

RITE AID CORP  
Form 425  
May 15, 2018

Filed by Rite Aid Corporation

Pursuant to Rule 425 under the Securities Act of 1933

and deemed filed pursuant to Rule 14a-12

under the Securities and Exchange Act of 1934

Subject Company: Rite Aid Corporation

Commission File No.: 001-05742

On May 15, 2018, Rite Aid Corporation (“Rite Aid”) filed a Current Report on Form 8-K with the following information:

As previously disclosed, on February 18, 2018, Rite Aid entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Albertsons Companies, Inc., a Delaware corporation (“Albertsons”), Ranch Acquisition II LLC and Ranch Acquisition Corp. in connection with the previously announced merger (the “Merger”) between Rite Aid and Albertsons. Consummation of the Merger remains subject to various closing conditions, including but not limited to the approval of the Merger Agreement by holders of a majority of the outstanding shares of Rite Aid stock entitled to vote on the Merger.

On May 15, 2018, Rite Aid and Albertsons will present to analysts certain information regarding the combined company (the “Analyst Presentation”). A copy of the Analyst Presentation is being furnished as Exhibit 99.1 to this Form 8-K. The Analyst Presentation is subject to a number of assumptions as more fully set forth in the Analyst Presentation and actual results could differ from those included in the Analyst Presentation, and such differences may be material. The Analyst Presentation is for illustrative purposes only and should not be viewed in replacement of results prepared in compliance with Generally Accepted Accounting Principles or any pro forma financial statements subsequently prepared in accordance with rules and regulations of the Securities and Exchange Commission (the “SEC”).

The Analyst Presentation includes the non-GAAP financial measures about the companies, “Adjusted EBITDA,” and “Pro Forma Adjusted EBITDA.” Rite Aid uses these non-GAAP measures in assessing its performance in addition to net income, operating income and gross profit, the most directly comparable GAAP financial measures. A reconciliation of Adjusted EBITDA and Pro Forma Adjusted EBITDA is included in the Analyst Presentation, which is furnished as Exhibit 99.1 hereto.

Rite Aid believes Adjusted EBITDA serves as an appropriate measures in evaluating the performance of its business and helps analysts and investors to evaluate ongoing results of operations, when considered alongside other GAAP measures, such as net income, operating income and gross profit. Rite Aid defines Adjusted EBITDA as net income (loss) excluding the impact of income taxes, interest expense, depreciation and amortization, LIFO adjustments, charges or credits for facility closing and impairment, inventory write-downs related to store closings, debt retirements, the previously received Walgreens Boots Alliance, Inc. (“WBA”) merger termination fee, and other items (including stock-based compensation expense, merger and acquisition-related costs, severance and costs related to distribution center closures, gain or loss on sale of assets and revenue deferrals related to Rite Aid’s customer loyalty program). Rite Aid references this non-GAAP financial measure frequently in its decision-making because it provides supplemental information that facilitates internal comparisons to historical periods and external comparisons to competitors. In addition, incentive compensation is based in part on Adjusted EBITDA and Rite Aid bases certain of its forward-looking estimates and budgets on Adjusted EBITDA.

Rite Aid defines Pro Forma Adjusted EBITDA as Adjusted EBITDA plus the fees that would have been earned under the Transition Services Agreement (the “TSA”) with WBA for the relevant period, and in order to improve comparability, Pro Forma Adjusted EBITDA further adjusts results so that periods contain the same number of weeks.

The information being furnished pursuant to this “Item 7.01 Regulation FD Disclosure” shall not be deemed to be “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section and shall not be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended (the “Securities Act”), or the Exchange Act regardless of any general incorporation language in such filing.

