## EXPLANATORY NOTE

This Current Report on Form 8-K is being filed for the purpose of establishing Macquarie Infrastructure Corporation, a Delaware corporation (the “Company”) as the successor issuer to Macquarie Infrastructure Company LLC, a Delaware limited liability company (the “Predecessor”) with respect to the Company’s Common Stock (as defined below) pursuant to Rule 12g3-2(a) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and to disclose certain related matters.

On May 21, 2015, the Predecessor consummated a conversion (the “Conversion”) whereby it converted from a Delaware limited liability company to a Delaware corporation. The Company is the successor corporation resulting from the Conversion. The Conversion was consummated pursuant to a plan of conversion dated as of April 10, 2015. At the effective time of the Conversion, each outstanding limited liability company interest of the Predecessor automatically converted into one share of common stock, par value \$0.001 per share (“Common Stock”), of the Company.

In connection with the consummation of the Conversion, the Common Stock has been approved for listing on the New York Stock Exchange (“NYSE”), and commenced trading on May 21, 2015 on an uninterrupted basis under the trading symbol “MIC”.

Pursuant to Rule 12g3-2(a) under the Exchange Act, the outstanding limited liability company interests issued by the Predecessor and listed on the NYSE, which automatically converted to Common Stock upon the consummation of the Conversion, are now deemed to be issued by the Company and registered under Section 12(b) of the Exchange Act. Holders of these securities and holders of our outstanding debt securities need not take any further action in order to effectuate the Conversion.

### **Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard Transfer of Listing**

In connection with the consummation of the Conversion, the Predecessor notified the NYSE that each limited liability company interest of the Predecessor issued and outstanding immediately prior to the Conversion would be converted on a one-for-one basis into one share of Common Stock of the Company. The Predecessor requested that the NYSE (i) suspend trading in the Predecessor’s limited liability company interests as of the open of business on May 21, 2015, and (ii) file with the SEC an application on Form 25 to report that the Predecessor’s limited liability company interests are no longer listed on the NYSE. On May 21, 2015, (i) the NYSE suspended trading of the Predecessor’s limited liability company interests prior to the open of business, and (ii) the Common Stock commenced trading on the NYSE on an uninterrupted basis under the trading symbol “MIC.” The Company intends to file with the SEC a Form 15 under the Exchange Act, requesting the deregistration of the Predecessor’s limited liability interests and the suspension of the Predecessor’s reporting obligations under the Exchange Act with respect to such limited liability company interests.

**Item 3.03**

**Material Modification to the Rights of Security Holders**

Upon the consummation of the Conversion, each issued and outstanding limited liability company interest of the Predecessor was converted into one share of Common Stock of the Company.

**Item 8.01**
