INTRODUCTION

This Amendment No. 4 to Schedule 13D amends the Statement on Schedule 13D (the "Statement") filed by Frank Stronach ("FS ") on September 5, 2003, as previously amended, with respect to the Class A Subordinate Voting Shares (the "Class A Shares") of Magna International Inc. (the "Company"). This Amendment No. 4 is being filed to report (i) the entry by the Company, Open Joint Stock Company Russian Machines ("RM "), Veleron Holding B.V. ("RM Sub "), the Stronach Trust, 445327 Ontario Limited ("445327 ") and certain members of the Company's management (the "Principals") into an agreement (the "Transaction Agreement") providing for, among other things, the formation of a new entity, owned by 445327 (indirectly, through a wholly-owned subsidiary), RM Sub and the Principals for the purpose of holding, acquiring, voting and disposing of Class A Shares and Class B Shares of the Company ("Class B Shares ") and (ii) the addition of the Stronach Trust and 445327 as additional reporting persons with respect to the Statement.

ITEM 1. SECURITY AND ISSUER

This Schedule 13D relates to the Class A Shares. The principal executive offices of the Company are located at 337 Magna Drive, Aurora, Ontario, Canada, L4G 7K1.

ITEM 2. IDENTITY AND BACKGROUND.

(a)&(f) This Schedule 13D is being filed by:

- (i) Frank Stronach, a citizen of Austria;
 - (ii) the Stronach Trust, a trust formed under the laws of Ontario, Canada; and
 - (iii) 445327, which is an Ontario, Canada corporation.
- (b) The principal business address of FS is Badener Strasse 1, Oberwaltersdorf, Austria 2522. The principal business address of each of the Stronach Trust and 445327 is 14875 Bayview Avenue, R.R.#2, Aurora, Ontario, Canada, L4G 3C8.
- (c) FS is the Chairman of the Board of the Company, the Chairman of the Board of MI Developments Inc. ("MID "), the Chairman of the Board of Magna Entertainment Corp. ("MEC ") and a principal of Stronach & Co., an entity that provides consulting services to certain European subsidiaries of the Company. The Company designs, develops and manufactures automotive systems, assemblies, modules and components and engineers and assembles complete vehicles. MID is a real estate operating company engaged in the ownership, development, management, leasing, expansion and acquisition of income-producing industrial and commercial properties. MID is the successor to the Company's real estate division. MEC operates thoroughbred and standardbred racetracks; supplies, via simulcasting, live racing content to the inter-track, off-track and account wagering markets; and owns and operates a television network focused exclusively on horse racing.

The Stronach Trust is a family trust which owns more than 99.9% of the outstanding voting securities of 445327. 445327 is a corporation which holds controlling interests in the Company and MID.

Set forth on Schedule A to this Schedule 13D is the name, business address and present principal occupation or employment for each director and executive officer of 445327 pursuant to Item 2(a), (b) and (c), which schedule is incorporated herein by reference.

(d)-(e) During the last five years, none of FS, the Stronach Trust or 445327 (or, to 445327's knowledge, any person named on Schedule A) has been: (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors); or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which, he, she or it was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, Federal or State securities laws or finding any violation with respect to such laws.

ITEM 3. SOURCE AND AMOUNT OF FUNDS AND OTHER CONSIDERATION

No funds or other consideration was provided by any party contemporaneously with the execution of the Transaction Agreement. If the Transaction Agreement is consummated, the acquisition of the Class A Shares to be subscribed for by Newco II, as described in further detail in Item 6, is expected to be funded through a combination of (i) credit extended by an international investment-grade rated bank and (ii) equity provided by RM or one or more of its affiliates.

ITEM 4. PURPOSE OF THE TRANSACTION

The purpose of the arrangements described in Item 6 below is to accelerate the Company's strategic efforts to capitalize on the growth opportunities within the Russian and other automotive markets, and align the interests of RM and the Stronach Trust with respect to the Company.

FS (in his capacity as Chairman of the Board of the Company or otherwise), the Stronach Trust and 445327 may, from time to time, communicate with the Company's management, directors, shareholders and other interested parties regarding matters of mutual interest, including strategies designed to increase the value of the Class A Shares. The reporting person may from time to time acquire or dispose of beneficial ownership of additional Class A Shares (including by acquiring or disposing of beneficial ownership of additional Class B Shares) in the open market, in privately negotiated transactions or otherwise.

Except as indicated in this Schedule 13D, none of the reporting persons currently has any plans or proposals that relate to or would result in any of the matters described in subparagraphs (a) through (j) of Item 4 of Schedule 13D. However, such plans and proposals may have been considered, and may from time to time hereafter be considered, by FS in his capacity as a director and/or officer of the Company, as trustee of the Stronach Trust, or otherwise.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

(a) FS beneficially owns 100,000 Class A Shares that are subject to a fully vested and immediately exercisable option (the Option) that was issued to FS by the Company on November 5, 1999 in partial consideration for his services as Chairman of the Company. The Option is held directly by FS.

FS acts as one of four trustees of the Stronach Trust. The remaining trustees of the Stronach Trust are Elfriede Stronach, Belinda Stronach and Andrew Stronach, who are immediate family members of FS. FS is entitled to appoint additional trustees and to remove trustees. Determinations by the Stronach Trust are made by a majority of the trustees, which majority must include FS.

The Stronach Trust owns more than 99.9% of the outstanding voting securities of 445327. 445327 holds 726,829 Class B Shares of the Company (Class B Shares), which are convertible into an equivalent number of Class A Shares at any time at the option of 445327. Such Class B Shares represent approximately 55.5% of the total votes carried by the Class A Shares and the Class B Shares.

865714 Ontario Inc. (865714), an entity that was incorporated to provide a continuing separate vehicle for the acquisition of capital stock of the Company and the sale thereof to members of Company management, beneficially owns 91,740 Class A Shares issuable upon conversion of an equivalent number of Class B Shares held by it. Pursuant to a shareholder agreement, the Company may exercise dispositive power with respect to these Class B Shares.

Delaware Charter Guarantee & Trust (Delaware Trust), conducting business under the trade name Principal Trust Company, is the trustee of the Employees Deferred Profit Sharing Plan (the US DPSP), which beneficially owns 1,894,279 Class A Shares. Delaware Charter Guarantee & Trust has the power to vote the shares held in the US DPSP. However, as Chairman of the Company, FS has the right to direct Delaware Trust with respect to the voting and disposition of the Class A Shares held by the US DPSP.

Sun Life Financial Trust Inc. (Sun Life) is the trustee of the Magna Deferred Profit Sharing Plan (the Canadian DPSP), which beneficially owns 4,013,472 Class A Shares (including 111,595 Class A Shares issuable upon conversion of an equivalent number of Class B Shares held by it). Sun Life has the power to vote the Class A Shares held by the Canadian DPSP. However, as Chairman of the Company, FS has the right to direct Sun Life with respect to the voting and disposition of the Class A Shares held by the Canadian DPSP.

