PROXY STATEMENT FOR THE 2005
ANNUAL MEETING OF SHAREHOLDERS
JANUARY 31, 2006

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed Proxy is solicited on behalf of the Board of Directors of CytoDyn, Inc., for use at the Annual Meeting of Shareholders to be held Tuesday January 31, 2006 at 11:00 a.m., local time, or at any postponement or adjournment thereof (the "Annual Meeting"), for the purposes set forth herein and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at The Sportsmen Lodge, 12825 Ventura Blvd. Studio City, California 91604. The telephone number at that location is (818) 769-4700 or (800) 821-8511 in US & Canada.

Record Date and Principal Share Ownership

Holders of shares of our common stock of record at the close of business on January 3, 2006 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. The shares of our common stock are our only class of voting securities. As of the Record Date, approximately 8,613,807 shares of our common stock were issued and outstanding and held of record by approximately _ shareholders.

Revocability of Proxies

Shareholders who execute proxies retain the right to revoke them at any time before they are voted. Any proxy given by a shareholder may be revoked or superseded by executing a later dated proxy, by giving notice of revocation to Secretary, CytoDyn, Inc., 227 E Palace, Suite M, Santa Fe, New Mexico 87501 in writing prior to or at the meeting or by attending the meeting and voting in person.

Shareholders Sharing the Same Last Name and Address

In accordance with notices we sent to certain shareholders, we are sending only one copy of our annual report and proxy statement to shareholders who share the same last name and address, unless they have notified us that they want to continue receiving multiple copies. This practice, known as "householding," is designed to reduce duplicate mailings and save significant printing and postage costs as well as natural resources.

If you received a householded mailing this year and you would like to have additional copies of our annual report and/or proxy statement mailed to you or you would like to opt out of this practice for future mailings, please submit your request to Secretary, CytoDyn, Inc., 227 E. Palace Ave, Suite M, Santa Fe, NM 87501.

Voting and Solicitation

Each shareholder is entitled to one vote for each share held as of the Record Date. Shareholders will not be entitled to cumulate their votes in the election of directors.

The cost of soliciting proxies will be borne by us. We expect to reimburse brokerage firms and other persons representing beneficial owners of shares for

Edgar Filing: CYTODYN INC - Form DEF 14A

their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of our directors, officers, and regular employees, without additional compensation, personally or by telephone or facsimile.

Quorum; Abstentions; Broker Non-votes

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Inspector of Elections appointed for the meeting who will determine whether or not a quorum is present.

The required quorum for the transaction of business at the Annual Meeting is a majority of the votes eligible to be cast by holders of shares of our common stock issued and outstanding on the Record Date. Shares that are voted "FOR," "AGAINST" or "WITHHELD FROM" a matter are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares entitled to vote at the Annual Meeting with respect to such matter.

Abstentions and broker non-votes are each included in the determination of the number of shares present and voting for the purpose of determining whether a quorum is present. Broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (1) the broker does not receive voting instructions from the beneficial owner, and (2) the broker lacks discretionary authority to vote the shares.

Abstentions will be treated as shares present and entitled to vote for purposes of any matter requiring the affirmative vote of a majority or other proportion of the shares present and entitled to vote. Accordingly, abstentions will have the same effect as a vote against the proposal. With respect to shares relating to any proxy as to which a broker non-vote is indicated on a proposal, those shares will not be considered present and entitled to vote with respect to any such proposal. Thus, a broker non-vote will not affect the outcome of the voting on a proposal. Abstentions or broker non-votes or other failures to vote will have no effect in the election of directors, who will be elected by a plurality of the affirmative votes cast.

Any proxy which is returned using the form of proxy enclosed and which is not marked as to a particular item will be voted for the election of the directors, for the ratification of Cordovano and Honeck, P.C. as our independent registered public accounting firm for the year ending May 31, 2006, for the approval of the 2005 Stock Incentive Plan, and as the proxy holders deem advisable on other matters that may come before the meeting, as the case may be, with respect to the items not marked.

Other Business; shareholder Proposals

We do not intend to present any other business for action at the Annual Meeting and do not know of any other business to be presented by others.

Pursuant to our bylaws, in order for business to be properly brought by a shareholder before an annual meeting, our Secretary must receive, at our corporate office, written notice of the matter not less than 120 days prior to the first anniversary of the date our proxy statement was released to shareholders in connection with the preceding year's annual meeting. We did not receive any such notices from our shareholders for matters to be considered at the Annual Meeting.

