Shareholders Entitled to Vote

Only holders of record of ordinary shares at the close of business on July 27, 2005, are entitled to receive notice of and to vote at the Meeting. Each Ordinary Share is entitled to one vote on each matter to be voted on at the Meeting. Our articles of association do not provide for cumulative voting for the election of the directors or for any other purpose.

Required Votes

With the exception of the election of the external director, all of the resolutions being proposed to the shareholders all require the affirmative vote of a majority of our ordinary shares voted on in person or by proxy at the Meeting. The election of external directors requires the affirmative vote of a majority of our ordinary shares voted on in person or by proxy at the Meeting, provided that such majority includes at least one-third of the votes of the non-Controlling shareholders (as defined below) of the company who are voting on this matter at the Meeting. This approval requirement need not be met if the aggregate shareholdings of those non-Controlling shareholders who vote against the election of the external directors represent one percent or less of all the voting power of the company.

Controlling for the purpose of the preceding paragraph means the ability to direct the acts of the Company. Any person holding one half or more of the voting power of the Company or of the right to appoint directors or the Chief Executive Officer is presumed to have control of the Company.

The votes of all shareholders voting on the matters, in person or by proxy, will be counted. The count shall not take abstentions into account.

Quorum

The presence, in person or by properly executed proxy, of two or more holders of an aggregate of at least one-quarter of the voting power of the Company, is necessary to constitute a quorum at the Meeting. If within one-half of an hour from the time appointed for the Meeting there is not present at the Meeting, in person or by proxy, at least two or more holders of an aggregate of more than one-quarter of the voting power of the Company, a quorum will not be present and the Meeting will be adjourned to the same day in the next week, at the same time and place, or to such day and at such time and place as the Chairman of the Meeting may determine with the consent of a majority of the voting power present at the meeting, in person or by proxy, and voting on the question of adjournment.

IV. APPROVAL OF AMENDMENTS TO OUR ARTICLES OF ASSOCIATION

In March 2005, several sections of the Companies Law were amended. Some of these amendments relate to issues contained in our articles of association. We therefore propose to amend our articles of association accordingly. If the proposed amendments to our articles of association are approved, we will restate our articles of association and refer to them thereafter as our Articles of Association as amended and restated on August 30, 2005.

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

Alternate Directors. The Companies Law authorizes directors to appoint alternate directors in their stead, provided that the company's articles of association so permit. To qualify as an alternate director, a person must be qualified to serve as a director but cannot be a director of the company or an alternate director of another director of the company. The appointment of an alternate director does not absolve the appointing director of his or her responsibilities. The appointment may be general (for an indefinite period and for all purposes) or may be limited to a specific period of time or restricted to a specific meeting or board action. At present, none of our directors has appointed an alternate director pursuant to a general appointment. However, members of our board may, from time to time, appoint alternate directors for a specific meeting or board action.

The March 2005 amendment to the Companies Law prohibits an external director from appointing an alternate director, except that, under certain conditions, an external director may appoint another external director to serve as an alternate member of a committee of the board of directors on which he or she is not a member. In addition, the March 2005 amendment permits a director to serve as an alternate member of a committee of the board of directors on which he or she is not a member.

Indemnification of Directors. The Companies Law authorizes a company to indemnify an officer or director of the Company by reason of acts or omissions committed in his or her capacity as an officer or director of the Company for:

- (i) a financial obligation imposed upon him or her by a court judgment, including a settlement or an arbitrator's award approved by court; and
- (ii) reasonable litigation expenses, including attorney's fees, expended by an officer or director or charged to him or her by a court: (a) in a proceeding instituted against him or her by or on behalf of the Company or by another person, (b) in a criminal charge from which he or she was acquitted, or (c) in criminal proceedings in which he or she was convicted of a crime which does not require proof of criminal intent.

The March 2005 amendment adds an additional category of indemnifiable expenses: reasonable litigation expenses, including attorney's fees, expended by the officer or director as a result of an investigation or proceeding instituted against him by a competent authority, provided that such investigation or proceeding concluded without the filing of an indictment against him and either (A) concluded without the imposition of any financial liability in lieu of criminal proceedings or (B) concluded with the imposition of a financial liability in lieu of criminal proceedings but relates to a criminal offense that does not require proof of criminal intent.