The Leader in Food, Health and Wellness Analyst Day Presentation May 15, 2018

**FORWARD LOOKING STATEMENTS** 2 Important Notice Regarding Forward - Looking Statements This communication contains certain “forward - looking statements” within the meaning of the Securities Act of 1933 and the Securities Exchange Act of 1934 , both as amended by the Private Securities Litigation Reform Act of 1995 . Statements that are not historical facts, including statements about the pending merger between Rite Aid Corporation (“Rite Aid”) and Albertsons Companies, Inc . (“Albertsons”) and the transactions contemplated thereby, and the parties perspectives and expectations, are forward looking statements . Such statements include, but are not limited to, statements regarding the benefits of the proposed merger, integration plans, guidance, expected synergies and revenue opportunities, anticipated future financial and operating performance and results, including estimates for growth and deleveraging goals, the expected management and governance of the combined company, and the expected timing of the transactions contemplated by the merger agreement . The words “expect,” “believe,” “estimate,” “intend,” “plan,” “goal,” “project,” “target” and similar expressions indicate forward - looking statements . These forward - looking statements are not guarantees of future performance and are subject to various risks and uncertainties, assumptions (including assumptions about general economic, market, industry and operational factors), known or unknown, which could cause the actual results to vary materially from those indicated or anticipated . Such risks and uncertainties include, but are not limited to, risks related to the expected timing and likelihood of completion of the pending merger, including the risk that the transaction may not close due to one or more closing conditions to the transaction not being satisfied or waived, such as regulatory approvals not being obtained, on a timely basis or otherwise, or that a governmental entity prohibited, delayed or refused to grant approval for the consummation of the transaction or required certain conditions, limitations or restrictions in connection with such approvals, or that the required approval of the merger agreement by the stockholders of Rite Aid was not obtained ; risks related to the ability of Albertsons and Rite Aid to successfully integrate the businesses ; the occurrence of any event, change or other circumstances that could give rise to the termination of the merger agreement (including circumstances requiring Rite Aid to pay Albertsons a termination fee pursuant to the merger agreement) ; the risk that there may be a material adverse change of Rite Aid or Albertsons ; risks related to disruption of management time from ongoing business operations due to the proposed transaction ; the risk that any announcements relating to the proposed transaction could have adverse effects on the market price of Rite Aid’s common stock, and the risk that the proposed transaction and its announcement could have an adverse effect on the ability of Rite Aid to retain customers and retain and hire key personnel and maintain relationships with their suppliers and customers and on their operating results and businesses generally ; risks related to successfully integrating the businesses of the companies, which may result in the combined company not operating as effectively and efficiently as expected ; the risk that the combined company may be unable to achieve cost - cutting synergies or it may take longer than expected to achieve those synergies ; and risks associated with the financing of the proposed transaction . A further list and description of risks and uncertainties can be found in Rite Aid’s Annual Report on Form 10 - K for the fiscal year ended March 3 , 2018 filed with the Securities and Exchange Commission (“SEC”) and in the registration statement on Form S - 4 , that was filed with the SEC by Albertsons on April 6 , 2018 , as amended by Amendment No . 1 to the registration statement on Form S - 4 filed with the SEC on May 15 , 2018 , as it may be further amended, in connection with the proposed merger, and other documents that the parties may file or furnish with the SEC, which you are encouraged to read . Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those indicated or anticipated by such forward - looking statements . Accordingly, you are cautioned not to place undue reliance on these forward - looking statements . Forward - looking statements relate only to the date they were made, and Rite Aid undertakes no obligation to update forward - looking statements to reflect events or circumstances after the date they were made except as required by law or applicable regulation . All information regarding Rite Aid assumes completion of Rite Aid’s previously announced transaction with Walgreens Boots Alliance, Inc . There can be no assurance that the consummation of such transaction will be completed on a timely basis, if at all . For further information on such transaction, see Rite Aid’s Form 8 - K filed with the SEC on March 28 , 2018 .

