Item 1.01 Entry into a Material Definitive Agreement

Unit Purchase and Redemption Agreement and Amended and Restated Limited Liability Company Agreement

On May 16, 2014, Armada Oil, Inc. (“we,” “us,” “our” or the “Company”) entered into a Unit Purchase and Redemption Agreement (the “UPRA”) with Gulfstar Resources, LLC, a private energy investment group (“Gulfstar”). Pursuant to the terms of the UPRA, TNR Holdings, LLC (“TNRH”) agreed to sell to Gulfstar a total of 3,780 Class A Units of TNRH at a price of \$564.31 per Unit and to redeem from our wholly owned subsidiary, Mesa Energy, Inc. (“Mesa”) a total of 3,780 of its Class B Units of TNRH for the same price, less transaction costs. The aggregate amount that Mesa will receive under the UPRA is \$2,133,092, less transaction expenses estimated at approximately \$26,000. The net proceeds will be used by Mesa to pay the first annual consulting fee due to Coral Reef Capital, LLC, an affiliate of Gulfstar, under its Consulting Services Agreement, in the amount of \$64,000, with the balance of approximately \$2.04 million to be used for the drilling of the Bear Creek #1 well, the initial test well on the Company’s Anadarko farmout acreage in Carbon County, Wyoming.

The initial closing under the UPRA occurred on May 16, 2014, for 1,460 Units of TNRH for \$823,893, less expenses of \$19,765, and the balance of the purchase commitment is to be funded by Gulfstar no later than July 15, 2014. Assuming the full 3,780 Units are purchased by Gulfstar, Mesa’s ownership percentage in TNRH (which was approximately 39.7% prior to the first closing under the UPRA) will fall to approximately 27%.

Simultaneously, Mesa and Gulfstar entered into an amendment to the Amended and Restated Limited Liability Company Agreement of TNRH to make technical corrections necessary in relation to the UPRA and to provide that TNRH’s initial quarterly distribution or distributions of available cash from operations in 2014 will be allocated as follows: (a) the amount otherwise distributable to Mesa will be increased by an aggregate \$397,711.00 and (b) the amount otherwise distributable to Gulfstar will be decreased by an aggregate \$397,711.00. The purpose of this adjustment is to reimburse Mesa in connection with site-specific trust accounts owned by TNRH such that the amount Mesa and its affiliates have previously funded into such trust accounts is proportional to Mesa’s ownership percentage of TNRH.

The foregoing is a summary of the material terms and conditions of the agreements referred to above and is qualified by reference to the agreements, copies of which are filed as exhibit to this report, and which are incorporated herein by reference. In addition, more complete descriptions of the terms of the Amended and Restated Limited Liability Company Agreement of TNRH and of the Consulting Services Agreement with Coral Reef Capital are contained in our Current Reports on Form 8-K filed with the Securities and Exchange Commission on December 27, 2013, and April 16, 2014, and are incorporated herein by reference.

Amended Securities Purchase Agreement and Related Matters

As previously reported, on May 1, 2013, the Company entered into a Securities Purchase Agreement (the “SPA”) with certain investors (the “Purchasers”) for the purchase of up to \$4,000,000 worth of Series A Senior Unsecured 9.625% Notes (the “Series A Notes”) with a maturity date of May 30, 2014 and Series D Common Stock Purchase Warrants (the “Series D Warrants”) with an exercise price of \$0.75 per share. On May 16, 2014, the Company’s Board of Directors approved an amendment to the SPA (the “Amendment”), whereby the maturity date of the Series A Notes would be extended to May 30, 2015.

As consideration for the Amendment, the Company has agreed to reduce the exercise price of the Series D Warrants to \$0.30 per share and issue an additional Series D Warrant (the “Additional Warrants”) to each of the Purchasers. The Additional Warrants shall be issued for the purchase of up to the number of shares of common stock of the Company equal to 100% of the quotient of the amount each Purchaser holds divided by \$1.00. The Additional Warrants shall be

exercisable at a purchase price of \$0.30 per share for a period of five (5) years.

James J. Cerna, Jr., a director of the Company, is the holder of \$100,000 worth of the Series A Notes.

The foregoing is a summary of the material terms and conditions of the UPRA, the Restated Limited Liability Company Agreement, the Amendment and related securities and is qualified by reference to the agreements and forms of amended securities, copies of which are filed as exhibits to this report, and which are incorporated herein by reference.