FS is a partner of Stronach & Co. (S&Co.), an entity that provides consulting services to certain subsidiaries of the Company. S&Co. holds options to purchase a total of 548,475 Class A Shares.

The filing of this amendment shall not be construed as an admission that FS, the Stronach Trust or 445327 beneficially owns any Class A Shares that are not held directly by such persons. Without limitation of the foregoing, FS disclaims beneficial ownership of Class A Shares that are or may be deemed to be beneficially owned by S&Co., the Stronach Trust, 445327, the Company, 865714, the US DPSP or the Canadian DPSP for purposes other than U.S. securities law purposes. Assuming the beneficial ownership of all such Class A Shares, (i) FS is the beneficial owner of 7,374,795 Class A Shares, representing 6.6% of the Class A Shares, (ii) the Stronach Trust is the beneficial owner of 818,569 Class A Shares, representing 0.7% of the Class A Shares and (iii) 445327 is the beneficial owner of 818,569 Class A Shares, representing 0.7% of the Class A Shares (in each case determined in accordance with Rule 13d-3).

- (b) Each reporting person may be deemed to have sole voting and dispositive power with respect to the Class A Shares that are or may be deemed to be beneficially owned by such person as described herein.
- (c) During the sixty days preceding the filing of this statement, FS may be deemed to have disposed of beneficial ownership of 40,295 Class A Shares that were disposed of by the US DPSP, net of shares acquired, in open market transactions and 34,269 Class A Shares that were disposed of by the Canadian DPSP net of shares acquired, in open market transactions in connection with account withdrawals by Plan participants. During the sixty days preceding the filing of this statement, neither the Stronach Trust nor 445327 disposed of beneficial ownership of any Class A Shares.
- (d)-(e) Not applicable.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER

The transaction contemplated by the Transaction Agreement would be effected by way of a court approved plan of arrangement (the Plan of Arrangement) under the laws of Ontario, Canada and is subject to court and regulatory approvals and, subject to court approval, the following shareholder approvals:

two-thirds of the votes cast by holders of the Class A Shares and Class B Shares represented at a shareholders meeting to be convened by the Company, voting together;

two-thirds of the votes cast by the holders of Class B Shares represented at such shareholders meeting, voting separately as a class;

a majority of the votes cast by holders of the Class A Shares and Class B Shares represented at such shareholders meeting, excluding shares held by 445327, the Principals and any other insiders, (as defined in the TSX Company Manual), voting together;

a majority of votes cast by holders of the Class A Shares represented at such shareholders meeting, excluding shares held by such insiders, voting separately as a class; and

with respect only to the redemption and modification of the Class B Shares described below, a majority of the Class B Shares represented at such shareholders meeting, excluding shares held by 445, the Principals, and certain other parties deemed to be interested shareholders under applicable Canadian law, voting separately as a class.

Completion of the transaction is also subject to finalizing definitive documentation and customary closing conditions. The Transaction Agreement may be terminated under certain circumstances before the effectiveness of the Plan of Arrangement, including (i) by mutual agreement of the Company, RM and 445327, (ii) by the Company on five days notice or by RM or 445327 if the Company's board of directors fails to recommend, recommends against or withdraws, modifies or changes its approval or recommendation of the Plan of Arrangement in a manner adverse to RM, (iii) by the Company, 445327 or RM if the Certificate of Arrangement has not been issued before October 31, 2007 or such later date as may be mutually agreed from time to time, or (iv) by RM if the Company enters into certain transactions outside the ordinary course of business.

Pursuant to the Transaction Agreement, 445327 would, among other things, incorporate a wholly-owned subsidiary (446), which would, in turn, incorporate a wholly-owned subsidiary (Newco). Pursuant to the Plan of Arrangement, 445327 would transfer the 726,829 Class B Shares currently held by it to 446, which would in turn transfer such Class B Shares to Newco in return for 420 Class

B shares of Newco that would carry an approximately 53% voting interest and 42% dividend and liquidation entitlement. The remainder of the share capital of Newco would be divided such that (x) RM Sub would hold 420 Class C shares of Newco that would carry an approximately 36% voting interest and 42% dividend and liquidation entitlement (subject to certain contingencies and conditions) and (y) Donald J. Walker and Siegfried Wolf, who are the co-chief executive officers of the Company, and Vincent Galifi, Peter Koob and Jeffrey O. Palmer, who are current members of the Company's management (collectively, the Principals), would hold together, indirectly, 130 Class A shares and 30 Class D non-voting shares of Newco that would represent in the aggregate an approximately 11% voting interest (shared equally as between Donald J. Walker and Siegfried Wolf only) and approximately a 16% dividend and liquidation entitlement in Newco. RM Sub's interest in Newco would be issued in consideration for US\$76,830,000, constituting 5% of the RM Investment Amount (being US\$1,536,600,000) and the interest of the Principals in Newco would be issued in exchange for the transfer by the Principals to Newco of 605,000 Class A Shares currently held by them.

Further to the Plan of Arrangement, Newco would subscribe for 1,000,000 preferred shares of its wholly-owned subsidiary (Newco II) for cash equal to 5% of the RM Investment Amount. Newco would also own 100 voting shares of Newco II. RM Sub would subscribe for 100 non-voting common shares of Newco II and loan to Newco II an amount equal to the Canadian dollar equivalent of US\$1,459,770,000, being 95% of the RM Investment Amount (the Newco II Loan). Newco II would subscribe for 20,000,000 Class A Shares at a price equal to the RM Investment Amount. The 20,000,000 Class A Shares held by Newco II would be pledged by Newco II as security for the Newco II Loan.

As a result of the transaction contemplated by the Transaction Agreement, Newco and Newco II would hold 20,605,000 Class A Shares and 726,829 Class B Shares, collectively representing approximately 56.9% of the total voting power of the Class A Shares and Class B Shares. If approved by the minority Class B shareholders pursuant to a special vote of the Class B Shareholders pursuant to the Plan of Arrangement: (i) the Company would acquire for cancellation all of the outstanding Class B Shares other than those held by Newco for C\$114.00 in cash per Class B Share; and (ii) the number of votes per share attached to the Class B Shares would be reduced to 300 votes per Class B Share. As a consequence, Newco and Newco II would control Class A Shares and Class B Shares collectively representing approximately 68.8% of the total voting power of the Class A Shares and Class B Shares.

RM Sub is permitted to pledge some or all of the Newco and Newco II shares held by it, as well as the Newco II Loan and the 20,000,000 Class A Shares pledged to RM Sub as security for the Newco II Loan, to the person or persons providing financing to RM or RM Sub in respect of the RM Investment Amount.

