For further information concerning the Plan, please address correspondence to:

Shareholder Relations
Investors Real Estate Trust
PO Box 1988
12 South Main Street
Minot, ND 58702-1988

PURPOSE

1. What is the purpose of the Plan?

The purpose of the Plan is to provide holders of record of IRET Shares of Beneficial Interest ("shares") or of Limited Partnership Units of IRET Properties, a North Dakota Limited Partnership ("L. P. units") a convenient and economical way of investing cash distributions in additional IRET shares of beneficial interest at a 5% discount from the Nasdaq closing price on the distribution payment date without payment of any brokerage commission or service charge.

ADVANTAGES

2. What are the advantages of the Plan?

By participating in the Plan:

- (1) You may purchase shares at a 5% discount from the Nasdaq closing price on the distribution payment date.
- (2) You pay no brokerage commission or service charge in connection with investments under the Plan.
- (3) Record keeping is simplified under the Plan by the provision of a statement of account to each participant.
- (4) You are assured safekeeping of shares credited to your account because certificates are not issued unless requested.

4

RISKS

3. What are the risks associated with participation in the Plan?

As with the purchase of any security, the value of your investment may decline as a result of the underlying performance of IRET.

ADMINISTRATION

4. Who administers the Plan?

Investors Real Estate Trust, PO Box 1988, 12 South Main Street, Minot, ND 58702-1988, keeps records, sends statements of account after each purchase to participants, and performs other duties relating to the Plan.

ELIGIBILITY

5. Who is eligible to participate?

- (a) All holders of record of IRET shares are eligible to participate in the Plan.
- (b) All holders of Limited Partnership units in IRET Properties are eligible to participate in the Plan.
- (c) Beneficial owners, whose shares are registered in names other than their own (for instance, in the name of a broker or bank nominee), may participate in the reinvestment of cash distributions on such shares only if their broker or nominee offers the option of participating in the IRET distribution reinvestment program.

6. How is the Plan to be interpreted?

Any question of interpretation arising under the Plan will be determined by IRET and any such determination will be final.

PARTICIPATION

7. How do holders of shares or L. P. units join the Plan?

A holder of record of IRET shares or L. P. units may join the Plan at any time by completing and signing an authorization card and returning it to IRET. An authorization card and a postage-paid return envelope may be obtained at any time by writing to:

Shareholder Relations
Investors Real Estate Trust
PO Box 1988
12 South Main Street
Minot, ND 58702-1988
(701) 837-4738
(701) 838-7785 Fax

5

8. What does the authorization card provide?

If you check the appropriate box on the authorization card, you may elect "Full Distribution Reinvestment" and IRET will apply all cash distributions on all shares and/or L. P. units then or subsequently registered in your name toward the purchase of shares.

If you elect to reinvest distributions on only a portion of your shares or L. P. units, you should check the "Partial Distribution Reinvestment" box on the authorization card and IRET will reinvest cash distributions on only the percentage of your distributions that you specify on the authorization card toward the purchase of additional shares, and will pay cash distributions on the rest of your shares or L. P. units.

IRET will reinvest automatically any subsequent distributions on the shares credited to your account under the Plan. The Plan operates so as to reinvest distributions on a cumulative basis on the shares or L. P. units designated on your Authorization Card and on all shares accumulated and held in your Plan account, until you specify otherwise by notice in writing delivered to IRET or withdraw from the Plan altogether, or until the Plan is terminated.

See Question 27 for the tax consequences of sales of shares or L. P. units subject to the Plan.

9. What are my options under the Plan?

By marking the appropriate spaces on the authorization card, you may choose among the following investment options:

- (1) To reinvest cash distributions automatically at a 5% discount from the Nasdaq closing price on the distribution payment date on all shares and/or L. P. units now and subsequently registered in your name at. (See Question 14 for a description of how this is computed).
- (2) To reinvest cash distributions automatically on less than all of the shares and/or L. P. units registered in your name (a specified percentage) at a 5% discount from the Nasdaq closing price on the distribution payment date. (See Question 14 for a description of how this is computed and to continue to receive cash distributions on the remaining shares or L. P. units.)