Under Rule 14a-4 promulgated under the Securities Exchange Act of 1934, as amended, if a proponent of a proposal fails to notify us at least 45 days prior to the current year's anniversary of the date of mailing of the prior year's

Edgar Filing: CYTODYN INC - Form DEF 14A

proxy statement, then we will be allowed to use our discretionary voting authority under proxies solicited by us when the proposal is raised at the meeting, without any discussion of the matter in the proxy statement. We were not notified of any shareholder proposals to be addressed at our Annual Meeting, and will therefore be allowed to use our discretionary voting authority if any shareholder proposals are raised at the meeting.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth the beneficial ownership of our common stock as of January 2, 2005, by (i) each person or entity who is known by us to own beneficially more than 5% of the outstanding shares of common stock, (ii) each of our directors, (iii) each of the executive officers named in the Summary Compensation Table, and (iv) all of our directors and executive officers as a group.

- (1) Unless otherwise indicated, the business address of each shareholder is c/o CytoDyn, Inc., 227 E. Palace Ave, Suite M, Santa Fe, New Mexico 87501.
- (2) Each shareholder has sole voting and investment power for the shares they beneficially own. This table is based upon information supplied by officers, directors, principal shareholders, and Schedules 13D and 13G filed with the SEC. Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission. Shares of common stock subject to options and warrants currently exercisable, or exercisable within 60 days of the January 3, 2006, are deemed outstanding for computing the ownership percentage of the person holding such options or warrants, but are not deemed outstanding for computing the ownership percentage of any other person. Except as otherwise noted, we believe that each of the shareholders named in the table have sole voting and investment power with respect to all shares of common stock shown as beneficially owned by them, subject to applicable community property laws.
- (3) Mr. Ewen has options to purchase 150,000 shares of common stock in connection with an employment agreement. We know of no arrangements concerning anyone's ownership of stock, which may, at a subsequent date, result in a change of control

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, officers and beneficial owners of more than 10% of our common stock to file reports of ownership and reports of changes in the ownership with the Securities and Exchange Commission. Such persons are required by Securities

Edgar Filing: CYTODYN INC - Form DEF 14A

and Exchange Commission regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of the copies of such forms submitted to us during the year ended May 31, 2005, we believe that all Section 16(a) filing requirements applicable to our officers and directors were complied with.

Recommendation of the Board of Directors

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE NOMINEES SET FORTH ABOVE.

Board Meetings, Committees and Directors Compensation

Our Board of Directors held no meetings during the fiscal year ended May 31, 2005. Although we have no formal policy requiring director attendance at annual meetings of shareholders, directors are encouraged to attend the annual meetings of shareholders.

We currently do not have audit committee. Our Board of Directors acts as our audit committee. Similarly, the Board of Directors has determined that we do not have an audit committee financial expert as defined under the Exchange Act rules. We have been seeking, and continue to seek, an independent person to fill this role.

It is our policy that director candidates recommended by shareholders will be given appropriate consideration in the same manner as other director candidates presented to the Board of Directors. Shareholders who wish to submit a director candidate for consideration by the Board of Directors may do so by submitting a comprehensive written resume of the recommended nominee's business and educational experience and background and a consent in writing signed by the recommended nominee that he or she is willing to be considered as a nominee and if nominated and elected, he or she will serve as a director. Shareholders should send their written recommendations of nominees accompanied by the candidate's resume and consent to: Board of Directors, c/o CytoDyn, 227 E. Palace Ave, Suite M, Santa Fe, New Mexico 87501. No director nominations by shareholders have been received as of the filing of this proxy statement.

Shareholder Communications to the Board of Directors

Shareholders may submit communications to our Board of Directors or any individual members of the Board of Directors by addressing a written communication to: Board of Directors, c/o CytoDyn, Inc., 227 E Palace Avenue, Suite M, Santa Fe, New Mexico 87501. Shareholders should identify in their communication the addressee whether it is our Board of Directors or any individual member of the Board of Directors. Shareholder communications will be forwarded to our Secretary. Secretary will acknowledge receipt to the sender, unless the sender has submitted the communication anonymously, and forward a copy of the communication to the addressee on our Board of Directors or if the communication is addressed generally to our Board of Directors to our Chairperson of the Board of Directors.