**FORWARD LOOKING STATEMENTS (CONT'D) 3 Additional Information and Where to Find It** In connection with the proposed merger involving Rite Aid and Albertsons, Rite Aid and Albertsons have prepared and Albertsons has filed with the SEC on April 6, 2018 a registration statement on Form S - 4, as amended by Amendment No. 1 to the registration statement on Form S - 4 filed with the SEC on May 15, 2018, as it may be further amended, that includes a proxy statement of Rite Aid that also constitutes a prospectus of Albertsons. The registration statement is not yet final and will be amended. Rite Aid will mail the proxy statement/prospectus and a proxy card to each stockholder entitled to vote at the special meeting relating to the proposed merger. Rite Aid and Albertsons also plan to file other relevant documents with the SEC regarding the proposed merger. **INVESTORS ARE URGED TO READ THE DEFINITIVE PROXY STATEMENT/PROSPECTUS WHEN IT BECOMES AVAILABLE, AS WELL AS OTHER DOCUMENTS FILED WITH THE SEC, BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION. RITE AID'S EXISTING PUBLIC FILINGS WITH THE SEC SHOULD ALSO BE READ, INCLUDING THE RISK FACTORS CONTAINED THEREIN.** Investors and security holders may obtain copies of the Form S - 4, including the proxy statement/prospectus, as well as other filings containing information about Rite Aid, free of charge, from the SEC's Web site ([www.sec.gov](http://www.sec.gov)). Investors and security holders may also obtain Rite Aid's SEC filings in connection with the transaction, free of charge, from Rite Aid's Web site ([www.RiteAid.com](http://www.RiteAid.com)) under the link "Investor Relations" and then under the tab "SEC Filings," or by directing a request to Rite Aid, Byron Purcell, Attention: Senior Director, Treasury Services & Investor Relations. Copies of documents filed with the SEC by Albertsons will be made available, free of charge, on Albertsons' website at [www.albertsoncompanies.com](http://www.albertsoncompanies.com). Participants in Solicitation Rite Aid, Albertsons and their respective directors, executive officers and employees and other persons may be deemed to be participants in the solicitation of proxies from the holders of Rite Aid common stock in respect of the proposed transaction. Information regarding Rite Aid's directors and executive officers is available in its definitive proxy statement for Rite Aid's 2017 annual meeting of stockholders filed with the SEC on June 7, 2017, as modified or supplemented by any Form 3 or Form 4 filed with the SEC since the date of such definitive proxy statement. Information about the directors and executive officers of Albertsons is set forth in the registration statement on Form S - 4, including the proxy statement/prospectus, that has been filed with the SEC on April 6, 2018, as amended by Amendment No. 1 to the registration statement on Form S - 4 filed with the SEC on May 15, 2018, as it may be further amended. Other information regarding the interests of the participants in the proxy solicitation may be included in the definitive proxy statement/prospectus when it becomes available. These documents can be obtained free of charge from the sources indicated above.

**Non - Solicitation** This communication shall not constitute an offer to sell or the solicitation of an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offer of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended.

**Non - GAAP measures** This presentation includes certain non - GAAP measures, including EBITDA (Earnings before interest, tax, depreciation, and amortization), Adjusted EBITDA, pro forma Adjusted EBITDA, Adjusted EBITDA margin, free cash flow, free cash flow conversion ratio and net debt (collectively, the "Non - GAAP Measures"). These Non - GAAP Measures are performance measures that provide supplemental information that Albertsons and Rite Aid believe are useful to analysts and investors to evaluate ongoing results of operations, when considered alongside other GAAP measures such as net income, operating income and gross profit. These Non - GAAP Measures exclude the financial impact of items management does not consider in assessing the ongoing operating performance of Albertsons, Rite Aid or the combined company, and thereby facilitate review of its operating performance on a period - to - period basis. Other companies may have different capital structures or different lease terms, and comparability to the results of operations of Albertsons, Rite Aid or the combined company may be impacted by the effects of acquisition accounting on its depreciation and amortization. As a result of the effects of these factors and factors specific to other companies, Albertsons and Rite Aid believe these Non - GAAP measures provide helpful information to analysts and investors to facilitate a comparison of their operating performance to that of other companies. The appendix to this presentation includes a reconciliation of Adjusted EBITDA and pro forma Adjusted EBITDA to net income, which is the most directly comparable GAAP financial measures. The appearance of Non - GAAP Measures in this presentation should not be construed as an inference that

its future results will be unaffected by unusual or non - recurring items . Except as otherwise noted herein, a reconciliation of Non - GAAP Measures has not been provided because such reconciliation could not be produced without unreasonable effort .