As a result of the transaction contemplated by the Transaction Agreement, the shareholders of Newco would share in any dividends received on the Class A Shares and the Class B Shares held by Newco and Newco II. Under the terms of the Transaction Agreement, at any time after the second anniversary of the effective date of the Plan of Arrangement, RM Sub would have the right to sell its Newco shares and any Newco II shares it holds to Newco or its designee (the RM Exit Right) for a purchase price that would result in RM Sub receiving (a) the pre-tax value to Newco II of 20,000,000 Class A Shares up to the RM Investment Amount plus (b) 50% of the amount, if any, by which the pre-tax value to Newco and Newco II of 20,000,000 Class A Shares exceeds the RM Investment Amount less (c) 25% of the tax incurred by Newco and Newco II in connection with such buyback. In addition, at any time after the third anniversary of the effective date of the Plan of Arrangement, 446 would have the right to require RM Sub to sell its Newco

shares and any Newco II shares it holds to Newco or its designee (the 446 Exit Right) for a purchase price that would result in RM Sub receiving (x) the pre-tax value to Newco and Newco II of 20,000,000 Class A Shares up to the RM Investment Amount plus (y) the amount, if any, by which the pre-tax value to Newco and Newco II of 20,000,000 Class A Shares exceeds the RM Investment Amount less (z) any tax incurred by Newco and Newco II in connection with such buyback.

In connection with the transaction contemplated by the Transaction Agreement, RM Sub would enter into an agreement whereby, on the effective date of the Plan of Arrangement, it would invest a net amount of US\$150 million for a 50% interest in a European company that provides the consulting services of Mr. Stronach in relation to the Company's business outside Canada and Austria. As a result of this investment, RM would be entitled to a 50% share of consulting fees paid by the Company and its affiliates to S&Co. and its affiliates under the existing arrangements.

Newco Governance

Under the Transaction Agreement, 445, RM, RM Sub and the Principals would enter into one or more agreements governing their relationship with respect to Newco and Newco II. The terms of such agreements would specify, among other things, the following:

the board of directors of Newco would consist of 6 directors: 2 nominees of 446 (including the Chair), 2 nominees of RM Sub and each of the co-chief executive officers of the Company (being nominees of the Principals), provided that (i) if either of the co-chief executive officers ceases to serve as a Newco director, unless 446 and RM Sub otherwise agree, neither of the co-chief executive officers would be entitled to remain a director of Newco and the Principals would no longer be entitled to Newco Board representation and (ii) if either of the co-chief executive officers resigns as an executive officer of the Company, unless 446 and RM Sub otherwise agree, such co-chief executive officer would be entitled to continue to serve as a director of Newco;

each of 446 and RM Sub would have veto rights over all actions taken by Newco and Newco II, other than voting in respect of the election or removal of directors of the Company or Newco II (in accordance with the terms set out below);

446 and RM Sub would cause the Class A Shares and Class B Shares held by Newco and Newco II to be voted to effect the following in respect of the Company:

- o the Company's board would consist of 14 directors: 6 nominees of 446 (including the Chair), 6 nominees of RM Sub and 2 nominees of the Principals (both co-chief executive officers of the Company);
- o at least 4 nominees of each of 446 and RM Sub must meet the independence requirements of applicable securities laws and stock exchange rules;
- o there would be governance guidelines that would provide that: (i) directors shall declare their interest and abstain from voting on all matters where there is an actual or perceived conflict, including, in the case of Principals who are directors, the appointment of members to Board committees or on any matter where 446 or RM Sub have declared a conflict; and (ii) any material transaction out of the ordinary course of business (as such term is defined in the Transaction Agreement) shall require the support of two-thirds of the Company's directors;

without the prior approval of the Newco board of directors, neither RM Sub nor 446 (nor their respective affiliates nor their shareholders) would be permitted to acquire any additional shares of the Company, excluding Class A Shares which, when added to the Class A Shares held or controlled by Newco, Newco II and their shareholders (after giving effect to the exercise of any options held by them), would exceed 20% in aggregate of the Class A Shares outstanding; and

the board of directors of Newco II would be the same as the board of directors of Newco, unless otherwise agreed to by the Newco board of directors.

JOINT PRESS RELEASE

MAGNA AND BASIC ELEMENT ANNOUNCE STRATEGIC INVESTMENT

May 10, 2007, Aurora, Ontario, Canada and Moscow, Russia - Magna International Inc. (TSX: MG.A, MG.B; NYSE: MGA) and Basic Element today announced a major strategic investment in Magna by Russian Machines, a wholly owned subsidiary of Basic Element. This investment will accelerate Magna's strategic efforts to capitalize on the growth opportunities within the Russian and other automotive markets, and align the interests of Russian Machines and the Stronach Trust, Magna's controlling shareholder, with respect to Magna. Basic Element is one of the largest, privately held industrial conglomerates in Russia, and is beneficially held by Oleg Deripaska. Russian Machines holds an interest in Gaz Group which is Russia's second-largest automotive company. This strategic investment is expected to expand Magna's growth potential and create value for shareholders.

The Russian automotive market is among the fastest growing in the world. A number of the world's leading automakers are expanding in Russia, where the local automotive supply base is still under development. The local automakers in Russia, which hold significant shares of their home market, operate vertically integrated manufacturing operations, an approach they are eager to streamline. Rising income per capita and a low level of car ownership per capita also make Russia an attractive market for Magna. More than 2 million cars were sold in Russia in 2006, a 20 percent increase compared to the previous year.

Frank Stronach, Magna's Chairman commented: This proposed alliance with Basic Element and its respected founder and Chairman, Oleg Deripaska, is an exciting opportunity for Magna. Our partnership will accelerate Magna's growth in Russia and surrounding countries, markets that we see as holding significant opportunities for us. In addition, the culture, business philosophies and operating principles that have been the cornerstone of Magna's success for more than 50 years, including employee profit sharing reflected in our Corporate Constitution and the Employee Charter principles, will be preserved and will continue to be our strength going forward.

We are always pursuing ways to advance our leading position within the Russian automotive sector, said Oleg Deripaska, Chairman of the Supervisory Board of Basic Element and Chairman of the Board of Directors of Russian Machines. Our partnership with Magna gives us unique competitive advantages and significant growth potential within domestic and neighbouring markets. I have always admired Magna's technological strengths, its know-how and the talent and professionalism of its people. We have already had excellent cooperation in our projects in Russia, and also believe that Magna, as a truly global company, will help us achieve our international goals. We are always pursuing ways to advance our leading position within the Russian automotive sector, said Oleg Deripaska, Chairman of the Supervisory Board of Basic Element and Chairman of the Board of Directors of Russian Machines. Proposed Transaction

Under the terms of the transaction agreement entered into by Magna, the Stronach Trust and Russian Machines, Russian Machines would invest approximately US\$1.54 billion to indirectly acquire 20 million Class A Subordinate Voting Shares of Magna from treasury. A new Canadian holding company (Newco), would hold the respective holdings in Magna of the Stronach Trust, Russian Machines, and certain principals who are also members of Magna's executive management. Magna would continue to be a Canadian-based company whose shares are listed on the Toronto and New York Stock Exchanges.