RELATED PARTY TRANSACTIONS

Related Party Transactions, Actual or Proposed, In Last 2 Years. We propose to be, or during the last two years were, party to certain transactions involving amounts in excess of \$60,000, in which our directors, executive officers, others hold more than 5% of any class of our securities, or their immediate family members, had or will have a material interest. The interested parties and transactions are described below.

Agreement to Issue Warrants to J.P. Turner & Company, LLC. J.P. Turner & Company, LLC, is a beneficial owner of 5.02% of our common stock, by virtue of common stock warrants which it is entitled to receive pursuant to a Financial Representative Agreement dated November 25, 2003. Pursuant to the terms of that agreement:

- o J.P. Turner acted as our agent in connection with a private offering of our securities;
- o We paid the sum of \$54,000 to J.P. Turner;
- o We are to issue to J.P. Turner warrants for the purchase of 426,000 shares of our common stock, at an exercise price of \$0.30 per share;
- o When issued, the warrants will:
 - o Vest immediately in favor of J.P. Turner;
 - o Be exercisable immediately and thereafter for 5 years;
 - o Contain customary anti-dilution provisions for stock dividends, splits, mergers and sales of substantially all assets;
 - o Contain a "cashless exercise" provision;
- o We have granted J.P. Turner "piggyback" registration rights, at our expense, with respect to the shares underlying the warrants;
- o We are to indemnify J.P. Turner and others against certain losses arising in connection with our material misrepresentations or omissions, the performance by J.P. Turner of the agreement, or breach of representations or warranties by an investor; and
- o The term of the agreement is 12 months, subject to termination upon 45 days written notice.

Agreement with Symbion Research International, Inc. Our director, Peggy C. Pence, PhD., is the President and Chief Executive Officer of Symbion Research International, Inc. On October 1, 2003, we entered into a Master Agreement for Professional Services with Symbion. The agreement describes general terms and conditions intended to apply to services which Symbion may provide for us, most likely in connection with the conduct of future FDA clinical trials of Cytolin. That agreement requires an advance payment of \$25,000 to Symbion, of which \$5,000 is to serve as a retainer and the remaining \$20,000 is to be applied against billing for services that may be rendered. We have made the advance payment. We also have had discussions with Symbion

Edgar Filing: CYTODYN INC - Form DEF 14A

regarding the possible conduct of Phase II and III trials, and these discussions have resulted in Symbion providing us with a cost estimate:

- o based on the assumption that the Phase I trials will not have to be repeated and that the FDA will approve the currently designed Phase II/III study;
- o that services related to the end of Phase I and the Pre-Phase II meeting will cost between \$50,000 and \$100,000;
- o that services related to the Phase II/Phase III pivotal study will cost between \$1,250,000 and \$1,750,000; and
- o that the cost to the Investigators will be between \$750,000 and \$1,500,000, plus the costs of materials, investigational product manufacturing or supplies.

Acquisition of the Assets of CytoDyn of New Mexico. Allen D. Allen, our President, Chief Executive Officer and the Chairman of our Board of Directors, Corinne E. Allen, our Vice President of Business Development, Secretary, Treasurer and Director, Ronald J. Tropp and Daniel M. Strickland, M.D., our directors, and Brian J. McMahon, our former executive vice president, formerly also served as executive officers or directors of CytoDyn of New Mexico, Inc. In October 2003, we acquired the assets of CytoDyn of New Mexico, Inc. and changed our name to CytoDyn, Inc. In connection with that transaction:

- o we issued to CytoDyn of New Mexico 5,362,640 post reverse-split shares of our common stock;
- o Allen D. Allen ultimately received 2,118,515 shares of our post reverse-split common stock and indirectly benefited from our assumption of debts in the amount of \$71,694 owed to him and Corinne E. Allen by CytoDyn of New Mexico;
- o Corinne E. Allen ultimately received 1,736,335 shares of our post reverse-split common stock and indirectly benefited from our assumption of debts in the amount of \$71,694 owed to her and Allen D. Allen by CytoDyn of New Mexico;
- o Daniel M. Strickland, MD, who is a member of our board of directors, ultimately received 8,476 shares of our post reverse-split common stock; and
- o James B. Wiegand, who until this transaction had been our president, retained 400,000 shares of our post reverse-split common stock.

Services Provided by Ronald J. Tropp. Our director, Ronald J. Tropp, Esq., has provided legal services to us, and to CytoDyn of New Mexico, for a number of years. Currently, we owe him the sum of \$87,185 for these services. No arrangements have been made for the payment of this obligation. We anticipate that Mr. Tropp will provide additional legal services to us in the future.