10. May I change options under the Plan?

Yes. You may change options under the Plan at any time by completing and signing a new authorization card and returning it to IRET. The answer to Question 6 outlines how to obtain an authorization card and return envelope. Any change concerning the reinvestment of distributions must be received by IRET no later than ten days prior to the record date for a distribution in order for the change to become effective with that distribution.

11. When will investment of distributions respecting IRET shares or L. P. units start?

If your authorization card is received by IRET ten calendar days prior to the record date for determining the holders of shares or L. P. units entitled to receive the next distribution, reinvestment of your distributions will commence with that distribution. If your authorization card is received subsequent to ten calendar days prior to the record date, reinvestment of your

6

distributions (or designated portion thereof) will not start until payment of the next following distribution. The dates for distribution payments on the shares and L. P. units are generally on or about January 15, April 1, July 1, and October 1.

PURCHASES

12. What is the source of IRET shares purchased for me under the Plan?

Shares purchased by you under the Plan will come either from shares purchased by IRET on the Nasdaq for the Distribution Reinvestment Plan or, from authorized but unissued IRET shares under this Registration.

13. When will distributions be invested in additional shares?

Reinvestment of distributions will be made as soon as practical after the distribution becomes payable, but in no event later than three business days after the distribution payment date. Participants will become owners of shares purchased under the Plan as soon as practical after the distribution payment date.

14. What will be the price of shares purchased under the Plan?

The shares are traded on the NASDAQ National Market. The reinvestment price will be set at 95% of the Nasdaq closing price on the day of the distribution.

15. How will the number of shares purchased for me be determined?

The number of shares that will be purchased for you will depend on the amount of your distribution to be invested and the applicable purchase price of the shares that results from dividing the distribution to be invested by the purchase price. Fractional shares will be credited to your account. At any time when you withdraw from the Plan or request all shares to be transferred to your name, any fractional shares will be paid in cash.

COSTS

16. Are there any costs to me for my purchases under the Plan?

There are no brokerage fees for purchases of shares under the Plan because shares are either purchased directly from IRET or IRET has agreed to pay any applicable brokerage fees on behalf of Plan participants. All costs of administration of the Plan will be paid by IRET. However, those participants whose shares are held by a broker or other nominee most likely will incur some fees and costs. Brokers and nominees may impose charges or fees in connection with their handling of participation in the Plan by nominee and fiduciary accounts.

DISTRIBUTIONS

17. Will distributions be paid on shares held in my Plan account?

Yes. Cash distributions on shares credited to your account are automatically reinvested in additional shares and credited to your account.

REPORTS TO PARTICIPANTS

18. What reports will be sent to participants in the Plan?

Following each purchase of shares for your account, IRET will mail to you a statement of account showing amounts invested, the purchase price (see Question 14), the number of shares purchased, and other information for the year to date. Each participant will receive a Form 1099 showing income reportable for Federal income tax purposes following the final purchase in each calendar year (see Question 27). These statements are your record of the cost of your purchases and should be retained for income tax and other purposes. In addition, during the year you will receive copies of the same communications sent to all other holders of shares.

CERTIFICATES FOR SHARES

19. Will I receive certificates for shares purchased under the Plan?

Shares purchased by IRET for your account will be registered in the name of IRET's nominee and certificates for such shares will not be issued to you until requested. The total number of shares credited to your account will be shown on each statement of account. This custodial service helps to protect you against the risk of loss, theft or destruction of stock certificates.

Certificates for any number of whole shares credited to your account will be issued to you at any time upon written request to IRET. Cash distributions with respect to shares represented by certificates issued to you will continue to be automatically reinvested. Any remaining shares will continue to be credited to your account.

If the written request to IRET is for certificates to be issued for all shares credited to your account, any fractional share will be paid in cash.

Certificates for fractions of shares will not be issued under any circumstances.