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

A company may indemnify an officer or director after the fact, to the extent it is approved by the audit committee, board of directors and shareholders. With respect to undertakings to indemnify in the future, the Companies Law prior to the March 2005 amendment required that the undertaking be limited to types of occurrences which, in the opinion of the company's board of directors, can be foreseen and in an amount the board of directors has determined is reasonable under the circumstances. The March 2005 amendment modifies this condition. It limits indemnification to occurrences deemed foreseeable by the board of directors in light of the actual activities of the company at the time the undertaking to indemnify is entered into. In addition, in lieu of limiting the indemnification to a maximum amount, the limit can be based on specified criteria. Finally, the undertaking must set forth the events deemed foreseeable by the board of directors and the maximum amount or criteria that the board of directors has determined to be reasonable under the circumstances. The March 2005 amendment applies these conditions only to financial obligations imposed by a court judgment, settlement or court-approved arbitration award but not to expenses incurred.

PROPOSAL NO. 4

The Board of Directors will propose that the following Ordinary Resolution be adopted:

RESOLVED, that the Company's Articles of Association be amended as set forth below.

that paragraph (g) be added to Article 45 as follows:

(g) Notwithstanding Article 45(a), (i) no person shall be appointed as the Alternate Director for more than one Director and (ii) except as otherwise specifically permitted by the Companies Law, no External Director may appoint an Alternate Director.

that Article 68A be replaced with the following:

68A Subject to the provisions of the Companies Law, the Company may indemnify an Office Holder to the maximum extent permitted by law, in respect of an obligation or expense specified below imposed on the Office Holder in respect of an act performed in his capacity as an Office Holder, as follows:

(i) a financial obligation imposed on him in favor of another person by a court judgment, including a compromise judgment or an arbitrator's award approved by court;

(ii) reasonable litigation expenses, including attorney's fees, expended by the Office Holder as a result of an investigation or proceeding instituted against him by a competent authority, provided that such investigation or proceeding concluded without the filing of an indictment against him and either (A) concluded without the imposition of any financial liability in lieu of criminal proceedings or (B) concluded with the imposition of a financial liability in lieu of criminal proceedings but relates to a criminal offense that does not require proof of criminal intent; and

(iii) reasonable litigation expenses, including attorneys' fees, expended by an Office Holder or charged to the Office Holder by a court, in a proceeding instituted against the Office Holder by the Company or on its behalf or by another person, or in a criminal charge from which the Office Holder was acquitted, or in a criminal proceeding in which the Office Holder was convicted of an offense that does not require proof of criminal intent.

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

The Company may undertake to indemnify an Office Holder as aforesaid, (a) prospectively, provided that, in respect of Article 68A(c)(i), the undertaking is limited to events which in the opinion of the Board of Directors are foreseeable in light of the Company's actual operations when the undertaking to indemnify is given, and to an amount or criteria set by the Board of Directors as reasonable under the circumstances, and further provided that such events and amount or criteria are set forth in the undertaking to indemnify, and (b) retroactively.

Upon receipt of a properly signed and dated proxy and unless otherwise instructed on the proxy, the persons named in the enclosed proxy will vote the shares represented in the proxy for the proposals.

V. APPROVAL OF INDEMNIFICATION LETTER

The Companies Law authorizes the audit committee, board of directors and shareholders to approve to indemnify directors and officers of the Company, to the extent permitted by Law and as set forth in the Company's Articles of Association. The audit committee and board of directors have approved and recommend that the shareholders approve that the Company provide an indemnification letter to each of its officers and directors in the form attached hereto as **Exhibit A**. Such indemnification letter conforms to the amendment to our Articles set forth above and will not be brought before the shareholders for approval if Proposal No. IV herein is not approved. The proposed letter ensures that our officers and directors have indemnification to the fullest extent permitted by law.

PROPOSAL NO. 5

The board of directors will propose to the Meeting that the following Ordinary Resolution be adopted.

RESOLVED, that the indemnification letter agreements in favor of the Company's directors and officers and described in the Company's Proxy Statement dated August 3, 2005, be approved.

Upon receipt of a properly signed and dated proxy and unless otherwise instructed on the proxy, the persons named in the enclosed proxy will vote the shares represented by the proxy FOR the proposal.