Subject to acceptance and approval by the Toronto Stock Exchange, the 20 million Class A Subordinate Voting Shares of Magna would be issued for US\$76.83 per share, representing the volume-weighted average closing price of Magna's Class A Subordinate Voting Shares on the New York Stock Exchange over the 20 trading days ended April 20, 2007, the last trading day prior to the receipt of the proposal letter from Russian Machines.

Following completion of the transaction, each of the Stronach Trust and Russian Machines will be entitled to nominate six Board members including at least four independent directors. Magna's Co-CEOs will also be nominated to serve as directors on the 14 member Board.

In addition, under the terms of the proposed transaction:

Subject to the approval of a majority of the minority of the holders of Class B Shares, Magna would repurchase all Class B shares not held by the Stronach Trust for cash consideration of Cdn\$114.00, representing a premium of approximately 30% over the volume-weighted average closing price of Magna's Class A Subordinate Voting Shares on the Toronto Stock Exchange over the 20 trading days ended April 20, 2007. The effective cost to Magna of the repurchase is approximately Cdn\$24.8 million. Concurrent with the repurchase of such Class B shares of Magna, the voting power of each remaining Class B share would be reduced to 300 votes per share, in order to maintain approximately the same level of control of Magna that is currently exercised by Frank Stronach and the Stronach Trust,

Russian Machines would commit to use commercially reasonable efforts to assist and support Magna in identifying, developing and implementing opportunities in the Russian and other automotive markets, and

Russian Machines would invest a net amount of \$150 million for a 50% interest in a European company that provides the consulting services of Mr. Stronach in relation to Magna's business outside Canada and Austria. As a result of this investment, Russian Machines would be entitled to a 50% share of consulting fees paid by Magna and its affiliates to Stronach & Co. and its affiliates under the existing arrangements.

The transaction is proposed to be carried out by way of a court-approved plan of arrangement under Ontario law and is subject to court, regulatory and shareholder approvals, including majority of the minority approval of the holders of the Class A Subordinate Voting Shares, voting as a separate class. Completion of the proposed transaction is also subject to finalizing definitive documentation, including a shareholders agreement in respect of Newco, and customary closing conditions.

The transaction agreement was approved by the Magna board of directors after receiving the unanimous recommendation of a Special Committee of independent directors of Magna comprised of Messrs. Michael D. Harris, who acted as Chairman, Klaus Mangold, Donald Resnick, Franz Vranitzky, and Lawrence D. Worrall. The Special Committee retained Fasken Martineau to act as its independent legal advisor and CIBC World Markets to act as its independent financial advisor.

Details of the proposed transaction will be set out in the proxy solicitation materials that will be mailed to shareholders of Magna in due course in connection with a special meeting of shareholders to be called to consider the transaction. It is anticipated that the special meeting of shareholders would be held in the third quarter of 2007.

Substantial Issuer Bid

Conditional upon the completion of the transaction and subject to regulatory approval, Magna intends to conduct a substantial issuer bid to repurchase up to 20 million outstanding Class A Subordinate Voting Shares. Additional information concerning this potential substantial issuer bid is provided later in this Joint Press Release.

Magna represents and warrants to and in favour of RM, RM Sub and 445 as follows (and, in the case of 445, represents and warrants only as to the matters set out in paragraphs (b), (c), (d) and (e)) and acknowledges that RM, RM Sub and 445 are relying on such representations and warranties in entering into this Agreement:

- (a) **Existence.** Magna is a corporation validly existing under the laws of the Province of Ontario, and has all necessary corporate power and authority to carry on its business as now conducted, to own or lease and operate its assets and to execute, deliver and perform its obligations under this Agreement and the Plan of Arrangement.
- (b) **Corporate Authority and Enforceability.** Subject to the approval by the Magna Board of the Plan of Arrangement, to obtaining the Magna Shareholder approvals referred to in Sections 2.4(b) and (c) and the receipt of the Court Orders, Magna has taken all necessary corporate action to authorize the execution, delivery and performance of this Agreement. This Agreement has been duly executed and delivered by Magna and is a legal, valid and binding obligation of Magna, enforceable against Magna by the Newco Parties in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency and other laws affecting the rights of creditors generally and except that equitable remedies may be granted only in the discretion of a court of competent jurisdiction.
- (c) **Approval by Magna Board.** The Magna Board has received a fairness opinion from CIBC World Markets Inc. to the effect that, among other things, as of the date of the opinion, the consideration offered to holders of Magna Class B Shares under the Plan of Arrangement is fair, from a financial point of view, to Magna Minority Class B Shareholders. After receiving the unanimous recommendation of the Special Committee, the Magna Board has approved the execution and delivery of this Agreement.
- (d) **No Violation.** Except for the Regulatory Approvals, the execution, delivery and performance of this Agreement does not, and will not, result in a breach or violation of any of the provisions of or constitute a default under, or conflict with or cause the acceleration of any obligation of any member of the Magna Group under (i) any Magna Contract, (ii) any provision of the articles, by-laws or resolutions of the board of directors (or any committee thereof) or shareholders or similar organizational document of any member of the Magna Group, (iii) any judgment, decree, order or award of any Governmental Entity having jurisdiction over any member of the Magna Group or (iv) any Applicable Law, except with respect to clauses (i), (iii) and (iv) above, for any such breaches, violations, defaults, conflicts or other occurrences that have not had and are not reasonably expected to have a Material Adverse Effect. Except for the Regulatory Approvals and the Court Orders, no consent, approval, order or authorization of, or declaration or filing with, any Governmental Entity or

other person is required to be obtained or made, as the case may be, by any member of the Magna Group in connection with the execution and delivery of this Agreement or the consummation by Magna of the Arrangement.

- (e) **Magna Class A Shares.** The Magna Class A Shares required to be issued to Newco II pursuant to the Plan of Arrangement will be duly authorized and validly issued by Magna as fully paid and non-assessable shares of Magna. No order, ruling or determination having the effect of precluding the issuance or delivery of such shares or ceasing, suspending or restricting the trading of such shares or any other securities of Magna in any jurisdiction, has been issued or made by any stock exchange, securities commission or regulatory authority and is continuing in effect and no proceedings, investigations or enquiries for that purpose have been instituted or are pending or, to the knowledge of Magna, are contemplated or threatened.

There are no bonds, debentures or other evidences of indebtedness of Magna outstanding having the right to vote (or that are convertible for or exercisable into securities having the right to vote) with shareholders of Magna on any matter.

- (g) **Public Disclosure.** Magna is a reporting issuer under the Securities Act and is not in default of any of its requirements under NI 51-102 or any other continuous disclosure requirements under any Applicable Laws. The documents or information filed by Magna under applicable securities laws did not, as of their respective dates, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements contained therein not misleading in light of the circumstances in which they are made. Magna has not filed any confidential material change report or similar disclosure document with any securities regulatory authority or stock exchange which remains confidential as of the date of this Agreement.