Indemnification, Legal Costs and Fees Incurred by Directors and Officers. Allen D. Allen, Corinne E. Allen, Ronald J. Tropp and Daniel M. Strickland, M.D., our directors, and Brian J. McMahon, our former Executive Vice President, are named as Cross-Defendants in a Cross-Complaint filed in the California Superior Court in and for Los Angeles County in an action originally captioned CytoDyn of New Mexico, Inc. et al., v. Amerimmune Pharmaceuticals, Inc. et al., Case number BC 290154. The Cross-Complaint is based upon alleged acts and omissions of these individuals occurring before we entered into the Acquisition Agreement with CytoDyn of New Mexico. In a separate proceeding, in Ventura County, California, captioned CytoDyn, Inc., et al. v. Amerimmune, Inc. et al., Case number SC039250, Allen D. Allen is our co-plaintiff. Our Articles of Incorporation and by-laws provide that we will indemnify directors, officers, and enumerated others against certain liabilities and expenses arising because of the indemnitee's corporate status or relationship. We have not determined whether we have an obligation to indemnify Messrs. Allen, McMahon, Tropp and

Edgar Filing: CYTODYN INC - Form DEF 14A

Strickland and Ms. Allen with respect to any liability that may arise under the Cross-Complaint. We have, however, assumed responsibility for the payment of the legal fees and costs of counsel who jointly represent us and any of Messrs. Allen, McMahon, Tropp and Strickland and Ms. Allen in the Los Angeles County proceeding. Insofar as indemnification for liabilities arising under the Securities Act of 1933 (the "Act") may be permitted to directors, officers and controlling persons, we have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable.

Note Given and Debt Owed to Allen D. Allen. In January 2004 we issued to Allen D. Allen a non interest bearing promissory note, payable on demand, in the original principal amount of \$22,788. The note reflects advances made to us by Mr. Allen during the years ending on May 31, 2003 and May 31, 2004. In addition, we owe the sum of \$10,000 to Mr. Allen, who advanced that amount to CytoDyn of New Mexico for further payment to Rexray Corporation in connection with the acquisition of the assets of CytoDyn of New Mexico. The sum owed does not bear interest and is payable on demand. During the May 31, 2005 debt owed to Mr. Allen by an additional \$12,000. The total debt owed to Mr. Allen is \$44,787.

Notes Given to Corinne Allen. In January 2004, we issued to Corinne E. Allen two non interest bearing promissory notes, each payable on demand, in the original principal amounts of \$50,000 and \$38,906. The notes reflected advances made to us by Ms. Allen during the years ending on May 31, 2003 and May 31, 2004. The \$50,000 note was paid in full in February, 2004. The \$38,906 note remains outstanding and does not bear interest. o

- o Contributions of Cash. Mr. Allen contributed \$ in additional paid in capital during the year ended May 31, 2005.

PROPOSAL NO. 3

APPROVAL OF 2005 stock INCENTIVE PLAN

Description of the 2005 Stock Option Plan

General. The purpose of the 2005 Stock Incentive Plan is to enable us to attract, retain and motivate our employees and consultants, as well as our non-employee directors, by providing for or increasing the proprietary interests of such employees, consultants or non-employee directors in CytoDyn. The maximum number of shares of common stock that may be issued pursuant to awards under the 2005 Stock Incentive Plan is 1,600,000, subject to certain adjustments to prevent dilution.

In the event that all or any portion of any option offered under the 2005 Stock Incentive Plan can no longer under any circumstances be exercised the shares of common stock allocable to the unexercised portion of such option will become available for grant or issuance under the 2005 Stock Incentive Plan. Additionally, the number of shares available for issuance under the 2005 Stock Incentive Plan will be subject to adjustment in the event of stock splits, stock dividends or certain other similar changes in our capital structure.

Administration. The 2005 Stock Incentive Plan is to be administered by an "Administrator," which, under the 2005 Stock Incentive Plan, shall be either the Board of Directors or a committee appointed by the Board of Directors. Subject to the provisions of the 2005 Stock Incentive Plan, the Administrator has full authority to implement, administer and make all determinations necessary under the 2005 Stock Incentive Plan.

The Board of Directors may from time to time alter, amend, suspend or terminate the 2005 Stock Incentive Plan in such respects as the Board of Directors may deem advisable; provided, however, that no such alteration, amendment, suspension or termination shall be made that would substantially affect or impair the rights of any person under any option granted to such person without his or her consent.

