**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year**

On August 20, 2008, the Board of Directors of Mueller Water Products, Inc. (the Company) approved amendments to Section 2.03 of the Company's restated Bylaws. The primary changes implemented by the amendments, which were effective immediately upon approval, are described below.

1. The amended Bylaws clarify that stockholders seeking to nominate directors or propose other business at a meeting must comply with the advance notice provisions in Section 2.03, while stockholders seeking to have a stockholder proposal considered for inclusion in the Company's annual proxy statement must comply with the notice requirements applicable to stockholder proposals under the federal proxy rules.
2. The amended Bylaws clarify the advance notice deadlines in Section 2.03(A)(2), which establish when a stockholder must notify the Company that it intends to nominate directors or propose other business at an annual meeting of stockholders.
3. The amended Bylaws clarify the advance notice deadlines in Section 2.03(B), which establish when a stockholder must notify the Company that it intends to nominate directors or propose other business at a special meeting of stockholders.
4. The amended Bylaws update the information that must be included in a notice under Section 2.03. Among other things, the amendments require a stockholder that intends to propose a nomination or other business to provide information about (a) its ownership of derivative securities of the Company; (b) any relationships pursuant to which such stockholder has the right to vote any shares of the Company; (c) any interest in any hedging transaction in a security of the Company; (d) any rights to dividends on the shares of the Company that are separate from the underlying shares of the Company; (e) any proportionate interest in any security of the Company held indirectly; (f) any performance-related fees that such stockholder is entitled to receive as a result of an increase or decrease in the value of the Company's shares.
5. The amended Bylaws require that, if the proposal relates to any business other than a nomination of a director or directors, the notice must include a description of any agreement, arrangement or understanding between such stockholder and beneficial owner, if any, in connection with such proposal.
6. The amended Bylaws require that, with respect to any person the stockholder proposes to nominate for election or reelection to the Board of Director, the notice include (a) a description of all direct and indirect compensation and any other material monetary agreements, arrangements and understandings during the past three years, and any other material relationships between or among such stockholder and the beneficial owner, if any, and each proposed nominee and (b) a completed and signed questionnaire, representation and agreement, in a form provided by the Company, with respect to the background and

qualification of such person and any other person or entity on whose behalf the nomination is being made.

The preceding description is qualified in its entirety by reference to the amended and restated Bylaws of Mueller Water Products, Inc., which are filed as Exhibit 3.1 to this report and are incorporated herein by reference.
