Item 2.01. Completion of Acquisition or Disposition of Assets.

On October 1, 2006, Wachovia Corporation (Wachovia) completed its acquisition of Golden West Financial Corporation (Golden West), pursuant to the terms and conditions of the Agreement and Plan of Merger, dated May 7, 2006 (the Merger Agreement), among Wachovia, a wholly owned subsidiary of Wachovia, and Golden West. The acquisition was effected through the merger of Golden West with and into Wachovia's wholly owned subsidiary (the Merger). As a result of the Merger, the outstanding shares of Golden West common stock, with respect to each shareholder of record of Golden West common stock, were converted into the right to receive:

a number of shares of Wachovia common stock equal to the product of (i) 1.365 times (ii) the number of shares of Golden West common stock held by such holder of record times (iii) 77%; and

(B) an amount in cash equal to the product of (i) \$81.07 times (ii) the number of shares of Golden West common stock held by such holder of record times (iii) 23%.

This represents total consideration of approximately \$24 billion, based on the closing price of Wachovia common stock on September 29, 2006 and the approximately 310 million shares of Golden West common stock outstanding at the effective time of the Merger.

A copy of the news release (the Merger News Release) announcing the completion of the Merger is attached as Exhibit (99)(a) to this report and is incorporated by reference into this Item 2.01. The Joint Proxy Statement-Prospectus, dated July 24, 2006 (the Joint Proxy Statement-Prospectus), included in Wachovia's Registration Statement on Form S-4 (Registration No. 333-134656, the Registration Statement), sets forth certain additional information regarding the Merger, Wachovia and Golden West, including, without limitation, certain information with respect to the assets involved in the Merger and the nature of certain relationships between Wachovia and Golden West or certain of their officers and directors. The Joint Proxy Statement-Prospectus is included as Exhibit (99)(b) to this report and is incorporated by reference into this Item 2.01.

Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

Pursuant to the Merger Agreement, Wachovia agreed to cause two current members of the Golden West board of directors to be appointed to Wachovia's board of directors immediately following the completion of the Merger. On September 29, 2006, Wachovia's board of directors elected Jerry Gitt and Maryellen C. Herringer to Wachovia's board of directors, effective immediately following the completion of the Merger on October 1, 2006. Each of Mr. Gitt and Ms. Herringer was serving as a director of Golden West prior to completion of the Merger.

Immediately following completion of the Merger, Wachovia's board of directors was increased to 18 directors, and Mr. Gitt and Ms. Herringer were appointed as Class II and Class III directors, respectively. Mr. Gitt was appointed to serve on the board's Audit Committee and Ms. Herringer was

appointed to serve on the board's Risk Committee.

In addition, on September 29, 2006, Wachovia's board of directors elected Timothy D. Proctor to Wachovia's board of directors, effective on November 1, 2006. On November 1, 2006, Wachovia's board of directors will be increased to 19 directors and Mr. Proctor will be appointed as a Class III director. Mr. Proctor will serve as a member of the board's Management Resources & Compensation Committee.

A copy of the news release (the "Director News Release") announcing the election of the three new directors is attached as Exhibit (99)(c) to this report and is incorporated by reference into this Item 5.02.

The following factors, among others, could cause Wachovia's financial performance to differ materially from that expressed in such forward-looking statements: (1) the risk that the businesses of Wachovia and/or Golden West in connection with the Merger or the businesses of Wachovia, Westcorp and WFS Financial in connection with the Westcorp Transaction will not be integrated successfully or such integration may be more difficult, time-consuming or costly than expected; (2) expected revenue synergies and cost savings from the Merger or the Westcorp Transaction may not be fully realized or realized within the expected time frame; (3) revenues following the Merger or the Westcorp Transaction may be lower than expected; (4) deposit attrition, operating costs, customer loss and business disruption following the Merger or the Westcorp Transaction, including, without limitation, difficulties in maintaining relationships with employees, may be greater than expected; (5) the strength of the United States economy in general and the strength of the local economies in which Wachovia and/or Golden West conducts operations may be different than expected resulting in, among other things, a deterioration in credit quality or a reduced demand for credit, including the resultant