VI. APPROVAL OF AN AMENDMENT TO CERTAIN STOCK OPTION AGREEMENTS

The board of directors recommends that the shareholders approve an amendment to the stock option agreements of certain past and present directors who did not serve as officers of the Company. Specifically, with respect to those directors serving on the board on July 17, 2005 who were not officers of the Company, the stock option committee, the audit committee and the board of directors has recommended that the shareholders approve an amendment to their stock option agreements such that all of the unvested options granted to them pursuant to such agreements shall vest immediately. Further, the stock option committee, the audit committee and the board of directors recommend to the shareholders that with respect to all options granted to the directors of the Company as of June 30, 2005, the exercise period of all such options shall be amended to be no later than June 30, 2006.

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

The stock option agreements for directors, officers and other employees or service providers of the Company generally vest over a two-year period. In addition, the agreements provide that if the holder of an option ceases to be employed by the Company or ceases to provide services to the Company for reasons other than for Cause (a defined term), the options shall remain exercisable for a period of ninety days. The Company will record a compensation expense in its financial statements with respect to the proposed amendment if the closing price of our stock on August 30 is higher than the exercise price of the options granted to the directors.

As discussed in proposal 2 above, six out of seven of the Company's directors resigned on July 18, 2005 in connection with the closing of a transaction between Bank Hapoalim, Mivtach Shamir and York Capital Management. With respect to five of such directors who did not serve as officers of the Company (Messrs. Bednarek, Buchris, Chitayat and Neyman and Ms. Harnevo), the stock option committee, the audit committee and the board of directors (all of whom except Mr. Shlomo Rodav) noted in taking their decisions that they were interested parties) recommends that the shareholders approve the amendment of all their stock option agreements such that:

all of the unvested options shall vest immediately; and
the exercise period of all such options shall be amended to terminate on June 30, 2006.

The aggregate number of options to be vested which would otherwise lapse if the resolution is not adopted is 50,800. In addition, the number of options that will remain exercisable until June 30, 2006 is 90,330. The exercise price for such options is between \$5.00 and \$6.89 per share.

PROPOSAL NO. 6

At the Meeting, the board of directors will propose to the Meeting that the following Ordinary Resolution be adopted:

RESOLVED, that the amendment of all of the stock option agreements of those directors who did not serve as officers of the Company as of July 17, 2005, as presented to the Meeting of Shareholders and described in the Company's Proxy Statement dated August 3, 2005, be, and hereby is, approved.

Upon the receipt of a properly signed and dated proxy and unless otherwise instructed on the proxy, the persons named in the enclosed proxy will vote the shares represented thereby FOR the proposal.

VII. APPROVAL OF REMUNERATION AND A BONUS TO BE PAID TO ISRAEL LITERAGE & SUPPLY & CO. LTD.

The board of directors will present at the meeting for shareholder approval a resolution approved by the board of directors and the audit and compensation committees to compensate Israel Literage & Supply Co. Ltd. for the services of Mr. Shlomo Rodav to the Company as Chief Executive Officer from January 1 through July 18, 2005, in the following manner: (i) an additional monthly compensation of \$25,000 plus value added tax (VAT) for the period beginning January 1, 2005 and ending July 18, 2005; and (ii) a \$300,000 plus VAT bonus for services rendered as chief executive officer of the Company for the period beginning January 1, 2005 and ending July 18, 2005. If approved by the shareholders, payment shall be made to Israel Literage & Supply Co. Ltd., a company in Mr. Rodav's control and ownership.

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

The board of directors will propose that the following Ordinary Resolutions be adopted:

RESOLVED FURTHER, that the proposed terms for remuneration of Israel Litrage & Supply Co. Ltd. for the services of Shlomo Rodav to the Company for the period beginning January 1, 2005 and ending July 18, 2005 as Chief Executive Officer as presented to the special meting of the shareholders and described in the Company s Proxy Statement dated August 3, 2005, be, and hereby are, approved.

Upon receipt of a properly signed and dated proxy and unless otherwise instructed on the proxy, the persons named in the enclosed proxy will vote the shares represented by the proxy FOR the proposal.

VIII. ADDITIONAL INFORMATION

Board Practices

Our directors, except for the external directors, are currently elected at the annual shareholders meeting to serve until our next annual meeting of the shareholders and until their respective successors are elected and qualified, unless any office is vacated earlier under any relevant provisions of our articles of association. Our articles of association currently in effect provide that the directors may appoint additional directors (whether to fill a vacancy or to expand the board of directors). Our articles of association provide that the board of directors may delegate all of its powers to committees of the board of directors as it deems appropriate, subject to the provisions of applicable law.

