Item 1.01 Entry into a Material Definitive Agreement

On March 2, 2009, Avon Products, Inc. (the Company) completed a public offering of \$500 million in aggregate principal amount of its 5.625% Notes due 2014 (the 2014 Notes) and \$350 million in aggregate principal amount of its 6.500% Notes due 2019 (the 2019 Notes and, together with the 2014 Notes, the Notes). The Notes were offered by the Company pursuant to its registration statement on Form S-3 (File No. 333-149402), dated February 27, 2008, filed with the Securities and Exchange Commission on February 27, 2008 and supplemented by the Prospectus Supplement dated February 25, 2009. The net proceeds from the sale, which are expected to be \$837,611,000, will be used to repay outstanding indebtedness under the Company's commercial paper program and for general corporate purposes. We have entered into interest rate swap agreements that effectively converted our indebtedness under the 2014 Notes to a variable interest rate based on LIBOR.

The Company entered into an Underwriting Agreement, dated as of February 25, 2009, among the Company and J.P. Morgan Securities Inc., Deutsche Bank Securities Inc. and Morgan Stanley & Co. Incorporated, as representatives of the underwriters named therein (the Underwriters), in connection with the issuance and sale by the Company of the Notes. Pursuant to the Underwriting Agreement and subject to the terms and conditions expressed therein, the Company agreed to sell the Notes to the Underwriters, and the Underwriters agreed to purchase the Notes for resale to the public. The Company sold the 2014 Notes to the Underwriters at a purchase price of 98.855% of the principal amount thereof, and the Underwriters offered the 2014 Notes to the public at a price of 99.455% of the principal amount thereof. The Company sold the 2019 Notes to the Underwriters at a purchase price of 98.096% of the principal amount thereof, and the Underwriters offered the 2019 Notes to the public at a price of 98.746% of the principal amount thereof. Interest is payable on the Notes on each March 1 and September 1, commencing on September 1, 2009. Pursuant to the Underwriting Agreement, the Company has also agreed to indemnify the Underwriters and certain controlling persons against certain liabilities, including certain liabilities under the Securities Act of 1933, as amended, and to contribute to payments the Underwriters may be required to make in respect of any of these liabilities.

The Notes are governed by and were issued pursuant to an Indenture between the Company and Deutsche Bank Trust Company Americas, as Trustee (the Trustee), dated as of February 27, 2008 (the Indenture), as supplemented by the Third Supplemental Indenture dated as of March 2, 2009 between the Company and the Trustee (the Third Supplemental Indenture) and the Fourth Supplemental Indenture dated as of March 2, 2009 between the Company and the Trustee (the Fourth Supplemental Indenture and, together with the Third Supplemental Indenture, the Supplemental Indentures). The Company may issue additional debt from time to time pursuant to the Indenture. The Indenture, Supplemental Indentures and Notes contain covenants that limit the Company's ability to, among other things, incur certain liens securing indebtedness, engage in certain sale-leaseback transactions, and enter into certain consolidations, mergers, conveyances, transfers or leases of all or substantially all the Company's assets. The terms of the Notes also require the Company to make an offer to repurchase Notes upon a change of control repurchase event (as defined in the Supplemental Indentures) at a price equal to 101% of their principal amount plus accrued and unpaid interest.

The foregoing description of the Underwriting Agreement, the Supplemental Indentures and the Notes does not purport to be complete and is qualified in its entirety by reference to the full text of such agreements, which are filed as exhibits hereto and incorporated by reference into this Item 1.01.
