

Item 7.01. Regulation FD Disclosure.

As previously announced by JetBlue Airways Corporation (the “Company”), on December 8, 2017, the Board of Directors of the Company approved a share buyback program which authorizes the Company to repurchase up to \$750 million worth of shares from January 1, 2018 through December 31, 2019 (the “Authorization”).

On August 1, 2018, the Company entered into an agreement (the “ASR Agreement”) with Barclays Bank PLC (“Barclays”), to implement an accelerated share repurchase program (the “ASR Program”). Under the ASR Agreement, on August 2, 2018, the Company will pay \$125 million to Barclays and will initially receive approximately 5.7 million shares based on the closing share price on August 1, 2018. The total number of shares to ultimately be purchased by the Company pursuant to the ASR Program will generally be based on the average of the daily Rule 10b-18 volume weighted average prices of the Company’s common stock during the term of the ASR Program, less a discount. After the ASR Program is complete, the Company will have a remaining Authorization of approximately \$375 million.

Upon final settlement of the ASR Agreement, the Company may be entitled to receive additional shares of the Company’s common stock from Barclays or, under certain circumstances specified in the ASR Agreement, the Company may be required to deliver shares or make a cash payment, at its option, to Barclays. The ASR Program is expected to be completed by the end of the third quarter of 2018 and funded with cash on hand.
