Item 11.

Executive Compensation

Compensation Overview

We are a “smaller reporting company” as such term is defined in Rule 405 of the Securities Act of 1933, as amended, and Item 10 of Regulation S-K. Accordingly, and in accordance with relevant SEC rules and guidance, we have elected, with respect to the disclosures required by Item 402 (Executive Compensation) of Regulation S-K, to comply with the disclosure requirements applicable to smaller reporting companies. This Compensation Overview section discusses the compensation programs and policies for our executive officers and the compensation committee’s role in the design and administration of these programs and policies in making specific compensation decisions for our executive officers, including our “named executive officers.”

Our compensation committee has the sole authority and responsibility to review and determine, or recommend to our board of directors for determination, the compensation package of our chief executive officer and each of our other named executive officers, each of whom is identified in the Summary Compensation Table below. Our compensation committee also considers the design and effectiveness of the compensation program for our other executive officers and approves the final compensation package, employment agreements and stock award and option grants for all of our executive officers. Our compensation committee is composed entirely of independent directors who have never served as officers of our company. Our compensation committee is authorized to engage compensation consultants, but did not do so in fiscal 2011.

Set forth below is a discussion of the policies and decisions that shape our executive compensation program, including the specific objectives and elements. Information regarding director compensation is included under the heading “Director Compensation” below.

General Executive Compensation Objectives and Philosophy

The objective of our executive compensation program is to attract, retain and motivate talented executives who are critical for our continued growth and success and to align the interests of these executives with those of our shareholders. To achieve this objective, besides annual base salaries, our executive compensation program utilizes a combination of annual incentives through cash bonuses and long-term incentives through equity-based compensation. In establishing overall executive compensation levels, our compensation committee considers a number of criteria, including the executive's scope of responsibilities, prior and current period performance and attainment of individual and overall company performance objectives and retention concerns. Our president and chief executive officer and our compensation committee believe that substantial portions of executive compensation should be linked to the overall performance of our company, and that the contribution of individuals over the course of the relevant period to the goal of building a profitable business and shareholder value will be considered in the determination of each executive's compensation.

Generally, our compensation committee reviews and, as appropriate, modifies compensation arrangements for executive officers in the first quarter of each fiscal year, subject to the terms of existing employment agreements with our named executive officers, as discussed below. For the fiscal year ended March 31, 2011, except for our president and chief executive officer's compensation, our compensation committee also considered our president and chief executive officer's executive compensation recommendations, which recommendations were presented at the time of our compensation committee's annual review of executive performance and compensation arrangements. In making such determinations, the compensation committee considered the overall performance of each executive and their contribution to the growth of our company and its products as well as overall company performance through personal and corporate achievements. As we are not yet cash-flow positive, the compensation committee considered each executive officer's contributions to brand growth, cost management and long-term value creation for our shareholders for the fiscal year ended March 31, 2011, as well as the retention of our executive officers.

Summary Compensation Table

Timing of Equity Grants

For all of our employees, including our named executive officers, grants of equity-based compensation are effective on the date that our compensation committee approves them. All stock option grants to employees, including named executive officers, are made with an exercise price at least equal to the fair market value of the underlying stock on the grant date. Our compensation committee does not grant equity compensation awards in anticipation of the release of material nonpublic information. Similarly, we do not time the release of material nonpublic information based on equity award grant dates.

Severance and Change in Control Benefits

We provide certain severance and change in control benefits to Messrs. Glover and Spillane. Information about these benefits is listed below under the heading “Potential Payments Upon Termination or Change in Control.”

Perquisites and Other Benefits

We generally provide the same health and welfare benefits to all of our full-time employees, including our named executive officers, including health and dental coverage, disability insurance, and paid holidays and other paid time off.

We maintain a 401(k) retirement savings plan for the benefit of all of our full-time employees, including our named executive officers.

Indemnification

Our articles of incorporation, as amended, and bylaws require us to indemnify our directors and officers to the fullest extent permitted by Florida law. We also have entered into indemnity agreements with each of our directors and named executive officers.

Material Tax Implications of Our Compensation Policy

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits the deductibility on our tax return of compensation over \$1 million to any of our named executive officers unless, in general, the compensation is paid under a plan which is performance-related, non-discretionary and has been approved by our shareholders. Our compensation committee’s policy with respect to section 162(m) is to make every reasonable effort to ensure that compensation is deductible to the extent permitted while simultaneously providing our executives with appropriate compensation for their performance. We did not pay any compensation during fiscal 2011 that would be subject to the limitations set forth in section 162(m).