Eligibility. The 2005 Stock Incentive Plan provides that awards may be granted to employees, officers, directors, consultants, independent contractors and advisors of CytoDyn or of any parent or subsidiary corporation of CytoDyn, whether now existing or hereafter created or acquired (an "Affiliated Company"), as may be determined by the Administrator. In no event may any employee be granted options under the 2005 Stock Incentive Plan for more than 800,000 shares of our common stock in any one calendar year.

Terms of Stock Options. As discussed above, the Administrator determines many of the terms and conditions of awards granted under the 2005 Stock Incentive Plan, including whether an option will be an "incentive stock option" (ISO) or a "non-qualified stock option" (NQSO). Each option is evidenced by any agreement in such form as the Administrator approves and is subject to the following conditions (as described in further detail in the 2005 Stock Incentive Plan):

Edgar Filing: CYTODYN INC - Form DEF 14A

- **Vesting and Exercisability:** Options become vested and exercisable, as applicable, within such periods as determined by the Administrator and as set forth in the related stock option agreement, provided that options must expire no later than ten years from the date of grant (or five years with respect to ISOs granted to optionees who own more than 10% of the outstanding common stock). Option agreements may also provide that options shall become vested upon the achievement of certain performance goals, as determined by the Administrator.
- **Exercise Price:** The exercise price must be at least 100% of the fair market value of a share of common stock at the time such option is granted, provided that the exercise price of any ISO granted to an optionee that owns more than 10% of the outstanding common stock shall not be less than 110% of the fair market value of a share of common stock at the time of grant.
- **Method of Exercise:** Payment of the exercise price may be made, in the discretion of the Administrator, in cash, by check, by delivery of shares of our common stock, through a broker-assisted "cashless exercise," or any combination of the foregoing methods of payment or any other consideration or method of payment as shall be permitted by applicable corporate law.
- **Termination of Service:** Options cease vesting on the date of termination of service or the death or disability of the optionee, unless provided otherwise in the applicable option agreement or unless otherwise determined by the Administrator. Under applicable law, ISOs granted under the 2005 Stock Incentive Plan generally expire no later than three months after the termination of the optionee's service, except in the case of death or disability, in which case the awards generally may be exercised up to 12 months following the date of death or termination of service due to disability.
- **Change of Control:** In the event of a change in control of CytoDyn (as defined in the 2005 Stock Incentive Plan), the Administrator may at its discretion provide for vesting arrangements in option agreements, including arrangements which provide for full acceleration of vesting upon a change in control whether or not the acquiring entity agrees to assume or substitute for existing options in such change in control.
- **Additional Restrictions.** No ISOs may be granted to an optionee under the 2005 Stock Incentive Plan if the aggregate fair market value (determined at the time of grant) of the stock with respect to which ISOs first become exercisable by such optionee in any calendar year under our stock option plans and any Affiliated Company exceeds \$100,000. To the extent an ISO exceeds this \$100,000 limit, that portion of the option in excess of such limitation shall be treated as an NQSO. Options are nontransferable, other than by will and the laws of descent and distribution or in any manner permitted by the Administrator that is not prohibited by the Code.

Summary of Federal Income Tax Consequences of the 2005 Stock Incentive Plan

The following is a brief summary of certain federal income tax consequences of participation in the 2005 Stock Incentive Plan. The summary should not be

Edgar Filing: CYTODYN INC - Form DEF 14A

relied upon as being a complete statement of all possible federal income tax consequences. Federal tax laws are complex and subject to change. Participation in the 2005 Stock Incentive Plan may also have consequences under state and local tax laws which vary from the federal tax consequences described below. For such reasons, we recommend that each participant consult his or her personal tax advisor to determine the specific tax consequences applicable to him or her.

