The information in this Current Report, including Exhibit 99.1 attached hereto, is furnished pursuant to Item 2.02 of this Form 8-K. Consequently, it is not deemed "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act") or otherwise subject to the liabilities of that section. It may only be incorporated by reference in another filing under the Exchange Act or the Securities Act of 1933, as amended, if such subsequent filing specifically references this Current Report.

On April 26, 2007, Integrated Device Technology, Inc. (the "Company") announced its results of operations and financial condition as of and for the quarter ended April 1, 2007 in a publicly disseminated press release that is attached hereto as Exhibit 99.1.

The Company's press release contains non-GAAP financial measures. Pursuant to the requirements of Regulation G, the Company has provided reconciliations within the press release of the non-GAAP financial measures to the most directly comparable GAAP financial measures included in the press release.

The foregoing description is qualified in its entirety by reference to the Company's press release dated April 26, 2007, a copy of which is attached hereto as Exhibit 99.1 and incorporated herein by reference.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On April 25, 2007, the board of directors of the Company approved certain updates to the Company's Incentive Compensation Plan ("Incentive Compensation Plan") in which the Company's executive officers (including the Chief Executive Officer) are eligible to participate. The Incentive Compensation Plan provides for certain cash incentive compensation for the Company's eligible employees for the achievement of certain individual, unit and Company-wide performance goals. The Incentive Compensation Plan was established to align employee goals and efforts with the Company's goals and direction. The Incentive Compensation Plan is intended to encourage outstanding performance, share the benefits of successful Company performance with eligible employees, enhance teamwork and support a consistent process for establishing, measuring and rewarding performance.

For fiscal year 2008, the board of directors approved specific threshold, target and maximum performance values for Company-wide performance based on the Company's non-GAAP earnings per share ("EPS"). The payout scale under the Incentive Compensation Plan will have specific achievement levels assigned to each EPS value, with the level of the Company's achievement of the target EPS value resulting in an achievement factor expressed as a percentage. For fiscal year 2008, if the Company does not meet the minimum EPS value, a 0% EPS achievement factor is applied; if the Company meets the minimum EPS value, a threshold 50% EPS achievement factor is applied; and if the Company meets the target EPS value, the target 110% EPS achievement factor is applied. The maximum EPS achievement factor for fiscal year 2008 is 200%.
