Annual Meeting of Stockholders

April 8, 2005

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Aberdeen Australia Equity Fund, Inc., a Maryland corporation (the **Fund**), to be voted at the Annual Meeting of Stockholders of the Fund (the **Meeting**) to be held at 800 Scudders Mill Road, Entrance 2, Plainsboro, New Jersey, on Friday, April 8, 2005, at 11:00 a.m. (Eastern time). The approximate mailing date for this Proxy Statement is March 15, 2005 or as soon as practicable thereafter.

All properly executed proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked on the proxy card. Unless instructions to the contrary are marked on the proxy card, proxies received will be voted **FOR** the proposal to elect Class II Directors. The persons named as proxy holders on the proxy card will vote in their discretion on any other matters that may properly come before the Meeting or any adjournments or postponements thereof. Any proxy may be revoked at any time prior to its exercise by submitting a properly executed, subsequently dated proxy, giving written notice to the Secretary of the Fund (addressed to the Secretary at the principal executive office of the Fund, 800 Scudders Mill Road, Plainsboro, New Jersey 08536), or by attending the Meeting and voting in person. Stockholders may authorize proxy voting by using the enclosed proxy card along with the enclosed envelope with pre-paid postage. Stockholders may also authorize proxy voting by telephone, by following the instructions contained on their proxy card.

The presence at the Meeting, in person or by proxy, of the stockholders entitled to cast a majority of all the votes entitled to be cast at the Meeting shall be necessary and sufficient to constitute a quorum for the transaction of business. For purposes of determining the presence of a quorum at the Meeting, abstentions and broker non-votes (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular proposal with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present.

The vote of a plurality of all of the votes cast at a meeting at which a quorum is present is necessary for the election of a director. For purposes of the election of directors, abstentions will not be counted as votes cast and will have no effect on the result of the vote. Proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on the

proposal will be voted **FOR** the proposal.

If a quorum is not present in person or by proxy at the time the Meeting is called to order, the chairman of the Meeting or the stockholders may adjourn the Meeting. The vote required to adjourn the Meeting is the affirmative vote of a majority of all the votes cast on the matter. If a quorum is present but there are not sufficient votes to approve a proposal, the chairman

of the Meeting may adjourn the Meeting as to that proposal or the persons named as proxy holders may propose one or more adjournments of the Meeting to permit further solicitation of proxies on that proposal. The vote required for stockholders to adjourn the Meeting is the affirmative vote of a majority of all the votes cast on the matter. In such a case, the persons named as proxy holders will vote those proxies which they are entitled to vote in favor of the proposal **FOR** the adjournment as to that proposal, and will vote those proxies required to be voted against the proposal **AGAINST** the adjournment as to that proposal. If the motion for adjournment is not approved, the voting on that proposal will be completed at the Meeting.

Only stockholders or their duly appointed proxy holders can attend the Meeting and any adjournment or postponement thereof. To gain admittance, if you are a stockholder of record, you must bring a form of personal identification to the Meeting, where your name will be verified against our stockholder list. If a broker or other nominee holds your shares and you plan to attend the Meeting, you should bring a recent brokerage statement showing your ownership of the shares, as well as a form of personal identification. If you are a beneficial owner and plan to vote at the Meeting, you should also bring a proxy card from your broker.

The Board of Directors has fixed the close of business on March 10, 2005 as the record date (Record Date) for the determination of stockholders entitled to notice of, and to vote at, the Meeting and at any adjournment or postponement thereof. Stockholders on the Record Date will be entitled to one vote for each share held. As of March 10, 2005, the Fund had 16,777,298 shares of common stock outstanding.

The Fund will furnish, without charge, a copy of the Fund's annual report for its fiscal year ended October 31, 2004, and any more recent reports, to any Fund stockholder upon request. To request a copy, please call or write to Aberdeen Asset Management Inc., Las Olas Place, 300 S.E. 2nd Street, Suite 820, Fort Lauderdale, FL 33301, Telephone: 1-866-839-5205.