- (h) **Financial Statements.** The audited consolidated financial statements of Magna (including the notes thereto) as at and for the years ended December 31, 2006 and 2005 and the unaudited consolidated interim financial statements of Magna as at and for the three months ended March 31, 2007 present fairly in all material respects the financial condition of Magna and the financial information presented therein for the periods and as at the dates thereof. Such financial statements have been

prepared in accordance with generally accepted accounting principles in Canada in effect at the date of such financial statements (subject only to year-end adjustments in the case of the interim unaudited consolidated financial statements).

- (j) **Agreements with Related Parties.** Except as publicly disclosed or disclosed in writing by Magna to RM prior to the execution of this Agreement, Magna is not a party to any oral or written material agreements with Frank Stronach, 445, the Trust or any of their respective Affiliates.
- (k) **Litigation.** Except as publicly disclosed or disclosed to RM prior to the execution of this Agreement: (i) there is no suit, action, dispute, civil or criminal litigation, arbitration, legal, administrative or other proceeding or governmental investigation, including appeals and applications for review, in progress, pending or, to the knowledge of Magna, threatened against Magna or any of its subsidiaries or relating to the business, properties or assets of Magna or any of its subsidiaries that has had or is reasonably expected to have a Material Adverse Effect or which questions the validity of the issuance of the Magna Class A Shares required to be issued pursuant to the Plan of Arrangement or any action taken or to be taken by Magna pursuant to or in connection with this Agreement; (ii) to the knowledge of Magna, no circumstances have occurred which would give rise to any such suit, action, dispute, litigation, arbitration, proceeding or investigation that has a reasonable likelihood of success and that if adversely decided would, in Magna's reasonable judgment, have a Material Adverse Effect; and (iii) there is not presently outstanding against Magna or any of Magna's subsidiaries any judgment, execution, decree, injunction, writ or order of any regulatory authority, court, tribunal, instrumentality, or arbitrator which has had or is reasonably expected to have a Material Adverse Effect.

- (c) **No Violation.** Except for the Regulatory Approvals, the execution, delivery and performance of this Agreement does not, and will not, result in a breach or violation of any of the provisions of or constitute a default under, or conflict with or cause the acceleration of any obligation of 445, the Trust or their respective Subsidiaries under (i) any material Contract to which it is a party, (ii) any provision of the articles, by-laws or resolutions of its board of directors (or any committee thereof) or shareholders, (iii) any judgment, decree, order or award of any Governmental Entity having jurisdiction over it or (iv) any Applicable Law. Except for the Regulatory Approvals and Court Orders, no consent, approval, order or authorization of, or declaration or filing with, any Governmental Entity or other person is required to be obtained or made, as the case may be, by 445 or the Trust in connection with the execution and delivery of this Agreement or the consummation by it of the Arrangement.

TRANSACTION STEPS

Definitions

RM Investment Amount means US\$76.83, being the volume weighted average trading price of Magna Class A Shares on the NYSE for the 20 trading days ending April 20, 2007 multiplied by 20,000,000; and

RM's Lender means the person or persons providing financing (including refinancing) to RM and/or RM Sub for all or part of the RM Investment Amount.

References to numbers of Magna shares will be subject to adjustment for stock splits, share consolidations and similar events.

Pre-Plan of Arrangement Steps

1. 445 incorporates 446 as a wholly-owned subsidiary. One common share of 446 is issued to 445 on incorporation for CDN\$1.00.
2. 446 incorporates Newco as a wholly-owned subsidiary. One common share of Newco is issued to 446 on incorporation for CDN\$1.00. Newco's authorized capital consists of Class A, B, C and D shares which have the following attributes:

Class B shares have 1.5 votes per share.

Class A and C shares have 1 vote per share.

Class D shares are non-voting.

The Class A, B, C and D shares participate *pari passu* in dividends and other distributions, however, distributions on the Class A, C and D shares may be treated first as a return of capital.

The Class C shares have a preferential and fixed entitlement on a liquidation or winding-up of Newco equal to the lesser of 5% of the RM Investment Amount and the fair market value of 1,000,000 Magna Class A Shares at the time of liquidation or winding-up. After the preferential entitlement of the Class C shares, the Class A, B and D shares shall share *pro rata* on a liquidation or winding-up of Newco.

The Class A shares may be issuable in two series. The Class D shares may be issuable in three series.

3. Newco incorporates Newco II as a wholly-owned subsidiary. Newco II's authorized capital consists of:

(a) 1,000,000 non-voting redeemable retractable preferred shares;

(b) an unlimited number of non-voting common shares;

(c) an unlimited number of voting common shares; and

(d) an unlimited number of special shares.

The preferred shares of Newco II are redeemable and retractable for the lesser of 5% of the RM Investment Amount and the fair market value at the time of redemption of 1,000,000 Magna Class A Shares, plus any unpaid dividends, and have a preference over the non-voting common shares and the voting shares on liquidation or winding-up equal to the redemption price plus any unpaid dividends. The dividend entitlement of the preferred shares is equal to 100% of Newco II's net income.

The non-voting common shares and voting common shares of Newco II participate *pari passu* on liquidation, subject to the prior rights of the preferred shares. The non-voting common shares and the voting common shares of Newco II have no entitlement to dividends.

The special shares of Newco II are non-voting and not entitled to dividends. The special shares are, as a class, redeemable and retractable in connection with any RM Sub Exit, 446 Exit or Collateral Realization for the lesser of 95% of the RM Investment Amount and the fair market value of 19,000,000 Magna Class A Shares. The special shares have a preference over the non-voting common shares and the voting common shares on liquidation or winding-up equal to their redemption price. The common shares and the preferred shares rank equally on liquidation or winding-up and are subordinate to the special shares.

4. Newco subscribes for 100 voting common shares of Newco II for CDN\$100.00.

Plan of Arrangement Steps

5. 445 transfers its 726,829 Magna Class B Shares to 446 in exchange for 100 common shares of 446.

6. 446 transfers 726,829 Magna Class B Shares to Newco in exchange for 420 Class B shares of Newco.

7. The Principals, and/or companies controlled by them, transfer a total of 605,000 Magna Class A Shares to Newco in exchange for 130 Class A shares and 30 Class D shares of Newco.