20. May shares in my Plan account be pledged?

No. You must first request that certificates for shares credited to your Plan account be issued to you before you can pledge such shares. (See Question 21.)

21. In whose name will certificates be registered and issued?

When issued, certificates for shares will be registered in the name in which your Plan account is maintained. For holders of record, this generally will be the name or names in which your share certificates or L. P. units are registered at the time you enroll in the Plan. Upon written request,

8

shares will be registered in any other name, upon the presentation to IRET of evidence of compliance with all applicable transfer requirements (including the payment of any applicable transfer taxes).

WITHDRAWAL FROM THE PLAN

22. When may I withdraw from the Plan?

You may withdraw from the Plan at any time. If your request to withdraw is received by IRET ten calendar days prior to the record date for determining the holders entitled to receive the next distribution respecting any shares or L. P. units held by you, your request will be processed following receipt of the request by IRET. If your request to withdraw is received by IRET subsequent to ten calendar days prior to the record date for determining the holders entitled to receive the next distribution respecting such shares or L. P. units but before payment of the distribution, the distribution will be reinvested for your account and your request for withdrawal will be processed promptly thereafter. After your request for withdrawal has become effective, all distributions will be paid in cash to you unless and until you re-enroll in the Plan, which you may do at any time.

23. How do I withdraw from the Plan?

In order to withdraw from the Plan, you must send a letter stating that you wish to withdraw to:

Shareholder Relations
Investors Real Estate Trust
PO Box 1988
12 South Main Street
Minot, ND 58702-1988
(701) 837-4738
(701) 838-7785 Fax

When you withdraw from the Plan, or upon termination of the Plan by IRET, certificates for shares credited to your account under the Plan will be issued to you. Any fractional shares will be paid in cash.

OTHER INFORMATION

24. What happens if I sell or transfer shares or L. P. units registered in my name?

If you dispose of all shares or L. P. units registered in your name, the distributions on the shares credited to your Plan account will continue to be reinvested until you notify IRET that you wish to withdraw from the Plan.

25. What happens if IRET issues a stock distribution declares a stock split or has a rights offering?

Any stock distributions or split shares distributed by IRET on shares credited to your Plan account will be added to your account. Stock distributions or split shares distributed on shares or L. P. units

for which you hold certificates will be mailed directly to you in the same manner as to shareholders who are not participating in the Plan.

In a regular rights offering, as a holder of record you will receive rights based upon the total number of shares or L. P. units owned; that is, the total number of shares or L. P. units for which you hold certificates and the total number of shares held in your Plan account.

26. Can I vote shares in my Plan account at meetings of shareholders?

Yes. You will receive a proxy for the total number of shares held, both the shares for which you hold certificates and those credited to your Plan account. The total number of shares held may also be voted in person at a meeting.

If the proxy is not returned or if it is returned unsigned, none of your shares will be voted unless you vote in person.

27. What are the Federal income tax consequences of participation in the Plan?

Under Internal Revenue Service rulings in connection with similar plans, distributions reinvested will be treated as taxable notwithstanding the distributions being reinvested in shares. Under prior Internal Revenue Service rulings, it was assumed that the 5% discount was also taxable. Recent Internal Revenue Service rulings suggest that the 5% discount is a reduced taxable basis for the shares received. Shareholders should consult their own tax consultant on the proper tax treatment of the discount.

Distributions by real estate investment trusts are treated as distributions to the extent a real estate investment trust has earnings and profits for Federal income tax purposes. To the extent that the amount so distributed by IRET exceeds the current and accumulated earnings and profits of IRET, such excess would be treated for Federal income tax purposes as a return of capital to the shareholder. Each participant will receive a Form 1099 showing total distribution income, the amount of any return of capital distribution and the amount of any capital gain distribution for the year.

The holding period of shares acquired under the Plan, whether purchased with distributions or optional cash payments, will begin on the day following the date on which the shares were purchased for your account.