PROPOSAL 1: ELECTION OF CLASS II DIRECTORS

The Fund's bylaws provide that the Board of Directors will be divided into three classes, as nearly equal in number as possible, each of which will serve for three years, with one class being elected each year. Each year the term of office of one class expires. Directors who are deemed interested persons (as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (1940 Act)) of the Fund, the Investment Manager or the Investment Adviser, are referred to in this Proxy Statement as Interested Directors. Directors who are not interested persons as described above are referred to in this Proxy Statement as Independent Directors.

Messrs. David L. Elsum, Peter D. Sacks and Hugh Young were elected by stockholders as Directors of the Fund. Mr. Elsum was elected as a Class III Director with a term expiring in 2006 and, effective December 10, 2003, was redesignated as a Class II Director to serve until the 2005 Annual Meeting and until his successor is duly elected and qualifies. Mr. Sacks was elected as a Class I Director with a term expiring in 2004 and, effective September 12, 2002, was redesignated as a Class II Director to serve until the 2005 Annual Meeting and until his successor is duly elected and qualifies. Mr. Young was elected as a Class II Director to serve until the 2005 Annual Meeting and until his successor is duly elected and qualifies.

The Board of Directors of the Fund, including the Independent Directors, upon the recommendation of the Board's Nominating and Corporate Governance Committee, which is composed solely of Independent Directors, has nominated Messrs. Elsum, Sacks and Young to serve as Class II Directors for three-year terms to expire at the Annual Meeting of Stockholders to be held in 2008, and until their successors are duly elected and qualify. The nominees have indicated an intention to serve if elected and have consented to be named in this Proxy Statement.

At its December 2004 meeting, the Board of Directors adopted a retirement policy providing for the retirement of directors at the age of 70, subject to annual review thereafter by the Nominating and Corporate Governance Committee to determine whether it is then in the best interests of the Fund for the director to remain on the Board. This policy will be implemented by the Fund during the current fiscal year. It is anticipated that a director would be requested, upon reaching the age of 70, to tender his or her resignation, to be effective on the date of the next meeting of stockholders at which directors are to be elected. However, in recognition of the fact that a person may continue to provide a valuable contribution to the Fund after reaching the age of 70, the Nominating and Corporate Governance Committee may determine on an annual basis thereafter whether the director could continue to serve during the remainder of the term for which the director was elected, and whether a director could be nominated to serve for an additional term.

It is the intention of the persons named on the enclosed proxy card to vote **FOR** the election of Messrs. Elsum, Sacks and Young to serve as Class II Directors. The Board of Directors of the Fund knows of no reason why any of these nominees will be unable to serve, but in the event of any such inability, the proxies received will be voted for such substituted nominees as the Board of Directors may recommend. If elected, Mr. Elsum would be subject to the Fund's retirement policy during the third year of his term, and his resignation, if accepted, would not be effective until the next meeting of stockholders at which directors are to be elected, which would most likely be the annual meeting of stockholders at the end of his term.

The names of the Fund's nominees for election as Directors, and each other Director of the Fund, and their addresses, ages and principal occupations during the past five years, are provided in the tables below:

The members of the Fund's Contract Review Committee are Messrs. David L. Elsum, Neville J. Miles and William J. Potter.

Nominating and Corporate Governance Committee; Consideration of Potential Director Nominees

The Nominating and Corporate Governance Committee recommends nominations for membership on the Board of Directors and reviews and evaluates the effectiveness of the Board in its role in governing the Fund and overseeing the management of the Fund. It evaluates candidates qualifications for Board membership and, with respect to nominees for

positions as Independent Directors, their independence from the Fund's Investment Manager and Investment Adviser and other principal service providers. The Committee generally meets twice annually to identify and evaluate nominees for director and makes its recommendations to the Board at the time of the Board's December meeting. The Committee also periodically reviews director compensation and will recommend any appropriate changes to the Board as a group. The Committee also reviews and may make recommendations to the Board relating to those issues that pertain to the effectiveness of the Board in carrying out its responsibilities in governing the Fund and overseeing the management of the Fund. The Board of Directors has adopted a Nominating and Corporate Governance Committee charter, which is attached to this Proxy Statement as Appendix A. The members of the Fund's Nominating and Corporate Governance Committee are Messrs. David L. Elsum, Neville J. Miles, William J. Potter and John T. Sheehy.