Alternate Directors

Our articles of association provide that a director may appoint, by written notice to us and subject to the consent of the board of directors, any individual (subject to certain limitations under the Companies Law) to serve as an alternate director. Any alternate director shall have all of the rights and obligations of the director appointing him or her, except the power to appoint an alternate (unless otherwise specifically provided for in the appointment of such alternate). The alternate director may not act at any meeting at which the director appointing him or her is present. Unless the time period or scope of any such appointment is limited by the appointing director, such appointment is effective for all purposes and for an indefinite time, but will expire upon the expiration of term or vacation of office of the appointing director. Currently, no alternate directors have been appointed.

Board Compensation

The members of the board of directors who are not employees of the Company currently receive annual compensation in the amount of \$20,000. In addition, board members receive \$300 for each board or committee meeting attended, provided that the board member is a member of such committee and an additional \$300 for each board or committee meeting which extends beyond four hours. For telephonic participation in board or committee meetings, board members receive 50% of what is received for physical participation.

As additional remuneration for their services as directors on our board of directors, each non-employee director is currently granted options for the purchase of 6,066 shares from the 2003 Stock Option Plans.

External Directors

Under the Israeli Companies Law (the Companies Law), public companies are required to elect two external directors who must meet specified standards of independence. Companies that are registered under the laws of Israel and whose shares are listed for trading on a stock exchange outside of Israel, such as our Company, are treated as public companies with respect to the external directors requirement. External directors may not have, directly or indirectly through a relative, partner, employer or controlled entity, any affiliation with the public company, with those of its shareholders who are controlling shareholders at the time of appointment or with any entity controlled by the company or by its controlling shareholders, during the 2 years preceding their appointment. The term affiliation includes an employment relationship, a business or professional relationship maintained on a regular basis, control and services as an office holder. No person can serve as an external director if the person's other positions or business creates or may create conflicts of interest with the person's responsibilities as an external director. Until the lapse of two years from termination of office, a company may not engage an external director as an employee or otherwise.

External directors serve for a three-year term, which may be renewed for only one additional three-year term. External directors can be removed from office only by the court or by the same special percentage of shareholders that can elect them, and then only if the external directors cease to meet the statutory qualifications with respect to their appointment or if they violate their fiduciary duty to the company. The court may additionally remove external directors from office if they were convicted of certain offenses by a non-Israeli court or are permanently unable to fulfill their position. If, when an external director is elected, all members of the board of directors of a company are of one gender, the external director to be elected must be of the other gender.

Any committee of the board of directors must include at least one external director. The Audit committee must include both external directors. An external director is entitled to compensation as provided in regulations adopted under the Companies Law and is otherwise prohibited from receiving any other compensation, directly or indirectly, in connection with such service.

The Companies Law requires external directors to submit to the company, prior to the date of the notice of the general meeting convened to elect the external directors, a declaration stating their compliance with the requirements imposed by Companies Law for the office of external director.

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

Our shareholders appointed Mr. Haim Benjamini at the Special General Meeting held on February 3, 2005. Our second external director, Ms. Linda Harnevo, resigned on July 18, 2005 and this Proxy Statement contemplates the election of Dr. Leora Meridor, as our second external director.

Audit Committee

The Companies Law also provides that publicly traded companies must appoint an audit committee. The responsibilities of the audit committee include, but are not limited to, identifying irregularities in the management of the Company's business and approving related party transactions as required by law. An audit committee must consist of at least three members, and include all of the Company's external directors. However, the chairman of the board of directors, any director employed by the Company or providing services to the Company on a regular basis, any controlling shareholder and any relative of a controlling shareholder may not be a member of the audit committee. An audit committee may not approve an action or a transaction with an officer or director, a transaction in which an officer or director has a personal interest, a transaction with a controlling shareholder and certain other transactions specified in the Companies Law, unless at the time of approval two external directors are serving as members of the audit committee and at least one of the external directors was present at the meeting in which an approval was granted.

Pursuant to the current listing requirements of the Nasdaq National Market, we are required to establish an audit committee, at least a majority of whose members are independent of management. Pursuant to the Sarbanes-Oxley Act of 2002, the Securities and Exchange Commission (the SEC) has issued new rules which require Nasdaq to impose independence requirements on each member of the audit committee. Nasdaq has proposed rules that comply with the SEC's requirements and which are expected to be applicable to us as of July 31, 2005.