Incentive Stock Options. No taxable income will be recognized by an optionee under the 2005 Stock Incentive Plan upon either the grant or the exercise of an ISO. Instead, a taxable event will occur upon the sale or other disposition of the shares acquired upon exercise of an ISO, and the tax treatment of the gain or loss realized will depend upon how long the shares were held before their sale or disposition. If a sale or other disposition of the shares received upon the exercise of an ISO occurs more than (i) one year after the date of exercise of the option and (ii) two years after the date of grant of the option, the holder will recognize long-term capital gain or loss at the time of sale equal to the full amount of the difference between the proceeds realized and the exercise price paid. However, a sale, exchange, gift or other transfer of legal title of such stock (other than certain transfers upon the optionee's death) before the expiration of either of the one-year or two-year periods

described above will constitute a "disqualifying disposition." A disqualifying disposition involving a sale or exchange will result in ordinary income to the optionee in an amount equal to the lesser of (i) the fair market value of the stock on the date of exercise minus the exercise price or (ii) the amount realized on disposition minus the exercise price. If the amount realized in a disqualifying disposition exceeds the fair market value of the stock on the date of exercise, the gain realized in excess of the amount taxed as ordinary income as indicated above will be taxed as capital gain. A disqualifying disposition as a result of a gift will result in ordinary income to the optionee in an amount equal to the difference between the exercise price and the fair market value of the stock on the date of exercise. Any loss realized upon a disqualifying disposition will be treated as a capital loss. Capital gains and losses resulting from disqualifying dispositions will be treated as long-term or short-term depending upon whether the shares were held for more or less than the applicable statutory holding period (which currently is more than one year for long-term capital gains). We will be entitled to a tax deduction in an amount equal to the ordinary income recognized by the optionee as a result of a disposition of the shares received upon exercise of an ISO.

The exercise of an ISO may result in an "adjustment" for purposes of the "alternative minimum tax." Alternative minimum tax is imposed on an individual's income only if the amount of the alternative minimum tax exceeds the individual's regular tax for the year. For purposes of computing alternative minimum tax, the excess of the fair market value on the date of exercise of the shares received on exercise of an ISO over the exercise price paid is included in alternative minimum taxable income in the year the option is exercised. An optionee who is subject to alternative minimum tax in the year of exercise of an ISO may claim as a credit against the optionee's regular tax liability in future years the amount of alternative minimum tax paid which is attributable to the exercise of the ISO. This credit is available in the first year following the year of exercise in which the optionee has regular tax liability.

Non-qualified Stock Options. No taxable income is recognized by an optionee upon the grant of a NQSO under the 2005 Stock Incentive Plan. Upon exercise, however, the optionee will recognize ordinary income in the amount by which the fair market value of the shares purchased, on the date of exercise, exceeds the exercise price paid for such shares. The income recognized by the optionee who is an employee will be subject to income tax withholding by CytoDyn out of the optionee's current compensation. If such compensation is insufficient to pay the

Edgar Filing: CYTODYN INC - Form DEF 14A

taxes due, the optionee will be required to make a direct payment to us for the balance of the tax withholding obligation. We will be entitled to a tax deduction equal to the amount of ordinary income recognized by the optionee, provided that certain reporting requirements are satisfied. If the exercise price of a NQSO is paid by the optionee in cash, the tax basis of the shares acquired will be equal to the cash paid plus the amount of income recognized by the optionee as a result of such exercise. If the exercise price is paid by delivering shares of our common stock already owned by the optionee or by a combination of cash and already-owned shares, there will be no current taxable gain or loss recognized by the optionee on the already-owned shares exchanged (however, the optionee will nevertheless recognize ordinary income to the extent that the fair market value of the shares purchased on the date of exercise exceeds the price paid, as described above). The new shares received by the optionee, up to the number of the old shares exchanged, will have the same tax basis and holding period as the optionee's basis and holding period in the old shares. The balance of the new shares received will have a tax basis equal to any cash paid by the optionee plus the amount of income recognized by the optionee as a result of such exercise, and will have a holding period commencing with the date of exercise. Upon the sale or disposition of shares acquired pursuant to the exercise of a NQSO, the difference between the proceeds realized

and the optionee's basis in the shares will be a capital gain or loss and will be treated as long-term capital gain or loss if the shares have been held for more than the applicable statutory holding period (which is currently more than one year for long-term capital gains).

Tax Withholding. Under the 2005 Stock Incentive Plan, we have the power to withhold, or require a participant to remit to us, an amount sufficient to satisfy Federal, state and local withholding tax requirements with respect to any award granted under the 2005 Stock Incentive Plan. To the extent permissible under applicable tax, securities, and other laws, the Administrator may, in its sole discretion, permit a participant to satisfy an obligation to pay any tax to any governmental entity in respect of any option up to an amount determined on the basis of the highest marginal tax rate applicable to such participant, in whole or in part, by (i) directing us to apply shares of common stock to which the participant is entitled as a result of the exercise of an option, or (ii) delivering to us shares of common stock owned by the participant.