The Committee may take into account a wide variety of factors in considering prospective director candidates, including (but not limited to): (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) financial expertise; (v) the candidate's ability, judgment and expertise; and (vi) overall diversity of the Board's composition. The Committee will consider potential director candidates recommended by Fund stockholders provided that: (i) the proposed candidates satisfy the director qualification requirements set forth in the Fund's bylaws, and (ii) the nominating stockholders comply with the Fund's Policies for Consideration of Board Member Candidates submitted by Fund Stockholders, annexed to this Proxy Statement as Appendix B, in addition to such procedures and requirements as are set forth in the Fund's bylaws. Other than compliance with the requirements mentioned in the preceding sentence, the Committee will not otherwise evaluate stockholder director nominees in a different manner than other nominees and the standard of the Committee is to treat all equally qualified nominees in the same manner. The Committee may identify prospective director candidates from any reasonable source and has the ability to engage third-party search services for the identification and evaluation of potential nominees.

The Fund's bylaws (Article III, Section 2(b)) contain provisions regarding minimum qualifications for directors. These include a requirement that, to qualify as a nominee for a directorship, each candidate, at the time of nomination, other than persons who were directors at the time of the adoption of the minimum qualifications, must possess at least the following specific minimum qualifications: (i) a nominee shall have at least five years experience in either investment management, economics, public accounting or Australian business; (ii) a nominee shall have a college undergraduate degree in economics, finance, business administration, accounting, or engineering, or a professional degree in law, engineering or medicine, from an accredited university or college in the United States or Australia or the equivalent degree from an equivalent institution of higher learning in another country; and (iii) a nominee shall not have violated any provision of the U.S. federal or state securities laws, or comparable laws of another country.

The Fund's bylaws (Article II, Section 11) also contain advance notice provisions and general procedures with respect to the submission of proposals, including the nomination of directors. Stockholders recommending potential director candidates must substantiate compliance with these requirements at the time of submitting their proposed director candidate to the attention of the Fund's Secretary. Notice to the Fund's Secretary should be provided in accordance with the deadline specified in the Fund's bylaws, and (i) as to each individual whom the stockholder proposes to nominate for election or re-election as a director include (A) the name, age, business address and residence address of such individual, (B) the class, series and number of any shares of stock of the Fund that are beneficially owned by such individual, (C) the date such shares were acquired and the investment intent of such acquisition, (D) whether such stockholder believes any such individual is, or is not, an interested person of the Fund (as defined in the 1940 Act), and information regarding such individual that is sufficient, in the discretion of the Board of Directors or any committee thereof or any authorized officer of the Fund to make such determination, (E) sufficient information to enable the Nominating and Corporate governance Committee of the Board of Directors to make the determination as to the proposed nominee's qualifications required under Article III, Section 2(b) of the bylaws, and (F) all other information relating to such individual that is required to be disclosed in solicitations of proxies

for election of directors in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A (or any successor provision) under the Securities Exchange Act of 1934, as amended, and the rules thereunder (including such individual's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), (ii) as to the stockholder giving the notice, the class, series and number of all shares of stock of the Fund which are owned by such stockholder and the nominee holder for, and number of, shares owned beneficially but not of record by such stockholder and (iii) as to the stockholder giving the notice, the name and address of such stockholder, as they appear on the Fund's stock ledger and current name and address, if different. Any stockholder who would like a copy of the Fund's bylaws may obtain a copy from the Fund, by writing to Aberdeen Asset Management Inc., the Fund's investor relations services provider, at Las Olas Place, 300 S.E. 2nd Street, Suite 820, Fort Lauderdale, FL 33301, or by sending an e-mail to Aberdeen Asset Management Inc. at InvestorRelations@aberdeen-asset.com.