**ALBERTSONS Q4'17 RESULTS** Total sales during Q4'17 increased 1.6% to \$14.0bn compared to \$13.8bn in Q4'16 primarily due to ID sales increase of 0.6% and higher fuel sales, principally driven by higher average pump prices – ID sales improved sequentially by 240 basis points compared to the third quarter as a result of investments in promotions and price Excluding fuel, gross margin during Q4'17 decreased 30 basis year over year primarily due to investments in promotions and price to drive identical store sales as well as higher shrink expense due to system conversions – Although shrink increased year over year, we experienced sequential improvement in shrink expense as a percentage of sales from Q3'17 to Q4'17 Adjusted EBITDA during Q4'17 increased \$25m to \$712m or 5.1% of sales – The increase in Adjusted EBITDA was primarily driven by our sales growth partially offset by our investments in promotions and prices Capex increased to \$415m in the quarter as we continue to focus on remodels and accelerated investment in our Digital & eCommerce technology

ALBERTSONS' FY'18 GUIDANCE \$2,398 ~\$170 ~\$100 ~\$30 ~\$2,700 EBITDA FY 2017A Inventory Shrink Improvement Remaining Safeway Synergies Other EBITDA FY 2018E (\$ in millions) 101 Source: Management estimates. (1) Based on FY 2018E Albertsons management outlook as reported in Albertsons' Form 8 - K filed with the SEC on April 11, 2018. (2) Represents estimates for FY'19E ending February 2019. (3) Includes offset of union contract, minimum wage and other normal cost increases. FY'18 Outlook (1) We expect continuation of positive ID sales momentum and ID sales to growth of 1.5% to 2.0% in FY'18 We expect continued improvement in our operating results and are confident in achieving EBITDA of ~\$2,700m, which is primarily attributable to: – \$170m of improvement in shrink expense (30 bps), which had been elevated in part by system conversion activities – \$100m of incremental Safeway synergies from DC consolidation and elimination of TSA fees paid to SUPERVALU as we convert all remaining stores in Jewel, Shaws and Acme and associated DCs – \$30m of other items include identified cost reduction initiatives, margin improvement from increasing Own Brands penetration and fresh mix - shift, partially offset by union contract, minimum wage and other normal cost increases We expect to spend ~\$1.2bn in Capex in FY'18 Continue to upgrade our stores by focusing on remodels and resets, accelerate investment in technology, eCommerce, supply chain automation as well as file buys FY'17 – FY'8E Adj. EBITDA Bridge (2) (3)

## Important Notice Regarding Forward-Looking Statements

This communication contains certain “forward-looking statements” within the meaning of the Securities Act and the Exchange Act, both as amended by the Private Securities Litigation Reform Act of 1995. Statements that are not historical facts, including statements about the pending merger between Rite Aid and Albertsons and the transactions contemplated thereby, and the parties perspectives and expectations, are forward looking statements. Such statements include, but are not limited to, statements regarding the benefits of the proposed merger, integration plans, expected synergies and revenue opportunities, anticipated future financial and operating performance and results, including estimates for growth, the expected management and governance of the combined company and the expected timing of the transactions contemplated by the Merger Agreement. The words “expect,” “believe,” “estimate,” “intend,” “plan” and similar expressions indicate forward-looking statements. These forward-looking statements are not guarantees of future performance and are subject to various risks and uncertainties, assumptions (including assumptions about general economic, market, industry and operational factors), known or unknown, which could cause the actual results to vary materially from those indicated or anticipated. Such risks and uncertainties include, but are not limited to, risks related to the expected timing and likelihood of completion of the pending merger, including the risk that the transaction may not close due to one or more closing conditions to the transaction not being satisfied or waived, such as regulatory approvals not being obtained, on a timely basis or otherwise, or that a governmental entity prohibited, delayed or refused to grant approval for the consummation of the transaction or required certain conditions, limitations or restrictions in connection with such approvals, or that the required approval of the Merger Agreement by the stockholders of Rite Aid was not obtained; risks related to the ability of Albertsons and Rite Aid to successfully integrate the businesses; the occurrence of any event, change or other circumstances that could give rise to the termination of the Merger Agreement (including circumstances requiring Rite Aid to pay Albertsons a termination fee pursuant to the Merger Agreement); the risk that there may be a material adverse change of Rite Aid or Albertsons; risks related to disruption of management time from ongoing business operations due to the proposed transaction; the risk that any announcements relating to the proposed transaction could have adverse effects on the market price of Rite Aid’s common stock, and the risk that the proposed transaction and its announcement could have an adverse effect on the ability of Rite Aid to retain customers and retain and hire key personnel and maintain relationships with their suppliers and customers and on their operating results and businesses generally; risks related to successfully integrating the businesses of the companies, which may result in the combined company not operating as effectively and efficiently as expected; the risk that the combined company may be unable to achieve cost-cutting synergies or it may take longer than expected to achieve those synergies; and risks associated with the financing of the proposed transaction. A further list and description of risks and uncertainties can be found in Rite Aid’s Annual Report on Form 10-K for the fiscal year ended March 3, 2018 filed with the SEC and in the registration statement on Form S-4 that was filed with the SEC by Albertsons on April 6, 2018, as amended by Amendment No. 1 to the registration statement on Form S-4 filed with the SEC on May 15, 2018, as it may be further amended, in connection with the proposed merger, and other documents that the parties may file or furnish with the SEC, which you are encouraged to read. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those indicated or anticipated by such forward-looking statements. Accordingly, you are cautioned not to place undue reliance on these forward-looking statements. Forward-looking statements relate only to the date they were made, and Rite Aid undertakes no obligation to update forward-looking statements to reflect events or circumstances after the date they were made except as required by law or applicable regulation. All information regarding Rite Aid assumes completion of Rite Aid’s previously announced transaction with Walgreens Boots Alliance, Inc. There can be no assurance that the consummation of such transaction will be completed on a timely basis, if at all. For further information on such transaction, see Rite Aid’s Form 8-K filed with the SEC on March 28, 2018.