As a participant in the Plan, you will not realize any taxable income when you receive certificates for whole shares credited to your account, either upon your request for such certificates or upon withdrawal from or termination of the Plan. However, you will recognize gain or loss (which, for most participants, will be capital gain or loss) when whole shares acquired under the Plan are sold or exchanged after your withdrawal from or the termination of the Plan. If such gain or loss is capital, it will be long-term capital gain or loss if the shares sold are held for more than one year and will be short-term capital gain or loss if the shares sold are held for one year or less.

28. What is the responsibility of IRET under the Plan?

IRET will not accept liability for any act done in good faith or for any good faith omission to act, including, without

limitation, any claim of liability arising out of failure to terminate a participant's account upon such participant's death prior to receipt of notice in writing of such death.

IRET CANNOT ASSURE YOU OF A PROFIT OR PROTECT YOU AGAINST A LOSS ON SHARES PURCHASED UNDER THE PLAN.

29. How are income tax withholding provisions applied to participants?

In the case of foreign participants who elect to have their distributions reinvested and whose distributions are subject to United States income tax withholding, an amount equal to the distributions payable to such participants who elect to reinvest distributions, less the amount of tax required to be withheld, will be applied by IRET to the purchase of shares. A Form 1042S, mailed to each foreign participant after the final purchase of the calendar year, will show the amount of tax withheld in that year.

A Form 1099 will be mailed to domestic participants in the event that Federal income tax withholding is imposed in the future on distributions to domestic participants.

30. May the Plan be changed or discontinued?

IRET reserves the right to modify, suspend or terminate the Plan at any time. All participants will receive notice of any such action. Any such modification, suspension or termination will not, of course, alter previously executed transactions. IRET also reserves the right to adopt, and from time to time change, such administrative rules and regulations (not inconsistent in substance with the basic provisions of the Plan then in effect), as it deems desirable or appropriate for the administration of the Plan.

The purpose of the Plan is to provide shareholders with a systematic and convenient method of investing distributions for long-term investment. Use of the Plan for any other purpose is prohibited.

USE OF PROCEEDS

IRET has no basis for estimating either precisely the number of shares that ultimately may be sold pursuant to the Plan or the prices at which such shares will be sold. However, IRET proposes to use the net proceeds from the sale of shares pursuant to the Plan, when and as received, to make investments in real estate and for other business purposes. IRET considers the Plan to be a cost-effective means of expanding its equity capital base and furthering its investment objectives while at the same time benefiting holders of its shares.

EXPERTS

The consolidated balance sheets of IRET as of April 30, 2003, and 2002 and consolidated statements of operations, shareholders' equity and cash flows for each of the years in the three-year period ended April 30, 2003, included in IRET's Annual Report on Form 10-K, have been incorporated by reference herein and in the registration statement in reliance upon the report of Brady, Martz & Associates, P.C., independent certified public accountants, incorporated by reference herein, and upon the authority of said firm as experts in accounting and auditing.

INDEMNIFICATION

The Third Restated Declaration of Trust of IRET indemnifies IRET's Trustees from all claims and liabilities to which such person may become subject by reason of service as a member of our Board of Trustees. IRET's Third Restated Declaration of Trust provides for indemnification of trustees and officers to the fullest extent permitted or allowed under North Dakota law.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to Trustees, officers or persons controlling IRET pursuant to the foregoing provisions, IRET has been informed that, in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Securities Act of 1933 and is therefore unenforceable.

In the absence of fraud, the judgment of the Board of Trustees as to the terms and conditions of insurance or other arrangement and the identity of the insurer or other person participating in any arrangement will be conclusive, and such insurance or other arrangement will not be subject to voidability, nor subject the members of our Board of Trustees approving such insurance or other arrangement to liability, on any ground, regardless of whether the members participating in and approving such insurance or other arrangement will be beneficiaries thereof. We currently maintain insurance covering members of the Board and officers against liability as a result of their actions or inactions on our behalf.

With the exception of indemnification and insurance provisions set forth above, there is currently no other statute, charter provision, by-law, contract or other arrangement under which a member