Board and Committee Meetings in Fiscal 2004

During the Fund's fiscal year ended October 31, 2004, the Board of Directors held four regular meetings and three special meetings; the Audit and Valuation Committee held three meetings; the Contract Review Committee held one meeting; and the Nominating and Corporate Governance Committee held eight meetings. Each incumbent Director attended at least 75% of the aggregate number of meetings of the Board of Directors and of all the Committees of the Board on which he served.

Communications with the Board of Directors

Stockholders who wish to communicate with Board members with respect to matters relating to the Fund may address their written correspondence to the Board as a whole or to individual Board members c/o Aberdeen Asset Management Inc., the Fund's investor relations services provider, at Las Olas Place, 300 S.E. 2nd Street, Suite 820, Fort Lauderdale, FL 33301, or may send e-mail correspondence to the Director(s) c/o Aberdeen Asset Management Inc. at InvestorRelations@aberdeen-asset.com.

Director Attendance at Annual Meetings of Stockholders

Generally, in the event that any of the Fund's Directors are geographically close to the site of an annual meeting of stockholders at the time of such meeting, one or more of such Directors will attend the meeting. However, since a majority of the Fund's Directors reside outside of the United States, the Fund recognizes that it would be impractical for most Directors to attend such meetings and would create a significant expense for the Fund. In light of the fact that the residences of most Directors are at substantial distances from the location of the annual meetings of stockholders and that, historically, few stockholders have attended annual meetings in person, the Fund has not established a policy with respect to Director attendance at annual meetings of stockholders. No Directors attended the 2004 annual meeting of stockholders.

Compensation of Directors and Certain Officers

The following table sets forth information regarding compensation of Directors by the Fund and by the fund complex of which the Fund is a part for the fiscal year ended October 31, 2004. Officers of the Fund and Directors who are interested persons of the Fund do not receive any compensation directly from the Fund or any other fund in the fund complex for performing their duties as officers or Directors, respectively. Each Independent Director of the Fund receives an aggregate fee, effective January 1, 2004, of \$18,500 per year, inclusive of attendance at in-person and telephonic Board meetings. Members of the Fund's Audit and Valuation Committee, Contract Review Committee, Nominating and Corporate Governance Committee and ad hoc committees receive a fee of \$500 per committee meeting attended, and the Chairman of each of these Committees receives an additional fee of \$500 per committee meeting attended. The fees for attendance at committee meetings may be less

than \$500 per meeting, in certain instances where committee meetings are held jointly with committee meetings of other funds in the same fund complex.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, as applied to the Fund, require the Fund's officers, Directors, the Investment Manager and Investment Adviser, affiliates of the Investment Manager or Investment Adviser, and persons who beneficially own more than 10% of a registered class of the Fund's outstanding securities (Reporting Persons), to electronically file reports of ownership of the Fund's securities and changes in such ownership with the SEC and the AMEX. Such persons are required by SEC regulations to furnish the Fund with copies of all such filings.

Based solely on its review of the copies of such forms received by it and written representations from certain Reporting Persons that no year-end reports were required for those persons, and except as provided in the following sentences, the Fund believes that during the fiscal year ended October 31, 2004, its Reporting Persons complied with all applicable filing requirements. For the fiscal year ended October 31, 2004, Mr. Andrew Smith filed a Form 3 Initial Statement of Beneficial Ownership of the Fund's securities subsequent to the 10 day period specified in the Form. For the fiscal year commencing November 1, 2004, Mr. Derek Fulton, an affiliated person of the Investment Manager, filed a Form 3 Initial Statement of Beneficial Ownership of the Fund's securities subsequent to the 10 day period specified in the Form.

