Item 8.01 Other Events

On February 27, 2014, Service Corporation International (the “Company”) announced a settlement of the lawsuit involving, among others, our cemetery Eden Memorial Park. In the discussion of the lawsuit in our recently filed Form 10-K, the lawsuit is styled *Robert Scott, individually and on behalf of all others similarly situated, v. Eden Memorial Park, et al. (previously styled F. Charles Sands, et al. v. Eden Memorial Park, et al.)* Case No. BC421528; in the Superior Court of the State of California for the County of Los Angeles - Central District. This case involves an alleged class action for burial practice claims regarding the cemetery.

On February 27, 2014, the trial court preliminarily approved the settlement agreement executed by the parties to the case. All claims under the lawsuit will be released if final court approval of the settlement is obtained. The terms of the settlement call for the establishment of a settlement fund of \$35,250,000, to which various SCI insurance carriers will contribute \$25,250,000 and the Company will contribute the balance. Other provisions call for, among other things, the Company to contribute up to \$250,000 toward claims administration costs and take certain actions in performing future burials. In addition, the Company reserves the right to cancel the settlement in the event a certain number of class members opt out of the settlement. The settlement of this matter will result in a one-time charge of \$10.25 million, net of insurance recoveries, which will be reflected as a Corporate General & Administrative expense in our first quarter Statement of Operations.