Potential Payments Upon Termination or Change in Control

The following describes the potential payments upon termination or a change in control for our named executive officers.

Termination Without Cause

Under employment agreements with our named executive officers, if we terminate the executive’s employment without “cause,” we have agreed to pay the executive his annual base salary and a pro-rated bonus, and for Mr. Glover, provide benefits to maintain medical insurance, for 12 months following termination.

Also, if we terminate any of our named executive officers without “cause,” then such officer is entitled to accelerated vesting or other treatment of some or all of the stock options granted to such executive under the terms of such executive’s employment agreement.

For Mr. Glover, the vesting of any options held accelerates with respect to the number of shares of our common stock that equals (x) the number of shares that would have vested during the 12 months following termination, multiplied by (y) a fraction, the numerator of which is the number of full calendar months that have elapsed since the last vesting date or the original issue date (if a vesting date has not occurred) and the denominator of which is the number of full

calendar months from the last vesting date or the original issue date (if a vesting date has not occurred) to the vesting date during the 12 months following termination. For Mr. Spillane, any unvested options that would have become vested if his employment continued during the 12 month period following his termination will become vested at the end of such 12 month period and will be exercisable for a period of two years after termination.

For Mr. Glover, “cause” is defined as (i) personal dishonesty, (ii) willful misconduct, (iii) breach of fiduciary duty, (iv) failure to substantially perform assigned duties relating to his performance under his agreement, (v) conviction or entry of any plea of guilty or nolo contendere to any felony or other lesser crime that would require removal from his position with us (e.g. any alcohol or drug related misdemeanor) or (vi) material breach of any provision of his employment agreement for a period of 15 days after written demand by us.

For Mr. Spillane, “cause” is defined as (i) personal dishonesty, (ii) willful misconduct, (iii) breach of fiduciary duty, (iv) failure to substantially perform assigned duties relating to his performance under his agreement (other than due to becoming disabled) as reasonably determined by our board or (v) any willful violation of any law, rule or regulation (other than traffic violations or similar offenses) or material breach of his employment agreement as reasonably determined by our board.

Non-Renewal of Employment Agreement

If we do not renew the employment agreements, then such officer is entitled to receive his annual base salary and medical benefits for six months and a pro-rata share of his annual incentive bonus.

Termination Due to Disability

The employment agreements of Messrs. Glover and Spillane each provide that, in each case, if we terminate such executive due to a “disability,” we must pay such executive his annual base salary for a period of one year following the date of termination, minus any other disability benefits provided by us to the executive during this period, plus a pro-rated bonus for the year in which the termination occurs. For each of our named executive officers, a “disability” is defined in his employment agreement as a failure, because of illness or incapacity, to perform the duties of his employment for six months.

Termination by Employee with Good Reason

Each named executive officer’s employment agreement provides that if he terminates his employment for “good reason,” we have agreed to pay the executive his annual base salary and a pro-rated bonus, and for Mr. Glover, provide benefits to maintain medical insurance, for 12 months following termination.

For Mr. Glover, “good reason” means a termination of his employment within 30 days after (i) a material diminution in nature, title or status of his responsibilities, (ii) dissolution or divestiture of all or a significant portion of our assets or another material change to us that would materially adversely diminish the nature, title or status of his job responsibilities, (iii) a relocation of his principal place of work to a location of more than 50 miles from our current office or (iv) our failure to perform any obligation under his employment agreement for a period of 15 days following written notice by him. For Mr. Spillane, “good reason” means a termination of his employment within 30 days after (i) a material diminution in nature or status of his responsibilities, (ii) dissolution or divestiture of all or a significant portion of our assets or another material change to us that would materially adversely diminish the nature or status of his job responsibilities or (iii) our material breach of any provision under his employment agreement which is not cured within 15 business days following written notice by him.

Any severance payments described above under “Termination Without Cause,” “Non-Renewal of Employment Agreement,” “Termination Due to Disability” and “Termination by Employee with Good Reason” are in consideration of the non-compete provisions contained in each named executive officer’s employment agreement.

Each of our named executive officers is prohibited from, during the term of his employment and for 12 months thereafter, (1) competing with us, (2) soliciting our employees and (3) soliciting our customers.