BGB Representative on the Board of Directors

Edgar Filing: ABERDEEN AUSTRALIA EQUITY FUND INC - Form DEF 14A

The Board of Directors indicated in the proxy statement for the Fund's 2004 Annual Meeting of Stockholders (2004 Proxy Statement) that, if the Fund's stockholders voted to recommend the adoption of the alternative director qualifications set forth in the 2004 Proxy Statement, the Board would amend the Fund's bylaws accordingly. The Board of Directors further indicated in the 2004 Proxy Statement that, in the event the bylaws were so amended by the Board, then it was the intention of the Board of Directors promptly thereafter to increase the size of the Board to nine directors and to elect one representative of Bankgesellschaft Berlin AG (BGB) to the Board of Directors for a three-year term as Class I Director, provided that, at the time of such appointment, BGB continued to own at least 25% of the Fund's common stock, and further

provided that such representative then satisfied the alternative director qualifications. BGB submitted Mr. Moritz Sell as its proposed representative to serve on the Board of Directors, and the Fund's Nominating Committee, composed entirely of Independent Directors, determined that Mr. Sell met the alternative director qualifications and was otherwise an appropriate candidate to serve as a director of the Fund. The Board then amended the Fund's bylaws to adopt the alternative director qualifications and increased the size of the Board of Directors. Upon the recommendation of the Nominating Committee, the Board of Directors appointed Mr. Sell as a Class I Director to serve for the remainder of a three-year term expiring at the Annual Meeting of Stockholders to be held in 2007. Mr. Sell has indicated that BGB has agreed to indemnify him in connection with his service as a Director of the Fund.

REPORT OF THE AUDIT AND VALUATION COMMITTEE;

INFORMATION REGARDING THE FUND'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit and Valuation Committee has selected, and the Fund's Independent Directors have ratified the selection of, PricewaterhouseCoopers LLP (PwC), independent registered public accounting firm, to audit the financial statements of the Fund for the fiscal year ending October 31, 2005.

Representatives from PwC are expected to be present at the Meeting and will have the opportunity to respond to questions from stockholders and to make a statement if they so desire.

The Audit and Valuation Committee has received from PwC the written disclosures and the letter required by Independence Standards Board No. 1, and has discussed with PwC its independence. The Audit and Valuation Committee has also reviewed and discussed the audited financial statements with Fund management and PwC, and discussed certain matters with PwC addressed by Statements on Auditing Standards Nos. 61

Edgar Filing: ABERDEEN AUSTRALIA EQUITY FUND INC - Form DEF 14A

and 90. Based on the foregoing, the Audit and Valuation Committee recommended to the Board of Directors that the Fund's audited financial statements be included in the Fund's Annual Report to Stockholders for the fiscal year ended October 31, 2004. The members of the Audit and Valuation Committee are Messrs. Anthony E. Aaronson, Peter D. Sacks and John T. Sheehy.

Edgar Filing: ABERDEEN AUSTRALIA EQUITY FUND INC - Form DEF 14A

The following table sets forth the aggregate fees billed for professional services rendered by PwC to the Fund during the Fund's two most recent fiscal years:

Fiscal year	Audit Fees	Audit-Related Fees	Tax Fees	All Other Fees
2004	\$85,500	\$0	\$5,500	\$0
2003	\$93,000	\$0	\$0	\$0

All of the services described in the table above were approved by the Audit and Valuation Committee pursuant to its pre-approval policies and procedures (the Pre-Approval Policies and Procedures) which are summarized below. The tax fees for 2004 were for the preparation of the Fund's federal income tax return.

Other than as set forth in the table above, PwC did not bill any non-audit fees for the fiscal year ended October 31, 2004, and billed non-audit fees in the amount of \$29,000 for the fiscal year ended October 31, 2003, for services rendered to the Fund, the Fund's current Investment Manager, Aberdeen Asset Managers (C.I.) Limited (AAMCIL, the Fund's former investment manager), and the Fund's Investment Adviser. For 2003, these fees were for agreed upon procedures performed on behalf of AAMCIL in connection with the transfer of fund accounting for a fund managed by AAMCIL. The Fund's Audit and Valuation Committee determined that these services performed on behalf of AAMCIL were compatible with maintaining PwC's independence.

For the fiscal years ended October 31, 2004 and October 31, 2003, PwC did not provide any non-audit services to any entity controlling, controlled by, or under common control with the Fund's Investment Manager or the Fund's Investment Adviser that provides ongoing services to the Fund (Service Affiliates).