8. RM Sub subscribes for 420 Class C shares of Newco for cash equal to 5% of the RM Investment Amount.

9. Newco subscribes for 1,000,000 preferred shares of Newco II for cash equal to 5% of the RM Investment Amount.

10. RM Sub subscribes for 100 non-voting common shares of Newco II for CDN\$100.00.

11. RM Sub loans Newco II an amount, in Canadian dollars, equal to 95% of the RM Investment Amount (the Newco II Loan).

12. Newco II subscribes for 20,000,000 Magna Class A Shares for a price equal to the RM Investment Amount.

13. The Newco II Loan has the following terms:
 - (a) non-interest bearing and evidenced by a non-interest bearing promissory note,

 - (b) principal amount, in Canadian dollars, equal to the lesser of 95% of the RM Investment Amount and the fair market value from time to time of 19,000,000 Magna Class A Shares,

 - (c) repayable on demand by RM Sub after two years following the Effective Date,

 - (d) repayable on demand at any time if RM and/or RM Sub defaults under the financing for its Newco/Newco II investment and RM Lender realizes on its security in the Newco II Loan,

 - (e) secured by a pledge of 20,000,000 Magna Class A Shares (subject to the limitations specified in the Newco Shareholders Agreement), and

 - (f) convertible into special shares of Newco II that have a fair market value equal to the lesser of 95% of the RM Investment Amount and the fair market value of 19,000,000 Magna Class A Shares.

14. Magna, Newco and RM Sub enter into an exchange agreement (the **Exchange Agreement**) that provides for the Newco II special shares, preferred shares, non-voting common shares and voting common shares to be exchanged for a number of new Magna Class A Shares to be issued from treasury by Magna equal, in aggregate, to the number of Magna Class A Shares held by Newco II at the time of exchange. Such exchange, subject to satisfaction of specified conditions, shall be triggered by an RM Sub Exit, a Collateral Realization or a 446 Exit. Subject to regulatory approval, Magna will be obliged to complete this exchange after the Effective Date, provided that Newco II's only assets are Class A shares of Magna and cash, Newco II has no liabilities or its liabilities have been provided for to the reasonable satisfaction of Magna and provided that other reasonable conditions for the exchange (which conditions shall not include approval by the Magna Board or Magna Shareholders) are met.

15. If approved by Magna Minority Class B Shareholders as contemplated by Section 2.4(c) of the Agreement, Magna acquires for cancellation all the outstanding Magna Class B Shares other than those held by Newco for cash at a price per share of CDN\$114.00.

16. If approved by Magna Minority Class B Shareholders as contemplated by Section 2.4(c) of the Agreement, the number of votes per share attached to the Class B shares of Magna will be reduced to 300 votes per share.

17. The Magna Minority Class B Shareholders will be given a right of dissent if the Plan of Arrangement (including paragraphs 15 and 16) is approved.

18. The by-laws of Magna are amended to eliminate the right of the Chairman of the Board of Directors to cast a second or deciding vote in the event of an equality of votes.

19. The Magna Board will be increased to 14 members and nominees will be elected to fill vacant positions on the Magna Board.

SCHEDULE B

NEWCO SHAREHOLDERS AGREEMENT

1. Distribution Policy

The Board of Directors of Newco and Newco II will each establish a dividend distribution policy.

2. Newco Board of Directors

The Board of Directors of Newco shall consist of 6 directors, 2 nominees of 446 (including Chair), 2 nominees of RM Sub and each of the Co-CEOs (being nominees of the Principals). In the event either of the Co-CEOs ceases to serve as a Newco director, unless 446 and RM Sub otherwise agree, neither of the Co-CEOs shall be entitled to remain a director of Newco and the Principals shall no longer be entitled to representation on the Newco Board. In the event either of the Co-CEOs resigns as an executive officer of Magna, unless 446 and RM Sub otherwise agree, such Co-CEO shall be entitled to continue to serve as a director of Newco.

Each of RM Sub and 446 shall be prohibited from entering into any voting trust or similar agreement or arrangement with any of the Principals with respect to Newco.

At least one of 446's nominees shall meet any Canadian residency requirements of the corporations statute governing Newco.

3. Newco Veto Rights

Newco will be a special purpose company that shall not carry on any activities apart from holding shares of Magna and performing its obligations and enforcing its rights under the Exchange Agreement and the Principals Agreement. Each of RM Sub and 446 (in its capacity as a shareholder) shall have veto rights over all actions to be taken by Newco, other than voting in respect of the election or removal of directors of Magna or Newco II in accordance with the terms set out below.

4. Custodian of Magna Culture

Newco shall act as custodian of the culture, business philosophies and operating principles that have been the cornerstone of Magna's success to date and shall preserve and protect Magna's Constitution and other key policies and principles. In particular, Newco shall not support any change that materially compromises the fundamental employee profit-sharing and Employee Charter principles contained in Magna's Constitution.

5. Newco II

Newco II will be a special purpose company that shall not carry on any activities apart from holding the Magna Class A Shares and entering into the agreements governing the Newco II Loan and complying with its obligations thereunder.

The board of directors of Newco II will be the same as the Newco Board unless otherwise agreed by the Newco Board.

RM Sub and 446 shall have the same veto rights over the actions to be taken by Newco II as they do over the actions to be taken by Newco.

6. Magna Board and Governance

RM Sub and 446 shall cause the shares of Magna held by Newco and Newco II to be voted so that the following will be effected with respect to the Magna Board:

- (a) The Magna Board shall consist of 14 directors, 6 nominees of 446 (including Chair), 6 nominees of RM Sub and 2 nominees of Principals (both existing Co-CEOs). The parties will consult with each other with respect to ensuring that Canadian residency requirements for the Magna Board are met. If the parties cannot agree on which directors will be Canadian residents, then at least 3 of 446's independent nominees shall be resident Canadians within the meaning of the OBCA and at least 2 of RM Sub's independent nominees shall be resident Canadians within the meaning of the OBCA.
- (b) At least 4 nominees of each of 446 and RM Sub must meet independence requirements under applicable securities laws and stock exchange rules.

The Magna Board governance guidelines shall provide that: (i) directors shall declare their interest and abstain from voting on all matters where there is an actual or perceived conflict, including, in the case of Principals who are directors, the appointment of members to Board committees or on any matter where 446 or RM Sub has declared a conflict; and (ii) any material transaction out of the ordinary course of business shall require the support of two-thirds of the directors. For this purpose such a transaction shall be material if the transaction value exceeds the thresholds set out in the definition of "Out of the Ordinary Course Transaction" except that the threshold for non-automotive investment shall be US\$20,000,000 per year in the aggregate.

446 and RM Sub will mutually determine the transition timing to effect the necessary changes to the Magna Board.

7. Restriction on Acquiring Magna Shares

Without the prior approval of the Newco Board, neither RM Sub nor 446 (nor their respective affiliates nor their shareholders) shall acquire any additional shares of Magna, excluding Magna Class A Shares which, when added to the Magna Class A Shares held or controlled by Newco, Newco II and their shareholders (after giving effect to the exercise of any options held by them), would not exceed 20% in aggregate of the Magna Class A Shares outstanding.