Change in Control

If any of our named executive officers is terminated following or in connection with a “change of control” of our company (as defined for each executive below), by the executive for “good reason” or by our company or its successor without “cause,” all unvested stock options granted to the executive will vest without further action on the date of

termination and all stock options granted to the executive will be exercisable during the remainder of their original terms.

For Messrs. Glover and Spillane, a “change of control” is defined as (i) any person becoming the beneficial owner of 35% or more of our outstanding voting stock, other than directly from us; (ii) a merger or consolidation of our company where 49% or more of the voting stock of the surviving company is held by persons other than our former shareholders; (iii) during any period of two consecutive years, individuals who at the beginning of such period were members of our board of directors cease to constitute at least a majority thereof (unless the appointment, election or the nomination for election by our shareholders of each new director was approved by a vote of at least two-thirds of the directors then still in office who were directors at the beginning of such period); or (iv) a sale or disposal of substantially all of our assets to an outside entity or entities. Subclause (i) of the prior sentence will not apply to any acquisition of our securities by Dr. Frost, any member of his immediate family, any “person” or “group” (as used in Section 13(d)(3) of the Exchange Act) that is controlled by Dr. Frost or any member of his immediate family, any beneficiary of the estate of Dr. Frost, or any trust, partnership, corporate or other entity controlled by any of the foregoing.

The following table quantifies for each named executive officer the estimated potential severance payments and benefits that would be provided, if each termination circumstance set forth below occurred on March 31, 2011.

Named Executive Officer	Severance Payment	Estimated Value of Benefits (1)	Benefit of Acceleration for Vesting of Option Awards (2)

(1) Estimated using the value of COBRA payments at the rates in effect on March 31, 2011.

(2) The estimated amount of benefit was calculated by multiplying the number of options that would accelerate vesting upon the termination circumstance indicated by the difference between the closing price of our common stock on March 31, 2011, which was \$0.33 and the exercise price of the stock option. This column shows no benefit for Mr. Lampen since the exercise price for his stock options was above the closing price of our common stock at March 31, 2011. This column shows a benefit for each of Messrs. Glover and Spillane due to the accelerated vesting of option awards granted to each such named executive officer.

(3) Severance payments would be paid out over the duration of the severance period.

(4) The change in control provisions of Mr. Glover's employment agreement were amended on July 26, 2011. The estimated potential severance payments and benefits listed in the table are those that would be provided to Mr. Glover under his employment agreement, as amended.

Item 13. Certain Relationships and Related Transactions, and Director Independence

Related party policy

Our code of conduct requires us to avoid related party transactions that could result in actual or potential conflicts of interest, except under guidelines approved by our board or audit committee. Related-party transactions are defined as transactions in which:

- the aggregate amount involved is expected to exceed \$120,000 in any calendar year;
- we or any of our subsidiaries is a participant; and
- any (a) executive officer, director or director nominee, (b) 5% or greater beneficial owner of our common stock, or (c) immediate family member, of the persons listed in clauses (a) and (b), has or will have a material interest (other than solely as a result of being a director or a less than 10% beneficial owner of another entity).

A conflict of interest can arise when a person takes actions or has interests that may make it difficult for such person to perform his or her work objectively and effectively. Conflicts of interest may also arise if a person, or a member of his or her family, receives improper personal benefits as a result of his or her position. Our audit committee, under its charter, reviews and approves related-party transactions to the extent we enter into such transactions.

The audit committee considers all relevant factors when determining whether to approve a related party transaction, including:

- whether the transaction is on terms no less favorable to us than terms generally available to an unaffiliated third-party under the same or similar circumstances; and
- the extent of the related party's interest in the transaction.

A director may not participate in the approval of any transaction in which he is a related party, but must provide the audit committee with all material information concerning the transaction. Also, we require each of our directors and executive officers to complete a directors' and officers' questionnaire annually that elicits information about related-party transactions. These procedures are intended to determine whether any such related party transaction impairs the independence of a director or presents a conflict of interest on the part of a director, employee or officer.

Related party transactions

Relationship with I.L.A.R. S.p.A.