The Fund's Audit and Valuation Committee has adopted Pre-Approval Policies and Procedures pursuant to which the Committee pre-approves all audit and non-audit services provided by the Fund's independent registered public accounting firm (Auditor) and any non-audit services provided by the Auditor to the Fund's Investment Manager, Investment Adviser and Service Affiliates during the period of the independent registered public accounting firm's engagement to provide audit services to the Fund, if those services directly impact the Fund's operations and financial reporting. Audit services include those typically associated with the annual audit such as evaluation of internal controls. Non-Audit services include certain services that are audit-related, such as consultations regarding financial accounting and reporting standards, and tax services. Certain services may not be provided by the Auditor to the Fund or to the Fund's Service Affiliates without jeopardizing the Auditor's independence. These services are deemed prohibited services and include certain management functions; human resources services; broker-dealer, investment adviser or investment banking services; legal services; and expert services unrelated to the audit. Other services are conditionally prohibited and may be provided if the Audit and Valuation Committee reasonably concludes that the results of the services will not be subject to audit procedures during an audit of the client's financial statements. These types of services include bookkeeping; financial information systems design and implementation; appraisal or valuation services; actuarial services; and internal audit outsourcing services.

The Pre-Approval Policies and Procedures require Audit and Valuation Committee approval of the engagement of the Auditor for each fiscal year and approval of the engagement by at least a majority of the Fund's independent directors. In determining whether to engage the independent registered public accounting firm for its audit services, the Audit and Valuation Committee will consider the independent registered public accounting firm's proposed fees for the engagement, in light of the scope and nature of the audit services that the Fund will receive. The Pre-Approval Policies and Procedures also permit the Audit and Valuation Committee to pre-approve the provisions of types or categories of permissible non-audit services for the Fund and its Service Affiliates on an annual basis at the time of the independent registered public accounting firm's engagement and on a project-by-project basis. At the time of the annual engagement of the Fund's independent registered public accounting firm, the Audit and Valuation Committee is to receive a list of the categories of expected non-

audit services with a description and an estimated budget of fees. In its pre-approval, the Audit and Valuation Committee should determine that the provision of the service is consistent with, and will not impair, the ongoing independence of the independent registered public accounting firm and set any limits on fees or other conditions it finds appropriate. Non-audit services may also be approved on a project-by-project basis by the Audit and Valuation Committee consistent with the same standards for determination and information.

The Audit and Valuation Committee may also appoint a Designated Member of the Committee to pre-approve non-audit services that have not been pre-approved or material changes in the nature or cost of any non-audit services previously pre-approved. Any actions by the Designated Member are to be ratified by the Audit and Valuation Committee by the time of its next regularly scheduled meeting. The Fund's Pre-Approval Policies and Procedures are to be reviewed annually by the Audit and Valuation Committee and the Fund maintains a record of the decisions made by the Committee pursuant to those procedures.

The Fund will reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of the shares of the Fund. In order to obtain the necessary quorum at the Meeting, supplementary solicitation may be made by mail, telephone, telegraph or personal interview. As mentioned above, Georgeson has been engaged to assist in the solicitation of proxies. As the meeting date approaches, certain stockholders of the Fund may receive a call from a representative of Georgeson if the Fund has not yet received their vote. Authorization to permit Georgeson to execute proxies may be obtained by telephonic instructions from stockholders of the Fund. Proxies that are obtained telephonically will be recorded in accordance with procedures that Management of the Fund believes are reasonably designed to ensure that the identity of the stockholder casting the vote is accurately determined and that the voting instructions of the stockholder are accurately determined.

Any proxy given by a stockholder is revocable. A stockholder may revoke the accompanying proxy at any time prior to its use by submitting a properly executed, subsequently dated proxy, giving written notice to the Secretary of the Fund, or by attending the Meeting and voting in person.

