Edgar Filing: CIRRUS LOGIC INC - Form 8-K

Item 7.01 Regulation FD Disclosure

Cirrus Logic Inc. announced that today it has filed with the Securities and Exchange Commission (SEC) an amended Annual Report on Form 10-K/A for the fiscal year ended March 25, 2006, its amended Quarterly Report on Form 10-Q/A for the quarter ended June 24, 2006, and its Quarterly Reports on Form 10-Q for the quarters ended Sept. 23, 2006 and Dec. 30, 2006.

The Form 10-K/A filed today includes restated financial statements for fiscal years 2002 through 2006, with adjustments for fiscal years 1997 through 2001 reflected in the opening balances in the restated fiscal year 2002 financial statements. The total additional non-cash, stock-based compensation expenses recorded for fiscal years 1997 through the first quarter of fiscal year 2007 were approximately \$32 million. The company previously reported on March 2, 2007 that it estimated these charges would range between \$22 million and \$24 million. Although no additional changes to option measurement dates were identified, after further review of the accounting treatment of certain option grants, the company determined that additional non-cash stock-based compensation expenses should be recorded.

With today's filings, the company is now current in its SEC reporting obligations and believes that it has satisfied all of the conditions of the NASDAQ Listing Qualifications Panel for the continued listing of its common stock on the NASDAQ Global Select Market.