Since August 2004, we have had an agreement with I.L.A.R. S.p.A., which became a more than 5% shareholder in October 2008, under which we are the exclusive U.S. importer for Pallini Limoncello and its flavor extensions. In January 2011, we entered into an agreement with Pallini Internazionale S.r.l. ("Pallini"), as successor in interest to I.L.A.R., regarding the importation and distribution of certain Pallini brand products, under which the exclusive territory is the fifty states of the United States of America and the District of Columbia, but does not include Puerto Rico, overseas territories or military bases of the United States that were included in the August 2004 agreement. The January 2011 agreement supersedes our August 2004 agreement with I.L.A.R. S.p.A. The terms of the January 2011 agreement were effective as of April 1, 2010. Ms. Pallini, one of our directors, is a director and the head of production of I.L.A.R. S.p.A. For the fiscal years ended March 31, 2011 and March 31, 2010, we purchased \$2,948,625 and \$2,590,646 of goods from Pallini, respectively. As of March 31, 2011 Pallini owed us \$216,361 for

its share of marketing expense. Also, as of March 31, 2011 and 2010, we were indebted to Pallini for \$695,270 and \$32,215, respectively.

Agreement with MHW LTD.

Since April 1998, we and our predecessor have had an agreement with MHW Ltd., through which MHW acted as importer of record and distributor for our products in the United States, and provides accounting, inventory, payment, transportation and storage services for us. Mr. Beaudette, one of our directors, is the president and a principal shareholder of MHW and MHW has a 10% ownership interest in our Celtic Crossing brand. For the fiscal years ended March 31, 2011 and March 31, 2010, we incurred fees for services rendered by MHW in the amounts of \$32,152 and \$291,262, respectively.

Agreements with Ladenburg Thalmann & Co. Inc. and Ladenburg Thalmann Financial Services Inc.

In November 2008, we entered into an agreement to reimburse Ladenburg Thalmann Financial Services Inc, the parent of Ladenburg Thalmann & Co. Inc., for its costs in providing certain administrative, legal and financial services to us. Mr. Lampen, our president and chief executive officer and a director, is the president and chief executive officer and a director of Ladenburg Thalmann Financial Services Inc. Dr. Frost, one of our directors, is the chairman and principal shareholder of Ladenburg Thalmann Financial Services Inc. Mr. Beinstein, one of our directors, is a director of Ladenburg Thalmann Financial Services Inc. For the fiscal years ended March 31, 2011 and 2010, Ladenburg Thalmann Financial Services Inc. was paid \$124,450 and \$200,055, respectively, under this agreement.

Ladenburg Thalmann & Co. Inc. acted as our placement agent in connection with the June 2011 financing transaction described below under the heading "June 2011 Financing Transaction." As placement agent for that offering, we paid Ladenburg Thalmann & Co. Inc. aggregate placement fees of approximately \$40,000 and issued to Ladenburg Thalmann & Co. Inc. a warrant to purchase 30,838 shares of our common stock.

Loans from Certain Executive Officers, Directors and Shareholders

In December 2010, we issued promissory notes in the aggregate principal amount of \$1,000,000 to Frost Gamma Investments Trust, an entity affiliated with Dr. Frost, Vector Group Ltd., an entity for whom Mr. Lampen is the executive vice president and Mr. Beinstein is a director, IVC Investors, LLLP, an entity affiliated with Mr. Halpryn, one of our directors, Mr. Andrews, our chairman of the board, and Mr. Lampen. Borrowings under these notes mature on June 21, 2012 and bear interest at a rate of 11% per year. Interest is accrued quarterly and is due at maturity. These notes may be prepaid in whole or in part at any time prior to maturity without penalty, but with payment of accrued interest to the date of prepayment. These notes do not contain any financial covenants. As of March 31, 2011, \$1,030,000 consisting of \$1,000,000 of principal and \$30,000 of accrued interest was outstanding under these notes. \$1,000,000 of principal under these notes, and accrued but unpaid interest thereon, will be converted to Series A Preferred Stock and warrants as part of the June 2011 financing transaction described below under the heading "June 2011 Financing Transaction," if we obtain shareholder approval of such transaction.

In June 2010, we issued a \$2,000,000 note to an affiliate of Dr. Frost. Borrowings under this note mature on June 21, 2012 and bear interest at a rate of 11% per annum. Interest is accrued quarterly and due at maturity. This note may be prepaid in whole or in part at any time prior to maturity without penalty, but with payment of accrued interest to the date of prepayment. The note does not contain any financial covenants. As of March 31, 2011, \$2,200,000, consisting of \$2,000,000 of principal and \$200,000 of accrued interest was outstanding under the note. \$2,000,000 of principal under these notes, and accrued but unpaid interest thereon, will be converted to Series A Preferred Stock and warrants as part of the June 2011 financing transaction described below under the heading "June 2011 Financing Transaction," if we obtain shareholder approval of such transaction.