Beneficial Ownership. To the best of the Fund's knowledge, based upon filings made with the SEC, as of March 9, 2005, the only beneficial owner of more than five percent of the voting securities of the Fund was:

Nominating and Corporate Governance Committee Charter

Committee Membership

The Nominating and Corporate Governance Committee (the *Committee*) shall be composed entirely of independent directors. The President of the Fund, although not a member of the Committee, will, upon request, cooperate with the Committee by recommending candidates and recruiting them for the Board of Directors (the *Board*) and for executive officers of the Fund, and otherwise assisting the Committee in the discharge of its responsibilities.

Mission

To promote the effective participation of qualified individuals on the Board, Committees of the Board, and as executive officers of the Fund, and to review, evaluate and enhance the effectiveness of the Board in its role in governing the Fund and overseeing the management of the Fund.

Nominating Function Board

1. The Committee shall make nominations for directors and officers of the Fund and submit such nominations to the full Board. The Committee shall evaluate candidates' qualifications for such positions, and, in the case of candidates for independent director positions, their independence from the Fund's Investment Manager, Investment Adviser and other principal service providers. Persons selected as independent directors must not be interested persons of the Fund as that term is defined in the Investment Company Act of 1940, as amended (1940 Act). The Committee shall also consider the effect of any relationships beyond those delineated in the 1940 Act that might impair independence, e.g. business, financial or family relationships with the Investment Manager or Investment Adviser. In determining nominees' qualifications for Board membership, the Committee shall consider factors which may be delineated in the Fund's bylaws and in any policies and procedures which may be adopted by the Committee from time to time, and may consider such other factors as it may determine to be relevant to fulfilling the role of being a member of the Board.

2. The Committee will consider potential director candidates, if any, recommended by stockholders, provided that the proposed candidates satisfy any minimum qualifications of the Fund for its directors.

3. The Committee is empowered to establish such procedures and eligibility requirements for stockholder submission of nominee candidates as the Committee deems appropriate, in addition to such procedures and requirements as are set forth in the Fund's bylaws. Other than such requirements as may be established in accordance with the previous sentence, the Committee shall not otherwise evaluate stockholder director nominees in a different manner than other nominees and the standard of the Committee is to treat all equally qualified nominees in the same manner.

4. The Committee may identify prospective directors from any reasonable source, including, but not limited to, consultation with third-party director search services, and may pay for such search services from the assets of the Fund.

5. The Committee may take into account a wide variety of factors in considering prospective director candidates, including (but not limited to):
(i) availability and commitment of a candidate to attend meetings and perform his or her

A-1

responsibilities on the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) financial expertise; (v) the candidate's ability, judgment and expertise; and (vi) overall diversity of the Board's composition.

6. It shall be in the Committee's sole discretion as to whether or not to nominate a candidate for membership on the Board.

7. The Committee shall evaluate the participation and contribution of each director coming to the end of his or her term before deciding whether to recommend re-election. The Committee may seek the views of other directors to assist it in this evaluation.

8. The Committee shall periodically review the composition of the Board to determine whether it may be appropriate to add individuals with different backgrounds or skills from those already on the Board.

9. The Committee shall periodically review the amount of compensation to be paid by the Fund to Directors for their service as members of the Board and as members of committees, and shall recommend any appropriate changes to the Board as a group.

10. The Committee shall periodically review issues related to the succession of officers of the Fund.

Nominating Function Committees

The Committee shall make nominations for membership on all committees of the Board and submit such nominations to the full Board, and shall review committee assignments as necessary.

Corporate Governance Function

The Committee shall review, discuss, and make recommendations to the Board relating to those issues that pertain to the effectiveness of the Board in carrying out its responsibilities in governing the Fund and overseeing the management of the Fund. These may include, but are not limited to, issues relating to:

1. Composition of the Board, including:

(a) the size of the Board and the qualifications and representative areas of expertise;

(b) years of service on the Board; and

(c) retirement policies relating to members of the Board.

2. Members of the Board, including:

4. The role of the Independent Directors, including:

(a) ability of independent members of the Board to act and function independently of management; and

(b) responsibilities pursuant to statutory and regulatory requirements.

5. The role of the committees of the Board, including:

(a) scope of the responsibilities of the committees; and

(a) oversight of management;

(b) communication with management; and

(c) coordination with management in ensuring that management has developed an appropriate plan to deal with potential crisis management situations.