8. Transfer Restrictions

No sales, liens, pledges or transfers of any of the shares of 445, 446, RM Sub, Newco or Newco II or of the Newco II Loan (including indirect sales) are permitted, subject to the following exceptions:

- (a) Any party can transfer its Newco or Newco II shares or, in the case of RM Sub, the Newco II Loan:

- (i) in the case of RM Sub, to Oleg Deripaska, Oleg Deripaska's immediate family, lineal descendants of Oleg Deripaska or his immediate family, one or more trusts for the benefit of one or more of the foregoing and/or an entity, directly or indirectly, majority controlled by one or more of the foregoing; and
- (ii) in the case of 445 or 446, to Frank Stronach, Frank Stronach's immediate family, lineal descendants of Frank Stronach or his immediate family, one or more trusts for the benefit of one or more of the foregoing and/or an entity, directly or indirectly, majority controlled by one or more of the foregoing;

(b) Newco shares and Newco II shares may be sold by RM Sub to the extent permitted under Sections 10 and 11 below;

(c) Newco shares may be sold by the Principals in accordance with the terms of the Principals Agreement; and

(d) As permitted by Section 9 below.

If a party wishes to make a permitted transfer as described in clause (a) above, that party shall provide the other party with particulars with respect to the transferee and shall cause the transferee to sign a counterpart copy of the Newco Shareholders Agreement thereby agreeing to be bound by the terms of the Newco Shareholders Agreement.

Notwithstanding clause (a) above, no party may transfer its shares of Newco or Newco II in a transaction which results in Newco or Newco II becoming liable as a resident contributor to a non-resident trust for the purposes of the *Income Tax Act* (Canada).

9. Security for RM Financing

RM Sub may pledge some or all of its Newco shares, Newco II shares, the Newco II Loan and the 20,000,000 Magna Class A Shares pledged as security for the Newco II Loan (collectively the Collateral) to the person or persons providing financing (including any refinancing) to RM and/or to RM Sub for all or part of the RM Investment Amount (RM's Lender) as security for the financing (including any refinancing) of the RM Investment Amount, subject to the following limitations:

- (a) The 20,000,000 Magna Class A Shares will be certificated and remain registered in the name of Newco II and, prior to realization by RM's Lender (the Collateral Realization), Newco II shall receive all dividends on the 20,000,000 Magna Class A Shares free of the pledge and Newco II shall be entitled to vote such shares;
- (b) The Collateral must be held by a financial institution qualified to conduct business as a bank in Canada or the United States, with total assets of US\$5,000,000,000 or greater, either for its own account or as collateral agent;
- (c) RM's Lender will not have any claim against Newco, Newco II or their assets apart from the Collateral Realization in accordance with the terms hereof;

- (d) Until the second anniversary of the Effective Date, the amount of the loan secured by the Collateral cannot exceed 80% of the RM Investment Amount;
- (e) After the second anniversary of the Effective Date, the amount of the loan secured by the Collateral cannot exceed 100% of the RM Investment Amount;
- (f) In the event that RM Sub or RM's Lender realizes against the pledged Magna Class A Shares, RM Sub will be deemed to have sold all of RM's Newco shares, Newco II shares and the Newco II Loan to Newco or its designee on the terms set out below:
 - (i) RM Sub or RM's Lender may retain or may dispose of that number of pledged Magna Class A Shares with a market value equal to the lesser of (A) the outstanding secured amount and (B) 80% of the RM Investment Amount, and RM Sub will be deemed to have received sale proceeds equal to the market value of the number of pledged Magna Class A Shares so retained or disposed of by RM Sub or RM's Lender (the Realization Proceeds);
 - (ii) If the realization occurs on or after the second anniversary of the Effective Date, the remainder, if any, of the pledged Magna Class A Shares which are not retained or disposed of by RM Sub or RM's Lender will be returned to Newco and/or Newco II, as the case may be, and sold in the market and the sum of the after-tax proceeds to Newco and/or Newco II from such sale plus the Realization Proceeds will, subject to clause (iv) below, be shared as provided under section 10 below, taking into account the prior deemed receipt by RM Sub of the Realization Proceeds;
 - (iii) If the realization occurs prior to the second anniversary of the Effective Date, the remainder, if any, of the pledged Magna Class A Shares which are not retained or disposed of by RM Sub or RM's Lender will be returned to Newco and/or Newco II, as the case may be, and sold in the market on the second anniversary of the Effective Date, or as soon as practicable thereafter, and the sum of the after-tax sale proceeds to Newco and/or Newco II from such sale plus the Realization Proceeds will, subject to clause (iv) below, be shared as provided under Section 10 below taking into account the prior deemed receipt by RM of the Realization Proceeds, except that the total proceeds will be available firstly to put 446 in the same economic position as it would have been in (taking into account dividends and market price appreciation) if the full 20,000,000 pledged Magna Class A Shares had not been pledged but instead held by RM Sub and sold at market price on the second anniversary of the Effective Date with the proceeds shared as provided under section 10 below; and
 - (iv) If RM's Lender agrees to facilitate a Tuck-In Transaction (as defined in Section 10 below) and to replace the Magna Class A Shares previously pledged to RM's Lender with Magna Class A Shares issued by Magna in the Tuck-In Transaction, then any tax payable by Newco and/or Newco II in connection with the realization will be dealt with as provided for in the RM Sub Exit section below. If RM's Lender does not agree to this, then the amount to be deducted in respect of tax payable by Newco and Newco II in determining the amount to which RM Sub is entitled under section 10

below shall be all of the tax payable by Newco II as a result of the realization by RM's Lender against the pledged Magna Class A Shares and 25% of any additional tax payable by Newco and/or Newco II in connection with the buyback; and

- (g) the Collateral will not include any rights of RM Sub under the Newco Shareholder Agreement other than with respect to the RM Sub Exit and the Tuck-In Transaction.

10. RM Sub Exit

Subject to the special provisions referred to above that deal with RM Sub's ability to pledge the Collateral, RM Sub may sell its Newco shares, its Newco II shares, the Newco II Loan or the Newco II shares issued to RM Sub on conversion of the Newco II Loan to Newco or its designee at any time after the second anniversary of the Effective Date for a purchase price that would result in RM Sub receiving (i) the pre-tax value to Newco II of 20,000,000 Magna Class A Shares up to the RM Investment Amount, plus (ii) 50% of the amount, if any, by which the pre-tax value to Newco and Newco II of 20,000,000 Magna Class A Shares exceeds the RM Investment Amount, less (iii) 25% of any tax incurred by Newco and Newco II in connection with the buyback.

The sale of RM Sub's Newco II shares and the Newco II loan will be effected, if possible, by way of RM Sub converting the Newco II loan to Newco II shares and then Newco and RM Sub exchanging all their Newco II shares for Magna Class A Shares (the "Tuck-In Transaction"). If this cannot be done or RM Sub and 446 otherwise agree, then RM Sub and 446 will use reasonable efforts to identify an alternative structure which minimizes to the greatest extent reasonably possible the tax to Newco and Newco II in connection with any such buyback while preserving the economic substance of the other provisions contemplated by this Schedule.