Our audit committee consists of Messrs. Benjamini and Tamir and Ms. Karen Sarid. We believe that these appointments comply with the requirements of the SEC and Nasdaq rules, and that Ms. Sarid qualifies to serve as the audit committee's financial expert, as required by the SEC and Nasdaq. Upon the nomination of Dr. Meridor to the board, it is expected that such nominee will also be added to our audit committee in order to meet the requirements of the Companies Law. We expect that Dr. Meridor will also qualify as a financial expert.

Stock Option Plans

As of July 20, 2005, we had granted options to purchase a total of 153,950 ordinary shares under plans from 1993 and 1995, both of which have expired. The exercise prices for such options vary from \$7.80 to \$3,197.50 and all such options expire at various times from November 2003 to February 2013. As of July 18, 2005, options under these plans totaling 46,496 shares have been exercised.

In September 2003, we adopted the 2003 Stock Option Plan (Incentive and Restricted Stock Options), or the 2003 ISO/RSO Plan and the Section 102 Stock Option Plan 2003, or the 2003 Section 102 Plan and collectively, the 2003 Stock Option Plan. At present, the 2003 Stock Option Plan provides for the granting of options of up to an aggregate of 2,635,000 ordinary shares to our officers, directors, employees or service providers or any of our subsidiaries. As of July 18, 2005, we had granted options to purchase a total of 2,541,041 ordinary shares under the 2003 Stock Option Plan, of which 161,882 have been exercised and 1,345,731 of which have vested.

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

The purpose of the various Plans is to enable us to attract and retain qualified persons as employees, officers, directors, consultants and advisors and to motivate such persons by providing them with an equity participation in Gilat. In addition, the 2003 ISO/RSO Plan is designed to afford qualified optionees certain tax benefits available under the United States Internal Revenue Code of 1986, as amended (the Code). The 2003 Section 102 Plan is designed to afford qualified optionees certain tax benefits under the Israel Income Tax Ordinance.

The 2003 Stock Option Plans are administered by a Stock Option Committee appointed by our board of directors. The Stock Option Committee, currently comprised of Messrs. Benjamini, Blank and Tamir and Ms. Sarid, has broad discretion, subject to certain limitations, to determine the persons entitled to receive options, the terms and conditions on which options or rights to purchase are granted and the number of shares subject thereto. The Stock Option Committee also has discretion to determine the nature of the consideration to be paid upon the exercise of an option and/or right to purchase granted under the 2003 Plans. Such consideration generally may consist of cash or, at the discretion of the Board, cash and a recourse promissory note. All grants of options pursuant to the 2003 Section 102 Plan are subject to the approval of the board of directors.

Stock options issued as incentive stock options pursuant to the 2003 ISO/RSO Plan will only be granted to the employees and directors of Gilat or its subsidiaries. The exercise price of incentive stock options issued pursuant to the 2003 ISO/RSO Plan must be at least equal to the fair market value of the ordinary shares as of the date of the grant (and, in the case of optionees who own more than 10% of the voting stock, the exercise price must equal at least 110% of the fair market value of the ordinary shares as of the date of the grant). Unless otherwise provided in an option agreement, the price per share under options awarded pursuant to the 2003 Stock Option Plan shall be the higher of (i) \$5.00 per share; and (ii) the fair market value of the shares, as of the date of the option grant.

Options are exercisable and restrictions on disposition of shares lapse according to the terms of the individual agreements under which such options were granted or shares issued.

In addition, two former executives have been granted options outside of our stock option plans, in an aggregate amount of 375,000 shares, 93,450 of which have already been exercised. The exercise price is \$5.00 per share.

IX. OTHER BUSINESS

The Meeting is called for the purposes set forth in the Notice accompanying this Proxy Statement. As of the date of the Notice, the board of directors knows of no business that will be presented for consideration at the Meeting other than the foregoing matters. If other matters not now known properly come before the Meeting, however, it is intended that the persons named as proxies or their substitutes will vote the shares in accordance with their best judgment with respect to such matters.

3. The Company will make available all amounts needed in accordance with paragraph 1 above when such amounts become payable by you (**Time of Indebtedness**) with respect to items referred to in paragraph 1 above, even prior to a court decision. 7. The total amount of Indemnification that the Company undertakes towards all persons whom it has resolved to indemnify for the matters and in the circumstances described herein, jointly and in the aggregate, shall not exceed an amount equal to US\$10,000,000.