Policies for Consideration of Board Member Candidates submitted by Fund Stockholders

(Adopted December 9, 2004)

Pursuant to the Charter of the Nominating and Corporate Governance Committee (the Committee) of Aberdeen Australia Equity Fund, Inc. (the Fund), the Committee is charged with evaluating the qualifications of candidates to serve on the Fund's Board of Directors (Board) and with making nominations for members of the Board. These Policies shall apply to the Committee's consideration of Board member candidates submitted by Fund stockholders.

Nominations from Stockholders

While the Committee is solely responsible for evaluating and nominating candidates to serve on the Board, the Committee may consider nominations from stockholders of the Fund. Each eligible stockholder or stockholder group may submit no more than one candidate each calendar year.

1. Independent Director Candidates

A. In order for the Committee to consider a stockholder submission for an independent director, the following requirements must be satisfied regarding the candidate:

(1) The candidate must satisfy all qualifications provided herein for an independent director, in the Fund's organizational documents and in the Fund's Nominating and Corporate Governance Committee Charter;

(2) If the nominating stockholder or any member of the nominating stockholder group is a natural person, the candidate may not be the nominating stockholder, a member of the nominating stockholder group, or a member of the immediate family of the nominating stockholder or any member of the nominating stockholder group;¹

(3) If the nominating stockholder or any member of the nominating stockholder group is an entity, neither the candidate nor any member of the candidate's immediate family may have been employed during the calendar year of the submission nor the immediately preceding calendar year, by the nominating stockholder or any member of a nominating stockholder group;

Edgar Filing: ABERDEEN AUSTRALIA EQUITY FUND INC - Form DEF 14A

(4) Neither the candidate nor any immediate family member of the candidate is permitted to have accepted directly or indirectly, during the calendar year of the submission or during the immediately preceding calendar year, any consulting, advisory, or other compensatory fee from the nominating stockholder or any member of a nominating stockholder group or any affiliate of any such stockholder or any such member;

(5) The candidate may not be an executive officer or director (or person performing similar functions) of the nominating stockholder or any member of the nominating stockholder group, or of an affiliate of such stockholder or any such member;

(6) The candidate may not control the nominating stockholder or any member of the nominating stockholder group (or, in the case of a stockholder or member that is a fund, an interested person of such stockholder or member as defined by Section 2(a)(19) of the Investment Company Act of 1940, as amended); and

¹ The terms immediate family member and control shall be interpreted in accordance with the federal securities laws.

B-1

(7) A stockholder or stockholder group may not submit for consideration a candidate who has previously been considered by the Committee.

B. In order for the Committee to consider a stockholder submission for an independent director, the following requirements must be satisfied regarding the stockholder or stockholder group submitting the candidate:

(1) The Committee only will consider stockholder submissions that are received during the period from August 1 through September 30 of the year prior to the meeting of stockholders at which the director is to be elected (Stockholders Meeting);

(2) Any stockholder or stockholder group submitting a proposed candidate must beneficially own, either individually or in the aggregate, more than 5% of the Fund's shares of common stock. The shares used for purposes of calculating this ownership must have been held continuously for at least two years as of the date of the submission of the candidate. In addition, such securities must continue to be held through the date of the Stockholders Meeting. The nominating stockholder or stockholder group must also bear the economic risk of the investment; and

(3) The nominating stockholder or each member of the nominating stockholder group must meet the requirements set out in Rule 13d-1(b) or (c) of the Securities Exchange Act of 1934 to file on Schedule 13G. C. A stockholder or stockholder group submitting to the Committee a proposed candidate for independent director must substantiate compliance with the above requirements at the time of such submission. Any submission must be directed to the attention of the Fund's Secretary, who will forward such submission to the Committee. This submission must include:

(1) Contact information for the nominating stockholder or stockholder group;

(2) A copy of the Schedule 13G or Schedule 13D filed with the Securities and Exchange Commission by the nominating stockholder or the nominating stockholder group;