If a Tuck-In Transaction is completed, the Magna Class A Shares received by RM Sub will satisfy the portion of the purchase price attributable to RM Sub's Newco II shares and the Newco II Loan. For the balance of the purchase price, at RM Sub's election, Newco or its designee will satisfy the consideration in cash or in Magna Class A Shares. If a Tuck-In Transaction is not completed, then, at RM Sub's election, Newco or its designee will satisfy the consideration in cash or Magna Class A Shares.

11. 446 Exit

At any time after the third anniversary of the Effective Date, 446 shall have the right to require RM Sub to sell its Newco shares, its Newco II shares, the Newco II Loan or the Newco II shares issued to RM Sub on the conversion of the Newco II Loan to Newco or its designee. In the event that 446 requires RM Sub to exit, RM Sub will receive an aggregate amount for its Newco shares, its Newco II shares, the Newco II Loan or the Newco II shares issued to RM Sub on the conversion of the Newco II loan equal to (i) the pre-tax value to Newco and Newco II of 20,000,000 Magna Class A Shares up to the RM Investment Amount, plus (ii) the amount, if any, by which the pre-tax value to Newco and Newco II of 20,000,000 Magna Class A Shares exceeds the RM Investment Amount, minus (iii) any tax incurred by Newco and Newco II in connection with the buyback. For greater certainty, the price payable for RM Sub's 420 Class C shares of Newco and/or RM Sub's shares of Newco II may be greater than the price payable for those shares pursuant to Section 10 if required in order to provide RM Sub with the aggregate price to which it is entitled under this section.

The sale of RM Sub's Newco II shares and the Newco II Loan will be effected, if possible, by way of the Tuck-In Transaction. If this cannot be done or RM Sub and 446 otherwise agree, then RM Sub and 446 will use reasonable efforts to identify an alternative structure which minimizes to the greatest extent reasonably possible the tax to Newco and Newco II in connection with any such buyback while preserving the economic substance of the other provisions contemplated by this Schedule.

If the Tuck-In Transaction is completed, the Magna Class A Shares received by RM Sub will satisfy the portion of the purchase price attributable to RM Sub's Newco II shares and the Newco II Loan. For the balance of the purchase price, at RM Sub's election, Newco or its designee will satisfy the consideration in cash or in Magna Class A Shares.

12. Principals Agreement

Without the prior approval of each of 446 and RM Sub, Newco shall enforce its rights under the Principals Agreement, and shall not amend the Principals Agreement nor waive any obligation of any of the Principals under the Principals Agreement.

4. Any other rulings, consents, orders, exemptions, permits, waivers, authorizations, agreements, certificates, clearances and other approvals (including the lapse, without objection, of a prescribed time under a statute or regulation that provides that a transaction may only be implemented if a prescribed time lapses following the giving of notice without an objection being made) of any Governmental Entity that are necessary in connection with the Arrangement under, and other applicable requirements of, foreign and supranational laws relating to anti-trust, competition and investment clearances.

SCHEDULE D
TERMS OF AGREEMENT BETWEEN NEWCO AND THE PRINCIPALS

1. For the purposes of the Principals Agreement, the 130 Class A shares and 30 Class D shares of Newco shall be related to the Principals and the contribution, directly or indirectly, of Magna Class A Shares to Newco as follows:

Donald Walker	250,000	65 Class A
Siegfried Wolf	250,000	65 Class A
Vince Galifi	35,000	10 Class D
Jeff Palmer	35,000	10 Class D
Peter Koob	35,000	10 Class D

The Magna Class A Shares shown above for each Principal will be referred to as that Principal's Contributed Shares. The Newco shares shown above for each Principal will be referred to as that Principal's Newco Shares.

2. A Principal's Newco Shares shall be purchased by Newco or its designee if:
- the Principal dies or becomes permanently disabled and the Principal or his estate or legal personal representatives decide to sell the Principal's Newco Shares;
 - the Principal's employment with Magna is terminated for cause, in which case the Principal must sell all his Newco Shares to Newco or its designee within 30 days after the termination of employment;
 - the Principal's employment with Magna is terminated and thereafter he becomes a competitor of Magna, in which case the Principal must sell all his Newco Shares within 30 days after Newco becomes aware of such competition;
 - the Principal is still employed by Magna and after the sixth anniversary of the Effective Date, the Principal elects to sell up to a maximum 15% per year of the Principal's remaining Newco Shares; or
 - the Principal elects to have his Newco Shares purchased following termination of his employment with Magna.
3. The purchase price for a Principal's Newco Shares will be calculated as follows:
- the after-tax value to Newco of the Principal's Contributed Shares on hand at the time of sale, plus
 - if RM Sub is no longer a shareholder of Newco, 50% of the Principal's pro rata share of the after-tax value of any of the 20,000,000 Magna Class A Shares

purchased by Newco II on the Effective Date still owned by Newco or its affiliates (valuing those Shares at market), any assets attributable to or substituted for such Shares or proceeds from such assets, plus

- (c) the Principal's pro rata share of the fair market value of any assets of Newco other than all of the Principals' Contributed Shares, the assets referred to in clause (b) above (whether or not clause (b) above is applicable) and the Magna Class B Shares contributed to Newco by 446, minus
 - (d) the Principal's pro rata share of any liabilities of Newco.
4. The purchase price for the Principal's Newco Shares will be paid as to the after-tax value to Newco of the Principal's Contributed Shares on hand at the time of sale by transferring a portion of the Principal's Contributed Shares with a value equal to the after-tax value to Newco of the Principal's Contributed Shares on hand at the time of sale to the Principal and as to the balance in cash. The purchase price for the Principal's Newco shares will be paid in full on closing.
 5. If a Principal resigns from his employment with Magna prior to the sixth anniversary of the Effective Date and retains his Newco Shares, the portion of the dividends to which the Principal's Newco Shares would otherwise be entitled in each of the six years following the Effective Date which exceeds the dividends received by Newco from the Principal's Contributed Shares shall be reduced by the following percentages:

Termination of Employment

Occurs in Year after

Effective Date	Reduction
1	100%
2	83 1/3
3	66 2/3
4	50%
5	33 1/3

6. A Principal may not sell or transfer, directly or indirectly, any of the Principal's Newco Shares to any person other than Newco or its designee or except as provided for and in accordance with the terms of the Principals Agreement.
7. (a) Without the prior approval of the Newco Board, none of the Principals (or their respective Affiliates) shall acquire any additional Magna shares, excluding Magna Class A Shares which, when added to the Magna Class A Shares held or controlled by Newco, Newco II and their shareholders (after giving effect to the exercise of any options held by them) would not exceed 20% in aggregate of the Magna Class A Shares outstanding.
 - (b) The restriction in Section 7(a) does not apply to acquisitions of Magna Class A Shares pursuant to Magna's equity compensation arrangements.