8. The Company will be entitled to any amount collected from a third party in connection with liabilities indemnified hereunder.

9. In accordance with applicable law and the terms and conditions of this Letter of Indemnification, the Company will indemnify you in accordance with the following:

9.1 You shall promptly notify the Company in writing of any legal proceedings initiated against you and of all possible or threatened legal proceedings without delay following your first becoming aware thereof, and you shall deliver to the Company, or to such person as it shall advise you, all documents you receive in connection with these proceedings.

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

9.2 Other than with respect to proceedings that have been initiated against you by the Company or in its name, the Company shall be entitled to undertake the conduct of your defense in respect of such legal proceedings and/or to hand over the conduct thereof to any attorney which the Company may choose for that purpose, except to an attorney who is not, upon reasonable grounds, acceptable to you.

Notwithstanding the foregoing, in the case of a reasonably likely conflict of interest between you and the Company, Affiliates and/or Subsidiaries (referred to as a Conflict Situation), you will be entitled to appoint an attorney of your own to represent you in such proceedings. Your attorney shall be fully updated on the defense proceedings, and the Company shall cooperate with your attorney. The Company shall indemnify you for all reasonable expenses you incur in connection with engaging such attorney.

Additionally, if you are no longer affiliated with the Company, Affiliates and/or Subsidiaries at the Time of Indebtedness, and there is no reasonably likely conflict of interest between you and the Company, then you and the Company shall discuss and agree to the manner of your representation in such matter.

Except in the event of a Conflict Situation and as otherwise may be agreed by you and the Company, the Company shall be entitled to conclude such proceedings, in its discretion, including by way of settlement. You agree to execute all documents reasonably required to enable the Company to conduct your defense, and to represent you in all matters connected therewith.

In the case of criminal proceedings, the Company will not have the right to plead guilty on your behalf or to agree to a plea-bargain on your behalf without your written consent. Furthermore, in a civil proceeding (whether before a court or as a part of a compromise arrangement), where a Conflict Situation exists, the Company will not have the right to admit to any Actions without your written consent. In a civil proceeding (whether before a court or as a part of a compromise arrangement), where no Conflict Situation exists, the Company will not have the right to admit to any Actions that are not indemnifiable pursuant to this Letter of Indemnification and/or pursuant to law, without your written consent.

However, this will not prevent the Company from coming to a financial arrangement with a plaintiff in a civil proceeding without your consent, provided that such arrangement does not include an admission of an Action.

9.3 You agree to cooperate in good faith with the Company as may be required during any such legal proceedings, including but not limited to the execution of power(s) of attorney and other documents, provided that the Company shall cover all costs incidental thereto.

9.4 The Company will have no liability or obligation pursuant to this Letter of Indemnification or the above resolutions to indemnify you for any expenses or damages pursuant to any compromise or settlement agreement reached in any suit, demand or other proceeding, unless the Company has given advance written approval for such compromise or settlement.

10. The Company hereby exempts you, to the fullest extent permitted by law, from any liability for damages caused as a result of a breach of your duty of care to the Company, provided that in no event shall you be exempt with respect to any Actions listed in paragraph 2 above.

Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

11. For the avoidance of doubt, it is hereby clarified that nothing contained in this Letter of Indemnification or in the above resolutions derogates from the Company's right to indemnify you post factum for any amounts which you may be obligated to pay as set forth in paragraph 1 above.

12. If all or part of any undertaking contained herein is held invalid or unenforceable by a court of competent jurisdiction, such invalidity or unenforceability will not affect any of the other undertakings which will remain in full force and effect. Furthermore, if such invalid or unenforceable undertaking may be modified or amended so as to be valid and enforceable as a matter of law, such undertakings will be deemed to have been modified or amended, and any competent court or arbitrator are hereby authorized to modify or amend such undertaking, so as to be valid and enforceable to the maximum extent permitted by law.

13. This Letter of Indemnification and the agreement herein shall be governed by and construed and enforced in accordance with the laws of the State of Israel.

14. This Letter of Indemnification cancels and supersedes any preceding letter of indemnification that may have been issued to you.

This letter is being issued to you pursuant to the resolutions adopted by the Audit Committee of the Company and by the Board of Directors of the Company on August 3, 2005.

Very truly yours,
Gilat Satellite Networks Ltd.
