**Item 2. Identity and Background.**

This statement is being filed pursuant to Rule 13d-1 under the Securities Exchange Act of 1934, as amended (the Exchange Act), by Oracle Corporation, a Delaware corporation (Oracle). The address of the principal business and the principal office of Oracle is 500 Oracle Parkway, Redwood City, California 94065. Oracle is the world's largest enterprise software company. As a result of the acquisition of Sun Microsystems, Inc. in January 2010, Oracle is also a leading provider of hardware systems products and services. Oracle develops, manufactures, markets, distributes and services database and middleware software, applications software and hardware systems, consisting primarily of computer server and storage products, which are designed to help Oracle's customers manage and grow their business operations. Our goal is to be the world's most complete, open and integrated enterprise software and hardware company.

The name, business address, present principal occupation or employment and citizenship of each director and executive officer (including a director and officer who may be a controlling person) of Oracle is set forth on Schedule A.

During the last five years, none of Oracle or, to the knowledge of Oracle, any of the persons listed on Schedule A has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

**Item 3. Source and Amount of Funds or Other Consideration.**

The total amount of funds required by Oracle for the purchase of the 3,437,800 Shares was approximately \$63.8 million and was obtained from the working capital of Oracle.

**Item 4. Purpose of Transaction.**

Oracle has made a strategic investment in the Issuer, a leading supplier of end-to-end connectivity solutions for servers and storage systems, to further align product vision and maximize partnership efforts between the two companies. The Issuer's InfiniBand is the premier switch fabric for enterprise data centers and high performance computing, providing superior scalability, higher throughput and lower latency in comparison to alternative communications technologies. Oracle and the Issuer have had a long-term strategic partnership that allows Oracle to leverage the Issuer's InfiniBand products to create differentiated Oracle solutions like Exadata and Exalogic. A strong and friendly relationship with the Issuer is critical to Oracle. In recognition of the importance of InfiniBand and the Issuer to Oracle, Oracle has acquired 10.2% of the Issuer's Shares in the open market. This stake is for investment purposes only, to solidify common interest in the future of InfiniBand. Oracle has no plan or intention to make an unsolicited and unfriendly offer to take over the Issuer.

Except as described herein, Oracle has no present plans or proposals that relate to or would result in any of the actions described in Item 4(a) through (j), inclusive, of Item 4 of Schedule 13D under Rule 13d-1(a).

**Item 5. Interest in Securities of the Issuer.**

(a) The aggregate number and percentage of the class of securities identified pursuant to Item 1 beneficially owned by Oracle is stated in Items 11 and 13 on the cover page hereto.

Except as set forth in this Item 5(a), neither Oracle nor, to the knowledge of Oracle, any of the persons named in Schedule A hereto beneficially own any Shares.

(b) Oracle has sole voting and dispositive power over all of the Shares reported herein.

(c) Transactions in the class of securities reported on that were effected during the past sixty days by Oracle are set forth on Schedule B.

Except as described herein, to the knowledge of Oracle, no transactions in the class of securities reported have been effected during the past 60 days by any person named in Schedule A or Item 5(a).

(d) To the knowledge of Oracle, no other person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the securities of the Issuer reported herein.

(e) Inapplicable.

**Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.**

To the knowledge of Oracle, there are no contracts, arrangements, understandings or relationships (legal or otherwise), including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, among the persons named in Item 2 or between such persons and any other person, with respect to any securities of Issuer, including any securities pledged or otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over such securities other than standard default and similar provisions contained in loan agreements.

**Item 7. Material to be Filed as Exhibits.**

None.

**SIGNATURE**

After reasonable inquiry and to the best of my knowledge and belief, I certify that the information set forth in this statement is true, complete and correct.