In December 2009, we entered into a \$2,500,000 revolving credit agreement with, among others, Frost Gamma Investments Trust, Vector Group Ltd., IVC Investors, LLLP, and Messrs. Andrews and Lampen. Under the credit agreement, we may borrow from time to time up to \$2,500,000 to be used for working capital or general corporate purposes. Borrowings under the credit agreement mature on April 1, 2013 and bear interest at a rate of 11% per year, payable quarterly. The credit agreement requires us to pay an aggregate commitment fee of \$75,000 payable to the lenders over the three-year period. The note issued under the credit agreement contains customary events of default, which if uncured, entitle the holders to accelerate the due date of the unpaid principal amount of, and all accrued and unpaid interest on, such note. Amounts may be repaid and reborrowed under the revolving credit agreement without penalty. At March 31, 2011, the note was secured by approximately \$8,700,000 of inventory and approximately \$5,100,000 in trade accounts receivable of Castle Brands (USA) Corp. under a security agreement. Approximately \$500,000 outstanding under this facility, and accrued but unpaid interest thereon, will be converted to Series A

Preferred Stock and warrants as part of the June 2011 financing transaction described below under the heading “June 2011 Financing Transaction,” if we obtain shareholder approval of such transaction. We have borrowed the full amount available under the credit agreement as of June 29, 2011. For the fiscal year ended March 31, 2011, we paid total interest of \$172,733 to related parties under the credit agreement. For each of the fiscal years ended March 31, 2011 and 2010, we paid \$25,000 of the commitment fee under the credit agreement.

In connection with the September 2009 Betts & Scholl acquisition, we issued a secured promissory note in the aggregate principal amount of \$1,100,000 to Betts & Scholl, LLC, an entity affiliated with Mr. Scholl, one of our directors. The note is secured under a security agreement by the Betts & Scholl inventory acquired. The note provides for an initial payment of \$300,000, paid at closing, and for eight equal quarterly payments of principal and interest, with the final payment due on September 21, 2011. Interest under the note accrues at an annual rate of 0.84%, compounded quarterly. The note contains customary events of default, which if uncured, entitle the holder to accelerate the due date of the unpaid principal amount of, and all accrued and unpaid interest on, the note. In December 2010, we entered into a letter agreement amending the terms of the note with Betts & Scholl, LLC, that provides that the quarterly installment payments of principal and interest due December 21, 2010 and March 21, 2011, each in the amount of approximately \$107,000, will not be due and payable until the maturity date of such note and that such installment payments will bear interest, payable on such maturity date, at the rate of 11% per annum, compounded quarterly. Approximately \$107,000 of this note will be converted to Series A Preferred Stock and warrants as part of the June 2011 financing transaction described below under the heading "June 2011 Financing Transaction," if we obtain shareholder approval of such transaction. For the fiscal years ended March 31, 2011 and 2010, we paid \$212,271 in principal and \$2,437 in interest and \$461,207 in principal and \$3,501 in interest, respectively, under the Betts & Scholl note.

Agreement with Vector Group Ltd.

In November 2008, we entered into a management services agreement with Vector Group Ltd., a more than 5% shareholder, under which Vector Group agreed to make available to us the services of Richard J. Lampen, Vector Group's executive vice president, effective October 11, 2008 to serve as our president and chief executive officer and to provide certain other financial and accounting services, including assistance with complying with Section 404 of the Sarbanes-Oxley Act of 2002. In consideration for such services, we agreed to pay Vector Group an annual fee of \$100,000, plus any direct, out-of-pocket costs, fees and other expenses incurred by Vector Group or Mr. Lampen in connection with providing such services, and to indemnify Vector Group for any liabilities arising out of the provision of the services. The agreement is terminable by either party upon 30 days' prior written notice. For the fiscal years ended March 31, 2011 and March 31, 2010, we paid Vector Group \$105,326 and \$128,510, respectively, under this agreement. Mr. Beinstein, a director of our company, is also a director of Vector Group.

