at the Company's General Offices not less than 60 days or more than 90 days prior to the special meeting of stockholders to receipt not less than 90 days or more than 120 days prior to special meeting of stockholders.

Extend the period when no Company announcement is made of all director nominees in the event the number of directors to be elected at the annual meeting is expanded from 70 to 100 days with respect to nominations of persons to be additional directors but retain the requirement that notice be provided within 10 days of public announcement.

- Expand and add specificity to the information that a nominating stockholder must provide in the notice to include a description of all material monetary agreements during the past three years and any other material relationships, between such stockholder and his/her affiliates and associates, or others acting in concert, on the one hand, and each proposed nominee, and his/her affiliates and associates, or others acting in concert, on the other hand, including all information that would be required to be disclosed pursuant to Rule 404 under Regulation S-K if the stockholder were a “registrant;” and require the nominating stockholder to make certain representations.
 - Clarify that the stockholder nominating procedure will not affect the rights of the holders of any series of preferred stock to elect directors pursuant to any provision of the Restated Certificate of Incorporation.
 - Effect several additional minor clarifications and revisions to Section 8.
4. Amend and restate Section 13 (Inspector of Election; Polls) to clarify that the inspector of elections may be an employee of the Company.

 - Make clear that if a stockholder (or qualified representative) does not appear at the annual or special meeting of stockholders to present a nomination or business proposed by such stockholder pursuant to Section 4 or 8, such nomination shall be disregarded and such proposed business shall not be transacted, and sets forth the requirements for a qualified representative of a stockholder.
 6. Add a new Section 72 (Forum Selection) to provide that the Court of Chancery of the State of Delaware shall be the exclusive forum for (i) any derivative action or proceeding brought on behalf of the Company, (ii) any action asserting a claim for breach of a fiduciary duty owed by any director or officer of the Company (iii) any action asserting a claim against the Company arising pursuant to any provision of the General Corporation Law of the State of Delaware or the Restated Certificate of Incorporation or the By-Laws, (iv) any action involving the Restated Certificate of Incorporation or the By-Laws, or (v) any action asserting a claim against the Company governed by the internal affairs doctrine.