### **Additional Information and Where to Find It**

In connection with the proposed merger involving Rite Aid and Albertsons, Rite Aid and Albertsons have prepared and Albertsons has filed with the SEC on April 6, 2018 a registration statement on Form S-4, as amended by Amendment No. 1 to the registration statement on Form S-4 filed with the SEC on May 15, 2018, as it may be further amended, that includes a proxy statement of Rite Aid that also constitutes a prospectus of Albertsons. The registration statement is not yet final and will be amended. Rite Aid will mail the proxy statement/prospectus and a proxy card to each stockholder entitled to vote at the special meeting relating to the proposed merger. Rite Aid and Albertsons also plan to file other relevant documents with the SEC regarding the proposed merger. INVESTORS ARE URGED TO READ THE DEFINITIVE PROXY STATEMENT/PROSPECTUS WHEN IT BECOMES AVAILABLE, AS WELL AS OTHER DOCUMENTS FILED WITH THE SEC, BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION. RITE AID'S EXISTING PUBLIC FILINGS WITH THE SEC SHOULD ALSO BE READ, INCLUDING THE RISK FACTORS CONTAINED THEREIN.

Investors and security holders may obtain copies of the Form S-4, including the proxy statement/prospectus, as well as other filings containing information about Rite Aid, free of charge, from the SEC's website ([www.sec.gov](http://www.sec.gov)). Investors and security holders may also obtain Rite Aid's SEC filings in connection with the transaction, free of charge, from Rite Aid's website ([www.RiteAid.com](http://www.RiteAid.com)) under the link "Investor Relations" and then under the tab "SEC Filings," or by directing a request to Rite Aid, Byron Purcell, Attention: Senior Director, Treasury Services & Investor Relations. Copies of documents filed with the SEC by Albertsons will be made available, free of charge, on the SEC's website ([www.sec.gov](http://www.sec.gov)) and on Albertsons' website at [www.albertsonscorporation.com](http://www.albertsonscorporation.com).

### **Participants in Solicitation**

Rite Aid, Albertsons and their respective directors, executive officers and employees and other persons may be deemed to be participants in the solicitation of proxies from the holders of Rite Aid common stock in respect of the proposed transaction. Information regarding Rite Aid's directors and executive officers is available in its definitive proxy statement for Rite Aid's 2017 annual meeting of stockholders filed with the SEC on June 7, 2017, as modified or supplemented by any Form 3 or Form 4 filed with the SEC since the date of such definitive proxy statement. Information about the directors and executive officers of Albertsons is set forth in the registration statement on Form S-4, including the proxy statement/prospectus that has been filed with the SEC on April 6, 2018, as amended by Amendment No. 1 to the registration statement on Form S-4 filed with the SEC on May 15, 2018, as it may be further amended. Other information regarding the interests of the participants in the proxy solicitation may be included in the definitive proxy statement/prospectus when it becomes available. These documents can be obtained free of charge from the sources indicated above.

### **Non-Solicitation**

This communication shall not constitute an offer to sell or the solicitation of an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offer of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act, as amended.