June 2011 Financing Transaction

On June 8, 2011, we entered into two Securities Purchase Agreements ("Securities Purchase Agreements"), between us and purchasers ("Purchasers"), under which the Purchasers agreed to purchase an aggregate of approximately \$2,155,000 of our newly-designated Series A Preferred Stock, for its stated value of \$1,000 per share ("Stated Value"), and warrants to purchase 50% of the number of shares of our common stock issuable upon conversion of such Series A Preferred Stock in a private offering. Subject to adjustment, the Series A Preferred Stock is convertible into shares of our common stock at a conversion price of \$0.304 per share and the warrants have an exercise price of \$0.38 per share. The closing sale price of our common stock was \$0.28 per share on June 7, 2011, the day before we executed the Securities Purchase Agreements.

Also on June 8, 2011, we entered into a Securities Purchase Agreement ("Affiliate Purchase Agreement"), with directors, officers and other affiliates of ours ("Affiliate Purchasers"), under which the Affiliate Purchasers agreed to purchase an aggregate of approximately \$1,005,000 of Series A Preferred Stock and warrants on substantially the same terms as under the Securities Purchase Agreements, subject to shareholder approval of such issuance under NYSE Amex rules. Pending shareholder approval, we issued an aggregate of approximately \$1,005,000 in promissory notes ("Temporary Notes") to the Affiliate Purchasers, which together with accrued but unpaid interest thereon will convert automatically into Series A Preferred Stock and warrants following shareholder approval. The Temporary Notes bear interest at a rate of 10% per year and mature 18 months from the date of issuance, subject to

prior conversion upon shareholder approval. The Affiliate Purchasers include Frost Gamma Investments Trust (\$600,000), Mr. Lampen (\$50,000), Mr. Andrews and certain of his affiliates (\$300,000), Mr. Glover, our chief operating officer (\$50,000), and Mr. Small, our senior vice president, chief financial officer, secretary and treasurer (\$5,000).

Also on June 8, 2011, we entered into an Exchange Agreement (“Exchange Agreement” and together with the Securities Purchase Agreements and the Affiliate Purchase Agreement, the “Purchase Agreements”), with holders of our outstanding debt, including directors, officers and other affiliates of ours (“Exchange Purchasers”), under which the Exchange Purchasers agreed to purchase Series A Preferred Stock and warrants in exchange for approximately \$3,607,000 aggregate principal amount of our existing debt, and accrued but unpaid interest thereon, on substantially the same terms as the Securities Purchase Agreement and the Affiliate Purchase Agreement, subject to shareholder approval. The Exchange Purchasers of our existing debt include Frost Gamma Investments Trust (\$2,500,000), Vector Group Ltd. (\$200,000), Mr. Lampen (\$200,000), Mr. Andrews (\$200,000), IVC Investments, LLP (\$200,000), and Betts & Scholl, LLC (which agreed to convert principal, but not accrued but unpaid interest thereon) (\$107,354).

The offering of the Series A Preferred Stock and warrants was made in reliance upon the exemption from registration under Section 4(2) of the Securities Act and Regulation D promulgated thereunder. The shares Series A Preferred Stock and warrants issued and issuable under the Purchase Agreements, including the shares of common stock issuable upon the conversion of the Series A Preferred Stock or exercise of the warrants, will be “restricted securities” as that term is defined by Rule 144 under the Securities Act, until such time as such shares are registered for resale under the Securities Act. We also entered into a Registration Rights Agreement, dated as of June 8, 2011, with the Purchasers, Affiliate Purchasers and Exchange Purchasers under which we agreed to register for resale the shares of common stock issuable upon conversion of the Series A Preferred Stock and exercise of the warrants.

A special committee of our board, which consisted solely of independent directors, recommended to our board the approval of the transactions contemplated by the Purchase Agreements. Holders of approximately 41.7% of our outstanding common stock have agreed to vote their shares in favor of the transactions.

Independence of Directors

We follow the NYSE Amex rules in determining if a director is independent. Our board of directors also consults with our counsel to ensure that the board’s determination is consistent with those rules and all other relevant laws and regulations regarding director independence. Consistent with these considerations, our board of directors has determined that Messrs. Beaudette, Beinstein, Eisen, Halpryn and Rubin are independent directors. The other remaining directors may not be deemed independent under the NYSE Amex rules because they currently have relationships with us that may result in them being deemed not “independent.” All members of our audit, compensation and nominating and corporate governance committees are independent. The members of our audit committee are also independent under Rule 10A-3 under the Exchange Act.
